BACKGROUND TO THE SOLICITATION

On December 23, 2011, Stephen J. Denari sent a notice of nomination letter to Navigant stating his intention to seek to nominate James F. Beedie, William J. McGrath and Martha Wilke Murray for election to the Board of Directors of Navigant at the Annual Meeting (James F. Beedie, William J. McGrath, Martha Wilke Murray and Stephen J. Denari are sometimes referred to herein collectively as the Participants). This notice was delivered to the Company prior to the deadline for the submission of director nominations by stockholders at the Annual Meeting in accordance with Navigant's By-Laws. This notice complied with the information requirements relating to director nominations by stockholders at the Annual Meeting in accordance with Navigant's By-Laws. Other than delivery of a questionnaire concerning qualification to serve as directors of Navigant, our Nominees have not been contacted by Navigant regarding our Nominees' rationale for running for election to the Board of Directors or our Nominees' ability to serve the stockholders of Navigant.

Our Nominees will not receive any compensation from any of the Participants for their services as directors of Navigant. There are no arrangements for understandings between the other Participants in our solicitation and any of our Nominees pursuant to which the nomination of our Nominees described herein is to be made, other than the consent by each of our Nominees to be named in this Proxy Statement and to serve as a director of Navigant if elected as such at the Annual Meeting.

On May 2, 2012, we filed our initial preliminary proxy statement with the Securities and Exchange Commission pursuant to Rule 14a-6 under the Securities Exchange Act of 1934, as amended.

QUESTIONS AND ANSWERS ABOUT THIS PROXY SOLICITATION, VOTING AND PROXY PROCEDURES

Who is making this Solicitation?

The participants in this solicitation consist of NCI Restore Growth Committee, LLC, a Delaware limited liability company, James F. Beedie, William J. McGrath, Martha Wilke Murray and Stephen J. Denari. This solicitation is not being made by the Board of Directors or management of Navigant.

Following submission of the notice of nomination letter seeking to elect our Nominees to the Navigant Board of Directors, we reviewed Navigant's Form 8-K filed on February 2, 2012 (which reported preliminary unaudited financial results for the fourth quarter and year ended December 31, 2011), Navigant's Form 10-K filed on February 17, 2012 (which reported audited financial results for the year ended December 31, 2011), Navigant's Form 8-K filed on April 26, 2012 (which reported preliminary unaudited financial results for the first quarter ended March 31, 2012) and Navigant's Form 10-Q filed on April 27, 2012 (which reported unaudited financial results for the first quarter ended March 31, 2012). Our comprehensive review led us to conclude that it is time for new leadership on the Navigant Board of Directors.

What matters am I being asked to vote on?

We are soliciting your proxy to vote as follows on the following matters at the Annual Meeting of Stockholders:

Proposal 1 Election of Directors

We are soliciting your proxy to vote **FOR** the election of James F. Beedie, William J. McGrath and Martha Wilke Murray to serve as directors on the Board of Directors of Navigant, each to hold office until Navigant's annual meeting of stockholders to be held in 2015 and until such director's successor is duly elected and qualified, in opposition to Navigant's three incumbent directors whose terms expire at the Annual Meeting.

If you submit the NCI RESTORE GROWTH proxy card and make no indication with respect to the election of directors, your proxy will be voted **FOR** James F. Beedie, William J. McGrath and Martha Wilke Murray.

Proposal 2 Restated Certificate of Incorporation to Declassify Board of Directors

We are soliciting your proxy to vote **FOR** Navigant's Restated Certificate of Incorporation to declassify the Board of Directors.

If you submit the NCI RESTORE GROWTH proxy card and make no indication with respect to Proposal 2, your proxy will be voted **FOR** Proposal 2.

Proposal 3 Navigant 2012 Long-Term Incentive Plan

We are soliciting your proxy to vote **FOR** the Navigant 2012 Long-Term Incentive Plan.

If you submit the NCI RESTORE GROWTH proxy card and make no indication with respect to Proposal 3, your proxy will be voted **FOR** Proposal 3.

Proposal 4 Navigant Annual Incentive Plan

We are soliciting your proxy to vote **FOR** the Navigant Annual Incentive Plan.

If you submit the NCI RESTORE GROWTH proxy card and make no indication with respect to Proposal 4, your proxy will be voted **FOR** Proposal 4.

Proposal 5 Advisory Vote on Executive Compensation

We are soliciting your proxy to vote **AGAINST** Navigant's advisory vote on the compensation of Navigant's named executive officers.

If you submit the NCI RESTORE GROWTH proxy card and make no indication with respect to Proposal 5, your proxy will be voted **AGAINST** Proposal 5.

