PROXY STATEMENT

ABOUT THE MEETING

Why am I receiving this proxy statement?

This proxy statement contains information related to the solicitation of proxies for use at our 2005 annual meeting of shareholders, to be held at 12:00 p.m., Eastern Daylight Savings time, on Tuesday, May 31, 2005 at the Quality Inn, 7230 Engle Road, Middleburg Heights, Ohio 44130, for the purposes stated in the accompanying Notice of Annual Meeting of Shareholders. This solicitation is made by U-Store-It Trust on behalf of our Board of Trustees. We, our, us and the Company refer to U-Store-It Trust. This proxy statement, the enclosed proxy card and our 2004 annual report to shareholders are first being mailed to shareholders beginning on or about April 29, 2005.

Who is entitled to vote at the annual meeting?

Only holders of record of our common shares at the close of business on April 4, 2005, the record date for the annual meeting, are entitled to receive notice of the annual meeting and to vote at the meeting. Our common shares constitute the only class of securities entitled to vote at the meeting.

What are the voting rights of shareholders?

Each common share outstanding on the record date entitles its holder to cast one vote on each matter to be voted on.

Who can attend the annual meeting?

All holders of our common shares at the close of business on April 4, 2005, the record date for the annual meeting, or their duly appointed proxies, are authorized to attend the annual meeting. Please note that space limitations may make it necessary to limit attendance. Admission to the meeting will be on a first-come, first-served basis. If you attend the meeting, you may be asked to present valid picture identification, such as a driver's license or passport, before being admitted. Cameras, recording devices, and other electronic devices will not be permitted at the meeting.

Please also note that if you hold your shares in street name (that is, through a bank, broker or other nominee), you will need to bring a copy of the brokerage statement reflecting your stock ownership as of April 4, 2005.

What will constitute a quorum at the annual meeting?

The presence at the meeting, in person or by proxy, of the holders of a majority of the common shares outstanding on April 4, 2005 will constitute a quorum, permitting the shareholders to conduct business at the meeting. We will include abstentions and broker non-votes in the calculation of the number of shares considered to be present at the meeting for purposes of determining the presence of a quorum at the meeting. A broker non-vote occurs when a nominee holding shares for a beneficial owner has not received instructions from the beneficial owner and does not have discretionary authority to vote the shares.

Table of Contents

As of the record date, there were 37,345,162 common shares outstanding.

How do I vote?

You may vote by you or your duly authorized agent completing and returning the accompanying proxy card or you may attend the meeting and vote in person.

How do I vote my shares that are held by my broker?

If your shares are held by a bank or broker, you should follow the instructions provided to you by the bank or broker. Although most banks and brokers now offer voting by mail, telephone and on the Internet, availability and specific procedures will depend on their voting arrangements.

How are proxy card votes counted?

If the accompanying proxy card is properly signed and returned to us, and not revoked, it will be voted as directed by you. Unless contrary instructions are given, the persons designated as proxy holders on the proxy card will vote **FOR** the election of all nominees for our Board of Trustees named in this proxy statement, and as recommended by our Board of Trustees with regard to any other matters, or, if no such recommendation is given, in their own discretion.

May I change my vote after I return my proxy card?

Yes. You may revoke a previously granted proxy at any time before it is exercised by filing with our Secretary a notice of revocation or a duly executed proxy bearing a later date or by attending the meeting and voting in person.

Who pays the costs of soliciting proxies?

We will pay the costs of soliciting proxies. In addition to soliciting proxies by mail, our officers, trustees and other employees, without additional compensation, may solicit proxies personally or by other appropriate means. It is anticipated that banks, brokers, fiduciaries, custodians and nominees will forward proxy soliciting materials to their principals, and that we will reimburse such persons out-of-pocket expenses.

Table of Contents**PROPOSAL 1: ELECTION OF TRUSTEES**

Our Board of Trustees is currently comprised of seven trustees, each with terms expiring at the 2005 annual meeting. The nominees, all of whom are currently serving as trustees of the Company, have been recommended by our Board of Trustees for re-election to serve as trustees for one-year terms until the 2006 annual meeting of shareholders and until their successors are duly elected and qualified. Based on its review of the relationships between the trustee nominees and the Company, the Board of Trustees has affirmatively determined that if these nominees are elected, five of the seven trustees serving on the Board of Trustees, Thomas A. Commes, John C. Dannemiller, William M. Diefenderfer III, Harold S. Haller and David J. LaRue, will be independent trustees under the rules of the New York Stock Exchange, or NYSE.

The Board of Trustees knows of no reason why any nominee would be unable to serve as a trustee. If any nominee is unavailable for election or service, the Board of Trustees may designate a substitute nominee and the persons designated as proxy holders on the proxy card will vote for the substitute nominee recommended by the Board of Trustees, or the Board of Trustees may, as permitted by our bylaws, decrease the size of our Board of Trustees.

Therefore, the seven individuals with the highest number of affirmative votes will be elected to the seven trusteeships. For purposes of the election of trustees, abstentions and other shares not voted (whether by broker non-vote or otherwise) will not be counted as votes cast and will have no effect on the result of the vote.

