A proxy for the meeting is enclosed with this Notice of Special Meeting of Stockholders and the accompanying Proxy Statement. CRYO-CELL INTERNATIONAL, INC.

PROXY STATEMENT

This Proxy Statement is furnished to the stockholders of Cryo-Cell International, Inc. (the Company) in connection with a Special Meeting of Stockholders and any adjournments thereof. The meeting will be held at the Courtyard by Marriott, 4014 Tampa Road, Oldsmar, Florida 34677, on March 4, 2008, at 3:00 P.M. local time.

This Proxy Statement and the Notice of Special Meeting are being provided to stockholders beginning on or about February 11, 2008. The Company, a Delaware corporation, has its principal executive offices at 700 Brooker Creek Boulevard, Suite 1800, Oldsmar, Florida 34677.

The Special Meeting, which will constitute the Company's 2008 Annual Meeting of Stockholders, is being held for the purposes set forth in the accompanying Notice of Special Meeting of Stockholders. The Special Meeting is being held pursuant to an order issued by the Delaware Court of Chancery on January 22, 2008 (the Court Order), in connection with a case brought by a stockholder of the Company challenging the election results at the Company's annual meeting of stockholders held on July 16, 2007.

Stockholders Entitled to Vote

Only holders of record of our shares of common stock at the close of business on January 18, 2008 are entitled to notice of and to vote at the meeting and at any adjournments or postponements of the meeting. Each share entitles its holder to one vote on each matter presented at the meeting. The holders of one-third of the shares entitled to vote at the meeting must be present in person or represented by proxy in order to constitute a quorum for all matters to come before the meeting. On the record date, there were 11,672,129 shares outstanding.

Vote Required

Other than the election of directors, which requires a plurality of the votes cast, each matter to be submitted to the stockholders requires the affirmative vote of a majority of the votes cast on the proposal at the meeting. For purposes of determining the number of votes cast with respect to a particular matter, votes cast For, Against or Abstain are included. Abstentions are counted as votes cast against any matter and will be counted for purposes of determining whether a quorum is present at the meeting.

If your shares are held in the name of a bank, broker or other holder of record (commonly referred to as street name), you will receive instructions from the holder of record that you must follow in order for your shares to be voted. Shares held by brokers who do not have

discretionary authority to vote on a particular matter and who have not received voting instructions from their customers (broker non-votes) are not counted or deemed to be present or represented for purposes of determining whether stockholders have approved that matter, but are counted as present for purposes of determining the existence of a quorum at the meeting.

Solicitation of Proxies

Proxies are being solicited on behalf of the Board of Directors. In addition to soliciting by mail, our directors, director nominees, officers and employees may solicit proxies in person, by telephone or by electronic means. These persons will not be specifically compensated for doing this. Brokerage houses and other custodians, nominees and fiduciaries may be requested to forward soliciting material to the beneficial owners of stock, in which case they will upon request be reimbursed for their expenses in doing so. The Company has retained the services of Georgeson Inc. (Georgeson), a professional proxy solicitation firm, to aid in the solicitation of proxies. Georgeson may solicit proxies by personal interview, mail, telephone and electronic communications. Georgeson will be paid a customary fee for its services plus reasonable out-of-pocket expenses incurred in the process of soliciting proxies.

The Court Order ordering the Special Meeting provides that the members of the management slate shall pay (i) their own proxy solicitation costs in connection with the Special Meeting; (ii) any costs to the Company of holding the Special Meeting; and (iii) the costs of a Special Master to preside over the Special Meeting. The total amount estimated to be spent on the solicitation is \$175,000.

Other than as set forth above, our board of directors does not intend to present to the meeting any other matter not referred to above and does not presently know of any matters that may be presented to the meeting by others. Nevertheless, if other matters do come before the meeting, it is the intent of the persons named in the enclosed proxy to vote the proxy in accordance with their best judgment.

Proxy Revocability

Any proxy given pursuant to this solicitation is revocable at any time prior to the voting at the meeting by (1) delivering written notice to the Secretary of the Company, (2) submitting a subsequently dated proxy, or (3) attending the annual meeting, withdrawing the proxy, and voting in person.

Meeting Attendance

You may vote shares you hold directly in your name as the stockholder of record in person at the annual meeting. If you choose to do so, please bring the enclosed proxy card or proof of identification. Even if you plan to attend the annual meeting, we recommend that you also submit the enclosed WHITE proxy card, in accordance with the instructions on the proxy card and as described below, so that your vote will be counted if you later decide not to attend the meeting.

If you hold your shares in street name, you must obtain a signed proxy form (referred to as a legal proxy) from the record holder in order to vote these shares in person at the meeting.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

The number of directors to be elected at the Special Meeting is six. Each of the nominees named below is currently a director of the Company except for Andrew J. Filipowski, Ki Yong Choi and John Mathews. While Scott Christian's current term as a director of the Company will expire on the date of the Special Meeting, if the management slate is elected at the Special Meeting, the Board intends to expand the Board after the Special Meeting and appoint Mr. Christian to fill the vacancy. See "Other Possible Director Nominees" below. Jagdish Sheth, Ph.D., resigned as a director of the Company on January 24, 2008. If elected, each of the six directors will hold office until the next annual meeting of stockholders and until his or her successor is elected and qualified, or as otherwise provided by the Company's bylaws or by Delaware law.

