Item 8.01 Other Events.

On January 29, 2015, Platform Specialty Products Corporation (“Platform”) issued a press release announcing that PSPC Escrow Corp., a wholly-owned subsidiary of Platform (the “Escrow Issuer”), intends, subject to market and other customary conditions, to offer an additional \$100 million aggregate principal amount of 6.500% senior notes due 2022 denominated in U.S. dollars (the “Additional Notes”) in a private offering to qualified institutional buyers pursuant to Rule 144A under the Securities Act of 1933, as amended (the “Securities Act”), and to non-U.S. persons in accordance with Regulation S under the Securities Act. The Additional Notes are fungible with, and are being offered on the same terms as, the previously-announced private offering of \$1.00 billion aggregate principal amount of 6.500% senior notes due 2022 denominated in U.S. dollars (the “Initial Notes,” and together with the Additional Notes, the “Notes”). A copy of this press release is filed with this report as Exhibit 99.1 and is incorporated herein by reference.

On January 29, 2015, Platform also issued a press release announcing that it had priced the Additional Notes at an issue price of \$1,010 per \$1,000 principal amount. Upon consummation of the closing of Platform’s previously-announced proposed acquisition of Arysta LifeScience Limited, Platform will assume the obligations of the Escrow Issuer under the Notes and the indenture governing the Notes, and certain of Platform’s existing domestic subsidiaries will guarantee the Notes. A copy of this press release is filed with this report as Exhibit 99.2 and is incorporated herein by reference.

The above does not constitute an offer to sell, or a solicitation of an offer to purchase, the Notes and related guarantees in any jurisdiction in which such offer or solicitation would be unlawful.

Item 9.01 Financial Statements and Exhibits.

(d) Exhibits
