Item 1.01 Entry into a Material Definitive Agreement.

On July 27, 2017, Neuralstem, Inc. (the “Company”) entered into an Underwriting Agreement (the “Underwriting Agreement”) with Canaccord Genuity Inc., as the underwriter identified therein (the “Underwriter”), pursuant to which the Company agreed to issue and sell to the Underwriter in an underwritten public offering (the “Offering”) 3,000,000 shares (the “Shares”) of the Company’s common stock, par value \$0.01 per share (“Common Stock”), and warrants to purchase an aggregate of 2,250,000 shares of Common Stock (the “Warrants”). The Shares and Warrants will be sold together at a price to the public per Share and Warrant of \$2.00. The Shares and Warrants are immediately separable. Each Warrant has an initial exercise price of \$2.00 per share, will be exercisable immediately upon the date of issuance, and will expire seven (7) years from the date of issuance which is expected to be August 1, 2017. The Warrants will not be listed on The Nasdaq Capital Market or any other securities exchange.

The Underwriter will purchase one Share and one Warrant from the Company at a combined price of \$1.88, representing a 6.0% discount from the public offering price. Canaccord Genuity Inc. is acting as sole book-runner for the offering.

The Company expects to issue and deliver the securities sold in the Offering to the Underwriter against payment therefore on or about August 1, 2017, subject to the satisfaction of customary closing conditions. The Company expects to receive gross proceeds from the Offering of \$6 million and net proceeds of approximately \$5.4 million assuming no exercise of the Warrants and after deducting underwriting discounts and commissions and estimated offering expenses.

The exercise price of the Warrants are subject to adjustment upon certain corporate events, including but not limited to, stock dividends, stock splits, issuance of variable priced securities, and other corporate events. In addition, the exercise price of the Warrants is subject to adjustment in the event of sales of shares of the Company’s common stock at a price per share less than the exercise price per share then in effect (or securities convertible into or exercisable or exchangeable for common stock at a conversion price or exercise price less than the exercise price then in effect). In addition, the holders shall be entitled to any purchase rights granted to common stock holders and the Company shall not enter into any fundamental transaction unless the successor entity assumes the obligations of the Company under the Warrants. Notwithstanding, In the event of a fundamental transaction, as described in the Warrants and generally including any merger with or into another entity, sale of all or substantially all of the Company’s assets, tender offer or exchange offer, or reclassification of Common Stock, the Company or any successor entity will pay, at the holder’s option, an amount of cash equal to the value of the Warrant as determined in accordance with the Black Scholes option pricing model and the terms of the Warrants. The terms of the Warrants prohibit a holder from exercising its Warrants if doing so would result in such holder (together with its affiliates and other persons acting as a group) beneficially owning more than 4.99% of the outstanding shares of Common Stock after giving effect to such exercise, provided that, at the election of a holder and notice to the Company, such beneficial ownership limitation shall be 9.99% of the outstanding shares of Common Stock after giving effect to such exercise. The Warrants will not be listed on any national securities exchange or any other nationally recognized trading system, and no trading market for the Warrants is expected to develop.

If, a registration statement relating to the issuance of the shares underlying the Warrants is not effective or available, the Warrants may be exercised on a cashless basis, where the holder receives the net value of the Warrant in shares of Common Stock. No fractional shares of Common Stock will be issued in connection with the exercise of a warrant. In lieu of a fractional share, the Company will round up to the next whole share.

The Offering is made pursuant to the Company's Registration Statement on Form S-3 (Registration No. 333-218608), which was declared effective by the Securities and Exchange Commission (the "SEC") on June 23, 2017. A preliminary prospectus supplement and the accompanying prospectus relating to the Offering was filed with the SEC on July 26, 2017, and a final prospectus supplement and the accompanying prospectus relating the Offering will be filed with the SEC on July 28, 2017.
