This prospectus is part of a registration statement that we filed with the Securities and Exchange Commission, which we refer to as the SEC, using a “shelf” registration process. Under this shelf registration process, we may issue and sell any of the securities described in this prospectus in one or more offerings with a maximum aggregate offering price of up to \$350,000,000. We are required to obtain the authorization of the Missouri Public Service Commission before we can sell or issue these securities and use the proceeds of any sales other than as currently authorized.

Each time we sell securities, we will provide a prospectus supplement that will contain specific information about the terms of that offering. Any prospectus supplement may also add, update or change information contained in this prospectus. If there is any inconsistency between the information in this prospectus and the prospectus supplement, you should rely on the information in the prospectus supplement. The registration statement we filed with the SEC includes exhibits that provide more detail on descriptions of matters discussed in this prospectus. RISK FACTORS

Investing in securities involves risks. You should carefully review all the information we have included or incorporated by reference in this prospectus or any prospectus supplement before deciding to invest. See *Where You Can Find More Information* below. In particular, you should carefully consider the risks and uncertainties discussed in our annual report on Form 10-K for the year ended September 30, 2006, incorporated by reference herein, in Item 1A *Risk Factors* and in Part I under *Forward Looking Statements* (all of which may be updated in future filings we make with the SEC as described under *Where You Can Find More Information*). In addition, you should carefully consider the risks and uncertainties discussed in the applicable prospectus supplement that relates to the securities offered thereby. These risks are not the only ones facing our company. There may be additional risks and uncertainties that we presently do not know or that we currently believe are immaterial that could also impair our business or financial condition. Any of these risks and uncertainties, either alone or taken together, could materially and adversely affect our business, financial condition or operating results.

LACLEDE GAS COMPANY

We are the largest natural gas distribution utility in Missouri, founded in 1857 as The Laclede Gas Light Company. We serve over 630,000 residential, commercial and industrial customers in metropolitan St. Louis and surrounding counties in eastern Missouri. Our utility operations are subject to the jurisdiction of the Missouri Public Service Commission. Generally, we sell gas for househeating, certain other household uses, and we sell and transport gas for commercial and industrial space heating and other industrial uses. We employed 1,874 persons at September 30, 2006.

For the year ended September 30, 2006, we had utility operating revenues of \$1.141 billion, approximately 60% of which came from sales to residential customers and 25% from sales to commercial and industrial customers. The balance of our utility operating revenues are primarily attributable to our on-system transportation services and our off-system sales, and capacity release services. Due to the seasonal nature of our business, earnings are typically concentrated in the first six months of the fiscal year, which generally corresponds with the heating season. We are a wholly-owned subsidiary of The Laclede Group, Inc. (NYSE:LG), a holding company, and we contributed approximately 57% of The Laclede Group's consolidated revenues for the year ended September 30, 2006.

Our principal executive offices are located at 720 Olive Street, St. Louis, Missouri 63101, and our telephone number is (314) 342-0500.

DESCRIPTION OF FIRST MORTGAGE BONDS**General**

The following description sets forth certain general terms and provisions of first mortgage bonds that we may offer by this prospectus. We may issue first mortgage bonds from time to time in one or more series. Each series of first mortgage bonds will be issued under our Mortgage and Deed of Trust, dated as of February 1, 1945, to UMB Bank & Trust Company, n.a., successor trustee, as amended and supplemented by supplemental indentures and as may be further amended and supplemented from time to time, collectively referred to as our mortgage. Our mortgage is incorporated by reference as an exhibit to the registration statement of which this prospectus is a part, and you should read our mortgage for provisions that may be important to you. Our mortgage has been qualified under the Trust Indenture Act of 1939.

The prospectus supplement relating to any series of first mortgage bonds being offered will include specific terms of that offering, including:

the date or dates on which the principal of the first mortgage bonds will be payable and how it will be paid;

the rate or rates at which the first mortgage bonds will bear interest;

the date or dates from which interest on the first mortgage bonds will accrue, the interest payment dates on which interest will be paid, and the record dates for interest payments;

the place for payment and for the registration and transfer of the first mortgage bonds;

any date or dates on which, and the price or prices at which, the first mortgage bonds may be redeemed at our option and any restrictions on such redemption;

any sinking fund or other provisions or options held by holders of first mortgage bonds that would obligate us to repurchase or otherwise redeem the first mortgage bonds; and

any other terms of the first mortgage bonds not inconsistent with terms of our mortgage.

Unless otherwise indicated in the prospectus supplement, the first mortgage bonds will be issued in denominations of \$1,000 and integral multiples thereof. At December 31, 2006, we had outstanding \$350 million in first mortgage bonds issued under our mortgage.

Table of Contents

Payment and Paying Agent

Principal, interest and any premium on first mortgage bonds issued in the form of global securities will be paid as described below in Book-Entry Securities.

Unless otherwise specified in the applicable prospectus supplement, interest on the first mortgage bonds payable on the applicable interest payment date will be paid to the person in whose name the first mortgage bond is registered at the close of business on the record date for the interest payment date. However, if we default in the payment of interest on any first mortgage bond, the defaulted interest will be paid to the person in whose name the first mortgage bond is registered on the date of payment of such defaulted interest.

Unless otherwise specified in the applicable prospectus supplement, principal, interest and any premium on first mortgage bonds in certificated form will be payable at the corporate trust office of the trustee in The City of New York as paying agent for us, or we may direct payment of interest by checks mailed to the registered owners of the first mortgage bonds. We may change the place of payment on the first mortgage bonds, may appoint one or more additional paying agents (including us) and may remove any paying agent, all at our discretion.

Registration and Transfer

Unless otherwise indicated in the applicable prospectus supplement, first mortgage bonds will initially be issued in the form of one or more global securities, registered in form, without coupons, as described under Book-Entry Securities. The global securities will be registered in the name of a nominee of The Depository Trust Company, as depository, and deposited with, or on behalf of, the depository. Except as described under Book-Entry Securities, owners of beneficial interests in a global security will not be entitled to have first mortgage bonds registered in their names, will not be entitled to receive physical delivery of any first mortgage bonds and will not be considered the registered holders of the bonds under our mortgage. First mortgage bonds may be exchanged for other first mortgage bonds of the same series in any authorized denominations for a like aggregate principal amount. Our mortgage allows us at our option to charge up to two dollars per first mortgage bond for a transfer or exchange as well as a sum sufficient to cover any applicable taxes or other governmental charges in either case. However, we are not required to make transfers or exchanges of first mortgage bonds:

for a period of ten days prior to an interest payment date;

for a period of fifteen days prior to the selection of first mortgage bonds for redemption; or

of any first mortgage bonds called or selected for redemption in full.

Security

Our mortgage creates a continuing lien to secure the payment of the principal of, and interest and any premium on, all first mortgage bonds issued under our mortgage, which are in all respects equally and ratably secured without preference, priority or distinction. The lien of our mortgage covers substantially all of our properties (real, personal and mixed) and franchises, whether now owned or hereafter acquired, other than cash, shares of stock, obligations (including bonds, notes and other securities), property acquired for the purpose of sale or resale in the usual course of business or for consumption in the operation of our properties, construction equipment acquired for temporary use, vehicles and automobiles, and all judgments, accounts and choses in action.

Our mortgage allows certain permitted liens and encumbrances:

restrictions, exceptions and reservations of easements, rights of way or otherwise contained in any and all deeds and/or other conveyances under or through which we claim title thereto;

Table of Contents

with respect to property acquired since the execution of our mortgage, all defects and limitations of title and all other encumbrances existing at the time of such acquisition, including any purchase money mortgage or lien created at the time of acquisition;

defects of title with respect to certain real estate of minor importance acquired by us since 1945;

liens and deeds of trust on our leasehold estate at our general offices; and

excepted encumbrances as defined in our mortgage.

