This Proxy Statement and the Company's Annual Report on Form 10-K as filed with the Securities and Exchange Commission, are available at <http://banksc.com>.

**YOUR VOTE IS IMPORTANT TO US, SINCE BROKERS CAN NO LONGER VOTE ON BEHALF OF
SHAREHOLDERS FOR THE ELECTION OF DIRECTORS WITHOUT YOUR INSTRUCTIONS.**

Who is Entitled to Vote?

The Board of Directors of the Company has fixed the close of business on February 25, 2011, as the record date for Shareholders entitled to notice of and to vote at the Annual Meeting of Shareholders. Only holders of record of Bank of South Carolina Corporation's Common Stock on that date are entitled to notice of and to vote at the Annual Meeting. Each Shareholder is entitled to one vote for each share of Bank of South Carolina Corporation Common Stock that the Shareholder owns; provided, however, that the Shareholders have cumulative voting rights for the election of Directors. The right to cumulate votes means that the Shareholders are entitled to multiply the number of votes they are entitled to cast by the number of Directors for whom they are entitled to vote and cast the product for a single candidate or distribute the product among two or more candidates. On February 25, 2011, there were 4,430,599 shares of Bank of South Carolina Corporation's Common Stock outstanding and entitled to vote at the Annual Meeting.

How Do I Vote at the Annual Meeting?

Proxies are solicited to provide all Shareholders of record on the voting record date an opportunity to vote on matters scheduled for the Annual Meeting and described in these materials. You are a Shareholder of record if your shares of Bank of South Carolina Corporation Common Stock are held in your name. If you are a beneficial owner of Bank of South Carolina Corporation Common Stock held by a broker, bank or other nominee (i.e., in "street name"), please see the instructions in the following question.

Shares of Bank of South Carolina Corporation Common Stock can only be voted if the Shareholder is present in person or by Proxy at the Annual Meeting. To ensure your representation at the Annual Meeting, the Board recommends that you vote by Proxy even if you plan to attend the Annual Meeting. You can always change your vote at the meeting if you are a Shareholder of record.

Voting instructions are included in this material. Shares of Bank of South Carolina Corporation Common Stock represented by properly executed Proxies will be voted by the individuals named on the Proxy (selected by The Board of Directors) in accordance with the Shareholder's instructions. Where properly executed Proxies are returned with no specific instructions as how to vote at the Annual Meeting, the persons named in the Proxy will vote the shares "For" the election of each of the Director nominees, "For" the ratification of the appointment of Elliott Davis, LLC. If any other matters are properly presented at the Annual Meeting for action, the persons named in the enclosed Proxy and acting thereunder will have the discretion to vote on these matters in accordance with their best judgment.

As a Shareholder of Bank of South Carolina Corporation Common Stock, you may receive more than one Proxy card depending on how your shares are held. For example, you may hold some of your shares individually, some jointly with your spouse and some in trust for your children. In this case, you will receive three separate Proxy cards to vote.

What if My Shares Are Held in Street Name?

If you are a beneficial owner of shares held in street name by a broker, your broker, as the record holder of the shares, is required to vote the share in accordance with your instructions. If your Common Stock is held in street name, you will receive instructions from your broker that you must follow in order to have your shares voted. Your broker may allow or require you to deliver your voting instructions via the telephone or the Internet. Please see the instructions that are provided by your broker. If you do not give your instructions to your broker, your broker may nevertheless vote the shares with respect to discretionary items, but will not be permitted to vote your shares with respect to non-discretionary items. In the case of non-discretionary items, shares not voted are treated as "broker non-votes" and not entitled to vote. The proposal to elect Directors described in this Proxy Statement is considered a non-discretionary item under the rules governing brokers that are members of the New York Stock Exchange; therefore, you must provide instructions to your broker in order to have your shares voted in the election of Directors.

If your shares are held in street name, you will need proof of ownership to be admitted to the Annual Meeting. A recent brokerage statement or letter from the record holder of your shares are examples of proof of ownership. If you want to vote your shares of Common Stock held in street name in person at the Annual Meeting, you will have to get a written Proxy in your name from the broker, bank or other nominee who holds your shares.