OUR BOARD OF TRUSTEES RECOMMENDS A VOTE FOR EACH OF THE NOMINEES SET FORTH ABOVE.

**INFORMATION REGARDING CORPORATE GOVERNANCE
AND BOARD AND COMMITTEE MEETINGS**

Committee Charters and Corporate Governance Documents

Our Board of Trustees maintains charters for all Board committees. In addition, our Board of Trustees has adopted a written set of corporate governance guidelines, a Code of Business Conduct and Ethics and a Code of Ethics for Principal Executive Officer and Senior Financial Officers. To view our committee charters, corporate governance guidelines, Code of Business Conduct and Ethics and Code of Ethics for Principal Executive Officer and Senior Financial Officers, please visit our website at www.u-store-it.com. Each of these documents is also available in print to any shareholder who sends a written request to such effect to Investor Relations, U-Store-It Trust, 6745 Engle Road, Suite 300, Cleveland, Ohio 44130. A copy of our Audit Committee Charter is attached as *Appendix A* to this proxy statement.

Independence of Trustees

NYSE listing standards require NYSE-listed companies to have a majority of independent board members and a nominating/corporate governance committee, compensation committee and audit committee, each comprised solely of independent trustees. Under the NYSE listing standards, in order for a trustee of a company to qualify as independent, the board of trustees of such company must affirmatively determine that the trustee has no material relationship with such company (either directly or as a partner, shareholder or officer of an organization that has a relationship with such company). In addition, the NYSE listing standards contain the following further restrictions upon trustee independence:

a trustee who is an employee, or whose immediate family member is an executive officer, of the listed company is not independent until three years after the end of such employment relationship;

a trustee who has received, or has an immediate family member who has received, during any twelve-month period within the last three years, more than \$100,000 in direct compensation from the listed company, other than trustee and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service), is not independent;

a trustee who is, or whose immediate family member is, a current partner of a firm that is the listed company's internal or external auditor is not independent; a trustee who is a current employee of such a firm is not independent; a trustee who has an immediate family member who is a current employee of such a firm and who participates in the firm's audit, assurance or tax compliance (but not tax planning) practice is not independent; and a trustee who was, or whose immediate family member was, within the last three years (but is no longer) a partner or employee of such a firm and personally worked on the listed company's audit within that time is not independent;

a trustee who is employed, or whose immediate family member is employed, as an executive officer of another company where any of the listed company's present executive officers at the same time serve or served on the other company's compensation committee is not independent until three years after the end of such service or the employment relationship; and

a trustee who is an executive officer or an employee, or whose immediate family member is an executive officer, of another company that has made payments to, or received payments from, the listed company for property or services in an amount which, in any of the

Edgar Filing: U-Store-It Trust - Form DEF 14A

last three fiscal years, exceeds the greater of \$1 million, or 2% of such other company's consolidated gross revenues, is not independent.

Our Board of Trustees has evaluated the status of each trustee and has affirmatively determined after broadly considering all facts and circumstances that each of Thomas A. Commes, John C. Dannemiller, William M. Diefenderfer III, Harold S. Haller and David J. LaRue is independent, as such term is defined in the NYSE's listing standards because each has no known relationship (material or otherwise) with the Company. Robert J. Amsdell is not independent as he is an employee of the Company and Barry L. Amsdell is not independent as he is Robert J. Amsdell's brother.

Table of Contents

In making the foregoing determination, the Board was aware that David J. LaRue is the President and Chief Operating Officer of Forest City Commercial Group, which is a partner in the entity that owns Emerald Corporate Park, a real estate asset in which Robert J. Amsdell and Barry L. Amsdell own an interest. The Board did not believe that this constituted a relationship, material or otherwise, between the Company and Mr. LaRue.

Lead Trustee

Our Board of Trustees established the position of lead trustee in connection with our initial public offering in October 2004. The lead trustee will be rotated on an annual basis from among the independent trustees in alphabetical order by last name. The lead trustee is currently Harold S. Haller. The role of the lead trustee is to serve as liaison between (a) the Board of Trustees and management, including the Chief Executive Officer, (b) independent trustees and (c) interested third parties and the Board of Trustees.

Executive Sessions of Non-Management Trustees

Pursuant to our corporate governance guidelines and the NYSE listing standards, in order to promote open discussion among non-management trustees, our Board of Trustees devotes a portion of each regularly scheduled Board meeting to sessions of non-management trustees without management participation. In addition, our corporate governance guidelines provide that if the group of non-management trustees includes trustees who are not independent, as defined in the NYSE listing standards, at least one such session of non-management trustees convened per year shall include only independent trustees. The lead trustee presides at these sessions.

Communications with the Board

Shareholders and other interested parties may communicate with the Board of Trustees by communicating directly with the presiding lead trustee by sending any correspondence they may have in writing to the Lead Trustee c/o Chief Financial Officer of U-Store-It Trust, 6745 Engle Road, Suite 300, Cleveland, Ohio 44130, who will then directly forward such correspondence to the lead trustee. The lead trustee will decide what action should be taken with respect to the communication, including whether such communication should be reported to the Board of Trustees.