It is intended that the shares represented by the enclosed proxy will be voted for the election of these six nominees (unless such authority is withheld by a stockholder) as described herein. In the event that any of the nominees should become unable or unwilling to serve as a director, it is intended that the proxy will be voted for the election of such person or persons, if any, who shall be designated by the board of directors or for the balance of the nominees, in which case the size of the board would be reduced accordingly. The board has no reason to believe that any of the nominees will be unwilling or unable to serve if elected.

The name, age, principal occupation and other information concerning each current nominee for election as a director are set forth below:

Mercedes Walton, 54, Chairman of the Board. Ms. Walton has served as a director of the Company since October 2000, as Chairman since June 2002, as Interim Chief Executive Officer from April 2003 through August 2005 and as the Chief Executive Officer since September 2005. Ms. Walton was employed by AT&T from 1976 to 2000. She served as AT&T's Vice President-Corporate Strategy and Business Development from January 1999 to March 2000, and as its Business Development Vice President-Corporate Strategy from March 1996 to December 1998. Ms. Walton's educational achievements include a Bachelor of Arts degree from Smith College, and Masters degrees from both Harvard University and Massachusetts Institute of Technology. She is also a director of SAVVIS, Inc.(NASDAQ: SVVS), which provides information technology infrastructure services for business applications.

Ki Yong Choi, 46. Andrew J. Filipowski, 57. Mr. Filipowski served as a director of the Company from July 16, 2007 to January 22, 2008. On January 22, 2008, the Delaware Court of Chancery issued the Court Order invalidating the results of the election of directors at the Company's 2007 annual meeting of stockholders, thereby removing Mr. Filipowski from the Board. Since May 2003, Mr. Filipowski has been the Chairman and Chief Executive Officer of SilkRoad Equity, LLC, a private investment firm. Mr. Filipowski served as the Chairman and Chief Executive Officer of divine, inc., previously known as divine interventures, inc., an Internet services and enterprise software company, from 1999 until May 2003. In February 2003, divine, inc. filed a voluntary petition under Chapter 11 of the U.S. Bankruptcy Code. Prior to 1999, Mr. Filipowski was the Founder, Chairman and Chief Executive Officer of PLATINUM technology, inc., a worldwide provider of enterprise systems software and services, which was sold to Computer Associates International, Inc. in 1999. Mr. Filipowski was nominated to the board of directors pursuant to an agreement between the Company and Mr. Filipowski and certain of his affiliates. See Certain Transactions.

Anthony P. Finch, 57. Mr. Finch has served as a director since March 2003. Mr. Finch is currently Chief Scientific Officer of the Irish National Blood Centre and National Tissue Typing Reference Laboratory. There, Mr. Finch is responsible for the direction, management, organization, integration and restructuring of the national laboratories and their ancillary services to comply with the highest pharmaceutical standards. Mr. Finch has over 25 years of experience in cell separation and cryopreservation of cellular products, with over 12 years of experience in cord blood processing. In 1993, Mr. Finch pioneered the fractionation and isolation of cord blood stem cells for small volume cryogenic storage and has developed large scale processing in line with current Good Manufacturing Practice. He has established several cord blood stem cell banks in the United States, Europe and Asia. Among numerous professional affiliations, Mr. Finch is a Fellow of both the Academy of Medical Laboratory Sciences and Institute of Biomedical Sciences, and is a member of the Cord Blood Stem Cell International Society.

Gaby W. Goubran, 66. Mr. Goubran has served as a director since June 2002. Mr. Goubran is currently Managing Director of International Business Developments, Ltd., an international consulting firm providing business development services to multinational companies in diverse industries. Mr. Goubran has held a variety of board and committee chairmanships, including roles on audit, compensation, executive and governance committees. Mr. Goubran founded International Business Developments in 1983 and has been active in the company since that time. Mr. Goubran's educational achievements include a Bachelor of Science degree from Alexandria University, Egypt and a Masters degree from Babson College. Mr. Goubran received a Certificate of Director Education in 2007 from the National Association of Corporate Directors.

John Mathews, 57. Mr. Mathews has been Executive Vice President and Chief Operating Officer of Cathedral Hill Associates, Inc., a company that owns and operates hotels in Seattle, Washington, La Mirada, California, and Dallas, Texas, since 1992. Before that, Mr. Mathews worked for eight years at Hyatt Corporation, and has 35 years of experience in the hospitality industry. Mr. Mathews was nominated to the board of directors pursuant to an agreement between the Company and Mr. Choi and certain of his affiliates. See Certain Transactions.

