DISCLOSURE NOTICE OF
TERRORISM INSURANCE COVERAGE

(for policies with no terrorism exclusion or sublimit)

You are hereby notified that, under the Terrorism Risk Insurance Act (the Act), effective December 26, 2007, this policy makes available to you insurance for losses arising out of certain acts of terrorism. Terrorism is defined as any act certified by the Secretary of the Treasury, in concurrence with the Secretary of State and the Attorney General of the United States, to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of an air carrier or vessel or the premises of a United States Mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

You should know that the insurance provided by your policy for losses caused by acts of terrorism is partially reimbursed by the United States under the formula set forth in the Act. Under this formula, the United States pays 85% of covered terrorism losses that exceed the statutorily established deductible to be paid by the insurance company providing the coverage.

However, if aggregate insured losses attributable to terrorist acts certified under the Act exceed \$100 billion in a Program Year (January 1 through December 31), the Treasury shall not make any payment for any portion of the amount of such losses that exceeds \$100 billion.

10-02-1281 (Ed. 1/2003)

If aggregate insured losses attributable to terrorist acts certified under the Act exceed \$100 billion in a Program Year (January 1 through December 31) and we have met our insurer deductible under the Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

The portion of your policy's annual premium that is attributable to insurance for such acts of terrorism is: \$ **-0-**.

Re: Financial Strength

Insuring Company: FEDERAL INSURANCE COMPANY

Dear ING FAMILY OF FUNDS

Chubb continues to deliver strong financial performance. Our financial strength, as reflected in our published reports and our ratings, should give you peace of mind that Chubb will be there for you when you need us most.

- i Chubb's financial results during 2009 stand out in the industry.
- i Chubb's balance sheet is backed with investments that we believe emphasize quality, safety, and liquidity, with total invested assets of \$42.0 billion as of September 30, 2009.
- i With 127 years in the business, Chubb is here for the long term, which is why we vigorously guard our financial strength and take what we believe is a prudent approach to assuming risk on both the asset and liability sides of our balance sheet.
- i Chubb is one of the most highly rated property and casualty companies in the industry, which is a reflection of our overall quality, strong financial condition, and strong capital position.

- i Chubb's financial strength rating is A++ from A.M. Best Company, AA from Fitch, Aa2 from Moody's, and AA from Standard & Poor's—the leading independent evaluators of the insurance industry.
- i Chubb's senior unsecured corporate debt rating from Standard & Poor's was upgraded from A- to A+ on December 15, 2008. Standard & Poor's also reaffirmed all of Chubb's ratings with a stable outlook.

i

A.M. Best, Fitch, and Moody's recently affirmed all of Chubb's ratings with a stable outlook. (For reference, A.M. Best reaffirmed us on 12/23/08, Moody's on 2/4/09, and Fitch on 2/13/09.)

i

For more than 50 years, Chubb has remained part of an elite group of insurers that have maintained A.M. Best's highest ratings.

i

- i Chubb was named to Standard & Poor's list of S&P 500 Dividend Aristocrats, one of 52 companies in the S&P 500 index that have increased dividends every year for at least 25 consecutive years.
- i Chubb's investment portfolio has held up extremely well. Chubb takes what we believe is a conservative approach to selecting and managing our assets. Furthermore, Chubb does not have any direct exposure to the subprime mortgage-backed securities market, and we stopped doing new credit derivative business in 2003 and put existing business in runoff.

Rarely has Chubb's business philosophy to underwrite conservatively and invest judiciously been more important than it is today. By adhering to this philosophy, we now have the capacity and flexibility to respond to opportunities, especially when you engage us in fully understanding your business risks.

We want you to know that Chubb is well-positioned to continue serving your needs with our underwriting expertise; broad underwriting appetite across all property, casualty, and specialty lines; and claim services. If you have any questions, feel free to call your agent or broker or your local Chubb underwriter. As always, we appreciate the trust you place in us as your insurance partner.