Satisfaction and Discharge

We will be discharged from our obligations on the first mortgage bonds, or any portion of the principal amount of the first mortgage bonds, if we irrevocably deposit with the trustee sufficient cash to pay the principal, or portion of principal, interest and any other sums when due on the first mortgage bonds at their maturity, stated maturity date or redemption.

Our mortgage will be deemed satisfied and discharged when no first mortgage bonds issued under our mortgage remain outstanding and when we have paid all other sums payable by us under our mortgage.

Consolidation, Merger and Sale of Assets

Our mortgage does not prevent our consolidation with or merger into another corporation or our sale or lease of all or substantially all of the mortgaged property to a corporation provided:

we effect the transaction so as to preserve and not impair the lien of our mortgage;

any lease is subject to immediate termination by (a) us or the trustee at any time during a completed default under our mortgage or (b) a purchaser of the property at a sale under our mortgage; and

the payment of the principal and interest of all first mortgage bonds issued under our mortgage and the performance and observance of all of our covenants and conditions in our mortgage are expressly assumed by the successor corporation.

The successor corporation may exercise our same powers and rights under our mortgage. Our mortgage will not become a lien upon any of the property or franchises of the successor corporation, except:

property which the successor corporation may acquire or construct which becomes an integral part of the property covered by our mortgage;

property used by the successor corporation as the basis under our mortgage for the issuance of first mortgage bonds; or

franchises, repairs and additional property as may be acquired, made or constructed by the successor corporation (a) to maintain, renew and preserve the mortgaged property or (b) in pursuance of some covenant or agreement under our mortgage.

Our mortgage does not restrict transactions in which we are the surviving entity.

Eminent Domain Provision

Edgar Filing: LACLEDE GAS CO - Form S-3

If any governmental body or agency exercises any right that it may have through eminent domain or otherwise to purchase or designate a purchaser of all or substantially all of the mortgaged property, or if we sell all or substantially all of the mortgaged property to any governmental body or agency, then we shall have the right to redeem all first mortgage bonds outstanding under our mortgage. The first mortgage bonds would be redeemed at their principal amounts plus accrued interest to the date of redemption together with any premiums as may be required. We covenant that in any of such events we will deposit with the trustee an amount in cash as needed so that all moneys then held by the trustee shall be sufficient to redeem all first mortgage bonds outstanding under our mortgage. The trustee will then take such steps as may be necessary

Table of Contents

to effect the redemption. The trustee will use the deposited moneys for the redemption. If we fail to take any steps necessary to effect the prompt redemption of the first mortgage bonds, the trustee shall have the power, in our name or otherwise, to take such steps. The trustee, however, is under no obligation to take any such steps unless the amount of cash on deposit with the trustee shall be sufficient to effect the redemption.

Dividend Restriction Covenant

Our mortgage contains several restrictions on our ability to pay dividends on our common stock. Under the most restrictive of these provisions, we may not declare or pay any dividend if, after the dividend, the aggregate net amount spent for all dividends after September 30, 1953 would exceed a maximum amount determined by using a formula in our mortgage, which is described below. This provision does not, however, restrict dividends paid in the form of our common stock. In addition, the amount we have spent on the acquisition or retirement of our common stock since that date is added to, and the amount received from the issuance of new stock is deducted from, the aggregate amount spent for dividends. Under our mortgage's formula, the maximum amount is the sum of \$8 million plus our earnings applicable to common stock (adjusted for stock repurchases and issuances) for the period from September 30, 1953, to the last day of the quarter before the declarations or payment date for the dividend. As of December 31, 2006, the amount under our mortgage's formula that was available to pay dividends was \$266 million.

Issuance of Additional First Mortgage Bonds

The aggregate amount of first mortgage bonds that may be issued under our mortgage is unlimited. Our board of directors shall determine, for each series of first mortgage bonds, denominations, maturity, interest rate, redemption or sinking fund provisions, and other terms. Sinking fund, redemption or maintenance and improvement fund provisions for first mortgage bonds of one series may be inapplicable to first mortgage bonds of another series.

Our mortgage permits the three different types of issuances of additional first mortgage bonds: (1) on the basis of unfunded property additions not subject to a prior lien, in a principal amount not exceeding 60% of the cost or fair value thereof, whichever is less; (2) on the basis of retired first mortgage bonds previously outstanding and not made the basis of certain credits under other provisions of our mortgage; and (3) on the basis of cash deposited with the trustee, which we may later withdraw after substituting either property additions or retired first mortgage bonds.

At December 31, 2006, approximately \$255 million principal amount of first mortgage bonds was issuable under clause (1) above and approximately \$60 million principal amount of first mortgage bonds was issuable under clause (2) above.

Notwithstanding the foregoing, additional first mortgage bonds generally may not be issued unless our net earnings for 12 consecutive months within the 15 months preceding such issuance is equal to or greater than twice the annual interest charges on all first mortgage bonds and prior lien bonds then outstanding and then being issued. We do not need to comply with the earnings test under clause (2) above if the interest attributable to the retired bonds was included in a net earnings certificate delivered to the trustee and the interest rate on the new first mortgage bonds is less than the interest rate of the retired bonds.

Release and Substitution of Property

Unless we are in default under our mortgage, property may be released against cash or, to a limited extent, purchase money mortgages, property additions, and the waiver of the right to issue first mortgage bonds. Any cash deposited may be withdrawn upon the basis of property additions and the waiver of the right to issue first mortgage bonds on the basis of property additions. Our mortgage contains special provisions with respect to pledged prior lien bonds.

Table of Contents

Events of Default and Remedies

A completed default under our mortgage means any of the following:

failure to pay the principal of any first mortgage bond when due, whether at its stated maturity or by declaration, redemption or otherwise;

failure to pay interest on any first mortgage bond within 60 days of when it is due;

failure to pay any interest on or principal of any outstanding prior lien bonds with any applicable grace period;

certain events involving our bankruptcy, insolvency or reorganization for a period of 90 days or more or our written admission of our inability to pay our debts generally as they mature; or

failure to perform any covenant, agreement or condition in our mortgage within 90 days of notice thereof to us from the trustee.

Our mortgage provides that if a completed default happens, the trustee may, and upon written request of the holders of a majority in principal amount of the first mortgage bonds then outstanding will, declare the principal and accrued interest then owing immediately due and payable. However, after that declaration but before any sale under that declaration, the holders of a majority in principal amount of all outstanding first mortgage bonds may, under certain circumstances, rescind and annul the declaration if all agreements with respect to the completed default have been fully performed and all interest in arrears and expenses and charges have been paid. Upon the occurrence of a completed default, the trustee may take possession of, manage, and operate the property. In addition, the trustee may sell all of the property, or those parcels as the holders of a majority in principal amount of the first mortgage bonds outstanding may determine.

Subject to the provisions of our mortgage relating to the duties of the trustee, if an event of a completed default occurs and continues, the trustee is under no obligation to exercise any of its rights or powers under our mortgage unless the holders of a majority in principal amount of the first mortgage bonds then outstanding have requested the trustee to take action and have adequately indemnified the trustee. In addition, the holders of a majority in principal amount of the first mortgage bonds then outstanding have the right to direct the time, method, and place of conducting any proceedings for any remedy available to the trustee and to exercise any trust or power conferred on the trustee.