Board Meetings

During 2004, the Board of Trustees met three times, including telephonic meetings. Each independent trustee attended at least 75% of Board and applicable committee meetings on which he served during his period of service. Robert J. Amsdell did not attend one of the three Board meetings held and Barry L. Amsdell did not attend two of the three Board meetings held at the request of the independent trustees, because two of the three meetings related exclusively to the consideration of the purchase of option properties from an entity affiliated with the Amsdells, as described in Certain Relationships and Related Transactions Post-Formation Transactions Option Exercises. Since neither Robert J. Amsdell nor Barry L. Amsdell serves on a committee, this resulted in each of them attending less than 75% of Board and applicable committee meetings. Trustees are expected to attend, in person or by telephone, all Board meetings and meetings of committees on which they serve. In addition, pursuant to our corporate governance guidelines, trustees are expected to attend the Company's annual meetings of shareholders. As we completed our initial public offering in October 2004, we did not have an annual meeting during 2004.

Board Committees

The Board of Trustees has a standing Audit Committee, Compensation Committee and Corporate Governance and Nominating Committee. All members of the committees described below are independent of the Company as that term is defined in the NYSE listing standards.

Table of Contents

The table below provides membership information for each of the Board committees as of April 4, 2005:

Name	Audit	Compensation	Corporate Governance and Nominating

John C. Dannemiller		X	X*
William M. Diefenderfer III	X*		
Harold S. Haller		X	X
David J. LaRue	X		X

* Chairman

Audit Committee

The principal purpose of the Audit Committee is to assist the Board of Trustees in the oversight of:

the integrity of our financial statements;

our compliance with legal and regulatory requirements;

the qualification and independence of our independent auditors; and

the performance of our internal audit function and independent auditors.

The Audit Committee is directly responsible for the appointment, compensation, retention and oversight of the work of our independent auditors and is also responsible for reviewing with our independent auditors any audit problems or difficulties they have encountered in the course of their audit. The Audit Committee is also charged with the tasks of reviewing our financial statements, any financial reporting issues and the adequacy of internal control with management and our independent auditors.

Our Audit Committee's written charter requires that all members of the committee meet the independence, experience, financial literacy and expertise requirements of the NYSE, the Sarbanes-Oxley Act of 2002, the Securities Exchange Act of 1934, as amended, or Exchange Act, and applicable rules and regulations of the Securities and Exchange Commission, or SEC, all as in effect from time to time. All of the members of the Audit Committee meet the foregoing requirements. The Board of Trustees has determined that William M. Diefenderfer III is an audit committee financial expert as defined by the rules and regulations of the SEC.

During 2004, the Audit Committee met twice, including telephonic meetings.

Compensation Committee

The principal purposes of the Compensation Committee are to:

review and approve our corporate goals and objectives with respect to the compensation of our Chief Executive Officer, evaluate the Chief Executive Officer's performance in light of those goals and objectives, and determine and approve, either as a committee or with the Company's other independent trustees, the appropriate level and structure of the Chief Executive Officer's compensation;

determine and approve, either as a committee or together with our other independent trustees, the compensation of the other executive officers;

make recommendations to the Board of Trustees regarding compensation of trustees; and

recommend, implement and administer our incentive and equity-based compensation plans.

During 2004, the Compensation Committee met once, including telephonic meetings.

Table of Contents

Corporate Governance and Nominating Committee

The principal purposes of the Corporate Governance and Nominating Committee are to:

identify individuals that are qualified to serve as trustees;

recommend such individuals to the Board of Trustees, either to fill vacancies that occur on the Board of Trustees from time to time or in connection with the selection of trustee nominees for each annual meeting of shareholders;

periodically assess the size of the Board of Trustees to ensure it can effectively carry out its obligations;

develop, recommend, implement and monitor our corporate governance guidelines and our codes of business conduct and ethics;

oversee the evaluation of the Board of Trustees and management; and

ensure that we are in compliance with all NYSE corporate governance listing requirements.

The Board of Trustees has adopted a policy to be used for considering potential trustee candidates to continue to ensure that our Board of Trustees consists of a diversified group of qualified individuals that function effectively as a group. The policy provides that qualifications and credentials for consideration as a trustee nominee may vary according to the particular areas of expertise being sought as a complement to the existing composition of the Board of Trustees. However, at a minimum, candidates for trustee must possess:

(1) high integrity;

(2) an ability to exercise sound judgment;

(3) an ability to make independent analytical inquiries;

(4) a willingness and ability to devote adequate time and resources to diligently perform Board duties; and

(5) a reputation, both personal and professional, consistent with the image and reputation of the Company.

Edgar Filing: U-Store-It Trust - Form DEF 14A

In addition to the aforementioned minimum qualifications, the Corporate Governance and Nominating Committee also believes that there are other qualities and skills that, while not a prerequisite for nomination, should be taken into account when considering whether to recommend a particular person. These factors include:

- (1) whether the person possesses specific real estate expertise and familiarity with general issues affecting the Company's business;
- (2) whether the person's nomination and election would enable the Board of Trustees to have a member that qualifies as an audit committee financial expert as such term is defined by the SEC;
- (3) whether the person would qualify as an independent trustee under the NYSE listing standards and our corporate governance guidelines;
- (4) the importance of continuity of the existing composition of the Board of Trustees; and
- (5) the importance of a diversified Board membership, in terms of both the individuals involved and their various experiences and areas of expertise.