The six director nominees receiving the greatest number of votes at the Special Meeting (in person or by proxy) will be elected directors, assuming a quorum is present at the meeting. Unless proxy cards are otherwise marked, the persons named as proxies will vote all proxies received for the election of each nominee named above.

OUR BOARD UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE FOR EACH OF MERCEDES WALTON, GABY W. GOUBRAN, ANTHONY P. FINCH, JOHN MATHEWS, ANDREW J. FILIPOWSKI AND KI YONG CHOI BY EXECUTING AND RETURNING THE WHITE PROXY CARD OR VOTING BY ONE OF THE OTHER WAYS INDICATED THEREON. PROXIES SOLICITED BY THE BOARD WILL BE SO VOTED UNLESS STOCKHOLDERS SPECIFY OTHERWISE.

Other Possible Director Nominees

Last year, a group of the Company's stockholders led by David I. Portnoy (the Portnoy Group) nominated a slate of directors consisting of David I. Portnoy, Mark Louis Portnoy, Craig E. Fleishman, M.D., Harold David Berger, Scott Douglas Martin and John Yin (the Portnoy Slate) for election at the Company's 2007 annual meeting of stockholders. After the results of the 2007 annual meeting were tabulated and certified, David Portnoy sued the Company and the Company's directors in the Delaware Chancery Court challenging the results of the election based on alleged breaches of fiduciary duty by the directors. While the Delaware Chancery Court denied Mr. Portnoy's requested relief to seat the Portnoy Slate in lieu of the Board's slate, the court ordered the Company to hold a new election of directors at the Special Meeting. The Court Order, however, does not require Mr. Portnoy or any member of the Portnoy Group to seek election or to nominate a slate of directors at the Special Meeting. At this time, the Company is not aware whether the Portnoy Group or anyone else intends to nominate a slate of directors at the Special Meeting. If the Portnoy Group nominates a slate of directors for the Special Meeting and proceeds to solicit proxies, the Board of Directors recommends that you NOT vote as recommended by the Portnoy Group.

As previously discussed, the Company is holding the Special Meeting as a result of the Court Order. Consequently, and also because the Portnoy Group cannot expand the number of directors to help in its proxy solicitation efforts, the Board determined that it would not expand the Board in agreeing to nominate Messrs. Choi and Mathews to the Board. Thus, Messrs. Choi and Mathews replaced Jagdish Sheth, Ph.D. and Scott Christian on the management slate at the Special Meeting, as compared to the management slate at the 2007 annual meeting of stockholders, as opposed to expanding the number of directors on the Board.

Because of his importance to the Board, and in particular because he served as Audit Committee chair and as the Audit Committee's audit committee financial expert, the Board intends to expand the Board after the Special Meeting to seven directors and appoint Mr. Christian to fill the vacancy if the management slate is elected at the Special Meeting. Thus, stockholders should consider, in determining how to vote, that a vote for the management slate is, in effect, a vote to add Mr. Christian to the Board.

Mr. Christian, age 53, has served as a director of the Company since April 2003. Mr. Christian is the Chief Financial Officer of Spanlink Communications, Inc. Mr. Christian was the Vice President and General Manager of Black Box Voice Services from January 2005 until November 2006. He served as President and Chief Executive Officer of Norstan, Inc. from February 2004 until January 25, 2005, when Norstan was acquired by Black Box Corporation, and as a member of Norstan's Board of Directors from March 2004 until January 25, 2005. Previously, he had been Executive Vice President and Chief Financial Officer of Norstan since January 2001. Prior to its acquisition, Norstan was one of the largest independent communications solutions and services companies serving enterprise customers in North America, with revenues exceeding \$200 million. Mr. Christian served as Senior Vice President of Finance of Ceridian Corporation from April 1999 to October 2000. From April 1981 to February 1999, Mr. Christian was employed by Automatic Data Processing in a variety of capacities, including Chief Financial Officer for the Electronic Services Division from 1995 to 1999. Mr. Christian has 30 years of experience in financial management. Mr. Christian's educational achievements include a Bachelor of Arts degree from the University of Dayton, and a Master's degree from Pepperdine University.

Other Executive Officers

Biographical information regarding the Company's executive officers who are not currently serving as directors of the Company is set forth below:

Jill Taymans, 38, Vice President, Finance and Chief Financial Officer. Ms. Taymans joined the Company in April 1997 serving initially as Controller and was appointed Chief Financial Officer in May 1998. Ms. Taymans graduated from the University of Maryland in 1991 with a BS in Accounting. She has worked in the accounting industry for over 15 years in both the public and private sectors. Prior to joining the Company, she served for three years as Controller for a telecommunications company in Baltimore, Maryland.

