iCAD, Inc.

ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD ON AUGUST 27, 2003

This proxy statement is furnished in connection with the solicitation of proxies by the Board of Directors of iCAD, Inc. (the "Company") for use at the Annual Meeting of Stockholders (the "Annual Meeting") to be held on August 27, 2003, including any adjournment or adjournments thereof, for the purposes set forth in the accompanying Notice of Meeting.

Edgar Filing: ICAD INC - Form PRE 14A

Management intends to mail this proxy statement and the accompanying form of proxy to stockholders on or about July 24, 2003.

Proxies in the accompanying form, duly executed and returned to the management of the Company and not revoked, will be voted at the Annual Meeting. Any proxy given pursuant to such solicitation may be revoked by the stockholder at any time prior to the voting of the proxy by a subsequently dated proxy, by written notification to the Secretary of the Company, or by personally withdrawing the proxy at the meeting and voting in person.

The address and telephone number of the principal executive offices of the Company are:

4 Townsend West, Suite 17
Nashua, New Hampshire 03063
Telephone No.: (603) 882-5200

OUTSTANDING STOCK AND VOTING RIGHTS

Only holders of the Company's common stock, par value \$.01 per share, (the "Common Stock") and holders of the Company's Series A Preferred Stock at the close of business on July 7, 2003, (the "Record Date") are entitled to receive notice of and to vote at the Annual Meeting. As of the Record Date, the Company had (26,419,448) shares of Common stock outstanding. Each share of Common Stock is entitled to one vote on all matters. In addition, holders of the Company's Series A Preferred Stock vote together with holders of the Common Stock as a single class on all actions to be voted on by the stockholders. Each share of Series A Preferred stock entitles the holder to 100 votes per share. Based upon 7,150 shares of Series A Preferred Stock outstanding on the Record Date, the holders of the Series A Preferred Stock are entitled to an aggregate of 715,000 votes. There are no cumulative voting rights.

VOTING PROCEDURES

The directors will be elected by the affirmative vote of the holders of a plurality of the shares of Common Stock and Series A Preferred Stock voting together as one class that are present in person or represented by proxy at the Annual Meeting, provided a quorum is present. Therefore, the two nominees receiving the greatest number of votes cast at the meeting will be elected as directors of the Company. All other matters at the Annual Meeting, including approval of amendments to the letter of credit with Mr. Robert Howard and ratification of the appointment of BDO Seidman, LLP as the Company's independent auditors for its fiscal year ending December 31, 2003, will be decided by the affirmative vote of the holders of a majority of the votes represented by the shares of Common Stock and Series A Preferred Stock cast with respect thereto, provided a quorum is present. A quorum is present if, as of the Record Date, at least a majority of the aggregate votes represented by holders of the shares of Common Stock and Series A Preferred Stock outstanding as of the Record Date are present in person or represented by proxy at the Annual Meeting.

Votes will be counted and certified by one or more Inspectors of Election who are expected to be employees of Continental Stock Transfer & Trust Company, the transfer agent for the Common Stock. In accordance with Delaware law, abstentions and "broker non-votes" (i.e., proxies from brokers or nominees indicating that such persons have not received instructions from the beneficial owner or other person entitled to vote shares as to a matter with respect to which the brokers or nominees do not have discretionary power to vote) will be treated as present for purposes of determining the presence of a quorum. For purposes of determining approval of a matter presented at the meeting,

Edgar Filing: ICAD INC - Form PRE 14A

abstentions will be deemed present and entitled to vote and will, therefore, have the same legal effect as a vote "against" a matter presented at the meeting. Broker non-votes will be deemed not entitled to vote on the subject matter as to which the non-vote is indicated and will, therefore, have no legal effect on the vote on that particular matter.

Proxies will be voted in accordance with the instructions thereon. Unless otherwise stated, all shares represented by a proxy will be voted as instructed. Proxies may be revoked as noted above.

ELECTION OF DIRECTORS

The Company's Certificate of Incorporation provides that the Company's Board of Directors is divided into three classes (Class I, Class II and Class III). At each Annual Meeting of Stockholders, directors constituting one class are elected for a three-year term. At this year's Annual Meeting, two (2) Class I directors will be elected to hold office for a term expiring at the Annual Meeting of Stockholders to be held in 2006. Each director will be elected to serve during his elected term until a successor is elected and qualified or until the director's earlier resignation or removal.