Our mortgage provides that the trustee, within 90 days after the occurrence of a completed default, will give notice to the holders of the default, unless the default is cured before the giving of the notice. In the case of a default in the payment of the principal of or interest on any of the first mortgage bonds, however, the trustee is protected in withholding notice if it determines in good faith that the withholding of the notice is in the interest of the holders of first mortgage bonds.

Holders of first mortgage bonds have no right to institute any suit, action or proceeding in equity or at law for the foreclosure of our mortgage, for the execution of any trust, for the appointment of a receiver or any other remedy unless:

prior notice is given to the trustee of a completed default;

holders of at least 25% of the first mortgage bonds then outstanding request the trustee, and offer it reasonable opportunity, to proceed;

offer the trustee adequate security and indemnity; and

the trustee within 60 days of the notice fails or refuses to institute such action.

Table of Contents

Our mortgage also provides that a court in its discretion may require, in any suit to enforce any provision of our mortgage or against the trustee, the filing by the party filing the suit of an undertaking to pay the costs of the suit. The court may also assess reasonable costs including attorneys fees against any party to the suit. These provisions do not apply, however, to a suit filed by the trustee or any bondholder for the payment of principal or interest on any first mortgage bond on or after the stated due date of the first mortgage bond.

Compliance Certificates

We are required to furnish annually to the trustee a certificate as to compliance with all conditions and covenants under our mortgage. We must provide similar certificates to the trustee upon each release of property from the lien of our mortgage and upon each issuance of additional first mortgage bonds. Further, our mortgage requires us to deliver a similar certificate to the trustee each time we declare a dividend, make any other payment or distribution on our capital stock, or purchase, redeem, acquire or retire any shares of our capital stock.

Trustee

UMB Bank & Trust, n.a., is the trustee under our mortgage. UMB Bank, n.a., an affiliate of the trustee, serves as transfer agent for our preferred stock, transfer agent for our parent company's common stock, rights agent for our parent company's preferred share purchase rights, and plan agent for our parent company's dividend reinvestment and stock purchase plan. Our parent also has a line of credit from UMB Bank, n.a., and we have also recently had, and may from time to time in the future have, lines of credit from UMB Bank, n.a.

Modification of Mortgage

Our mortgage contains provisions permitting modification of our mortgage by consent of the holders of two-thirds in principal amount of all first mortgage bonds whose rights are affected by such modification. However, no modification may:

extend the maturity of the principal of any first mortgage bonds,

reduce the rate of interest on any first mortgage bond,

modify any other term of payment of principal and interest,

deprive to any holder of a first mortgage bond the mortgage lien,

create a lien on the mortgaged property ranking equal or prior to the mortgage lien; or

reduce the percentage required for modification,

without the consent of any holder of first mortgage bonds affected by the modification. Holders of at least three-fourths in principal of the first mortgage bonds outstanding (including first mortgage bonds offered by this prospectus), however, may consent to the postponement of any interest payment for a period not exceeding three years from its due date.

Reservation of Rights

In the supplemental indentures for our first mortgage bonds issued on or after June 9, 2006, we have reserved the right to amend or supplement our mortgage without any consent or other action of the holders of any series of first mortgage bonds created on or after June 9, 2006, for any of the following purposes:

Edgar Filing: LACLEDE GAS CO - Form S-3

to correct or amplify the description of property subject to the lien of our mortgage, to better assure, convey and confirm to the trustee any property required to be subject to our mortgage or to subject additional property to the lien of our mortgage; and

to change or eliminate any provision of our mortgage or to add any new provision to our mortgage provided that the change, elimination or addition must not adversely affect the interests of the holders of the first mortgage bonds of any series.

Table of Contents

We have also provided that our mortgage shall be deemed to be amended to comply with the Trust Indenture Act of 1939, as in effect from time to time.

Maintenance and Improvement Fund

First mortgage bonds issued on and after June 9, 2006 will not be entitled to the benefits of a maintenance and improvement fund. However, so long as the outstanding series of first mortgage bonds created prior to June 9, 2006 remain outstanding, we will be required to comply with the maintenance and improvement fund requirements. Those requirements include paying annually to the trustee cash equal to 2³/₄% of the average amount of our gross property account less certain credits. These credits consist of:

credit for ordinary maintenance and repairs to the mortgaged property in the calendar year in question;

credit for expenditures since August 31, 1942 for property additions that have not been made the basis for the issuance of first mortgage bonds, for a prior credit or as to which the right to have first mortgage bonds authenticated has been waived (this credit is limited to the cost of mortgaged property retired subsequent to August 31, 1942);

credit for property additions that could be the basis for the issuance of first mortgage bonds, but which first mortgage bonds have not yet been issued;

credit for outstanding first mortgage bonds surrendered to the trustee for cancellation; and

credit up to \$2,000,000 for the payment of certain debentures that were issued in 1945 and have now been paid.

If the credits taken exceed the amount of the annual payment that would otherwise be required, the excess credits may be carried forward from year to year. We may choose to use these excess credits or to deposit cash into the fund. Any cash so deposited may be withdrawn on the basis of those credits or used to redeem first mortgage bonds. Any cash not so withdrawn or used within three years from the receipt thereof by the trustee shall be used by the trustee to redeem first mortgage bonds. The credit balance that is shown on the most recent certificate, which was filed in 2006 for the calendar year 2005 and may, therefore, be carried forward, is \$88,959,227.

DESCRIPTION OF UNSECURED DEBT SECURITIES

General

The following description sets forth certain general terms and provisions of unsecured debt securities that we may offer by this prospectus. We may issue debt securities from time to time in one or more series. Each series of debt securities will be issued under our indenture between us and the trustee. The form of our indenture is incorporated by reference as an exhibit to the registration statement of which this prospectus is a part, and you should read our indenture for provisions that may be important to you. Our indenture will be qualified under the Trust Indenture Act of 1939.

The debt securities will be our direct senior, unsecured and unsubordinated general obligations. The debt securities will rank equally with any of our other senior, unsecured and unsubordinated debt. As of December 31, 2006, we had \$257 million of short-term unsecured debt outstanding, all in the form of commercial paper, and \$350 million of first mortgage bonds issued and outstanding under our mortgage. Our indenture does not restrict our ability to issue additional first mortgage bonds under our mortgage.

The prospectus supplement relating to any series of debt securities being offered will include specific terms relating to that offering, including:

the title of the debt securities;

the total principal amount of the debt securities;

Table of Contents

the date or dates on which the principal of the debt securities will be payable and how it will be paid;

the rate or rates at which the debt securities will bear interest, or how such rate or rates will be determined;

the date or dates from which interest on the debt securities will accrue, the interest payment dates on which interest will be paid, and the record dates for interest payments;

any right to extend the interest payment periods for the debt securities and the duration of the extension;

the percentage, if less than 100%, of the principal amount of the debt securities that will be payable if the maturity of the debt securities is accelerated;

any date or dates on which, and the price or prices at which, the debt securities may be redeemed at our option and any restrictions on such redemptions;

any sinking fund or other provisions or options held by holders of debt securities that would obligate us to repurchase or otherwise redeem the debt securities;

any changes or additions to the events of default under our indenture or changes or additions to our covenants under our indenture;

if the debt securities will be issued in denominations other than \$1,000;

if payments on the debt securities may be made in a currency or currencies other than United States dollars;

any convertible feature or options regarding the debt securities;

any rights or duties of another person to assume our obligations with respect to the debt securities;

any collateral, security, assurance or guarantee for the debt securities; and

any other terms of the debt securities not inconsistent with terms of our indenture.

Our indenture does not limit the principal amount of debt securities that may be issued. Our indenture allows debt securities to be issued up to the principal amount that may be authorized by us.

