**ANNUAL MEETING OF STOCKHOLDERS**

**TO BE HELD ON AUGUST 7, 2015**

**INTRODUCTION**

***General***

This Proxy Statement is being furnished to the stockholders of Iveda Solutions, Inc., a Nevada corporation (the “Company,” “Iveda Solutions,” “Iveda,” “we,” “our,” or “us”), in connection with the solicitation of proxies by the Company’s board of directors (the “Board of Directors”) from holders of the Company’s common stock, \$0.00001 par value, and holders of the Company’s Series A Preferred Stock, \$0.00001 par value, to be voted at the Company’s 2015 Annual Meeting of Stockholders to be held at the offices of the Company, located at 1201 S. Alma School Rd., Suite 8500, Mesa, Arizona 85210 on August 7, 2015, at 10:00 a.m. local time (the “Annual Meeting”). At the Annual Meeting, stockholders will be asked to (i) elect seven (7) members to the Board of Directors, each for a one (1) year term to serve until the next annual meeting or until their respective successors are duly elected or appointed and qualified (Proposal 1); (ii) ratify the appointment of AWC (CPA) Limited as the independent registered public accounting firm for the Company for the fiscal year ending December 31, 2015 (Proposal 2); and (iii) hold a non-binding advisory vote to approve the compensation of our named executive officers for fiscal 2014 (Proposal 3).

The complete mailing address of the Company is 1201 S. Alma School Rd., Suite 8500, Mesa, Arizona 85210.

These proxy solicitation materials were first released on or about June 26, 2015 to all stockholders entitled to vote at the Annual Meeting.

***Important Notice Regarding the Availability of Proxy Materials for the Stockholder Meeting To Be Held on August 7, 2015.***

These proxy materials, which include the notice of Annual Meeting, this Proxy Statement, and our 2014 Annual Report for the fiscal year ended December 31, 2014, are available at [www.iveda.com/proxy](http://www.iveda.com/proxy).

***Record Date; Stockholders Entitled to Vote***

The Board of Directors has fixed the close of business on June 12, 2015 as the record date (the “Record Date”) for determining which stockholders are entitled to notice of and to vote at the Annual Meeting. Accordingly, only holders of record of common stock and Series A Preferred Stock at the close of business on the Record Date will be entitled to notice of and to vote at the Annual Meeting.

***Voting Securities; How to Vote***

On the Record Date, there were 27,451,690 shares of common stock outstanding and 4,003,592 shares of Series A Preferred Stock outstanding. The holders of Series A Preferred Stock vote with the holders of common stock on an as-converted to common stock basis (subject to the issuance limitation). As of the Record Date, without giving effect to the issuance limitation, each share of Series A Preferred Stock was convertible into approximately 1.031 fully paid and nonassessable shares of common stock (or an aggregate of 4,127,382 shares of common stock), subject to certain limitations and adjustments as more fully described in Note 8 to our consolidated financial statements in our Annual Report on Form 10-K for the fiscal year ended December 31, 2014. Each stockholder voting at the Annual Meeting, either in person or by proxy, will be entitled to one vote for each share of common stock held (or deemed held on an as-converted basis) on all matters to be voted on at the Annual Meeting.

If, on June 12, 2015, your shares were registered directly in your name with our transfer agent, First American Stock Transfer, Inc., then you are a stockholder of record. As a stockholder of record, you may vote in person at the Annual Meeting. Alternatively, you may vote by proxy over the Internet as instructed above or, if you receive paper copies of the proxy materials by mail, by using the accompanying proxy card or by telephone. Whether or not you plan to attend the Annual Meeting, we urge you to vote by proxy over the Internet as instructed in the Notice of Internet Availability of Proxy Materials or, if you receive paper copies of the proxy materials by mail, by filling out and returning the enclosed proxy card or by telephone as instructed on the enclosed proxy card to ensure your vote is counted. Even if you have submitted a proxy before the Annual Meeting, you may still attend the Annual Meeting and vote in person.

If, on June 12, 2015, your shares were held in an account at a brokerage firm, bank, or similar organization, then you are the beneficial owner of shares held in “street name” and these proxy materials are being forwarded to you by that

organization. The organization holding your account is considered the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker, bank, or other nominee on how to vote the shares in your account. You should have received voting instructions with these proxy materials from that organization rather than from us. You should follow the instructions provided by that organization to submit your proxy. You are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote your shares in person at the Annual Meeting unless you obtain a “legal proxy” from the broker, bank, or other nominee that holds your shares giving you the right to vote the shares at the Annual Meeting.