The solicitation of Proxies on behalf of the Board of Directors is conducted by Directors, officers and regular employees of the Company and its wholly owned subsidiary, The Bank of South Carolina (the "Bank"), at no additional compensation over regular salaries. The cost of printing and mailing of all Proxy materials has been paid by the Company. Brokers and others involved in handling and forwarding the Proxy materials to their customers having beneficial interests in the stock of the Company registered in the names of Nominees will be reimbursed for their reasonable expenses in doing so.

How Many Shares Must Be Present to Hold the Meeting?

A quorum must be present at the meeting for any business to be conducted. The presence at the meeting, in person or by Proxy, of at least a majority of the shares of Bank of South Carolina Common Stock entitled to vote at the Annual Meeting as of the record date shall constitute a quorum. Proxies received but marked as abstentions or broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting.

What if a Quorum is Not Present at the Meeting?

If a quorum is not present at the scheduled time of the meeting, a majority of the Shareholders present or represented by Proxy may adjourn the meeting until a quorum is present. The time and place of the adjourned meeting will be announced at the time the adjournment is taken, and no other notice will be given unless the meeting is adjourned for 30 days or more. An adjournment will have no effect on the business that may be conducted at the meeting.

Will Cumulative Voting Apply for the Election of Directors?

The solicitation of Proxies on behalf of the Board of Directors includes a solicitation for discretionary authority to cumulate votes.

May I Revoke My Proxy?

Any Shareholder executing a Proxy for the meeting on the Proxy Form provided may revoke the Proxy in writing delivered to the President of the Company prior to the meeting or by attending the meeting and voting in person.

PROPOSAL 1: TO ELECT SEVENTEEN DIRECTORS OF BANK OF SOUTH CAROLINA CORPORATION TO SERVE UNTIL THE COMPANY'S 2012 ANNUAL MEETING OF SHAREHOLDERS.

The Board of Directors consists of 17 members elected annually. For personal reasons Thomas C. Stevenson, III, has informed the Board of Directors that he will not to run for re-election to the Board of Directors. Therefore, the Board of Directors proposes that the 16 nominees described below, each of whom is currently serving as Director, be re-elected for a new term expiring at the 2012 Annual Meeting of Shareholders and until their successors are duly elected and qualified. In addition the Nominating Committee of the Company's Board of Directors recommended at its December 16, 2010, meeting to approve Steve D. Swanson for nomination to the Board of Directors. This recommendation was approved by the Board of Directors and will be voted on at the 2011 Annual Meeting.

Each of the nominees has consented to be named as a nominee. If any of them should become unavailable to serve as a Director (which is not now expected), the Board may designate a substitute nominee.

The Board of Directors believes that it is necessary for each of the Company's Directors to possess many qualities and skills. When searching for new candidates, the Nominating Committee (Corporate Governance Committee) considers the evolving needs of the Board of Directors and searches for candidates that fill any current or anticipated future gap. The Board of Directors also believes that all Directors must possess a considerable amount of business management (such as experience as a Chief Executive or Chief Financial Officer) and educational experience. The Nominating Committee first considers management experience and then considers issues of judgment, background, stature, conflicts of interest, integrity, ethics and commitment to the goal of maximizing Shareholder value when considering Director candidates. The Nominating Committee focuses on issues of diversity, such as diversity in gender, race and national origin, education, professional experience and differences in viewpoints and skills. The Nominating Committee does not have a formal policy with respect to diversity; however the Board of Directors and the Nominating Committee believe that it is essential that the Board members represent diverse viewpoints. In considering candidates for the Board of Directors, the Nominating Committee considers the entirety of each candidate's credentials in the context of these standards. With respect to the nomination of continuing Directors for re-election, the individual's contributions to the Board of Directors are also considered.

All Board members bring to the Board of Directors a wealth of leadership experience derived from their extensive business and Board experiences. The process undertaken by the Nominating Committee in recommending qualified Director candidates is described below under "Corporate Governance-Director Nomination Process" (see pages 14 -16 of this Proxy Statement). Certain individual qualifications and skills of our Directors that contribute to the Board of Directors effectiveness as a whole are described in the following paragraphs.