Debt securities may be sold at a discount below their principal amount. United States federal income tax considerations applicable to debt securities sold at an original issue discount may be described in the prospectus supplement. In addition, certain United States federal income tax or other considerations applicable to any debt securities that are denominated or payable in a currency or currency unit other than United States dollars may be described in the prospectus supplement.

Edgar Filing: LACLEDE GAS CO - Form S-3

Except as may otherwise be described in the prospectus supplement, the covenants contained in our indenture will not afford holders of debt securities protection in the event of a highly leveraged or similar transaction involving us or in the event of a change of control.

Payment and Paying Agents

Except as may be provided in the prospectus supplement, interest, if any, on each debt security payable on each interest payment date will be paid to the person in whose name such debt security is registered as of the close of business on the regular record date for the interest payment date. However, interest payable at maturity will be paid to the person to whom the principal is paid. If there has been a default in the payment of interest on any debt security, the defaulted interest may be paid to the holder of such debt security as of the close of business on a date to be fixed by the trustee, which will be between 10

Table of Contents

and 15 days prior to the date proposed by us for payment of such defaulted interest or in any other manner permitted by any securities exchange on which such debt security may be listed, if the trustee finds it practicable.

Unless otherwise specified in the prospectus supplement, principal of, and premium, if any, and interest, if any, on the debt securities at maturity will be payable upon presentation of the debt securities at the trustee's corporate trust office. We may change the place of payment on the debt securities, may appoint one or more additional paying agents (including us) and may remove any paying agent, all at our discretion.

Registration and Transfer

Unless otherwise specified in the prospectus supplement, the transfer of debt securities may be registered, and debt securities may be exchanged for other debt securities of the same series or tranche, of authorized denominations and with the same terms and principal amount, at the trustee's corporate trust office. We may change the place for registration of transfer and exchange of the debt securities and may designate additional places for such registration and exchange. Unless otherwise provided in the prospectus supplement, no service charge will be made for any transfer or exchange of the debt securities. However, we may require payment to cover any tax or other governmental charge that may be imposed. We will not be required to execute or to provide for the registration of transfer of, or the exchange of, (a) any debt security during a period of 15 days prior to giving any notice of redemption or (b) any debt security selected for redemption except the unredeemed portion of any debt security being redeemed in part.

Defeasance and Discharge

Unless the applicable prospectus supplement states otherwise, the indenture, with respect to any and all series of debt securities, will be discharged and canceled (except for certain specified surviving obligations) if, among other things, we pay, in full, the principal of (and premium, if any) and interest on all series of the debt securities and all other sums required under the indenture and we deliver a certificate to the trustee stating that we have complied with all conditions precedent relating to the satisfaction and discharge of the indenture.

In addition, we may at any time terminate certain of our obligations under the indenture with respect to the debt securities of any series or terminate our obligations under certain covenants set forth in the indenture (after which any omission to comply with such obligations shall not constitute a default with respect to the debt securities) if we irrevocably deposit in trust with the trustee for the debt securities, for the benefit of the holders, cash or United States government obligations, or a combination thereof, in such amounts as will be sufficient to pay the principal of and premium and interest, if any, on the dates such payments are due in accordance with the terms of the indenture and the debt securities; provided that such funds shall have been on deposit with such trustee for a period of at least 90 days, or such trustee shall have received an opinion of counsel to the effect that payments to holders with such monies as proceeds are not recoverable as a preference under any applicable United States federal or state law relating to bankruptcy, insolvency, receivership, winding-up, liquidation, reorganization or relief of debtors. We must also comply with certain other conditions, including (under certain circumstances) the delivery of an opinion of counsel to the effect that the holder of the debt securities will not realize income, gain or loss for federal income tax purposes as a result of such defeasance. The opinion of counsel may be required to be accompanied by a ruling of the Internal Revenue Service issued to us or based on a change in law or regulation occurring after the date of the indenture.

Consolidation, Merger, and Sale of Assets

Under the terms of our indenture, we may not consolidate with or merge into any other entity or convey, transfer or lease our properties and assets substantially as an entirety to any entity, unless:

the surviving or successor entity is organized and validly existing under the laws of any domestic jurisdiction and it expressly assumes our obligations on all debt securities and under our indenture;

Table of Contents

immediately after giving effect to the transaction, no event of default and no event which, after notice or lapse of time or both, would become an event of default shall have occurred and be continuing; and

we shall have delivered to the trustee an officer's certificate and an opinion of counsel as to compliance with the foregoing. The terms of our indenture do not restrict us in a merger in which we are the surviving entity.

Events of Default

Event of default when used in our indenture with respect to any series of debt securities, means any of the following:

failure to pay interest, if any, on any debt security of the applicable series for 60 days after it is due;

failure to pay the principal of or premium, if any, on any debt security of the applicable series within three business days after its maturity;

failure to perform any other covenant in our indenture, other than a covenant that does not relate to that series of debt securities, that continues for 90 days after we receive written notice from the trustee, or we and the trustee receive a written notice from 33% of the holders of the debt securities of that series; however, the trustee or the trustee and the holders of such principal amount of debt securities of this series can agree to an extension of the 90-day period and that an agreement to extend will be automatically deemed to occur if we are diligently pursuing action to correct the default;

certain events involving our bankruptcy, insolvency or reorganization; or

any other event of default included in any supplemental indenture or officer's certificate for a specific series of debt securities.

The trustee may withhold notice to the holders of debt securities of any default, except default in the payment of principal, premium or interest, if it considers such withholding of notice to be in the interests of the holders. An event of default for a particular series of debt securities does not necessarily constitute an event of default for any other series of debt securities issued under our indenture.

Remedies

If an event of default with respect to fewer than all the series of debt securities occurs and continues, either the trustee or the holders of at least 33% in principal amount of the debt securities of such series may declare the entire principal amount of all the debt securities of such series, together with accrued interest, to be due and payable immediately. However, if the event of default is applicable to all outstanding debt securities under our indenture, only the trustee or holders of at least 33% in principal amount of all outstanding debt securities of all series, voting as one class, and not the holders of any one series, may make such a declaration of acceleration.

At any time after a declaration of acceleration with respect to the debt securities of any series has been made and before a judgment or decree for payment of the money due has been obtained, the event of default giving rise to such declaration of acceleration will be considered waived, and such declaration and its consequences will be considered rescinded and annulled, if:

we have paid or deposited with the trustee a sum sufficient to pay:

all overdue interest, if any, on all debt securities of the series;

the principal of, and premium, if any, on, any debt securities of the series which have otherwise become due and interest, if any, that is currently due;

Table of Contents

interest, if any, on overdue interest; and

all amounts due to the trustee under our indenture; or

any other event of default with respect to the debt securities of that series has been cured or waived as provided in our indenture. There is no automatic acceleration, even in the event of our bankruptcy, insolvency or reorganization.

Other than its duties in case of an event of default, the trustee is not obligated to exercise any of its rights or powers under our indenture at the request, order or direction of any of the holders, unless the holders offer the trustee a reasonable indemnity. If they provide a reasonable indemnity, the holders of a majority in principal amount of any series of debt securities will have the right to direct the time, method and place of conducting any proceeding for any remedy available to the trustee, or exercising any power conferred upon the trustee. However, if the event of default relates to more than one series, only the holders of a majority in aggregate principal amount of all affected series will have the right to give this direction. The trustee is not obligated to comply with directions that conflict with law or other provisions of our indenture.