***Quorum; Required Vote; Broker Non-Votes and Abstentions***

The presence, in person or by proxy, of the holders of a majority of the total number of shares entitled to vote at the Annual Meeting, or 15,789,537 shares of common stock, including shares of Series A Preferred Stock voting on an as converted to common stock basis, is necessary to constitute a quorum for the transaction of business at the Annual Meeting.

Assuming the existence of a quorum, the seven nominees receiving the most “for” votes of our shares present in person or by proxy at the Annual Meeting and entitled to vote will be elected directors. Nevada corporate law provides that directors are elected by a plurality of the votes cast by the stockholders who are entitled to vote and are present in person or represented by proxy at the meeting. In other words, the seven nominees receiving the most votes, even if less than a majority of the shares cast, will be elected to the Board of Directors. Abstentions and broker non-votes are counted for purposes of determining whether a quorum exists at the Annual Meeting, but are not counted and have no effect on the determination of whether a plurality exists with respect to a given nominee.

Stockholders are not entitled to cumulate votes in the election of directors. The affirmative vote of a majority of the votes cast will be required to ratify the appointment of AWC (CPA) Limited as the independent registered public accounting firm for the Company for the fiscal year ending December 31, 2015. The advisory vote on the compensation of our named executive officers for fiscal 2014 (“say-on-pay”) is non-binding, but the Board of Directors will consider the input of stockholders based on a majority of votes cast for the say-on-pay proposal.

Brokers, banks, or other nominees that hold shares in “street name” for a beneficial owner of those shares typically have the authority to vote in their discretion if permitted by the stock exchange or other organization of which they are members. Brokers, banks, and other nominees are permitted to vote the beneficial owner’s proxy in their own discretion as to certain “routine” proposals when they have not received instructions from the beneficial owner, such as the ratification of the appointment of AWC (CPA) Limited as the independent registered public accounting firm for the Company for the fiscal year ending December 31, 2015. If a broker, bank, or other nominee votes such “uninstructed” shares for or against a “routine” proposal, those shares will be counted towards determining whether or not a quorum is present and are considered entitled to vote on the “routine” proposals. However, where a proposal is not “routine,” a broker, bank, or other nominee is not permitted to exercise its voting discretion on that proposal without specific instructions from the beneficial owner. These non-voted shares are referred to as “broker non-votes” when the nominee has voted on other non-routine matters with authorization or voted on routine matters. These shares will be counted towards determining whether or not a quorum is present, but will not be considered entitled to vote on the “non-routine” proposals.

**Please note that brokers, banks, and other nominees may not use discretionary authority to vote shares on the election of directors or the say-on-pay proposal in the absence of your specific instructions as to how to vote. For your vote to be counted in the election of directors or the say-on-pay proposal, you will need to communicate your voting decisions to your broker, bank, or other nominee before the date of the Annual Meeting.**

Abstentions and broker non-votes do not represent votes cast “for” or “against” a proposal and will have no effect on the election of directors, the say-on-pay proposal, or the proposal to ratify the appointment of AWC (CPA) Limited as the independent registered public accounting firm for the Company for the fiscal year ending December 31, 2015, as each such proposal is determined by reference to the votes actually cast by the shares present in person or by proxy at the meeting and entitled to vote.

### ***Voting of Proxies***

The Board of Directors is soliciting the proxy for use at the Annual Meeting and any adjournments or postponements thereof. The proxy holders will not vote the proxy at any other meeting. All proxies that are properly executed, received by the Company prior to or at the Annual Meeting, and not properly revoked by the stockholder in accordance with the instructions below, will be voted at the Annual Meeting or any adjournments or postponements thereof as directed in the proxy. If a signed proxy is received but no instructions are indicated, the shares will be voted as follows:

· FOR the election of each of the seven nominees named in this Proxy Statement to the Company’s Board of Directors;  
· FOR the ratification of the appointment of AWC (CPA) Limited as the independent registered public accounting firm for the Company for the fiscal year ending December 31, 2015;  
· FOR the approval of the compensation of our named executive officers for fiscal 2014; and  
· At the discretion of the persons named in the proxy on any other business that may properly come before the Annual Meeting.

### ***Revocability of Proxies***

Any person giving a proxy may revoke the proxy at any time before its use as follows:

· By filing with the Company’s corporate secretary, at or before the taking of the vote at the Annual Meeting, a written notice of revocation bearing a later date than the date of the proxy;  
· By signing and dating a subsequent proxy relating to the same shares and delivering it to the Company’s corporate secretary before the Annual Meeting; or  
· By attending the Annual Meeting and voting in person.

Attendance at the Annual Meeting without taking one of the foregoing measures will not constitute a revocation of a proxy.