The Corporate Governance and Nominating Committee will seek to identify trustee candidates based on input provided by a number of sources, including (a) Corporate Governance and Nominating Committee members, (b) other members of the Board of Trustees and (c) shareholders of the Company. The Corporate

Table of Contents

Governance and Nominating Committee also has the authority to consult with or retain advisors or search firms to assist in the identification of qualified trustee candidates; however, we do not currently employ a search firm, or pay a fee to any other third party, to locate qualified trustee candidates.

As part of the identification process, the Corporate Governance and Nominating Committee takes into account the number of expected trustee vacancies and whether existing trustees have indicated a willingness to continue to serve as trustees if re-nominated. Once a trustee candidate has been identified, the Corporate Governance and Nominating Committee will then evaluate this candidate in light of his or her qualifications and credentials, and any additional factors that it deems necessary or appropriate. Existing trustees who are being considered for re-nomination will be re-evaluated as part of the Corporate Governance and Nominating Committee's process of recommending trustee candidates. The Corporate Governance and Nominating Committee will consider all persons recommended by shareholders in the same manner as all other trustee candidates provided that such recommendations are submitted in accordance with the procedures set forth in our bylaws.

After completing the identification and evaluation process described above, the Corporate Governance and Nominating Committee will recommend to the Board of Trustees the nomination of a number of candidates equal to the number of trustee vacancies that will exist at the annual meeting of shareholders. The Board of Trustees will then select the Board's trustee nominees for shareholders to consider and vote upon at the shareholders' meeting.

For nominations for election to the Board of Trustees or other business to be properly brought before an annual meeting by a shareholder, the shareholder must comply with the advance notice provisions and other requirements of Article II, Section 12 of our bylaws. These notice provisions require that nominations for trustees must be received no more than 120 days and no less than 90 days before the first anniversary of the date of mailing of the notice for the preceding year's annual meeting. In the event that the date of the mailing of the notice for the annual meeting is advanced or delayed by more than 30 days from the first anniversary of the date of the mailing of the notice for the preceding year's annual meeting, notice by the shareholder to be timely must be so delivered not earlier than the close of business on the 120th day prior to the date of mailing of the notice for such annual meeting and not later than the close of business on the later of the 90th day prior to the date of mailing of the notice for such annual meeting or the 10th day following the day on which public announcement of the date of mailing of the notice for such meeting is first made by us. Such shareholder's notice must set forth:

as to each person whom the shareholder proposes to nominate for election or reelection as a trustee (1) the name, age, business address and residence address of such person, (2) the class and number of shares of beneficial interest of U-Store-It Trust that are beneficially owned or owned of record by such person and (3) all other information relating to such person that is required to be disclosed in solicitations of proxies for election of trustees in an election contest (even if an election contest is not involved), or is otherwise required, in each case pursuant to Regulation 14A (or any successor provision) under the Exchange Act (including such person's written consent to being named in the proxy statement as a nominee and to serving as a trustee if elected);

as to any other business that the shareholder proposes to bring before the meeting, a description in reasonable detail of the business desired to be brought before the meeting, the reasons for conducting such business at the meeting and any material interest in such business of such shareholder (including any anticipated benefit to the shareholder therefrom) and of each beneficial owner, if any, on whose behalf the proposal is made; and

as to the shareholder giving the notice and each beneficial owner, if any, on whose behalf the nomination or proposal is made, (1) the name and address of such shareholder, as they appear on our share ledger and current name and address, if different, of such beneficial owner, and (2) the class and number of shares of each class of beneficial interest of U-Store-It Trust which are owned beneficially and of record by such shareholder and owned beneficially by such beneficial owner.

Trustee Compensation

The members of our Board of Trustees who are also our employees do not receive any compensation for their services on our Board. We currently pay our non-employee trustees (which, for purposes of trustee compensation, includes Thomas A. Commes, John C. Dannemiller, William M. Diefenderfer III, Harold S. Haller and David J. LaRue but does not include Barry L. Amsdell) \$1,000 per Board or committee meeting and we reimburse them for their reasonable travel expenses incurred in connection with their attendance at Board meetings. All non-employee trustees also receive an annual retainer of \$25,000 and the chairs of the Audit, Compensation and Corporate Governance and Nominating committees receive additional annual retainers of \$10,000, \$7,500 and \$5,000, respectively. The lead trustee currently receives an additional annual retainer of \$10,000.

