INFORMATION TO BE INCLUDED IN THE REPORT

Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

(a) At the Annual Meeting of Stockholders held on April 26, 2011 (the "Annual Meeting"), the stockholders of Fortune Brands, Inc. ("Fortune Brands" or the "Company") approved an amendment to Article VI of the Company's Restated Certificate of Incorporation to permit holders of 25% of the voting power of the Company's Common Stock and \$2.67 Preferred Stock, considered voting together as a single class, to call special meetings of the stockholders. The Company filed its Restated Certificate of Incorporation with the Secretary of the State of Delaware on April 28, 2011, effective as of such date.

The Company's Board of Directors approved an amendment to Article II, Section 2 of the Company's By-laws (the "By-law Amendment") to establish the procedures by which stockholders would require the Secretary to call a special meeting of the stockholders. The amendment to the Company's By-laws became effective on April 26, 2011 upon stockholder approval of the amendment to the Company's Restated Certificate of Incorporation, as described above. The By-law Amendment imposes certain procedural requirements on stockholders requesting a special meeting (including that they provide the same information that is currently required under the advance-notice provision of the Company's By-laws) and also clarifies that stockholders may not call a special meeting (i) if the item of business for which the meeting is proposed to be called would violate state law, (ii) if the request to hold the special meeting is received during the period beginning 90 days prior to the anniversary of the prior annual meeting of stockholders and ending on the date of the next annual meeting of stockholders, (iii) if the item of business for which the meeting is proposed to be called is substantially similar to another item, other than the election of directors, that was presented at a meeting of stockholders held within the prior 12 months, or (iv) if the item of business for which the meeting is proposed to be called is substantially similar to another item that is included in the Company's notice of meeting as an item of business to be brought before a stockholder meeting that has been called but not yet held or that is called for a date within 90 days of the receipt of the request that the special meeting be held.

The foregoing descriptions of the amendments to the Company's Restated Certificate of Incorporation and By-laws are qualified in their entirety by reference to the full text of the Restated Certificate of Incorporation and By-laws, copies of which are attached hereto as Exhibit 3(i) and 3(ii), respectively, and incorporated herein by reference.