At the Annual Meeting, proxies granted by stockholders will be voted individually for the election, as Class I directors of the Company, of the persons listed below, unless a proxy specifies that it is not to be voted in favor of a nominee for director. In the event any of the nominees listed below is unable to serve, it is intended that the proxy will be voted for such other nominees as are designated by the Board of Directors. Each of the persons named

2

Edgar Filing: ICAD INC - Form PRE 14A

Company. Executive Compensation is based generally on performance and the Company's resources, but not on specific objective criteria.

Stock Options. Stock option awards are intended to attract, retain and motivate personnel by affording them an opportunity to receive additional compensation based upon the performance of the Company's Common Stock. The size and grant of actual awards is determined by the Board on an individual basis, taking into account the individual's role in the Company and standard principals of reward, retention and recognition to which option grants are geared. The Board's determination as to the size of actual awards to individual executives is subjective, after taking into account the relative responsibilities and contributions of the individual employee.

This graph assumes the investment of \$100 on December 31, 1997, in the Company's common stock, and compares the performance with the Nasdaq Composite Index and the Nasdaq Computer Manufacturer Index. Measurement points are at December 31 for each respective year.

Those companies which compete with the Company in its principal market, image scanning, are either small subsidiaries or divisions of large United States corporations or are foreign companies which are either not quoted on a stock exchange or for which data is difficult to obtain. For this reason a more generic index of Nasdaq technology stocks has been adopted. The Company pays no dividends on its common stock. The Nasdaq Composite Index and the Nasdaq Computer Manufacturer Index reflect a cumulative total return based upon the reinvestment of dividends of the stocks included in those indices. The historical information set forth below is not necessarily indicative of future performance.

The Loan Agreement expires January 4, 2004, subject to extension by the parties. Outstanding advances are collateralized by substantially all of the assets of the Company and bear interest at prime interest rate plus 2%. Mr. Howard is entitled to convert outstanding advances made by him under the Loan Agreement into shares of the Company's common stock at any time based on the outstanding closing market price of the Company's common stock at the lesser of the market price at the time each advance is made or at the time of conversion. A proposal to amend the terms of the Loan Agreement is being submitted to the stockholders at this Annual Meeting. See "Proposal I."

In March 2002, Mr. Howard converted \$500,000 of advances made under the Loan Agreement into 215,517 shares of restricted common stock of the Company.

Under the terms of the Notes the Company agreed to pay interest at the lower rate of (a) 12% per annum, compounded monthly or (b) the maximum rate permitted by applicable law. Payment of the Notes was secured by a security interest in certain assets of the Company. In March 2002 the Company repaid the principal balance due in the amount of \$500,000 and the Notes were discharged.

PROPOSAL I

AMENDMENT TO LINE OF CREDIT

The Company currently has a line of credit agreement with Robert Howard, Chairman of the Board of the Company, which provides, among other things, that advances under the line of credit agreement are convertible into Common Stock of iCAD based on a conversion price defined as the lesser of the market price of Common Stock at the time of conversion or the market price of the Common Stock at the time the advance is made. The line of credit bears interest at a rate equal to 2% above prime interest rate, currently 6.25%. In order to induce Mr. Howard to continue the line of credit, the Board of Directors proposes to amend iCAD's line of credit agreement with Mr. Howard to provide that advances under the line of credit agreement will bear interest at a rate equal to 2% above the prime interest rate with a minimum of 8%.

The Board of Directors has approved the amendment to the line of credit agreement with Mr. Howard and submits the amendment to the stockholders for adoption. The Board of Directors believes that it is in the best interest of the Company and its stockholders to continue the line of credit, as amended by the proposed amendment, which amendment is a condition to extending the line of credit beyond its current term.

If the amendment is adopted by the requisite number of votes, the amendment will become effective upon stockholder approval.

Recommendation

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE FOR THE AMENDMENT TO THE LINE OF CREDIT.