Proposal 6 Ratification of the Appointment of Independent Registered Public Accounting Firm

We are soliciting your proxy to vote **AGAINST** Navigant's proposal to ratify the appointment of KPMG LLP as Navigant's independent registered public accounting firm for the year 2012.

If you submit the NCI RESTORE GROWTH proxy card and make no indication with respect to Proposal 6, your proxy will be voted **AGAINST** Proposal 6.

In addition, if you sign and return the accompanying NCI RESTORE GROWTH proxy card, the proxy holders are authorized to vote in their discretion upon such other matters which the Participants do not know, a reasonable time before the solicitation, are to be presented at the Annual Meeting or any adjournments or postponements thereof.

What is the recommendation of the NCI RGC as to how I should vote?

We recommend you submit the NCI RESTORE GROWTH proxy card to have your shares voted at the Annual Meeting **FOR** the election to the Navigant Board of Directors of James F. Beedie, William J. McGrath and Martha Wilke Murray, **FOR** Proposals 2, 3 and 4 and **AGAINST** Proposals 5 and 6.

What do I need to do now?

This Proxy Statement contains important information about Navigant, our Nominees, Proposals 2, 3, 4, 5 and 6, the Participants and our solicitation. We urge you to read this Proxy Statement carefully, including its annexes. After carefully reading and considering the information set forth in this Proxy Statement, please submit the NCI RESTORE GROWTH proxy card to have your shares of common stock held on the Record Date voted at the Annual Meeting, or provide proper voting instructions with respect to such shares to your broker, bank, custodian or other nominee, as soon as possible so that your common stock will be represented and voted at the Annual Meeting.

Who is entitled to vote at the Annual Meeting?

According to Navigant's Proxy Statement, Bylaws and applicable law, holders of shares of Navigant's common stock at the close of business on the Record Date are entitled to notice of, and to vote at, the Annual Meeting. Each share of common stock outstanding on the Record Date is entitled to one vote on each matter presented at the Annual Meeting.

Only holders of record as of the close of business on the Record Date will be entitled to vote. If you were a stockholder of record on the Record Date, you will retain your voting rights at the Annual Meeting even if you sell such shares after the Record Date. Accordingly, it is important that you vote the shares held by you on the Record Date, or grant a proxy to vote such shares on the NCI RESTORE GROWTH proxy card, even if you sell such shares after the Record Date.

How do I vote my shares if I am a stockholder of record?

As explained in the detailed instructions on your NCI RESTORE GROWTH proxy card, if you are a stockholder of record, you may submit your proxy by mail or in person at the Annual Meeting. To submit your proxy by mail, sign, date and return the enclosed NCI RESTORE GROWTH proxy card in the enclosed postage-paid envelope. Alternatively, you can attend the Annual Meeting and vote in person. Written ballots will be distributed to stockholders who wish to vote in person at the Annual Meeting. To ensure that your shares are voted, we recommend that you submit the enclosed NCI RESTORE GROWTH proxy card even if you plan to attend the Annual Meeting in person.

How do I vote shares that I hold through a broker, bank, custodian or other nominee?

If you hold shares through someone else, such as a broker, bank, custodian or other nominee (also known as holding shares in Street-name), you will receive voting material from that firm. Please complete the NCI RESTORE GROWTH voting instruction form and return it as requested by your custodian.

If you hold your shares in Street-name, you will not be able to vote in person at the Annual Meeting unless you have previously requested and obtained a legal proxy from your broker, bank, custodian or other nominee and present it at the Annual Meeting.

What do I do if I receive a White proxy card from Navigant?

We urge you not to return any White proxy card that Navigant's Board of Directors may send you. If you submit a proxy to us by signing and returning the enclosed NCI RESTORE GROWTH proxy card or by following the instruction on the NCI RESTORE GROWTH proxy card to submit a proxy by returning a later-dated White card will have the effect of revoking your earlier proxy. Only your latest-dated proxy will be counted at the Annual Meeting.

If you have already sent a White proxy card to Navigant for the matters to be voted on, you may revoke it and have your shares voted at the Annual Meeting **FOR** the election of James F. Beedie, William J. McGrath and Martha Wilke Murray, **FOR** Proposals 2, 3 and 4 and, **AGAINST** Proposals 5 and 6 by signing, dating and returning the enclosed NCI RESTORE GROWTH proxy card. **ONLY YOUR LATEST DATED PROXY FOR THE ANNUAL MEETING WILL COUNT AT THE ANNUAL MEETING.**

What happens if I fail to instruct my broker, bank, custodian or other nominee?