Julie Allickson, Ph.D., 45, Vice President of Laboratory Operations and R&D. Ms. Allickson joined the Company in 2004 as Technical Director of Laboratory Operations and has served as the Company's Vice President of Laboratory Operations and R&D since April 2007. Dr. Allickson also has served as a member of the Cryo-Cell Medical Scientific Advisory Board since October 2006. Prior to joining the Company, she worked for the University of Miami-School of Medicine, Diabetes Research Institute since 2000 as the Laboratory Manager of the cGMP Cell Processing Facility where she had responsibility for cell processing operations, laboratory design and implementation and regulatory affairs. Prior to that time, she worked for the American Red Cross since 1989, managing the Hematopoietic Cell Processing and Platelet Serology Laboratory. Dr. Allickson has 20 years of laboratory experience and 17 years in

Cellular Therapy Processing. She was one of the founding members of the International Society of Cellular Therapy in 1992, has been a member of the American Association of Blood Banks (AABB) for 17 years and is a member of the AABB Standards Committee for Cell Therapy Product Services.

THE BOARD OF DIRECTORS AND ITS COMMITTEES

The business and affairs of the Company are managed under the direction of the board of directors. Currently, five directors sit on the board of directors, but a total of six directors will be elected at the annual meeting. Each director is elected to hold office for a period of one year or until his or her successors are elected. The Company expects its directors to attend the annual meetings of stockholders, if possible. Four of the five directors attended last year's annual meeting.

The board of directors held six meetings during the fiscal year ended November 30, 2007, and each of the directors then in office, except Jagdish Sheth, Ph.D., attended at least 75% of the regularly scheduled meetings of the board and the committees of the board of which the director was a member. The committees established by the board of directors include the following:

Audit Committee

The current members of the audit committee are Mr. Christian and Mr. Finch. The audit committee is comprised entirely of non-employee, independent members of the board of directors and operates under a written charter adopted by the board of directors which was attached to the Proxy Statement for the 2006 annual meeting of stockholders. The charter sets out the responsibilities, authority and specific duties of the audit committee. In addition, the charter specifies the structure and membership requirements of the committee, as well as the relationship of the audit committee to the independent auditors and management of the Company.

The audit committee assists the board of directors in fulfilling its responsibilities of ensuring that management is maintaining an adequate system of internal controls such that there is reasonable assurance that assets are safeguarded and that financial reports are properly prepared; that there is consistent application of generally accepted accounting principles; and that there is compliance with management's policies and procedures. In performing these functions, the audit committee meets periodically with the independent auditors and management to review their work and confirm that they are properly discharging their respective responsibilities. In addition, the audit committee recommends the independent auditors for appointment by the board of directors. The audit committee met six times during the last fiscal year. The members of the audit committee are independent, as independence is defined in Rule 4200(a)(15) of the Nasdaq listing standards and Rule 10A-3 under the Securities Exchange Act of 1934.

The board of directors has determined that each of the audit committee members is able to read and understand fundamental financial statements. In addition, the board of directors has determined that at least one member of the audit committee, Mr. Scott Christian, is an audit committee financial expert as that term is defined in Item 407(d)(5) of Regulation S-K

promulgated under the Securities and Exchange Act of 1934. Mr. Christian's relevant experience includes his current position as Chief Financial Officer of Spanlink Communications, Inc. and his prior service as the Chief Financial Officer of Norstan, Inc., Senior Vice President of Finance of Ceridian Corporation, and Chief Financial Officer of the Electronic Services Division of Automatic Data Processing, Inc. In addition, Mr. Christian has an MBA degree from Pepperdine University.

Compensation Committee

The current members of the compensation committee are Mr. Goubran and Mr. Christian. The primary function of the compensation committee is to review the Company's compensation philosophy and policy, which determines management and executive compensation benefits. The compensation committee is also responsible for the administration of the Company's stock option plans and is the approving authority for management recommendations with respect to option grants. There were two meetings of the compensation committee during the last fiscal year. The compensation committee is comprised entirely of non-employee, independent members of the board of directors and operates under a written charter adopted by the board of directors that is attached as Appendix A to this filing. The charter sets out the responsibilities, authority and specific duties of the compensation committee.

Governance Committee

The current members of the governance committee are Mr. Goubran and Mr. Finch. The primary focus of the governance committee is on the broad range of issues surrounding the composition and operation of the Company's board of directors. The committee provides assistance to the board of directors in the areas of membership selection, committee selection and rotation practices, evaluation of the overall effectiveness of the board of directors, and review and consideration of developments in corporate governance practices. The committee's goal is to assure that the composition, practices and operation of the board of directors contribute to value creation and effective representation of the Company's stockholders.

The governance committee performs similar functions to a nominating committee for the Company as described above. The governance committee has adopted a charter which was attached to the Proxy Statement for the 2005 annual meeting of stockholders. The charter does not, however, cover the procedures for director-nominations made by our board of directors. During the last fiscal year there were two meetings of the governance committee. The members of the governance committee are independent, as independence is defined in Rule 4200(a)(15) of the Nasdaq listing standards.