No holder of debt securities of any series will have any right to institute any proceeding under our indenture, or to exercise any remedy under our indenture, unless:

the holder has previously given to the trustee written notice of a continuing event of default;

the holders of a majority in aggregate principal amount of the outstanding debt securities of all series in respect of which an event of default shall have occurred and be continuing have made a written request to the trustee and have offered reasonable indemnity to the trustee to institute proceedings; and

the trustee has failed to institute any proceeding for 60 days after notice and has not received any direction inconsistent with the written request of holders during that period. (See Section 807.)

However, such limitations do not apply to a suit by a holder of a debt security for payment of the principal of, or premium, if any, or interest, if any, on, a debt security on or after the applicable due date.

Annual Notice to Trustee

We will provide to the trustee an annual statement by an appropriate officer as to our compliance with all conditions and covenants under our indenture.

Modification and Waiver

We and the trustee may enter into one or more supplemental indentures without the consent of any holder of debt securities for any of the following purposes:

to evidence the assumption by any permitted successor of our covenants in our indenture and in the debt securities;

to add additional covenants or to surrender any of our rights or powers under our indenture;

to add additional events of default;

to change, eliminate, or add any provision to our indenture; provided, however, if the change, elimination, or addition will adversely affect the interests of the holders of debt securities of any series in any material respect, such change, elimination, or addition will become effective only:

Table of Contents

when the consent of the holders of debt securities of such series has been obtained in accordance with our indenture; or

when no debt securities of the affected series remain outstanding under our indenture;

to provide collateral security for all but not part of the debt securities;

to establish the form or terms of debt securities of any other series as permitted by our indenture;

to provide for the authentication and delivery of bearer securities and coupons attached thereto;

to evidence and provide for the acceptance of appointment of a successor trustee;

to provide for the procedures required for use of a noncertificated system of registration for the debt securities of all or any series;

to change any place where principal, premium, if any, and interest shall be payable, debt securities may be surrendered for registration of transfer or exchange and notices to us may be served; or

to cure any ambiguity or inconsistency or to make any other provisions with respect to matters and questions arising under our indenture, provided that such action shall not adversely affect the interests of the holders of debt securities of any series in any material respect.

The holders of at least a majority in aggregate principal amount of the debt securities of all series then outstanding may waive our compliance with certain restrictive provisions of our indenture. The holders of not less than a majority in principal amount of the outstanding debt securities of any series may waive any past default under our indenture with respect to that series, except a default in the payment of principal, premium, if any, or interest and certain covenants and provisions of our indenture that cannot be modified or be amended without the consent of the holder of each outstanding debt security of the series affected.

If the Trust Indenture Act of 1939 is amended after the date of our indenture in such a way as to require changes to our indenture, our indenture will be deemed to be amended so as to conform to such amendment of the Trust Indenture Act of 1939. We and the trustee may, without the consent of any holders, enter into one or more supplemental indentures to evidence such an amendment.

The consent of the holders of a majority in aggregate principal amount of the debt securities of all series then outstanding is required for all other modifications to our indenture. However, if less than all of the series of debt securities outstanding are directly affected by a proposed supplemental indenture, then the consent only of the holders of a majority in aggregate principal amount of all series that are directly affected will be required. No such amendment or modification may:

change the stated maturity of the principal of, or any installment of principal of or interest on, any debt security, or reduce the principal amount of any debt security or its rate of interest or change the method of calculating such interest rate or reduce any premium payable upon redemption, or change the currency in which payments are made, or impair the right to institute suit for the enforcement of any payment on or after the stated maturity of any debt security, without the consent of the holder;

reduce the percentage in principal amount of the outstanding debt securities of any series whose consent is required for any supplemental indenture or any waiver of compliance with a provision of our indenture or any default thereunder and its

consequences, or reduce the requirements for quorum or voting, without the consent of all the holders of the series; or

Table of Contents

modify certain of the provisions of our indenture relating to supplemental indentures, waivers of certain covenants and waiver of past defaults with respect to the debt securities of any series, without the consent of the holder of each outstanding debt security affected thereby.

A supplemental indenture that changes our indenture solely for the benefit of one or more particular series of debt securities, or modifies the rights of the holders of debt securities of one or more series, will not affect the rights under our indenture of the holders of the debt securities of any other series.

Our indenture provides that debt securities owned by us or anyone else required to make payment on the debt securities shall be disregarded and considered not to be outstanding in determining whether the required holders have given a request or consent.

We may fix in advance a record date to determine the required number of holders entitled to give any request, demand, authorization, direction, notice, consent, waiver or other act of the holders, but we shall have no obligation to do so. If a record date is fixed for that purpose, the request, demand, authorization, direction, notice, consent, waiver or other act of the holders may be given before or after that record date, but only the holders of record at the close of business on that record date will be considered holders for the purposes of determining whether holders of the required percentage of the outstanding debt securities have authorized or agreed or consented to the request, demand, authorization, direction, notice, consent, waiver or other act of the holders. For that purpose, the outstanding debt securities shall be computed as of the record date. Any request, demand, authorization, direction, notice, consent, election, waiver or other act of a holder shall bind every future holder of the same debt securities and the holder of every debt security issued upon the registration of transfer of or in exchange of those debt securities. A transferee will be bound by acts of the trustee or us taken in reliance upon an act of holders whether or not notation of that action is made upon that debt security.

Notices

Notices to holders of debt securities will be given by mail to the addresses of the holders as they may appear in the security register for the debt securities.

Title

We, the trustee, and any agent of us or the trustee, may treat the person in whose name debt securities are registered as the absolute owner of those debt securities, whether or not those debt securities may be overdue, for the purpose of making payments and for all other purposes irrespective of notice to the contrary.

Governing Law

Each indenture and the debt securities will be governed by, and construed in accordance with, the laws of the State of New York.

Regarding the Trustee

We will appoint the trustee under our indenture. A trustee may resign at any time by giving written notice to us or may be removed at any time by act of the holders of a majority in principal amount of all series of debt securities then outstanding delivered to the trustee and us. No resignation or removal of a trustee and no appointment of a successor trustee will be effective until the acceptance of appointment by a successor trustee. So long as no event of default or event which, after notice or lapse of time, or both, would become an event of default has occurred and is continuing and except with respect to a trustee appointed by act of the holders, if we have delivered to the trustee a resolution of our board of directors appointing a successor trustee and that successor has accepted such appointment in accordance with the terms of our indenture, the trustee will be deemed to have resigned and the successor will be deemed to have been appointed as trustee in accordance with our indenture.

DESCRIPTION OF PREFERRED STOCK

The following description sets forth certain general terms and provisions of preferred stock that we may offer by this prospectus. We may issue our preferred stock from time to time in one or more series. When we refer to a series of preferred stock, we mean all of the shares of preferred stock issued as part of the same series under a certificate of designation filed as part of our articles of incorporation. Our articles of incorporation are incorporated by reference as an exhibit to the registration statement of which this prospectus is a part, and you should read our articles for provisions that may be important to you.

Our Authorized Preferred Stock

Our authorized capital stock includes 1,480,000 shares of preferred stock, par value \$25.00 per share. As of March 9, 2007 we have 31,932 shares of cumulative preferred stock (designated as two separate series), \$25.00 liquidation preference per share, issued and outstanding as of the date of this prospectus. The prospectus supplement with respect to any offered preferred stock will describe any preferred stock that may be outstanding as of the date of the applicable prospectus supplement. The prospectus supplement will also describe restrictions on our ability to make certain amendments to our articles of incorporation, sell additional shares, and declare or pay any dividends on any stock ranking junior to the preferred stock. We may at any time purchase out of surplus, or when and as permitted by law, out of stated capital, preferred shares of any series but for no more than the applicable redemption price. Any shares purchased and retired, redeemed and retired, purchased or redeemed out of stated capital as permitted by law, shall have the status of authorized but unissued shares of preferred stock and may be issued again. Holders of shares of our preferred stock have no preemptive rights relative to any shares of any class of our stock.

