The following information is furnished pursuant to Item 9, Regulation FD Disclosure and Item 12, Disclosure of Results of Operations and Financial Condition .

On April 13, 2004, Parker-Hannifin Corporation issued a press release announcing that earnings for the fiscal third quarter ended March 31, 2004 will be substantially higher than originally forecasted.

The press release compared diluted earnings per share reported in accordance with U.S. GAAP with diluted earnings per share adjusted to remove one-time benefits from discrete tax initiatives. The effect of one-time benefits from discrete tax initiatives was removed to allow investors and the company to meaningfully evaluate changes in diluted earnings per share on a comparable basis from period to period.