If you hold your shares in Street-name through a broker, bank or other custodian, only the broker, bank, custodian or other nominee can vote your shares. In order to ensure that your shares are voted at the Annual Meeting, you must give specific instructions regarding how to vote your shares.

If you do not give specific instructions regarding how to vote your shares, the broker, bank, custodian or other nominee may not exercise their discretion to vote your shares with respect to the election of directors or any of the Proposals. As a result, we strongly urge you to give specific instruction regarding how to vote your shares by completing the NCI RESTORE GROWTH voting instruction form provided to you by your custodian and returning it as requested by the firm.

What happens if I return a signed proxy without voting instructions?

All valid proxies received prior to the Annual Meeting will be voted. If you specify a choice with respect to any item by marking the appropriate box on the proxy card, your shares will be voted in accordance with that specification.

If you executed your NCI RESTORE GROWTH proxy but failed to provide specific instructions on how to vote, your common stock will be voted (i) FOR the election of each of James F. Beedie, William J. McGrath and Martha Wilke Murray, (ii) FOR Proposals 2, 3 and 4, (iii) AGAINST Proposals 5 and 6, and (iv) in the proxy holder's discretion as to other matters which the Participants do not know, a reasonable time before the solicitation, are to be presented at the Annual Meeting.

What is the quorum for the Annual Meeting?

According to Navigant's Bylaws and applicable law, a majority of shares of common stock of Navigant entitled to vote, present in person or represented by proxy at the Annual Meeting shall constitute a quorum. Withhold authority votes, abstentions and broker non-votes will be counted as present and entitled to vote for purposes of determining a quorum. A withhold authority vote is a stockholder's vote to withhold authority to cast a vote for the election of one or more director nominees. An abstention represents an affirmative choice to decline to vote on a proposal other than the election of directors. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power under applicable law with respect to that proposal and has not received instructions with respect to that proposal from the beneficial owner. There will not be any broker non-votes with respect to the election of directors and Proposals 2, 3, 4, 5 and 6.

What is the vote required to approve matters at the Annual Meeting? What is the effect of abstentions and broker non-votes?

According to Navigant's Bylaws and applicable law:

Proposal 1: Directors will be elected by the vote of a plurality of the shares represented in person or by proxy at the Annual Meeting and entitled to vote on the election of directors. Accordingly, the three director nominees receiving the most for votes will be elected as directors at the Annual Meeting even if the number of votes cast for any such nominee's election does not exceed the number of votes cast against any such nominee's election.

Proposal 2: The proposed restatement of Navigant's Certificate of Incorporation to declassify the Board of Directors will be adopted by stockholders if the holders of at least two-thirds of the outstanding shares of Navigant common stock vote for the proposal.

Proposal 3: The Navigant Consulting, Inc. 2012 Long-Term Incentive Plan will be approved by stockholders if a majority of the outstanding shares entitled to vote, present in person or represented by proxy at the Annual Meeting, vote for the proposal.

Proposal 4: The Navigant Consulting, Inc. Annual Incentive Plan will be approved by stockholders if a majority of the outstanding shares entitled to vote, present in person or represented by proxy at the Annual Meeting, vote for the proposal.

Proposal 5: The compensation paid to the named executive officers, as disclosed in this Proxy Statement, will be approved, on an advisory basis, by Navigant stockholders if a majority of the outstanding shares entitled to vote, present in person or represented by proxy at the Annual Meeting, vote for the proposal.

Proposal 6: The appointment of the independent registered public accounting firm for the year 2012 will be ratified if a majority of the outstanding shares entitled to vote, present in person or represented by proxy at the Annual Meeting, vote for the proposal.

Abstentions and broker non-votes will have no effect on the election of directors, as they will not be counted as votes either for or against a nominee's election. Abstentions and broker non-votes will have the effect of a vote against the remaining proposals.

If you are a street-name shareholder and you do not instruct your broker or other nominee how to vote your shares, your broker or other nominee may, in its discretion, leave your shares unvoted or vote your shares on routine matters. The proposal to ratify the appointment of KPMG LLP as Navigant's independent registered public accounting firm for 2012 is the only routine matter being voted on at the Annual Meeting and, therefore, may be voted by your broker or other nominee in its discretion.

Who may attend and vote at the Annual Meeting?

All Navigant stockholders of record as of the Record Date may attend and vote at the Annual Meeting. If you hold your stock in Street-name, you will need to bring a copy of a brokerage statement, proxy or letter from your broker or other nominee confirming ownership of Navigant's common stock and of the close of business on March 26, 2012.

Should I submit a proxy even if I plan to attend the Annual Meeting?

