#### Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

On July 21, 2005, Prolong International Corporation (the Company) received a notice from The American Stock Exchange (AMEX) that the Company s common stock may not be suitable for auction market trading as a result of its historically low trading prices and that, in accordance with Section 1003(f)(v) of the AMEX Company Guide (the Company Guide), the Company should effect a reverse split of its shares to address its trading price within a reasonable amount of time. If the Company does not effect a reverse stock split within a reasonable amount of time, AMEX may determine that the Company does not meet Section 1003(f)(v) of the Company Guide and would therefore become subject to the AMEX delisting procedures.

The Company is currently evaluating various alternatives in response to the AMEX request. The Company s common stock continues to trade on AMEX.