Any written notice revoking a proxy should be sent to Iveda, 1201 S. Alma School Rd., Suite 8500, Mesa, Arizona 85210, Attention: Secretary, or hand delivered to the corporate secretary at the Annual Meeting, at or before the taking of the vote.

### ***Solicitation of Proxies***

We will bear the cost of preparing, printing, and mailing this Proxy Statement and of the solicitation of proxies by the Board of Directors. Solicitation will be made by mail and, in addition, may be made by our directors, officers, and employees personally, or by telephone, facsimile, or e-mail. None of those persons will be compensated for soliciting proxies. We will request brokers, custodians, nominees, and other like parties to forward copies of proxy materials to the beneficial owners of the shares and will reimburse such parties for their reasonable and customary charges or expenses in this regard.

### ***Annual Report and Other Matters***

Our 2014 Annual Report, which was made available to stockholders with or preceding this Proxy Statement, contains financial and other information about the Company, but is not incorporated by reference into this Proxy Statement and is not to be considered a part of these proxy materials or subject to Regulations 14A or 14C or to the liabilities of Section 18 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). The information contained in the "Audit Committee Report" shall not be deemed "filed" with the SEC or subject to Regulations 14A or 14C or to the liabilities of Section 18 of the Exchange Act.

A stockholder also may obtain a copy of our Annual Report on Form 10-K at no charge, or a copy of exhibits thereto for a reasonable charge, by writing to Iveda, 1201 S. Alma School Rd., Suite 8500, Mesa, Arizona 85210.

***Independence of the Board of Directors***

The Board of Directors has determined, after considering all of the relevant facts and circumstances, that Messrs. Farnsworth, Gillen, Omi, and Staudohar each qualify as an independent director, as “independence” is defined by the SEC, based upon those individuals’ freedom from relationships with the Company which would impair their ability to exercise independent judgment on behalf of the Company. The Company did not consider any relationship or transaction between itself and these independent directors not already disclosed in this Proxy Statement in making this determination. Messrs. Ly and Kuo are employee directors. Mr. Franco is a consultant to the Company.

***Director Nomination Procedures***

The Nominations and Corporate Governance Committee considers recommendations from securities holders for candidates for the

Board of Directors, as well as candidates recommended by current directors, officers, and employees of the Company. The Nominations and Corporate Governance Committee identifies and evaluates nominees for our Board of Directors based on numerous factors it considers appropriate, some of which may include strength of character, mature judgment, career specialization, relevant technical skills, diversity, and the extent to which the nominee would fill a present need on the Board of Directors.

***Communication with Directors***

Any stockholder who wishes to communicate with members of the Board of Directors, individually or as a group, including our independent directors and the members of our various board committees, may do so by writing to the intended member or members of the Board of Directors, c/o any specified individual director or directors, at 1201 S. Alma School Rd., Suite 8500, Mesa, Arizona 85210. Communications should be sent by overnight or certified mail, return receipt requested. All such communications will be submitted to the indicated directors in a timely manner.

***Board Leadership Structure and Role in Risk Oversight***

The Company’s Chief Executive Officer also serves as Chairman of the Board of Directors. The Board of Directors believes maintaining flexibility regarding whether to combine or separate the positions of Chairman and Chief Executive Officer permits it to select the most qualified candidate for the position of Chairman, including a member of management if the Board of Directors believes he or she will provide the most effective leadership for the Board of Directors. The Board of Directors believes that this leadership structure is advantageous because it allows the Company to speak on a unified and consistent basis to its various constituents, both internal and external, and fosters accountability and effective decision-making. The Company does not have a lead independent director.

Risk is inherent in every business. As is the case in virtually all businesses, we face a number of risks, including operational, economic, financial, legal, regulatory, and competitive risks. Our management is responsible for the day-to-day management of the risks we face. The Board of Directors and each of its standing committees (Audit, Compensation, and Nominations and Corporate Governance) oversee the management of risks inherent in the operation of the Company’s business. The Board of Directors has delegated certain risk management responsibilities to the committees. The Board of Directors and the Audit Committee evaluate Company policies with respect to the Company’s liquidity risk, regulatory risk, operational risk, and enterprise risk through reviews, as needed, with management and other advisors. The Board of Directors and the Governance and Nominations Committee monitor the Company’s governance and succession risk through reviews, as needed, with management and outside advisors. The Compensation Committee reviews the impact of the Company’s compensation program and the associated incentives to determine whether they present a significant risk to the Company. The Board of Directors has concluded, based on its reviews and analysis of the Company’s compensation policies and procedures, that such policies and procedures are not reasonably likely to have a material adverse effect on the Company.