Whether or not you plan to attend the Annual Meeting, we urge you to submit promptly the NCI RESTORE GROWTH proxy card to ensure that your shares are voted. Returning the enclosed NCI RESTORE GROWTH proxy card by mail will not affect your right to attend the Annual Meeting and vote in person.

How do I revoke a proxy?

If you are a stockholder of record, you may revoke or change your proxy instructions at any time prior to the vote at the Annual Meeting by:

submitting a properly executed, subsequently dated NCI RESTORE GROWTH proxy card that will revoke all prior proxy cards, including any White proxy cards which you may have submitted to Navigant;

attending the Annual Meeting and withdrawing your proxy by voting in person (although attendance at the Annual Meeting will not in and of itself constitute revocation of a proxy); or

delivering written notice of revocation to the Secretary of Navigant at 30 S. Wacker Drive, Suite 3550, Chicago, Illinois 60606, Attention: Corporate Secretary.

If you hold your stock in Street-name, and you submit proxy instructions, you may later revoke your proxy instructions by informing the holder of record in accordance with that holder's

procedures. If you hold your stock in Street-name, you may also attend and vote in person at the Annual Meeting, but only if you obtain a legal proxy from your broker, bank, custodian or other nominee.

IF YOU PREVIOUSLY SIGNED AND RETURNED A WHITE PROXY CARD TO NAVIGANT, WE URGE YOU TO REVOKE IT BY (1) SIGNING, DATING AND RETURNING THE NCI RESTORE GROWTH PROXY CARD, (2) ATTENDING THE ANNUAL MEETING AND VOTING IN PERSON OR (3) DELIVERING A WRITTEN NOTICE OF REVOCATION TO THE SECRETARY OF NAVIGANT. ONLY YOUR LATEST DATED PROXY FOR THE ANNUAL MEETING WILL COUNT AT THE ANNUAL MEETING.

IF YOU HOLD YOUR STOCK IN STREET-NAME AND YOU PREVIOUSLY RETURNED A PROXY CARD TO YOUR BROKER, BANK, CUSTODIAN OR OTHER NOMINEE, WE URGE YOU TO REVOKE IT BY (1) INFORMING THE HOLDER OF RECORD IN ACCORDANCE WITH THAT HOLDER'S PROCEDURES OR (2) OBTAINING A LEGAL PROXY FROM YOUR BROKER, BANK, CUSTODIAN OR OTHER NOMINEE AND ATTENDING THE ANNUAL MEETING AND VOTING IN PERSON.

She has been a member of the Committee of 200 Executive Women's Group since 1998, attending and speaking at numerous seminars. Our Nominees will not receive any compensation from any of the Participants for their services as directors of Navigant. None of the Nominees has received any compensation from Navigant during Navigant's last completed fiscal year. Other than as stated herein, there are no arrangements or understandings between the other Participants in our solicitation and any of our Nominees or any other person or persons pursuant to which the nomination of our Nominees described herein is to be made, other than the consent by each of our Nominees to be named in this Proxy Statement and to serve as a director of Navigant if elected as such at the Annual Meeting. Neither of our Nominees nor any of their associates is a party adverse to Navigant or any of its subsidiaries or has a material interest adverse to Navigant or any of its subsidiaries in any material pending legal proceedings.

Our Reasons for Supporting Our Nominees

We believe that our Nominees are highly qualified and experienced and will bring to the Navigant Board of Directors a firm commitment to corporate governance and positioning Navigant for increasing returns to stockholders. Our Nominees have the stockholder orientation and focus and financial and operational expertise to improve oversight of management, hold management accountable and enhance corporate governance. Each of our Nominees understands the role a board of directors is to set the direction for the management of a company and hold management accountable for executing on board-approved strategic plans. If elected, our Nominees will be strong advocates for changes necessary to position Navigant for future growth and enhanced stockholder value.

Our Nominees are Committed to Creating Value for All Stockholders

We are interested in enhancing the value of the Navigant common stock for the benefit of all stockholders. Neither the NCI RGC nor any of our Nominees has any current affiliation or commercial dealings with Navigant, its management or any member of the Navigant.

Our Nominees, if elected, will advocate for the exploration of all alternatives to create stockholder value and a comprehensive strategic review of opportunities available to Navigant. These alternatives and opportunities may relate to: (1) restarting Navigant's growth initiative based on a more sustainable model instead of relying on borrowing and increasing goodwill; (2) refocusing Navigant's efforts to bolster its international presence and global delivery capability; (3) paying a dividend to Navigant's stockholders as soon as excess debt can be reduced; (4) realigning Navigant's compensation to executives to reflect Navigant's performance; and (5) reevaluating and writing-off Navigant's goodwill where appropriate (please see Form 10-K, Notes to Consolidated Financial Statements, Note 2 Acquisitions at pages F-12 and F-13, and Note 5 Goodwill and Intangible Assets, Net at pages F-17 through F-20). Our Nominees do not have pre-determined, specific plans with respect to the alternatives and opportunities. Instead, our Nominees, if elected, will review information available to directors with **fresh viewpoints** and work to implement strategic alternatives designed to create stockholder value.

