Item 8.01. Other Events.

On May 20, 2011, Steve Winn, chairman and CEO of RealPage, Inc., and his affiliates adopted a pre-arranged stock trading plan in accordance with guidelines specified under Rule 10b5-1 of the Securities and Exchange Act of 1934 and RealPage's policies regarding stock transactions.

This plan was adopted to enable Mr. Winn and his affiliates to sell a portion of their RealPage stock over time as part of Mr. Winn's long-term strategy for asset diversification and liquidity. The transactions under the plan will be disclosed publicly through Form 4 filings with the Securities and Exchange Commission. Utilizing this type of plan, Mr. Winn can gradually diversify his investment portfolio, spreading stock trades out over an extended period of time and reducing market impact. In addition, as a result of being established well in advance of a potential trade, the plan helps avoid concerns as to whether Mr. Winn or his affiliates had material, non-public information when a decision is made to sell stock.

Mr. Winn and his affiliates currently hold 27,456,350 shares of common stock, which represents 39.0% of RealPage's outstanding capital stock. Mr. Winn and his affiliates intend to sell approximately 1,000,000 shares under their Rule 10b5-1 trading plan over the next 12 months as part of a 12-month diversification plan. If all sales under this trading plan are transacted, Mr. Winn and his affiliates will retain approximately 96.4% of their current holdings of RealPage stock.

On May 20, 2011, RealPage, Inc. issued a press release regarding the trading plan described above. A copy of the press release is filed herewith as Exhibit 99.1.
