SUPPLEMENT TO PROXY STATEMENT FOR ANNUAL MEETING OF STOCKHOLDERS**to be held on November 5, 2009****The date of this Supplement is October 28, 2009.**

On September 25, 2009, Myriad Genetics, Inc. (the Company) filed a Proxy Statement for its 2009 Annual Meeting of Stockholders (the Annual Meeting). The Company has set November 5, 2009 as the date for the Annual Meeting, which will be held at 9:00 a.m. at the Company's offices in Salt Lake City, Utah. The record date for determining stockholders entitled to vote at the Annual Meeting was set as the close of business on September 15, 2009.

Included in the Proxy Statement is a proposal to amend the Company's 2003 Employee, Director, and Consultant Stock Option Plan, as amended (2003 Plan), to increase the number of shares of our common stock available for issuance by 3 million shares. On October 16, 2009 RiskMetrics Group, a provider of proxy advisory and corporate governance solutions to institutional investors, recommended their clients vote against this proposal.

In subsequent discussions with RiskMetrics Group, the Company has agreed that it will amend the 2003 Plan to reduce the number of stock options to be added to the 2003 Plan by 1 million shares. If the proposal for the addition of 3 million shares is approved by the stockholders at the Annual Meeting, following the Annual Meeting the Company's Board of Directors will amend the 2003 Plan to provide that an additional 2 million shares instead of 3 million shares will be available for issuance under the 2003 Plan. The reduced number of options available for grant will reduce the potential dilutive impact of the 2003 Plan to stockholders compared to the original proposal.
