Item 2.02 Results of Operations and Financial Condition.

On January 3, 2019, Resources Connection, Inc. (“Resources” or “the Company”) issued a press release announcing its financial results for the quarterly period ended November 24, 2018. A copy of the press release is attached hereto as Exhibit 99.1.

Within the attached press release, the Company makes reference to certain non-generally accepted accounting principles (“non-GAAP”) financial measures, including consolidated EBITDA, Adjusted EBITDA and Adjusted EBITDA Margin. The Company believes these non-GAAP measures are useful to our investors because they are financial measures used by management to assess the core performance of our Company. Accordingly, where these non-GAAP measures are provided, it is done so investors have the same financial data that management uses with the belief such information will assist the investment community in assessing the underlying performance of the Company on a year-over-year and sequential basis. Whenever such information is presented, the Company has complied with the provisions of the rules under Regulation G and Item 2.02 of Form 8-K. In addition to the reasons described above, specific reasons the Company’s management believes the presentation of certain non-GAAP financial measures provides useful information to investors regarding the Company’s financial condition, results of operations and cash flows are as follows:

The non-GAAP measures presented in the attached press release are not in accordance with, or an alternative for, GAAP and may be different from non-GAAP measures used by other companies. In addition, these non-GAAP measures are not based on any comprehensive set of accounting rules or principles. The Company believes non-GAAP measures have limitations in that they do not reflect all of the amounts associated with the Company’s results of operations as determined in accordance with GAAP and these measures should only be used to evaluate the Company’s results of operations in conjunction with the corresponding GAAP measures.

For its internal budgeting process, the Company’s management uses financial statements that include Consolidated EBITDA, Adjusted EBITDA and EBITDA Margin. The Company’s management also uses the foregoing non-GAAP measures, in addition to other GAAP measures, in reviewing the financial results of the Company.

The information in Item 2.02 of this current report on Form 8-K, as well as Exhibit 99.1 hereto, shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, and shall not be incorporated by reference into any registration statement or other document pursuant to the Securities Act of 1933, as amended.

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On January 3, 2019, John Bower, Senior Vice President and Chief Accounting Officer, notified the Company of his intention to retire from the Company, during the fourth quarter of the Company’s fiscal year 2019. The Company has commenced a search for a Senior Vice President of Finance.
