Amendment No. 6 to Schedule 13D

This Amendment No. 6 to Schedule 13D amends and supplements the previously filed Schedules 13D filed by Baker Bros. Advisors, LLC (the “Adviser”), Julian C. Baker (“Julian Baker”) and Felix J. Baker (“Felix Baker,” and together with Julian Baker and the Adviser, the “Reporting Persons”). Except as supplemented herein, such statements, as heretofore amended and supplemented, remain in full force and effect.

Item 4. Purpose of Transaction.

Merger Agreement

On October 17, 2012, BioCryst Pharmaceuticals, Inc. (the “Issuer”) entered into a definitive merger agreement (the “Merger Agreement”) with Presidio Pharmaceuticals, Inc. (“Presidio”) providing for the acquisition of Presidio by the Issuer through the merger of a newly formed subsidiary of the Issuer (the “Merger Sub”) with and into Presidio (the “Merger”), with Presidio surviving the merger as a wholly owned subsidiary of the Issuer. Upon the consummation of the Merger, the Issuer will issue a total of 24.5 million shares of its common stock, par value \$0.01 per share, to holders of Presidio's securities in exchange for all of the outstanding common and preferred stock and outstanding stock options of Presidio and as consideration for the Investor Financing, as defined below. The per share consideration payable to Presidio's securityholders pursuant to the Merger Agreement will be determined pursuant to formulas contained in the Merger Agreement based on the average closing price of the Issuer's common stock for the 20 day period prior to the closing date of the Merger. Affiliates of the Reporting Persons directly beneficially own Presidio securities and will be receiving shares of Issuer common stock in exchange for such securities upon the consummation of the Merger and the Reporting Persons may be deemed to indirectly beneficially own the shares of Issuer common stock received in such exchange.

Subject to the terms and conditions of the Merger Agreement, the Issuer has agreed to use commercially reasonable efforts to raise at least \$35 million through one or more offerings of Issuer common stock on commercially reasonable terms (the “Additional Equity Offering”). Completion of the Additional Equity Offering is a condition to completion of the Merger and the Investor Financing, as defined below, and the Issuer will not complete the Additional Equity Offering if the Merger and Investor Financing are not completed.

Pursuant to the Merger Agreement, Baker Brothers Life Sciences, L.P. (“Life Sciences”) will have the option to nominate one additional director to the Issuer's Board of Directors at any time prior to the first anniversary of the closing date so long as Life Sciences at the time of the nomination owns at least 20% of the outstanding common stock of the Issuer.

The closing of the Merger (the “Closing”) will occur on the later of (1) the fifth business day after satisfaction (or waiver) of the conditions to Closing and (2) the fourth business day after the date on which the Issuer prices and secures commitments for the Additional Equity Offering. The Closing is conditioned, among other things, on: concurrent closing of the Investor Financing, as defined below, and the Additional Equity Offering; Issuer shareholder approval of the issuance of shares in connection with the transactions; material compliance by each party with all covenants; the accuracy of each party’s representations and warranties, subject to certain materiality thresholds; and an absence of injunctions or orders that prohibit or restrain the consummation of the Merger.

The Merger Agreement also provides for certain termination rights for both the Issuer and Presidio, including termination by either party if the Merger is not consummated by January 31, 2013 (unless such date is extended by mutual agreement to April 30, 2013). Upon termination of the Merger Agreement under specified circumstances, the Issuer or Presidio may be required to pay the other party a termination fee of \$10 million.

If the Merger does not close by January 31, 2013, the Issuer is obligated to loan funds to Presidio sufficient to cover Presidio’s operating expenses, up to a maximum of \$2 million per month and \$6 million in the aggregate, until the earlier of the termination of the Merger and April 30, 2013.

Financing Agreement

On October 17, 2012, in connection with the Merger Agreement, the Issuer entered into an Investor Financing Agreement (the “Financing Agreement”) with certain holders of Presidio securities (the “Financing Securityholders”), including certain affiliates of the Reporting Persons, providing for the Financing Securityholders to make a \$25 million equity investment in the Issuer (the “Investor Financing”) for which the Financing Securityholders will receive shares of the Issuer’s common stock upon the consummation of the Merger. The shares of Issuer common stock to be issued to the Financing Securityholders pursuant to the Financing Agreement will be issued concurrently with the closing of the Merger at a price equal to the price of the shares issued in the contemplated Additional Equity Offering, and therefore the price per share and exact number of shares to be purchased by the Financing Securityholders pursuant to the Financing Agreement cannot be determined at this time. The issuance of the shares is subject to the satisfaction or waiver of certain conditions, including the concurrent closing of the Additional Equity Offering and the Merger.