The name of each Nominee designated by the Board of Directors of the Company for election as a Director of the Company and certain information provided by such Nominee to the Company are set forth in the table below. Five of the current Nominees served as initial Directors of the Bank from October 22, 1986, when the Bank's charter was issued until the first Annual Meeting of Shareholders on April 14, 1987, and were elected to serve a one year term at such Annual Meeting. All of the above five Directors of the Bank were elected to serve one-year terms at subsequent Annual Meetings. All of the above five Directors of the Bank were elected Directors of the Company upon its organization in 1995. Alan I. Nussbaum, MD and Edmund Rhett, Jr., MD, were first elected as Directors of the Company during 1999. Dr. Linda J. Bradley McKee, CPA was first elected as a Director of the Company during 2002. They were all re-elected as Directors of the Company to serve one year terms at subsequent Annual Meetings. Graham M. Eubank, Jr., Richard W. Hutson, Jr. and Malcolm M. Rhodes, MD were elected pursuant to the By-Laws of the Company on December 16, 2004, and were elected to serve one year terms at subsequent Annual Meetings. Fleetwood S. Hassell was first elected by the Shareholders on April 11, 2006 at the Annual Meeting, and was elected to serve one year terms at subsequent Annual Meetings. Glen B. Sharry, an Executive Officer was elected April 13, 2010, to serve on the Board of Directors.

Steve D. Swanson a nominee for the Board of Directors, served on the Board from 2002 to 2007. He resigned from the Board of Directors in 2007, due to restrictions placed on him by a covenant as the result of the sale of his business. The restrictions that precluded him from serving on the Board are no longer applicable allowing him to be recommended for nomination by the Nominating Committee of the Board of Director. This recommendation was approved by the Board of Directors and will be voted on at the 2011 Annual Meeting.

The names of the nominees along with their present positions, principal occupations and Directorships held during the past five years, their ages and the year first elected as a Director, are set forth below.

MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS AND CORPORATE GOVERNANCE MATTERS

Board of Directors

Bank of South Carolina Corporation's Board of Directors conducts its business through Board meetings and through its committees. Hugh C. Lane, Jr. presently serves as Chairman of the Board of Directors. The Board of Directors of the Company held 9 meetings (including all regularly scheduled and special meetings) during the year ended December 31, 2010. No Directors attended fewer than 75% of the aggregate of (i) the total number of meetings of the Board of Directors and (ii) the total number of meetings held by all committees of the Board of Directors on which they served.

Board Leadership Structure

The Board believes that the Company's President and Chief Executive Officer is best situated to serve as Chairman because he is the Director most familiar with the Company's business and industry, and most capable of effectively identifying strategic priorities and leading the discussion and execution of strategy. Independent Directors and management have different perspectives and roles in strategy development. The Company's independent Directors bring experience, oversight and expertise from outside the Company and industry, while the Chief Executive Officer brings Company-specific experience and expertise. The Board believes that the combined role of Chairman and Chief Executive Officer promotes strategy development and executions, and facilitates information flow between management and the Board, which are essential to effective governance.

One of the key responsibilities of the Board is to develop strategic direction and hold management accountable for the execution of strategy once it is developed. The Board believes the combined role of Chairman and Chief Executive Officer together with an independent Lead Director having the duties described below is the best interest of stockholders as it provides the appropriate balance between strategy development and independent oversight of management.

Lead Director

Thomas C. Stevenson, III, an independent Director has served as Chairman of the Loan Committee, and was selected by the Board of Directors to serve as the Lead Director for all meetings of the non-management Directors held in Executive Session. Mr. Stevenson will continue to serve as Lead Director until the Annual Meeting on April 12, 2011. Alan I. Nussbaum, MD, an independent Director has been selected to serve as the Lead Director for all meetings of the non-management Directors held in Executive Session held after April 12, 2011. Non-management Directors of the Board are required to meet on a regular scheduled basis without the presence of management (IM-5605-2 NASDAQ Corporate Governance Rules). The Lead Director chairs these sessions.

Risk Management

The Board has an active role, as a whole and also at the committee level, in overseeing the management of the Company's risks. The Board regularly reviews information regarding the Company's credit, liquidity and operations, as well as the risks associated with each. The Audit Committee oversees the management of financial risks. The Nominating Committee manages risks associated with the independence of the Board of Directors and potential conflicts of interest. While each committee is responsible for evaluating certain risks and overseeing the management of such risks, the entire Board of Directors is regularly informed through committee reports about such risks.

Committees and Committee Charters

The Board has four committees: the Executive/Long-Range Planning Committee, the Compensation Committee, the Nominating Committee, and the Audit and Compliance Committee. Each Committee serves in a dual capacity as a Committee of the Company and the Bank.

