Item 1.01 Entry into a Material Definitive Agreement.

On January 13, 2011, Energy Partners, Ltd. (*EPL*) entered into a Purchase and Sale Agreement (the *Purchase Agreement*) with Anglo-Suisse Offshore Partners, LLC (*ASOP*) relating to the purchase by EPL of producing oil and natural gas assets in the shallow-water central Gulf of Mexico shelf (the *Properties*) for \$201.5 million in cash.

The Properties currently produce approximately 3,000 barrels of oil equivalent per day, about 92% of which is oil. The Properties include three main complexes and field areas in Main Pass blocks 296/301/311, South Pass blocks 33/49, and West Delta blocks 26/27/28/29/47 on the Gulf of Mexico shelf, in the vicinity of EPL's existing core South Timbalier and East Bay operations. Estimated proved reserves as of the January 1, 2011 economic effective date totaled approximately 8 million barrels of oil equivalent, 84% of which are oil. Of the estimated proved reserves, 63% are proved developed producing reserves comprised of 92% oil.

The consummation of the transactions described by the Purchase Agreement is subject to customary closing conditions. Additionally, the acquisition is subject to the closing by EPL of a senior notes offering on commercially reasonable terms in connection with financing the transactions contemplated by the Purchase Agreement. Further, the acquisition is subject to preferential rights-to-purchase held by third parties in a number of the properties. The Purchase Agreement also contains a break-up fee pursuant to which ASOP may be entitled to a \$12,000,000 fee in the event that the transactions contemplated by the Purchase Agreement do not close on or before March 31, 2011, and certain other conditions are satisfied. However, EPL's inability to close the senior notes offering would not result in the payment of the break-up fee, as long as EPL has used commercially reasonable efforts to complete the offering.

The purchase price is subject to adjustment for an economic effective date of January 1, 2011, and other customary post-effective date adjustments.

A copy of the Purchase Agreement and of the Company's Press Release announcing the execution of the Purchase Agreement are attached hereto as Exhibits 2.1 and 99.1, respectively. Exhibit 99.1 shall not be deemed to be filed for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended, and will not be incorporated by reference into any registration statement filed under the Securities Act of 1933, as amended, unless specifically identified therein as being incorporated therein by reference.