Director Independence

The Board determined that the following individuals who were directors during all or a portion of fiscal 2007 were independent, as independence is defined in Rule 4200(a)(15) of the Nasdaq listing standards: Anthony Finch, Gaby Goubran, Scott Christian, Andrew Filipowski and Dr. Jagdish Sheth.

Director Nomination Process

The governance committee's process for reviewing nominees is typically as follows. When a directorship becomes vacant, or the board otherwise determines that an individual should be recruited for possible nomination to the board, the governance committee, in consultation with the Company's Chief Executive Officer, will prepare a profile of a candidate expected to provide the most meaningful contribution to the board as a whole. The governance committee (or a subcommittee designated by the governance committee) will normally consider all of the following: (a) the candidate's skills, experience and other relevant biographical information, (b) the candidate's general interest in serving a public corporation, (c) the candidate's ability to attend board and committee meetings, and (d) any potential concerns regarding independence or conflicts of interest. Following the initial screening, if the governance committee approves a candidate for further review, the governance committee will establish an interview process for the candidate. It is expected that at least a majority of the members of the governance committee, along with the Company's Chief Executive Officer, would interview each candidate. At the same time, the governance committee, assisted by the Company's legal counsel, will conduct a comprehensive conflicts-of-interest assessment for the candidate. The governance committee will then consider reports of the interviews and the conflicts-of-interest assessment and determine whether to recommend the candidate to the full board of directors. A subcommittee of the governance committee, management representatives designated by the governance committee or a search firm selected by the governance committee may assist the process. Any nominee recommended by a stockholder would be subject to the same process.

The governance committee will consider director-nominees submitted by stockholders. Any stockholder recommendation should be submitted in writing to the Company in care of the Corporate Secretary at 700 Brooker Creek Boulevard, Suite 1800, Oldsmar, Florida 34677, along with the written consent of such nominee to serve as a director if so elected. Any such recommendation by a stockholder shall be referred to the governance committee, and the governance committee, in consultation with the Company's Chief Executive Officer, will review the nomination in accordance with the Company's certificate of incorporation, bylaws and applicable laws and regulations. The governance committee considers general business experience, industry experience, track record as a director of other companies, probable tenure if elected and other factors as relevant in evaluating director-nominees.

According to the Company's bylaws, only persons nominated in accordance with the following procedures shall be eligible for election by stockholders as directors. Nominations of persons for election as directors at a meeting of stockholders called for the purpose of electing directors may be made by or at the direction of the board of directors or by any stockholder in the manner described below. For a nomination to be properly made by a stockholder, the stockholder must give written notice to the Company's corporate Secretary so as to be received at the principal executive offices of the Company not more than 90 days and no less than 60 days before the first anniversary date on which the Company mailed its proxy materials for the preceding year's annual meeting, except that if no annual meeting was held in the previous year or the date of the annual meeting has been changed by more than 30 days from the date contemplated at the time of the previous year's proxy statement, such notice must be so received no later than the 90th day prior to such annual meeting or the 10th day after the date on which

public disclosure of the date of such meeting is first made. The public disclosure of an adjournment of an annual meeting will not commence a new time period for the giving of a timely stockholder notice. Each such notice shall set forth:

the name and address, as they appear on the Company's books, of the stockholder giving the notice and of the beneficial owner, if any, on whose behalf the nomination is made;

a representation that the stockholder giving the notice is a holder of record of stock of the Company entitled to vote at such annual meeting and intends to appear in person or by proxy at the annual meeting to nominate the person or persons specified in the notice;

the class and number of shares of stock of the Company owned beneficially and of record by the stockholder giving the notice and by the beneficial owner, if any, on whose behalf the nomination is made;

a description of all arrangements or understandings between or among any of (A) the stockholder giving the notice, (B) the beneficial owner on whose behalf the notice is given, (C) each nominee, and (D) any other person or persons (naming such person or persons) pursuant to which the nomination or nominations are to be made by the stockholder giving the notice;

such other information regarding each nominee proposed by the stockholder giving the notice as would be required to be included in a proxy statement filed pursuant to the proxy rules of the SEC had the nominee been nominated, or intended to be nominated, by the board of directors;

the signed consent of each nominee to serve as a director of the Company if so elected;

whether either such stockholder or beneficial owner intends to deliver a proxy statement and form of proxy to holders of at least the percentage of shares of the Company entitled to vote required to elect such nominee or nominees; and

a representation that such stockholder intends to appear in person or by proxy at the meeting to nominate the persons named in the notice.

Section 16(a) Beneficial Ownership Reporting Compliance

The Company believes that during fiscal year 2007 all reports for the Company's officers and directors that were required to be filed under Section 16 of the Securities and Exchange Act of 1934 were timely filed.

Ability of Stockholders to Communicate with the Board of Directors

The Company's board of directors has established several means for our stockholders and others to communicate with the board of directors. If a stockholder has a concern regarding the Company's financial statements, accounting practices or internal controls, the concern should be submitted in writing to the Company's audit committee, in care of the corporate Secretary, at the Company's headquarters address. If the concern relates to the Company's governance practices, business ethics or corporate conduct, the concern should be submitted in writing to the Chairman of the Board, in care of the corporate Secretary, at the Company's headquarters address. All stockholder communications will be sent to the applicable director(s).

