**PART III NARRATIVE**

State below in reasonable detail the reasons why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

On February 21, 2005, we filed a voluntary petition for reorganization under Chapter 11 of the federal bankruptcy laws in the United States Bankruptcy Court (the Court). In June 2005, we announced a plan to exit 326 stores and three distribution centers (Restructure Plan). In July 2005, the Court approved the sale of leasehold interests and fixed assets for some of the stores, with the remainder being liquidated. We are in the process of finalizing our annual financial statements, as well as the supporting documentation related thereto, including determining the impact from Hurricane Katrina on our operations. In addition, we are required to make our initial report on the assessment of the effectiveness of our internal control over financial reporting in the Form 10-K. Due to the Chapter 11 filing and the additional and critical demands that the filing has placed on the time and attention of our senior management, as well as the significant time and attention devoted to the Restructure Plan and the completion of the internal control assessment, we have been unable to complete all work necessary to timely file the annual report on Form 10-K without unreasonable effort or expense.

## Edgar Filing: WINN DIXIE STORES INC - Form NT 10-K

Changes in the subject Annual Report on Form 10-K from the corresponding period for the previous fiscal year are discussed below.

The subject Form 10-K is expected to reflect a loss from continuing operations of approximately \$666.0 million for fiscal 2005 compared to \$50.8 million for fiscal 2004. The loss is expected to include impairment charges of approximately \$250.0 million compared to \$35.0 million in the prior fiscal year and restructuring charges of \$84.0 million compared to \$9.0 million in the prior fiscal year. The net loss is expected to include a net gain from reorganization items of approximately \$148.0 million for fiscal 2005 which includes primarily non-cash gains related to lease rejections. Reorganization items are due to our Chapter 11 filing and therefore did not exist in fiscal 2004. We expect income tax expense to be \$190.0 million compared to a benefit of \$36.7 million in the prior fiscal year resulting from a full valuation allowance on deferred tax assets in the second quarter of fiscal 2005.

We expect the report of our independent registered public accounting firm will contain an explanatory paragraph stating that significant matters exist concerning us that raise substantial doubt about our ability to continue as a going concern.