Non-employee trustees also receive long-term incentive compensation through annual grants of restricted shares. At the closing of our initial public offering, each newly appointed non-employee trustee received 4,063 restricted shares with a value of approximately \$65,000, consisting of approximately \$50,000 for joining the Board of Trustees and approximately \$15,000 paid in advance for service to be provided for the remainder of 2004 and 2005. The restricted shares were granted under the Company's 2004 Equity Incentive Plan. The restricted shares vest 100% and all restrictions thereon lapse on the first anniversary of the date of grant. If a trustee terminates his or her service at any time prior to the first anniversary of the date of grant, the restricted shares will be forfeited. The restricted shares will be held in escrow by the Company until they vest. Each trustee will be entitled to the payment of any dividends paid on the restricted shares.

Towsley agreed to serve, respectively, as (a) our Chairman and Chief Executive Officer, (b) our President and Chief Financial Officer, (c) our Chief Operating Officer and (d) our Vice President and Treasurer. Edgar Filing: U-Store-It Trust - Form DEF 14A

2004 and ends on December 31, 2007, with automatic one-year renewals unless either we or the individual elects not to renew the agreement. Under the agreements, Robert J. Amsdell receives an annual salary of \$200,000, Steven G. Osgood receives an annual salary of \$350,000, Todd C. Amsdell receives an annual salary of \$350,000 and Tedd D. Towsley receives an annual salary of \$200,000, subject in each case to annual increases in the sole discretion of our Board of Trustees or the Compensation Committee of our Board of Trustees. Each of the executives is also eligible to participate in any bonus plan established by the Compensation Committee of our Board of Trustees. In addition, each executive will participate in any group life, hospitalization, disability, health, pension, profit sharing and other benefit plans we adopt with respect to comparable senior level executives. Among other perquisites, each executive also receives either an annual automobile allowance of \$6,000 or we provide a suitable automobile to the executive.

In the event any executive's employment agreement is terminated for disability or death, he or the beneficiaries of his estate will receive any accrued and unpaid salary, vacation and other benefits, any unpaid

bonus for the prior year, a pro rated bonus in the year of termination (based on the target bonus for that year), and all equity awards shall immediately vest and become fully exercisable. If we terminate any executive's employment agreement for cause or an executive terminates his employment agreement without good reason, the executive will only have the right to receive any accrued and unpaid salary, vacation and other benefits, any bonus as provided for in the bonus plan and reimbursement for expenses incurred but not paid prior to the date of termination.

If we terminate any executive's employment agreement without cause or an executive terminates his employment agreement for good reason, the executive will have the right to receive any accrued and unpaid salary, vacation and other benefits; any unpaid bonus for the prior year, a pro rated bonus in the year of termination (based on the target bonus for that year), reimbursement for expenses incurred but not paid prior to the date of termination, continued medical, prescription and dental benefits for eighteen months and a cash payment equal to two times (or three times with respect to Robert J. Amsdell) the sum of his annual salary as of the date of the termination of the agreement and the average bonus actually paid for the prior two calendar years. In addition, all equity awards shall immediately vest and become fully exercisable. If we elect not to renew any executive's employment agreement, the executive will have the right to receive a cash payment equal to one times the sum of his annual salary as of the date of expiration of the employment agreement and the average bonus actually paid for the prior two calendar years.

If we terminate any executive's employment agreement for cause, the executive shall have no right to receive any compensation or benefits under the employment agreement on or after the effective date of termination, other than annual salary and other benefits including payments for accrued but unused vacation prior to the date of termination.

Each employment agreement defines cause as the executive's conviction for a felony or a misdemeanor involving moral turpitude; commission of an act of fraud, theft or dishonesty related to our business or the business of our affiliates or to his duties; willful and continuing failure or habitual neglect to perform his duties; material violation of confidentiality covenants or noncompetition agreement; or willful and continuing breach of the employment agreement.

Each employment agreement defines good reason as: a material reduction in the executive's authority, duties and responsibilities or the assignment to him of duties materially and adversely inconsistent with his position; a reduction in the executive's annual salary; our failure to obtain a reasonably satisfactory agreement from any successor to our business to assume and perform the employment agreement; a change in control (as defined in the employment agreement); our material and willful breach of the employment agreement; or our requirement that the executive's work location be moved more than 50 miles from our principal place of business in Cleveland, Ohio unless the executive's work location is closer to his primary residence.

Each executive is entitled to receive payment from us of an amount sufficient to make him whole for any excise tax imposed on payments made contingent on a change in control under Section 4999 of the Internal Revenue Code.

In addition to the employment agreements, our executive officers and Barry L. Amsdell, one of our trustees, entered into noncompetition agreements with us, which became effective as of the completion of our initial public offering on October 27, 2004. The noncompetition agreements contain covenants not to compete for a period that is the longer of either the three-year period beginning as of the date of the noncompetition agreement or the period of the executive's or trustee's service with us plus an additional one-year period. The noncompetition agreements provide that each of the executives and Barry L. Amsdell will not directly or indirectly engage in any business involving self-storage facility development, construction, acquisition or operation or own any interests in any self-storage facilities in each case in the United States of America, other than (a) any interests they may own in the option facilities through their interests in Rising Tide Development, LLC and (b) up to 5% of the outstanding shares of any public company. The noncompetition agreements also

contain a nonsolicitation covenant that applies to employees and independent contractors. The nonsolicitation covenant lasts for a period that is the longer of either the three-year period beginning as of the date of the noncompetition agreement or the period of the executive's or trustee's service with us plus an additional two-year period.