Preferred Stock Issued in Separate Series

Our board of directors is authorized to divide the preferred stock into series and, with respect to each series, to determine the designations, the powers, preferences and rights and the qualifications, limitations and restrictions of the series, including:

dividend rate;

conversion or exchange rights;

redemption price and terms of redemption;

voluntary and involuntary liquidating value;

sinking fund provisions;

the serial designation of the series; and

the number of shares constituting the series.

In all other respects, all of the shares of the preferred stock regardless of series shall in all respects be equal and shall have the preferences, rights, privileges and restrictions provided under our articles of incorporation. Before we issue any series of preferred stock, our board of directors will adopt resolutions creating and designating the series and will file a certificate of designation stating the terms of the series with the Secretary of State of the State of Missouri. None of our stockholders will need to approve that amendment.

The rights of holders of preferred stock may be adversely affected by the rights of holders of preferred stock that may be issued in the future. Our board of directors may cause shares of preferred stock to be issued in public or private transactions for any proper corporate purpose.

Edgar Filing: LACLEDE GAS CO - Form S-3

Preferred stock will be fully paid and nonassessable when issued, which means that its holders will have paid their purchase price in full and that we may not ask them to surrender additional funds. Holders of preferred stock will not have preemptive or subscription rights to acquire more stock.

Table of Contents

UMB Bank, n.a., currently serves as the transfer agent, registrar, dividend disbursing agent and redemption agent for our preferred stock.

Ranking

Shares of each series of preferred stock will rank equally with each other series of preferred stock and senior to our common stock with respect to dividends and distributions of assets. In addition, we will generally be able to pay dividends and distributions of assets to holders of our preferred stock only if we have satisfied our obligations on our indebtedness then due and payable. No dividends may be declared or paid on our common stock unless the dividends for the current and all past quarterly periods shall have been declared on our outstanding preferred stock.

Dividends

Holders of each series of preferred stock will be entitled to receive cash dividends when, as and if declared by our board of directors, from funds legally available for the payment of dividends. The rates of payment of dividends for each series of preferred stock will be stated in the applicable prospectus supplement. Dividends will be payable to holders of record of preferred stock as they appear on our books on the record dates fixed by our board of directors. Dividends on any series of preferred stock will be cumulative. The payment dates will be March 31, June 30, September 30, and December 31.

Redemption

Shares of preferred stock of any series may be redeemed at the option of our board of directors in whole or in part at any time. Our board of directors will determine the redemption price applicable to a series of preferred stock, which will be specified in a prospectus supplement. In no event will the redemption price exceed the par value of the stock, plus 15% of the par value, plus any unpaid dividends. If only a part of the preferred shares or a part of a series of preferred shares is to be redeemed, our board of directors will determine what shares are to be redeemed and the process for the selection of those to be redeemed. Notice of redemption will be given by mail and publication at least 30 but no more than 60 days prior to the redemption date.

Any restriction on the repurchase or redemption by us of our preferred stock while there is an arrearage in the payment of dividends will be described in the applicable prospectus supplement. Any partial redemptions of preferred stock will be made in a way that our board of directors decides is equitable.

Unless we default in the payment of the redemption price, dividends will cease to accrue after the redemption date on shares of preferred stock called for redemption, and all rights of holders of these shares will terminate except for the right to receive the redemption price.

Conversion or Exchange Rights

The prospectus supplement relating to any series of preferred stock that is convertible, exercisable or exchangeable will state the terms on which shares of that series are convertible into or exercisable or exchangeable for shares of common stock, another series of our preferred stock or other securities or debt or equity securities of third parties.

Liquidation Preference

Upon any voluntary or involuntary liquidation, dissolution or winding up of our business, holders of each series of preferred stock will be entitled to receive distributions upon liquidation in the amount described in the applicable prospectus supplement, but in no event will the liquidation value exceed the par value of the stock plus 15% of the par value. Also payable upon liquidation will be any unpaid dividends. These distributions will be made before any distribution is made on any securities ranking junior to the preferred stock with respect to liquidation, including our common stock. If the liquidation amounts payable relating to the preferred stock of any series and any other securities ranking on a parity regarding liquidation rights are not paid in full, the holders of the preferred stock of that series and the other securities will share in any distribution of our available assets on a ratable basis in proportion to the full liquidation preferences of each security. Holders of our preferred stock will not be entitled to any other amounts from us after they have received their full liquidation preference.

Table of Contents

Voting Rights

The holders of preferred stock of each series generally will have no voting rights. However, if six quarterly payment dates have passed and the full amount of dividends payable on those payment dates shall not have been declared and paid or funds set aside for payment, then until those payment defaults have been remedied so that no dividends on any preferred stock are in default, the shares of outstanding preferred stock shall be entitled to one vote for each share on all matters other than the election of directors. In those circumstances, the holders of the outstanding preferred stock, voting separately as a class, shall be entitled to elect, by cumulative voting, the minimum number of directors required for a majority of our board of directors; and the holders of the common stock, voting separately as a class, shall be entitled to elect by cumulative voting the remainder of the directors. After the defaults have been remedied, the preferred stock shall revert to non-voting and the election of directors shall return to its process before the defaults.

Modifications and Covenants

So long as any shares of preferred stock are outstanding, we may not amend our articles of incorporation:

to create or increase preferential shares or reclassify any authorized but unissued shares of stock that would make them:

rank on a parity with the preferred shares currently authorized under our articles of incorporation unless the amendment is approved by the affirmative vote of a majority of the outstanding shares of preferred stock voting as a separate class, as well as the affirmative vote of a majority of all outstanding shares entitled to vote thereon; or

have a preference or a priority over shares of preferred stock currently authorized under our articles of incorporation unless the amendment received the affirmative vote of at least 75% of the outstanding shares of preferred stock, voting as a separate class, plus the affirmative vote of a majority of all outstanding shares entitled to vote; or

to alter or change the preferred stock's preferences, priorities, special rights or special powers given to a class of preferred stock so as to affect such class adversely unless the amendment received the affirmative vote of at least two-thirds of the outstanding shares of the class of preferred stock in addition to the affirmative vote of a majority of all other outstanding shares entitled to vote and in addition to any other vote that may be required by law; provided, however, that if the amendment would change adversely the dividends or dividend rate on the preferred stock, the redemption price, the amounts payable on voluntary or involuntary liquidation or any rights with respect to conversion into common stock, then the affirmative vote required shall be 75% of the outstanding shares of each and every series that would be adversely affected by such change or alteration.