Executive Compensation-Compensation Discussion and Analysis

This section discusses the Company's compensation program, including how it relates to the Executive Officers named in the compensation tables which follow in this section. The Executive Officers of the Company and the Bank consist of:

- Hugh C. Lane, Jr., President and Chief Executive Officer, Director
- Sheryl G. Sharry, Chief Financial Officer, Executive Vice President and Treasurer, Director
 - Fleetwood S. Hassell, Executive Vice President, Director

Set forth below is an analysis of the objectives of the Company compensation program, the material compensation policy made under this program and the material factors that the Compensation Committee considers in making those decisions.

Overview of Compensation Program

The Compensation Committee of the Board of Directors, which consists solely of independent Directors, has the responsibility for developing, implementing and monitoring adherence to the Company's compensation philosophies and program. Thomas C. Stevenson, III, David R. Schools, Fleetwood S. Hassell, Sheryl G. Sharry and Hugh C. Lane, Jr., currently serve as Plan Administrators and as Trustees for the Employee Stock Ownership Plan (ESOP). Any employee of the Bank is eligible to become a participant in the ESOP upon reaching 21 years of age and credited with one year of service (1,000 hours of service). The employee may enter the Plan on the January 1st that occurs nearest the date on which the employee first satisfies the age and service requirements described above. No contributions by employees are permitted. The amount and time of contributions to the Plan are at the sole discretion of the Board of Directors of the Bank. The contribution for all participants is based solely on each participant's respective regular or base salary and wages paid by the Bank including commissions, bonuses and overtime, if any. On April 14, 1998, and on April 13, 2010, respectively, the Shareholders approved the 1998 and 2010 Omnibus Stock Incentive Plans. This plan is intended to assist the Company in recruiting and retaining employees with ability and initiative by enabling employees to participate in its future success and to associate their interests with those of the Company and the Shareholders. This Plan is administered by the Executive Committee. Any employee of the Company or the Bank is eligible to participate in the Plan if the Committee, in its sole discretion, determines that such a person has contributed or can be expected to contribute to the profits or growth of the Company or the Bank. No member of the Committee may participate in this Plan during the time that his participation would prevent the Committee from being "disinterested" for purposes of the Securities and Exchange Commission Rule 16b-3.

The Company's compensation program is based upon the following philosophies:

- Preserve the financial strength, safety and soundness of the Company and the Bank;
- Reward and retain key personnel by compensating them in the midpoint salary ranges at comparable financial institutions and making them eligible for the Employee Stock Ownership Plan and the Omnibus Stock Incentive Plans; and
- Focus management on maximizing earnings while managing risk by maintaining high asset quality, managing interest rate risk within Board guidelines, emphasizing cost control, and maintaining appropriate levels of capital.

The Company's primary forms of compensation for Executive Officers include base salary, the Employee Stock Ownership Plan, and the 1998 and 2010 Omnibus Stock Incentive Plan. The Company does not have an employment agreement with any officer or employee. The Company currently believes that the named Executive Officers receive sufficient compensation that employment agreements are not necessary to induce them to remain with the Company.

During the fiscal year ended December 31, 2010, the Company had no plans or arrangements pursuant to which any Executive Officer, Director or principal Shareholder received contingent remuneration or personal benefits other than the contingent remuneration and life, disability, dental and health insurance benefits. Life, disability, dental and health insurance benefits are available for all employees of the Bank who work at least 30 hours a week.

The Company does not have any agreement with its Executive Officers that provide for cash severance payments upon termination of employment or in connection with a change in control.

Base Salary

The Compensation Committee sets the base salary for the three Executive Officers. The Committee seeks to set a fair and reasonable compensation level by taking into account the influence of the market conditions, the Company's performance, the individuals' performance, and comparative salaries at similarly sized banks within South Carolina. The salary is reviewed annually. The Executive Officers annually review the performance of all other officers and employees. The Executive Officers take into account a combination of factors, including: competitive market salary, experience and tenure, breadth of responsibility, the individuals overall performance and the performance of the Company and the Bank.

The following table sets forth all remuneration paid during the years ended December 31, 2010, 2009, and 2008 by the Bank to the three Executive Officers of the Company and the Bank whose cash remuneration from the Bank exceeded \$100,000.00 dollars for their services in all capacities. Such Executive Officers receive no compensation from the Company as Executive Officers or as Directors or in any other capacity.