## **SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE**

Section 16(a) of the Exchange Act requires the Company's directors, executive officers, and persons who beneficially own more than 10% of a registered class of our equity securities to file with the SEC initial reports of beneficial ownership and reports of changes in beneficial ownership of our common stock. The Company's directors, officers, and greater than 10% stockholders are required to furnish us with copies of all Section 16(a) forms they file.

Based solely upon our review of the copies of such forms received by us during the year ended December 31, 2014 and written representations that no other reports were required, we believe that each person who, at any time during such fiscal year was a director, executive officers, or 10% stockholder timely complied with all Section 16(a) filing requirements during the year ended December 31, 2014, except that the Form 4 filed on June 3, 2014 by Mr. Kuo and the Form 4 filed by Mr. Staudohar on January 13, 2015 were late.

## **EXECUTIVE COMPENSATION**

### *Summary Compensation Table*

We believe that it is important to design a compensation program that supports the Company's business strategy. As a result, our compensation program emphasizes performance-based compensation and is designed to support the Company's business goals; promote short- and long-term growth; and attract, retain, and motivate key talent. The compensation program is comprised of three components: base salary; bonus awards; and long-term performance incentives.

We believe that our executive officers and other key employees should have a portion of their potential annual compensation tied to our profitability and other Company goals. Additionally, we seek to align the ability to earn long-term incentives directly with the interests of our stockholders through the use of equity-based incentives. We strive to ensure compensation is competitive with companies similar to the Company; however, we acknowledge that base salaries are currently below market.

The following summary compensation table sets forth information concerning compensation for services rendered in all capacities during our past two fiscal years awarded to, earned by, or paid to the Company's principal executive officer and each of the two other most highly compensated executive officers (collectively, the "Named Executive Officers"). Salary and other compensation for these officers and former officers were set by the Board of Directors. The Company has historically suffered severe shortages in cash and has structured its compensation policies to provide below market rate salaries and focus instead on awarding equity.

## **PROPOSAL 2**

### **RATIFICATION OF APPOINTMENT OF COMPANY INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

#### ***Independent Registered Public Accounting Firm***

The Audit Committee has appointed AWC (CPA) Limited ("AWC") as the independent registered public accounting firm for the Company for the fiscal year ending December 31, 2015. AWC will audit the Company's consolidated financial statements for the 2015 fiscal year and perform other services. While stockholder ratification is not required by the Company's Bylaws or otherwise, the Board of Directors is submitting the selection of AWC to the stockholders for ratification as a good corporate governance practice. If the stockholders fail to ratify the selection, the Audit Committee may, but is not required to, reconsider whether to retain AWC. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent public accountant or auditor at any time during the year if it determines that such a change would be in the best interest of the Company and its stockholders. A vote of the majority of shares represented at the meeting and entitled to vote thereat is required to approve this proposal.

#### ***Attendance at Annual Meeting***

A representative of AWC is not expected to be presented at the Annual Meeting.

***Fees Billed to the Company in fiscal years 2014 and 2013***

The Company paid or accrued the following fees in each of the prior two fiscal years to its independent auditor, AWC, and its former principal accountant, Farber Hass Hurley LLP (“FHH”):

Audit-related fees	-	\$ 3,860
Tax fees	-	-
All other fees	\$ 148,350	\$ 116,860

Audit fees include fees for the audit of our annual financial statements, reviews of our quarterly financial statements, and related consents for documents filed with the SEC.

***Audit Committee Pre-Approval Policies***

As part of its responsibility for oversight of the independent registered public accountants, the Audit Committee has established a pre-approval policy for engaging audit and permitted non-audit services provided by our independent registered public accountants, AWC and FHH. In accordance with this policy, each type of audit, audit-related, tax, and other permitted service to be provided by the independent auditors is specifically described and each such service, together with a fee level or budgeted amount for such service, is pre-approved by the Audit Committee. The Audit Committee has delegated authority to its Chairman to pre-approve additional non-audit services (provided such services are not prohibited by applicable law) up to a pre-established aggregate dollar limit. All services pre-approved by the Chairman of the Audit Committee must be presented at the next Audit Committee meeting for review and ratification. All of the services provided by AWC and FHH described above were approved by the Audit Committee pursuant to our Audit Committee’s pre-approval policy.

Our principal accountants, AWC and FHH, did not engage any other persons or firms other than their respective full-time, permanent employees.

Unless otherwise indicated, properly executed proxies will be voted in favor of ratifying the appointment of AWC to audit the Company's books and accounts for the fiscal year ending December 31, 2015.