Audit fees consisted of the aggregate fees billed by our independent auditors for professional services rendered for the audit of the Company's annual financial statements set forth in the Company's Annual Report on Form 10-K for the year ended November 30, 2007 and Form 10-KSB for the year ended November 30, 2006.

Tax Fees

Tax fees consisted of the aggregate fees billed by our independent auditors for professional services rendered for tax compliance, tax advice and tax planning for the years ended November 30, 2007 and November 30, 2006.

The policy of the Company's audit committee is to review and pre-approve both audit and non-audit services to be provided by the independent auditors (other than with *de minimis* exceptions permitted by the Sarbanes-Oxley Act of 2002). This duty may be delegated to one or more designated members of the audit committee with any such approval reported to the

committee at its next regularly scheduled meeting. Approximately 100% of the fees described above under the captions "Audit-Related Fees" and "Tax Fees" and paid to Grant Thornton were pre-approved by the audit committee.

No services in connection with appraisal or valuation services, fairness opinions or contribution-in-kind reports were rendered by Grant Thornton. Furthermore, no work of Grant Thornton with respect to its services rendered to the Company was performed by anyone other than Grant Thornton.

The audit committee is responsible for overseeing the conduct of these activities by the Company's management and the independent auditors.

In this context, the committee has met and held discussions with management and the independent auditors. Management represented to the committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the committee has reviewed and discussed the consolidated financial statements with management and the independent auditors.

The committee has discussed with the independent auditors matters required to be discussed by Statement on Auditing Standards No. 61 (Communication With Audit Committees), as amended. In addition, the independent auditors provided to the audit committee the written disclosures required by Independence Standards Board Statement No. 1 (Independence Discussions with Audit Committees), and the committee and the independent auditors have discussed the auditors' independence from the Company and its management, including the matters in those written disclosures. The committee has discussed with the Company's independent auditors, with and without management present, their evaluation of the Company's internal accounting controls and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions with management and the independent auditors referred above, the audit committee recommended to the board of directors and the board of directors approved, the inclusion of the audited financial statements in the Company's Annual Report on Form 10-K for the fiscal year ended November 30, 2007, for filing with the Securities and Exchange Commission. The audit committee also recommended to the board of directors, and the board of directors approved, the selection of the Company's independent auditors.

Narrative Disclosure Regarding Summary Compensation Table**Compensation Philosophy**

Our executive compensation policies are designed to provide competitive levels of compensation that integrate pay with our annual objectives and long-term goals, align the long-term interests of management with those of our stockholders, reward for achieving performance objectives, recognize individual initiative and achievements, and assist us in attracting and retaining highly qualified and experienced executives. The compensation committee of our

board of directors is primarily responsible for acting on our philosophical approach to executive compensation. There are three primary elements in our executive compensation program: base salary compensation, cash bonus and stock options.

Base salary compensation is based on the potential impact the individual may have on the Company, the skills and experience required by the job, comparisons with comparable companies and the performance and potential of the incumbent in the job.

Cash bonuses are designed to provide annual incentive compensation tied to the Company's financial performance and personal objectives. Performance targets are established at the beginning of each fiscal year by the compensation committee, and bonuses are paid following the end of the fiscal year based on the Company's performance relative to the targets and the executive's individual performance.

Stock options are granted annually to our executive officers in order to maintain competitive pay packages and to align management's long-term interests with those of our stockholders. The compensation committee approves stock option grants to our executives and key personnel. Awards vest and options become exercisable based upon criteria established by the compensation committee.

Overall, the compensation committee attempts to establish levels of executive compensation that it believes to be competitive with those offered by employers of comparable size, growth and profitability in the Company's industry and in general industry. In establishing the levels of the various compensation elements, the compensation committee has from time to time used the services of compensation consultants.

Employment Agreements

Walton Employment Agreement. On August 15, 2005, the Company entered into a three-year employment agreement (the "Walton Employment Agreement") with Mercedes Walton, the Company's Chairman of the Board and former interim Chief Executive Officer, to become the Chairman of the Board and Chief Executive Officer (on a non-interim basis) effective as of September 1, 2005 (the "Commencement Date"). Effective on the Commencement Date, Ms. Walton received a base salary of \$330,000 per year, subject to 4%-10% increases effective on February 1, of each year, depending on whether corporate performance meets certain incentive standards established from time to time by the compensation committee of the Company's board of directors. The three-year term of the Walton Employment Agreement will be automatically extended for additional one-year periods unless, at least 90 days prior to the end of the then-current term, either party notifies the other in writing of its intent not to renew the agreement.