PERFORMANCE GRAPH

The following graph compares the cumulative total shareholder return of our common shares for the period from October 22, 2004, the date that our common shares began trading on NYSE, to December 31, 2004 to the S&P 500 Index and to the published National Association of Real Estate Investment Trusts (NAREIT) All Equity REIT Index over the same period. The graph assumes that the value of the investment in our common shares and each index was \$100 at October 22, 2004 and that all dividends were reinvested. COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Company completed its initial public offering on October 27, 2004. Salaries were established for, and initial long-term incentive compensation awards were made to, the Company's executive officers at that time, without the Compensation Committee's involvement. As a result, the Compensation Committee has had limited involvement in compensation decisions for the year ended December 31, 2004. Set forth below is the report of the Compensation Committee (the "Committee") regarding the compensation paid by the Company to its executive officers with respect to the year ended December 31, 2004.

Compensation Policies for Executive Officers

Our compensation policies are designed to:

attract and retain the best possible executive talent;

motivate these executives to achieve the goals inherent in our business strategy;

link executive and shareholder interests through performance goals and equity-based plans; and

provide compensation packages to our executive officers that recognize individual contributions as well as overall business results.

In determining the compensation arrangements of our executive officers, the Committee considers, among other things, the responsibilities of the position held and the experience of the individual, the competitive marketplace for executive talent and the compensation levels of similarly-situated executives at comparable publicly-traded real estate investment trusts, or REITs, and, where applicable, other public companies. In addition, the Committee considers achievement of certain performance levels by the Company, including growth in funds from operations, and the individual executive's performance and contribution to increasing funds from operations.

In determining the long-term incentive component of compensation for executive officers, the Committee considers our performance and relative shareholder return, the value of similar incentive awards to executive officers at comparable companies, and the awards given to the particular executive officer in past years.

Components of Executive Officer Compensation

The components of our executive officer compensation program consist of base salary, bonus and long-term incentive compensation, currently awarded through the use of restricted share grants and/or share options.

Edgar Filing: U-Store-It Trust - Form DEF 14A

Base Salary. Base salaries for our executive officers were established in October 2004 in connection with the Company's initial public offering. Under the terms of employment agreements entered into with the executive officers at that time, these base salaries cannot be reduced by the Company during the terms of the agreements. The Committee was not involved in establishing these salaries, and did not approve any increases to these salaries in 2004.

Bonuses. Certain of the Company's executive officers were guaranteed certain minimum bonuses for 2004 ranging from \$100,000 to \$150,000 in connection with the Company's initial public offering. Additionally, our executive officers, with the exception of Robert J. Amsdell, the Company's Chief Executive Officer, received deferred share units in October 2004 in connection with the Company's initial public offering. The Committee was not involved in establishing these bonus amounts or deferred share grants, and did not approve any increases to the bonus amounts with respect to the year ended December 31, 2004.

Table of Contents

Long-Term Incentive Compensation. Our executive officers, with the exception of Robert J. Amsdell, received long-term incentive compensation awards, in the form of share options, in October 2004 in connection with the Company's initial public offering. The Committee was not involved in granting these awards, and did not approve any additional awards with respect to 2004.

Compensation of Chief Executive Officer

The Committee will be responsible for approving the compensation arrangements for Robert J. Amsdell. For the year ended December 31, 2004, the Committee did not approve any increases in base salary beyond what was established in Mr. Amsdell's employment agreement that was entered into in October 2004 in connection with the Company's initial public offering. The Committee also did not approve any bonus payment or long-term incentive compensation award for Mr. Amsdell for the year ended December 31, 2004.

Tax Limits on Executive Compensation

The Committee has reviewed the potential consequences for the Company of Section 162(m) of the Internal Revenue Code of 1986, as amended, which imposes a limit on tax deductions for annual compensation in excess of one million dollars paid to any of the five most highly compensated executive officers. To the extent that compensation is required to and does not qualify for deduction under Section 162(m), a larger portion of shareholder distributions may be subject to federal income tax expense as dividend income rather than return of capital, and any such compensation allocated to the Company's taxable REIT subsidiaries whose income is subject to federal income tax would result in an increase in income taxes due to the inability to deduct such compensation. Although the Company will be mindful of the limits imposed by Section 162(m), even if it is determined that Section 162(m) applies or may apply to certain compensation packages, the Company nevertheless reserves the right to structure the compensation packages and awards in a manner that may exceed the limitation on deduction imposed by Section 162(m).

Respectfully submitted,

Edgar Filing: U-Store-It Trust - Form DEF 14A

Prior to the closing of our initial public offering, all compensation decisions were made by our Board of Trustees, which at the time consisted of Robert J. Amsdell and Barry L. Amsdell.

Since the closing of our initial public offering, the members of the Compensation Committee of the Board of Trustees have consisted of Thomas A. Commes, John C. Dannemiller and Harold S. REPORT OF THE AUDIT COMMITTEE

The Audit Committee is currently composed of Messrs. Diefenderfer, Commes and LaRue. The members of the Audit Committee are appointed by and serve at the discretion of the Board of Trustees.

