Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

(e) On July 14, 2009, the Compensation Committee of the Board of Directors of Thorium Power, Ltd. (the “Company”) recommended and approved several equity compensation grants under the Company’s Amended and Restated 2006 Stock Option Plan (the “Plan”). Seth Grae, the President, Chief Executive Officer and director of the Company, received a grant of 1,009,868 restricted shares (the “Restricted Shares”) of the Company’s common stock, par value \$0.001 (the “Common Stock”), and a non-qualified option (an “Option”) to purchase 3,386,029 shares of Common Stock. James Guerra, the Chief Operating Officer and Chief Financial Officer of the Company, received a grant of 294,737 Restricted Shares and an Option to purchase 988,235 shares of Common Stock. Pursuant to these grants, the Company entered into a Restricted Stock Grant Agreement and a Stock Option Agreement with each of Mr. Grae and Mr. Guerra (collectively, the “Agreements”).

Under each respective Stock Option Agreement, the Options’ exercise price is \$0.19, which in accordance with the Plan is the average of the high bid and low asked prices of the Common Stock as of July 13, 2009, the date prior to the date of grant. The Options will expire on July 13, 2019.

Under the terms of the respective Agreements, the Restricted Shares and Options are both subject to a three-year vesting schedule. They will vest in equal installments of one-third each over a three-year period on each anniversary of the date of grant, except that vesting will accelerate upon a change of control of the Company, termination of the officer without cause, or the cessation of the officer’s employment with the Company for good reason. No portion of the Restricted Shares may be sold, transferred, assigned, pledged or otherwise disposed of by either Mr. Grae or Mr. Guerra until such portion of the Shares becomes vested.

This brief description of the terms of each Restricted Stock Grant Agreement and each Stock Option Agreement is qualified by reference to the provisions of such Agreements, which are attached to this report as Exhibits 10.1 through 10.4, respectively, and incorporated by reference herein.