In addition to base salary, the Walton Employment Agreement provides that Ms. Walton is eligible to receive annual lump-sum bonuses, at the discretion of the Company's board of directors that are available to other senior executive officers. Specifically, Ms. Walton will be eligible to receive annual bonuses in amounts of 20%, 40% or 60% of her then-current base salary depending on whether corporate performance meets certain incentive standards

established from time to time by the compensation committee of the Company's board of directors. Ms. Walton is also eligible for long-term incentive awards provided to the Company's senior executives generally, on terms finally determined by the compensation committee of the Company's board of directors.

In the event the Walton Employment Agreement is terminated upon Ms. Walton's death (without any then-existing default in her performance), then Ms. Walton's estate or a designated beneficiary will be entitled to receive Ms. Walton's base salary for a 12-month period thereafter. In the event the Company terminates the Walton Employment Agreement without cause (or delivers a notice of non-renewal of the Employment Agreement), she will be entitled to receive a lump sum equal to 12 months of her then-current base salary plus an amount equal to the pro rata portion of her annual bonus for the year of termination (based on the proportion of the year during which she was employed and the pro rata results for such year). If Ms. Walton terminates the Employment Agreement for "Good Reason" (as defined in the Walton Employment Agreement), she will be entitled to continue receiving her then-current base salary for a 12-month period plus an amount equal to her annual bonus paid for the year prior to termination.

In the event of a termination of Ms. Walton's employment upon a Change in Control or within two years thereafter (or prior to the Change in Control if the termination was related to the Change in Control), if the termination was initiated by the Company without cause or by Ms. Walton for any reason, Ms. Walton will be entitled to receive the following: (i) compensation in an amount equal to two times the sum of (A) 12 months of base salary as in effect on the termination date or, if greater, base salary in effect immediately prior to the Change in Control, plus (B) the average of the actual bonus payments made to Ms. Walton for the most recent two years; (ii) a pro rata portion of the annual bonus for the year in which termination occurs (based on the proportion of the year during which she was employed and the pro rata results for such year; (iii) continued benefits and perquisites for a period of two years; (iii) reimbursement for reasonable legal fees and expenses incurred in connection with the termination; and (iv) the vesting of all shares of restricted stock, long-term performance stock option awards, other stock-appreciation rights and stock options. If the present value of the payments to Ms. Walton in connection with a Change in Control are greater than the product of three times Ms. Walton's then-current base amount (under applicable tax regulations) as of the termination date (the Parachute Limit) but not greater than 105% of the Parachute Limit, then the Employment Agreement limits the present value of the total amount of such payments to one dollar less than the Parachute Limit. If the present value of the payments to Ms. Walton in connection with a Change in Control are greater than 105% of the Parachute Limit, the Company has agreed to pay to Ms. Walton an additional amount as a gross-up payment to pay any applicable excise taxes.

The Walton Employment Agreement also provides that the Company will provide certain other benefits, including continued participation in all applicable Company benefit plans, payment of reasonable business expenses, and financial planning and legal expenses incurred in connection with the negotiation and execution of the Walton Employment Agreement.

In the Walton Employment Agreement, Ms. Walton has agreed not to compete with the Company or solicit its customers, clients or employees during the term of the Walton

Employment Agreement and for a period of two years following the termination of Ms. Walton's employment under the Walton Employment Agreement.

Taymans Employment Agreement. On November 1, 2005, the Company entered into a one-year employment agreement with Jill M. Taymans, as the Company's Chief Financial Officer and Vice President (the "Taymans Employment Agreement"). Under the Taymans Employment Agreement, the one-year term will be automatically extended for additional one-year periods unless, at least 60 days prior to the end of the then-current term, either party notifies the other in writing of its intent not to renew the agreement. The Taymans Employment Agreement provides that Ms. Taymans will receive a base salary of \$155,343 for the initial one-year term of the agreement. At all times during the term of the Taymans Employment Agreement (as the same may be extended), Ms. Taymans will be eligible for discretionary merit increases and base salary adjustments, in addition to discretionary annual bonuses awarded at the discretion of the compensation committee of the Company's board of directors. The Taymans Employment Agreement provides that she will be eligible to receive long-term incentive awards provided to the Company's senior executives generally, on terms finally determined by the compensation committee of the Company's board of directors.

In the event of a termination of employment of Ms. Taymans upon or within one year of a Change in Control (as defined in the Employment Agreements), or prior to the Change in Control if the termination was related to the Change in Control, if the termination was by the Company without cause or was by Ms. Taymans due to being requested to accept without cause a demotion or relocation, Ms. Taymans will be entitled to receive the following: (i) all earned compensation through the date of termination (or, if greater, on the date immediately preceding a Change in Control); and (ii) 12 months of base salary as in effect on the termination date (or, if greater, base salary in effect immediately prior to the Change in Control).

Under the Taymans Employment Agreement, the Company will also provide Ms. Taymans with certain other benefits, including continued participation in all applicable Company benefit plans and payment of reasonable business expenses.