Pursuant to the Financing Agreement, certain affiliates of the Reporting Persons will contribute \$12,500,000 to the Issuer in exchange for Issuer common stock. The Reporting Persons may be deemed to indirectly beneficially own such shares of Issuer common stock received directly by certain of their affiliates pursuant to the Financing Agreement upon the consummation of the Merger.

Side Agreement

On October 17, 2012, certain affiliates of the Reporting Persons executed a Side Agreement to the Investor Financing Agreement (the “Side Agreement”). Pursuant to the Side Agreement, if one or more of the Financing Securityholders fails to purchase the number of common shares of the Issuer as set forth in the Financing Agreement, the defaulting Financing Securityholder shall forfeit all of its preferred, common and convertible securities of Presidio and any merger consideration that it may be entitled to upon exchange thereof pursuant to the Merger Agreement. The non-defaulting Financing Securityholders shall have the right to purchase shares of the Issuer’s common stock equal to their pro rata share of the shares not purchased by the defaulting Financing Securityholder. In certain circumstances, the Issuer itself may elect to fulfill the failing Financing Securityholder’s obligations under the Financing Agreement, in which case the Issuer, rather than the other Financing Securityholders, would reclaim or retain any Issuer shares the failing Financing Securityholder otherwise would have received in the Merger. In the event that the closing of the Merger does not occur on or prior to April 30, 2013, the Side Agreement shall terminate and be of no further force and effect.

Voting and Post-Closing Lock-Up Agreement

On October 17, 2012, certain significant securityholders of Presidio (the “Presidio Securityholders”), including certain affiliates of the Reporting Persons, executed a Voting and Post-Closing Lock-up Agreement (the “Voting Agreement”) with the Issuer as part of their commitment to ensure Presidio stockholder approval. Pursuant to the Voting Agreement, subject to the terms set forth therein, the Presidio Stockholders agree to (1) vote in favor of the Merger Agreement and consummation of the Merger and against any action that would compete with or impede the Merger; and (2) exercise a contractual power the Presidio Stockholders possess under an agreement with the other Presidio stockholders to require such other holders of Presidio common stock to approve the Merger Agreement and the Merger. In addition, Presidio Stockholders who own convertible promissory notes issued by Presidio irrevocably have consented to the conversion of such notes into preferred stock of Presidio, which stock will be exchangeable for shares of the Issuer’s common stock to be paid in the Merger.

Pursuant to the terms of the Voting Agreement, shares of the Issuer’s common stock issued in the Merger and the Investor Financing are subject to transfer restrictions during the first 180 days after the closing of the Merger (the “Lock-Up”). Subject to some exceptions, during the period beginning on the closing date and ending: (1) 90 days following the closing date, no holder of such shares may, directly or indirectly, transfer in excess of 25% of the total number of Issuer shares received by it in the Merger and the Investor Financing (the “Restricted Shares”); (2) 120 days following the closing date, no holder of such shares may, directly or indirectly, transfer (cumulatively, including amounts transferred pursuant to clause (1)) in excess of 50% of the total number of Restricted Shares received by it; and (3) 150 days following the closing date, no holder of such shares may, directly or indirectly, transfer (cumulatively, including amounts transferred pursuant to clauses (1) and (2)) in excess of 75% of the total number of Restricted Shares received by it. Following the 180th day after the closing date, all or any portion of the Restricted Shares may be transferred without restriction under the Merger Agreement.

The foregoing descriptions of the Financing Agreement, the Side Agreement and the Voting Agreement do not purport to be complete and are subject to, and qualified in their entirety by, reference to the full text of the Financing Agreement, the Side Agreement and the Voting Agreement, which are included as Exhibits 10.1, 10.2 and 10.3, respectively, and are incorporated herein by reference.