While there are shares of preferred stock outstanding, we will not, without the consent of the holders of at least two-thirds of the aggregate number of shares of preferred stock then outstanding:

sell or otherwise dispose of any shares ranking on a parity with the preferred stock as to assets or dividends unless our gross income for a period of any 12 consecutive calendar months within the 15 calendar months immediately preceding the first day of the month in which such additional stock is to be issued, is at least 1 1/2 times the annual requirements for

dividends on all preferred stock and of any other class ranking on a parity therewith or having any preference over it as to assets or dividends that will be outstanding immediately after the issuance of the additional stock, plus

Table of Contents

interest on all of our bonds, notes, debentures and other interest-bearing obligations that will be outstanding immediately after the issuance of the additional stock.

declare or pay any dividend (other than a stock dividend) on stock ranking junior to the preferred stock when the stated capital represented by the stock of all classes ranking junior to the preferred stock plus paid-in and capital surplus and earned surplus, is less than 25% of our total capitalization, unless:

the dividend is an amount not greater than 75% of our net earnings, after provision for dividends on the preferred stock outstanding, earned during our fiscal year in which the dividend is declared and before the end of the quarter in which the dividend is declared; or

the dividend and all other dividends (other than stock dividends) on stock of any class junior to the preferred stock, declared or paid since the earliest date of issue of any then outstanding shares of said preferred stock or of stock ranking on a parity with the preferred stock, as to assets or dividends, aggregate no more than 75% of our net earnings after provision for dividends on the preferred stock outstanding earned between the earliest date of issue and the end of the quarter in which the dividend is declared.

issue any shares of preferred stock or stock ranking on a parity with the preferred stock as to assets or dividends, if the stated capital to be represented by shares of the preferred stock and such other stock to be outstanding immediately after each issue, would exceed the stated capital to be represented by shares of stock to be then outstanding ranking junior to said preferred stock as to assets and dividends, increased by the amount of any paid-in surplus and capital surplus, and any earned surplus, or reduced by the amount of any deficit.

Mergers and Similar Transactions Permitted; Liens Permitted

The terms of the preferred stock will not include any restrictions on our ability to merge or consolidate with, or sell our assets to, another corporation or other entity or to engage in any other transactions. The terms of the preferred stock also will not include any restrictions on our ability to put liens on our assets.

Governing Law

The preferred stock will be governed by Missouri law.

BOOK-ENTRY SECURITIES

Unless otherwise specified in the applicable prospectus supplement, the securities offered by this prospectus will be issued to investors in the form of one or more book-entry certificates registered in the name of a depository or a nominee of a depository. Unless otherwise specified in the applicable prospectus supplement, the depository will be DTC. We have been informed by DTC that its nominee will be Cede & Co. Accordingly, Cede is expected to be the initial registered holder of all securities that are issued in book-entry form.

No person that acquires a beneficial interest in securities issued in book-entry form will be entitled to receive a certificate representing those securities, except as set forth in this prospectus or in the applicable prospectus supplement. Unless and until definitive securities are issued under the limited circumstances described below, all references to actions by holders or beneficial owners of securities issued in book-entry form will refer to actions taken by DTC upon instructions from its participants, and all references to payments and notices to holders or beneficial owners will refer to payments and notices to DTC or Cede, as the registered holder of such securities.

Table of Contents

DTC has informed us that it is:

a limited-purpose trust company organized under New York banking laws;

a banking organization within the meaning of the New York banking laws;

a member of the Federal Reserve System;

a clearing corporation within the meaning of the New York Uniform Commercial Code; and

a clearing agency registered under the Securities Exchange Act.

DTC has also informed us that it was created to:

hold securities for participants; and

facilitate the computerized settlement of securities transactions among participants through computerized electronic book-entry changes in participants' accounts, thereby eliminating the need for the physical movement of securities certificates.

Participants have accounts with DTC and include securities brokers and dealers, banks, trust companies and clearing corporations. Indirect access to the DTC system also is available to indirect participants such as banks, brokers, dealers and trust companies that clear through or maintain a custodial relationship with a participant, either directly or indirectly.

Persons that are not participants or indirect participants but desire to buy, sell or otherwise transfer ownership of or interests in securities may do so only through participants and indirect participants. Under the book-entry system, beneficial owners may experience some delay in receiving payments as payments will be forwarded by our agent to Cede, a nominee for DTC. These payments will be forwarded to DTC's participants, which thereafter will forward them to indirect participants or beneficial owners. Beneficial owners will not be recognized by the applicable registrar, transfer agent, trustee or depository as registered holders of the securities entitled to the benefits of our mortgage, our indenture or any other instrument governing the securities, as the case may be. Beneficial owners that are not participants will be permitted to exercise their rights as an owner only indirectly through participants and, if applicable, indirect participants.

Under the current rules and regulations affecting DTC, DTC will be required to make book-entry transfers of securities among participants and to receive and transmit payments to participants. Participants and indirect participants with whom beneficial owners of securities have accounts are also required by these rules to make book-entry transfers and receive and transmit such payments on behalf of their respective account holders.

Because DTC can act only on behalf of participants who, in turn, act only on behalf of other participants or indirect participants, and on behalf of certain banks, trust companies and other persons approved by it, the ability of a beneficial owner of securities issued in book-entry form to pledge those securities to persons or entities that do not participate in the DTC system may be limited due to the unavailability of physical certificates for the securities.

DTC has advised us that it will take any action permitted to be taken by a registered holder of any securities under our mortgage, our indenture or any instrument governing the securities, as the case may be, only at the direction of one or more participants to whose accounts with DTC the securities are credited.

According to DTC, it has provided information with respect to DTC to its participants and other members of the financial community for informational purposes only and is not intended to serve as a representation, warranty or contract modification of any kind.

Table of Contents

Unless otherwise specified in the applicable prospectus supplement, a book-entry security will be exchangeable for definitive securities registered in the names of persons other than DTC or its nominee only if:

DTC notifies us that it is unwilling or unable to continue as depository for the book-entry security or DTC ceases to be a clearing agency registered under the Securities Exchange Act at a time when DTC is required to be so registered;

A completed default has occurred and is continuing under our mortgage or an event of default has occurred and is continuing under our indenture; or

we execute and deliver to the trustee or transfer agent and registrar, as the case may be, an order complying with the requirements of our mortgage, our indenture or other instrument governing the book-entry security, as the case may be, that it will be so exchangeable.

Any book-entry security that is exchangeable in accordance with the preceding sentence will be exchangeable for securities registered in such names as DTC directs.

If one of the events described in the immediately preceding paragraph occurs, DTC is generally required to notify all participants of the availability through DTC of definitive securities. Upon surrender by DTC of the book-entry security representing the securities and delivery of instructions for re-registration, the trustee or transfer agent and registrar, as the case may be, will reissue the securities as definitive securities. After reissuance of the securities, those persons will recognize the beneficial owners of such definitive securities as registered holders of securities.

Except as described above:

a book-entry security may not be transferred except as a whole book-entry security by or among DTC, a nominee of DTC and/or a successor depository appointed by us; and

DTC may not sell, assign or otherwise transfer any beneficial interest in a book-entry security unless the beneficial interest is in an amount equal to an authorized denomination for the securities evidenced by the book-entry security.

None of us, the trustees, any registrar and transfer agent, or any agent of any of them, will have any responsibility or liability for any aspect of DTC's or any participant's records relating to, or for payments made on account of, beneficial interests in a book-entry security.

Item 15. Indemnification of Directors and Officers

Section 351.355 of The General and Business Corporation Law of Missouri provides as follows:

351.355.1. A corporation created under the laws of this state may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit, or proceeding, whether civil, criminal, administrative or investigative, other than an action by or in the right of the corporation, by reason of the fact that he or she is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses, including attorneys' fees, judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit, or proceeding if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful. The termination of any action, suit, or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he or she reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had reasonable cause to believe that his or her conduct was unlawful.

2. The corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that he or she is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against expenses, including attorneys' fees, and amounts paid in settlement actually and reasonably incurred by him in connection with the defense or settlement of the action or suit if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation; except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable for negligence or misconduct in the performance of his or her duty to the corporation unless and only to the extent that the court in which the action or suit was brought determines upon application that, despite the adjudication of liability and in view of all the circumstances of the case, the person is fairly and reasonably entitled to indemnity for such expenses which the court shall deem proper.

