**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

On January 4, 2012, Progress Software Corporation (the Company) announced that Christopher A. Larsen, Executive Vice President, Global Field Operations, will leave the Company effective on or about January 9, 2012. An external search for Mr. Larsen's successor has commenced. In the interim, Jay H. Bhatt, the Company's President and Chief Executive Officer, will assume Mr. Larsen's responsibilities.

In connection with the termination of Mr. Larsen's employment, the Company will provide Mr. Larsen with the severance and other benefits set forth in the Executive Severance Agreement previously entered into by the Company and Mr. Larsen, dated as of November 30, 2011 (the Severance Agreement). Per the terms of the Severance Agreement, upon the execution by Mr. Larsen of a standard release of claims, he will be entitled to receive the following severance and other benefits: (a) the payment of cash severance equal to twelve (12) months of his total target cash compensation, which will be paid over twelve (12) months, (b) the continuation, for a period of twelve (12) months, of benefits that are substantially equivalent to the benefits (medical, dental, vision and life insurance) that were in effect immediately prior to termination, and (c) twelve (12) months of acceleration of unvested stock options and restricted stock units.

The Severance Agreement also includes non-competition, non-disparagement and related covenants. The non-competition covenant will be in effect for one year following the termination of employment.

In connection with the acceleration of Mr. Larsen's stock options and restricted stock units provided by the Severance Agreement, the Company expects to recognize stock-based compensation expense of approximately \$0.6 million, with this expense to be recognized in the first quarter of fiscal year 2012. In addition, in connection with the cash severance payments and employee-related benefits to be paid to Mr. Larsen under the Severance Agreement, the Company expects to incur an aggregate pre-tax charge of approximately \$1.0 million in the first quarter of fiscal year 2012.

The foregoing summary is qualified in its entirety by reference to the form of Severance Agreement, a copy of which was filed as Exhibit 10.1 to the Current Report on Form 8-K filed on December 8, 2011, and which is incorporated herein by reference.