One of the principal purposes of the Audit Committee is to assist the Board of Trustees in the oversight of the integrity of the Company's financial statements. The Company's management team has the primary responsibility for the Company's financial statements and the reporting process, including the system of internal controls and disclosure controls and procedures. Deloitte & Touche LLP, the Company's independent auditors, audits the annual financial statements prepared by management and expresses an opinion on the conformity of those financial statements with accounting principles generally accepted in the United States. In carrying out its responsibilities, the Audit Committee has reviewed and has discussed our audited consolidated financial statements for fiscal year 2004 with our management. Management represented to the Audit Committee that the Company's financial statements were prepared in accordance with accounting principles generally accepted in the United States.

The Audit Committee also is responsible for assisting the Board of Trustees in the oversight of the qualification, independence and performance of the Company's independent auditors. The Audit Committee discussed with Deloitte & Touche LLP the matters required to be discussed by Statement on Auditing Standards No. 61. The Audit Committee has received both the written disclosures and the letter from Deloitte & Touche LLP required by Independence Standards Board Standard No. 1, and has discussed with Deloitte & Touche LLP the independence of Deloitte & Touche LLP from us. In addition, the Audit Committee has considered whether the provision of non-audit services, and the fees charged for such non-audit services, by Deloitte & Touche LLP are compatible with maintaining the independence of Deloitte & Touche LLP from us.

Based on the reviews and discussions described above, the Audit Committee recommended to the Board of Trustees that our audited consolidated financial statements for fiscal year 2004 be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2004.

Respectfully submitted,

The Audit Committee of the Board of Trustees

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Formation Transactions

As described below, in connection with our formation, we issued common shares to Robert J. Amsdell, Barry L. Amsdell, Todd C. Amsdell and certain of the Amsdell Entities as the result of the mergers into us of Amsdell Partners, Inc. and High Tide LLC, which owned the general and substantially all of the limited partner interests in our operating partnership. Pursuant to separate contribution agreements with us, Amsdell Entities owned by Robert J. Amsdell and Barry L. Amsdell contributed three facilities to our operating partnership in exchange for operating partnership units and the assumption of outstanding indebtedness on these facilities. Pursuant to a partnership reorganization agreement, one of these Amsdell Entities also received operating partnership units as a result of the reorganization of its limited partner interests in our operating partnership. In addition, we used a portion of the proceeds of our initial public offering to fund our purchase of the capital stock of our management company for cash from Robert J. Amsdell, Barry L. Amsdell, Todd C. Amsdell and certain of the Amsdell Entities and to repay notes owed to them.

We did not obtain any independent third-party appraisals of the properties acquired by or contributed to our operating partnership in connection with our formation transactions, or any other independent third party valuation or fairness opinions in connection with the formation transactions. As a result, the value of the shares, units and the cash that we issued in the formation transactions may have exceeded the fair market value of these properties and other assets. In addition, the value of the units or shares that we issued in these mergers, contributions and exchanges will increase or decrease if our share price increases or decreases. The initial public offering price of our common shares was determined through negotiations between us and the underwriters. The initial public offering price did not necessarily bear any relationship to our book value or the fair market value of our assets. As a result of the foregoing, the value of the equity that Robert J. Amsdell, Barry L. Amsdell, Todd C. Amsdell and the Amsdell Entities owned following our formation transactions may have exceeded the fair market value of their interests in High Tide LLC, Amsdell Partners, Inc. and the other assets we acquired from them in those transactions.

Merger Agreements

We acquired general and limited partner interests in U-Store-It, L.P., our operating partnership, pursuant to two merger agreements, dated July 30, 2004, one between us and High Tide LLC and the other between us and Amsdell Partners, Inc. These two entities were partners in our operating partnership and were owned by Robert J. Amsdell, Barry L. Amsdell, Todd C. Amsdell and certain of the Amsdell Entities. Pursuant to the merger agreements, High Tide LLC and Amsdell Partners, Inc. each merged with and into us and we remained as the surviving entity. We succeeded to all of High Tide LLC's and Amsdell Partners, Inc.'s limited and general partner interests in the operating partnership, subject to each of their existing liabilities. As a result of these merger agreements, Robert J. Amsdell, Barry L. Amsdell, Todd C. Amsdell and these Amsdell Entities received common shares, as more specifically described below:

Robert J. Amsdell received approximately 151,000 shares (with a value of approximately \$2.4 million);

The Robert J. Amsdell Family Irrevocable Trust, a trust formed for the benefit of the family of Robert J. Amsdell, received approximately 3.9 million shares (with a value of approximately \$62.7 million);

Barry L. Amsdell received approximately 151,000 shares (with a value of approximately \$2.4 million);

Edgar Filing: U-Store-It Trust - Form DEF 14A

The Loretta Amsdell Family Irrevocable Trust, a trust formed for the benefit of the family of Barry L. Amsdell, received approximately 3.9 million shares (with a value of approximately \$62.7 million); and

Todd C. Amsdell received approximately 430,000 shares (with a value of approximately \$6.9 million).