In the Taymans Employment Agreement, Ms. Taymans agreed not to compete with the Company or solicit its customers, clients or employees during the term of her Employment Agreement and for a 12-month period following her termination of employment under the agreement.

Non-employee directors are paid an annual retainer in the amount of \$12,000 and an attendance fee of \$3,000 for each board meeting and \$1,000 for each committee meeting, and are reimbursed for their reasonable expenses incurred in attending the meeting. The fee for participation in a board or committee meeting held by telephone conference call and lasting at least one hour is \$1,000. This agreement was entered into as a result of arms length negotiations.

Anthony Finch, a director of the Company, and Dr. Jagdish Sheth, a former director of the Company, were advisors of Asia Cryo-Cell Private Limited (ACCPL) during fiscal 2007. ACCPL is the Company's licensee in India, and during fiscal 2007, Cryo-Cell received license payments from ACCPL totaling approximately \$255,000, net of tax, and received royalties and sub-license fees from ACCPL in the amount of approximately \$129,000. Mr. Finch no longer has any association with ACCPL.

Approval of Related Party Transactions

The Company has followed a policy of review and approval of transactions with directors, executive officers and their affiliates by the board of directors, with interested members of the board of directors abstaining from voting on approval of the transactions. The Company does not have a formal written policy governing such approvals. The board of directors will approve such transactions only if they are found to be on terms no less favorable to the Company than would be available from third parties in arms-length transactions.

PROPOSAL NO. 2

RATIFICATION OF INDEPENDENT AUDITORS

The board of directors has appointed Grant Thornton LLP to perform the audit of the Company's financial statements for the year ending November 30, 2008, subject to ratification by the Company's stockholders at the annual meeting. Grant Thornton LLP has been the Company's auditor since June 30, 2003. Representatives of Grant Thornton will be available telephonically at the annual meeting to respond to questions and make a statement if they desire to do so.

If the selection of Grant Thornton LLP is not ratified at or prior to the annual meeting of stockholders, such firm shall decline to act, or otherwise become incapable of acting, as the Company's independent auditors and the board of directors will appoint other independent registered public accountants whose engagement for any period subsequent to the next annual meeting will be subject to stockholder approval at such meeting.

Recommendation of the Board

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE COMPANY STOCKHOLDERS VOTE FOR RATIFICATION OF THE INDEPENDENT AUDITORS.

OTHER BUSINESS

The Board does not know of any other business to be acted upon at the annual meeting, and, as far as is known to management, no matters are to be brought before the meeting except as specified in the notice of the meeting. However, if any other business properly should come before the meeting, it is intended that the proxies will vote on any such matters in accordance with the judgment of the persons voting such proxies.

2009 ANNUAL MEETING STOCKHOLDER PROPOSALS

Pursuant to the Company's bylaws, at an annual meeting of the stockholders, only such business shall be conducted as shall have been properly brought before the meeting. To be properly brought before an annual meeting, business must be (a) specified in the notice of meeting (or any supplement thereto) given by or at the direction of the board of directors; (b) otherwise properly brought before the meeting by or at the direction of the board of directors; (c) in the case of a nomination for director, properly brought in accordance with the procedures described below; or (d) otherwise properly brought before the meeting by a stockholder entitled to vote at such meeting. For business other than a nomination for director to be properly brought before an annual meeting by a stockholder, the stockholder must have given written notice to the Secretary of the Company so as to be received at the principal executive offices of the Company no more than 90 days and no less than 60 days before the first anniversary date on which the Company mailed its proxy materials for the preceding year's annual meeting, except that if no annual meeting was held in the previous year or the date of the annual meeting has been changed by more than 30 days from the date contemplated at the time of the previous year's proxy statement, such notice must be so received no later than the 90th day prior to such annual meeting or the 10th day after the date on which public disclosure of the date of such meeting is first made. Each such notice shall set forth as to each matter the stockholder proposes to bring before the annual meeting:

a brief description of the business desired to be brought before the annual meeting and the reasons for conducting such business at the annual meeting

the name and address of the stockholder proposing such business

the class and number of shares of the Company beneficially owned by the stockholder

any material interest of the stockholder in such business, and

such other information regarding such business as would be required to be included in a proxy statement filed pursuant to the proxy rules of the SEC had the matter been proposed by the board of directors.

Stockholders who intend to have a proposal considered for inclusion in the Company's proxy materials to be presented at the Company's 2009 annual meeting of stockholders must submit the proposal to the Company at its executive offices no later than October 14, 2008. However, if the date of the Company's 2009 annual meeting of stockholders is changed by more than 30 days from the date of the Special Meeting, then the deadline will be a reasonable time before the Company begins to print and send its proxy materials for the 2009 annual meeting of stockholders. Stockholders who intend to present a proposal at the 2009 annual meeting of stockholders without including such proposal in the Company's proxy statement are required to provide notice of such proposal to the Company in accordance with the advance notice procedures for stockholder proposals set forth in the Company's bylaws as described above.