Table of Contents

3. Except as otherwise provided in the articles of incorporation or the bylaws, to the extent that a director, officer, employee or agent of the corporation has been successful on the merits or otherwise in defense of any action, suit, or proceeding referred to in subsections 1 and 2 of this section, or in defense of any claim, issue or matter therein, he or she shall be indemnified against expenses, including attorneys' fees, actually and reasonably incurred by him in connection with the action, suit, or proceeding.

4. Any indemnification under subsections 1 and 2 of this section, unless ordered by a court, shall be made by the corporation only as authorized in the specific case upon a determination that indemnification of the director, officer, employee or agent is proper in the circumstances because he or she has met the applicable standard of conduct set forth in this section. The determination shall be made by the board of directors by a majority vote of a quorum consisting of directors who were not parties to the action, suit, or proceeding, or if such a quorum is not obtainable, or even if obtainable a quorum of disinterested directors so directs, by independent legal counsel in a written opinion, or by the shareholders.

5. Expenses incurred in defending a civil or criminal action, suit or proceeding may be paid by the corporation in advance of the final disposition of the action, suit, or proceeding as authorized by the board of directors in the specific case upon receipt of an undertaking by or on behalf of the director, officer, employee or agent to repay such amount unless it shall ultimately be determined that he or she is entitled to be indemnified by the corporation as authorized in this section.

6. The indemnification provided by this section shall not be deemed exclusive of any other rights to which those seeking indemnification may be entitled under the articles of incorporation or bylaws or any agreement, vote of shareholders or disinterested directors or otherwise, both as to action in his or her official capacity and as to action in another capacity while holding such office, and shall continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of the heirs, executors and administrators of such a person.

7. A corporation created under the laws of this state shall have the power to give any further indemnity, in addition to the indemnity authorized or contemplated under other subsections of this section, including subsection 6, to any person who is or was a director, officer, employee or agent, or to any person who is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, provided such further indemnity is either (i) authorized, directed, or provided for in the articles of incorporation of the corporation or any duly adopted amendment thereof or (ii) is authorized, directed, or provided for in any bylaw or agreement of the corporation which has been adopted by a vote of the shareholders of the corporation, and provided further that no such indemnity shall indemnify any person from or on account of such person's conduct which was finally adjudged to have been knowingly fraudulent, deliberately dishonest or willful misconduct. Nothing in this subsection shall be deemed to limit the power of the corporation under subsection 6 of this section to enact bylaws or to enter into agreements without shareholder adoption of the same.

8. The corporation may purchase and maintain insurance or another arrangement on behalf of any person who is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against him or her and incurred by him or her in any such capacity, or arising out of his or her status as such, whether or not the corporation would have the power to indemnify him against such liability under the provisions of this section. Without limiting the power of the corporation to procure or maintain any kind of insurance or other arrangement the corporation may for the benefit of persons indemnified by the corporation create a trust fund, establish any form of self insurance, secure its indemnity obligation by grant of a security interest or other lien on the assets of the corporation, or establish a letter of credit, guaranty, or surety arrangement. The insurance or other arrangement may be procured, maintained, or established within the corporation or with any insurer or other person deemed appropriate by the board of directors regardless of whether all or part of the stock or other securities of the insurer or other person are owned in whole or in part by the corporation. In the absence of fraud the judgment of the board of directors as to the terms and conditions of the insurance or other arrangement and the identity of the insurer or other person participating in an arrangement shall be

conclusive and the insurance or arrangement shall not be voidable and shall not subject the directors approving the insurance or arrangement to liability on any ground regardless of whether directors participating in the approval are beneficiaries of the insurance arrangement.

9. Any provision of this chapter to the contrary notwithstanding, the provisions of this section shall apply to all existing and new domestic corporations, including but not limited to banks, trust companies, insurance companies, building and loan associations, savings bank and safe deposit companies, mortgage loan companies, corporations formed for benevolent, religious, scientific or educational purposes and nonprofit corporations.

10. For the purpose of this section, references to the corporation include all constituent corporations absorbed in a consolidation or merger as well as the resulting or surviving corporation so that any person who is or was a director, officer, employee or agent of such a constituent corporation or is or was serving at the request of such constituent corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise shall stand in the same position under the provisions of this section with respect to the resulting or surviving corporation as he or she would if he or she had served the resulting or surviving corporation in the same capacity.

11. For purposes of this section, the term other enterprise shall include employee benefit plans; the term fines shall include any excise taxes assessed on a person with respect to an employee benefit plan; and the term serving at the request of the corporation shall include any service as a director, officer, employee or agent of the corporation which imposes duties on, or involves services by, such director, officer, employee, or agent with respect to an employee benefit plan, its participants, or beneficiaries; and a person who acted in good faith and in a manner he or she reasonably believed to be in the interest of the participants and beneficiaries of an employee benefit plan shall be deemed to have acted in a manner not opposed to the best interests of the corporation as referred to in this section.

The Registrant's articles of incorporation provide that it shall indemnify each of its directors and officers to the full extent permitted by the General and Business Corporation Law of Missouri and, in addition, shall indemnify each of them against all expenses incurred in connection with any claim by reason of the act that such director or officer is or was, serving the Registrant, or at its request, in any of the capacities referred to in the General and Business Corporation Law of Missouri, or arising out of such person's status in any such capacity, provided that the Registrant shall not indemnify any person from or on account of such person's conduct that was finally adjudged to have been knowingly fraudulent, deliberately dishonest or willful misconduct, or to the extent that such indemnification shall otherwise be finally adjudged to be prohibited by applicable law.

The Registrant has also entered into indemnification agreements with each of its directors and officers that (1) provide for the indemnification of each such director and officer to the extent provided for by the Registrant's articles of incorporation as described above and (2) state that the indemnification provided thereunder shall survive the elimination or modification of the Registrant's articles of incorporation with respect to claims that have arisen prior to such elimination or modification.

The Registrant has obtained insurance protecting the officers and directors against certain liabilities.

The rights of indemnification provided for above are not exclusive of any other rights of indemnification to which the persons seeking indemnification may be entitled under the Registrant's articles of incorporation or bylaws or any agreement, vote of stockholders or disinterested directors, or otherwise.

Each of the underwriters may also agree to indemnify the Registrant, its directors and each of its officers who signs this registration statement against certain liabilities, including certain liabilities under the Securities Act of 1933, or to contribute to payments such directors and officers may be required to make in respect thereof.

Item 17. Undertakings.

The undersigned Registrant hereby undertakes:

(a)(1) To file, during any period in which offers or sales are being made a post-effective amendment to this registration statement:

- (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
- (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement; provided, however, that paragraphs (i), (ii) and (iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the SEC by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for purposes of determining any liability under the Securities Act of 1933 to any purchaser:

- (i) each prospectus filed by the Registrant pursuant to Rule 424(b)(3) shall be deemed to be part of a registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and
- (ii) each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of

Table of Contents

1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness and the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; *provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of the Registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the undersigned Registrant undertakes that in a primary offering of securities of the undersigned Registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned Registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

- (i) any preliminary prospectus or prospectus of the undersigned Registrant relating to the offering required to be filed pursuant to Rule 424;
- (ii) any free writing prospectus relating to the offering prepared by or on behalf of the undersigned Registrant or used or referred to by the undersigned Registrant;
- (iii) the portion of any other free writing prospectus relating to the offering containing material information about the undersigned Registrant or its securities provided by or on behalf of the undersigned Registrant; and
- (iv) any other communication that is an offer in the offering made by the undersigned Registrant to the purchaser.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the provisions described under Item 15 above, or otherwise, the Registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933, and will be governed by the final adjudication of such issue.