Contribution Agreements

Our operating partnership acquired three facilities pursuant to contribution agreements, dated July 30, 2004, with certain Amsdell Entities, each of which is owned 50% by Robert J. Amsdell and 50% by Barry L. Amsdell.

These Amsdell Entities contributed three facilities to our operating partnership in exchange for operating partnership units and the assumption of approximately \$10.4 million of outstanding indebtedness on these facilities. The operating partnership assumed or succeeded to all of the contributors' rights, obligations and responsibilities with respect to the contributed facilities.

Pursuant to these contribution agreements, the Amsdell Entities owned and controlled by Robert J. Amsdell and Barry L. Amsdell received approximately 798,000 operating partnership units (with a value of approximately \$12.8 million), and we assumed approximately \$10.4 million of indebtedness of these Amsdell Entities.

Partnership Reorganization Agreement

Pursuant to a partnership reorganization agreement, dated July 30, 2004, one of the Amsdell Entities owned 50% by Robert J. Amsdell and 50% by Barry L. Amsdell received approximately 332,000 operating partnership units (with a value of approximately \$5.3 million) as a result of the reorganization of such Amsdell Entity's limited partner interests in our operating partnership.

We caused our operating partnership to assume the liabilities on these indemnities and other undertakings accruing from and after the closing of our initial public offering. We also will seek to have Robert J. Amsdell, Barry L. Amsdell, Todd C. Amsdell and such Amsdell Entities released from these obligations to the extent accruing from and after the closing of our initial public offering, and if we are not able to obtain these releases we will indemnify Robert J. Amsdell, Barry L. Amsdell, Todd C. Amsdell and Amsdell Entities with respect to any loss incurred pursuant to such obligations.

The average closing price of our common shares for the 10 consecutive trading days immediately preceding the closing date of the purchase of the option facility (\$17.18) was used to determine the number of securities issued. The Committee should meet with the independent auditor prior to the audit to discuss the planning and staffing of the audit.
9. Have the sole authority to, and shall, review and pre-approve, either pursuant to the Committee's Audit and Non-Audit Services Pre-Approval Policy or through a separate pre-approval by the Committee, any engagement of the Company's independent auditor to provide any permitted non-audit service to the Company that is not prohibited by law. The Committee shall have the ability to delegate the authority to pre-approve non-audit services to one (1) or more designated members of the Committee. If such authority is delegated, the delegated member(s) of the Committee shall report to the full Committee, at the next Committee meeting, all items pre-approved by the designated member(s).
10. Receive and review periodic reports, at least annually, prepared by the independent auditors regarding:
- (a) the auditors' internal quality-control procedures;

- (b) any material issues raised by the most recent internal quality-control review, or peer review, of the firm, or by any inquiry or investigation by governmental or professional authorities, within the preceding five (5) years, respecting one or more independent audits carried out by the firm, and any steps taken to deal with any such issues, and
 - (c) the auditor's independence and all relationships between the independent auditor and the Company.
11. Request that the Company's independent auditor annually submit to the Committee a formal written statement of the fees billed in each of the last two fiscal years for each of the following categories of services rendered by the independent auditor: (i) the audit of the Company's annual financial statements and

the reviews of the financial statements included in the Company's Quarterly Reports on Form 10-Q or services that are normally provided by the independent auditors in connection with statutory and regulatory filings or engagements; (ii) assurance and related services not included in clause (i) that are reasonably related to the performance of the audit or review of the Company's financial statements, in the aggregate and by each service; (iii) tax compliance, tax advice and tax planning services, in the aggregate and by each service; and (iv) all other products and services rendered by the independent auditors, in the aggregate and by each service.

12. Discuss the reports described in paragraph 10 above with the auditor, and take appropriate action on any disclosed relationship to satisfy itself of the auditor's independence. As part of this process, the Committee should evaluate the qualifications, performance and independence of the independent auditor, including considering whether the auditor's quality controls are adequate and the provision of permitted non-audit services is compatible with maintaining the auditor's independence (and taking into account the opinions of management). The Committee also should receive, annually, a letter of independence from the independent auditor. The Committee shall present its conclusions to the Board.
13. Review and evaluate the experience and qualifications of the senior members (including the lead partner) of the independent auditor team and the performance of the independent auditor (which firm ultimately is accountable to the Committee and the Board).
14. Discuss with the independent auditor the matters required to be discussed by Statement on Auditing Standards No. 61, as amended, relating to the conduct of the audit.
15. Request a representation letter from the Company's independent auditor prior to the commencement of the audit engagement confirming that (i) the lead (or coordinating) audit partner and the reviewing audit partner have not performed audit services for the Company for more than five (5) consecutive years, and (ii) if either of such persons performed audit services for the Company for five (5) consecutive years, the last year of such period was more than five (5) years ago.
16. Consider whether, in order to assure continuing auditor independence, it is appropriate to adopt a policy of rotating the lead audit partner or even the independent auditing firm itself on a regular basis.
17. Request evidence from the independent auditors confirming that such firm is registered with the Public Company Accounting Oversight Board.