*Recommendation of the Board of Directors*

The Board of Directors unanimously recommends that you vote FOR the ratification of the appointment of AWC as the independent registered public accounting firm for the Company for the fiscal year ending December 31, 2015.

**PROPOSAL 3**

**ADVISORY VOTE TO APPROVE EXECUTIVE COMPENSATION**

*Background*

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the "Dodd-Frank Act"), enables our stockholders to vote to approve, on an advisory (non-binding) basis, the compensation of our named executive officers as disclosed in this Proxy Statement in accordance with the SEC's rules.

*Compensation of Named Executive Officers*

We are asking our stockholders to provide advisory approval of the compensation of our named executive officers (which consist of our principal executive officer and our two other most highly compensated executive officers) as such compensation is described in the "Executive Compensation" section of this Proxy Statement. The Company seeks to maintain a compensation program that emphasizes performance-based compensation in order to support the Company's business goals, promote short- and long-term growth, and attract, retain, and motivate key talent. Because the Company believes that executive compensation should be tied to the profitability of the Company, and because the Company has recognized cash flow shortages, our compensation policies seek to pay below market cash salaries and focus instead on awarding equity. The Company believes that the base salary compensation of its named executive officers is below market.

*Recommendation of the Board of Directors*

The following resolution is submitted for a stockholder vote at the meeting:

**RESOLVED**, that the stockholders of the Company approve, on an advisory basis, the compensation of the Company's named executive officers, as disclosed in the "Executive Compensation" section of this Proxy Statement.

The say-on-pay vote is advisory, and therefore not binding on our Company, our Compensation Committee, or our Board of Directors. Although non-binding, the vote will provide information to our Compensation Committee and our Board of Directors regarding investor sentiment about our executive compensation philosophy, policies, and practices, which our Compensation Committee and our Board of Directors will be able to consider when determining executive compensation for the years to come.

The Board of Directors unanimously recommends that you vote FOR the approval of the compensation paid to the Company's named executive officers, as disclosed in the "Executive Compensation" section of this Proxy Statement.

#### **DEADLINE FOR RECEIPT OF STOCKHOLDER PROPOSALS FOR 2016 ANNUAL MEETING**

##### ***Deadline for the Submission of Stockholder Proposals for Inclusion in our Proxy Statement for Our 2016 Annual Meeting***

Pursuant to Rule 14a-8 under the Exchange Act, some stockholder proposals may be eligible for inclusion in the Company's 2016 proxy statement. Any such proposal must be submitted in writing by notice delivered to the Secretary of our company not later than 120 days before the anniversary of the prior year's proxy statement (by February 27, 2016), unless the date of our 2016 Annual Meeting of Stockholders is changed by more than 30 days from August 7, 2016, in which case, the proposal must be received a reasonable time before we begin to print and mail proxy materials.

##### ***Deadline and Procedures for Stockholder Notice of Nomination of Director Candidates and for Other Proposals***

Stockholders may also wish to nominate persons for election as a director or to introduce an item of other business for consideration at our 2016 Annual Meeting of Stockholders, but to not include such nominee or other business in our proxy statement (outside of the process described in Rule 14a-8 under the Exchange Act). To be timely, the proposal must be submitted no later than 45 days before the anniversary of the prior year's proxy statement (by May 12, 2016), unless the date of our 2016 Annual Meeting of Stockholders is changed by more than 30 days from August 7, 2016, in

which case, the proposal must be received a reasonable time before we begin to print and mail proxy materials.

## **HOUSEHOLDING OF PROXY MATERIALS**

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as “householding,” potentially means extra convenience for stockholders and cost savings for companies.

If you and other stockholders of record with whom you share an address currently receive multiple copies of our proxy statement and annual report and would like to participate in our householding program, please contact First American Stock Transfer, Inc. by calling (602) 485-1346, or by writing to First American Stock Transfer, Inc., 1747 North 7<sup>th</sup> Street, Suite 170, Phoenix, Arizona 85014. Alternatively, if you participate in householding and wish to revoke your consent and receive separate copies of our proxy statement and annual report, please contact First American Stock Transfer, Inc. as described above.

A number of brokerage firms have instituted householding. If you hold your shares in street name, please contact your bank, broker, or other holder of record to request information about householding.

## **OTHER MATTERS**

As of the date of this Proxy Statement, the Board of Directors is not aware of any business other than the proposals discussed above that will be presented for consideration at the Annual Meeting. If other matters properly come before the Annual Meeting, it is the intention of the persons named in the enclosed proxy to vote on such matters in accordance with their best judgment.