We Believe That it is Time for Change

We believe that it is time for change on the Navigant Board and that it would benefit from the fresh viewpoints and new energy that our Nominees would bring to the Navigant Board. With no prior decisions to justify, our Nominees will not hesitate to propose, if warranted, changes in the way that business and policies have been conducted in the past. Our Nominees will ask tough questions and work tirelessly with the other members of the Navigant Board to take steps to improve corporate governance and create stockholder value.

According to Navigant's Proxy Statement, the total compensation paid to each of Navigant's non-employee directors exceeded \$220,000. Our Nominees, if elected, will advocate to significantly reduce the compensation paid to non-employee directors. Employee directors are not compensated for their service on the Board or any of its committees.

We also believe that it is time for change on the Navigant Board because of the following recent events: Navigant's growth strategy has not been successful; Navigant's non-current liabilities and goodwill continue to increase; analysts have highlighted alarming trends in Navigant's operating results; the Executive Chairman of Navigant has instituted a plan to sell Navigant shares; executive compensation has increased despite stockholder disapproval; a stockholder derivative lawsuit has been filed against the Navigant Board and certain officers of Navigant for breach of fiduciary duty and unjust enrichment; and the Navigant Board continues to compensate non-employee directors at levels that we believe are excessive in light of Navigant's operating results.

In September 2011, William Goodyear, Navigant's CEO at that time, announced that the company would no longer pursue acquisitions and instead would rely on organic growth. In April 2012, the current CEO, Julie Howard, reaffirmed on an investor conference call that the company was abandoning ways to grow other than organically. Navigant has not disclosed its reasons for abandoning the strategy, but we believe that the strategy is being abandoned because it is flawed, in that it relies on increasing debt and increasing goodwill to generate revenues, as demonstrated in the following table, but has in fact resulted in stagnation. During the most recent 5 year and 1 quarter period from January 1, 2007 through March 31, 2012, goodwill increased by approximately \$1.25 and non-current liabilities increased by approximately \$1.30 for every \$1.00 of net profit recorded during that 21 quarter period.

Note: Non-current liabilities increased to \$262.7 million for the quarter ended March 31, 2012. ²

In a recent article, an analyst observed certain trends occurring with respect to Navigant, namely that DSO, the number of days worth of sales owed to the company, increased in the first quarter of 2012 compared to the first quarter of 2011 and that accounts receivable appeared to be growing more quickly than revenue. We believe that these trends, coupled with the stagnant price of Navigant shares, increasing debt and goodwill, and decreasing stockholder equity (net of goodwill), support our belief that Navigant's strategy is flawed.

On May 2, 2012, William Goodyear, Executive Chairman of the Navigant Board and former CEO of Navigant, implemented a trading plan in accordance with Rule 10b5-1 of the Securities and Exchange Act of 1934, as amended. Although Navigant's disclosure of the trading plan indicates that Mr. Goodyear adopted the trading plan for individual investment diversification and financial planning purposes, we believe that the implementation of the trading plan by Mr. Goodyear is an additional indication that Navigant's strategy is flawed. Out of all the directors and executive officers of Navigant, Mr. Goodyear is currently the largest stockholder.

At the 2011 Annual Meeting of Stockholders, 55% of the voting Navigant stockholders voted against the compensation paid to executive officers in 2010. Notwithstanding the stockholder vote, the Navigant Board approved the 2010 executive compensation as set forth in Navigant's proxy statement for the 2011 Annual Meeting. Furthermore, Navigant increased executive compensation in 2011 and is asking stockholders to approve it at the 2012 Annual Meeting.

In January 2012, a stockholder initiated a stockholder derivative action against the Navigant Board and certain officers of Navigant in the United States District Court in the Northern District of Illinois for breach of their fiduciary duties to Navigant and unjust enrichment. The complaint alleges that the Navigant Board did not act in the best interests of Navigant stockholders when it approved the 2010 executive compensation considering that Navigant posted a negative 38.1% stockholder return in 2010 and that its share price fell by more than 55%, its earnings per share dropped by 50% and its net income dropped from \$53 million to \$24 million from 2006 to 2010. We note that Navigant failed to disclose the existence of this lawsuit in its proxy statement, annual report or most recently filed quarterly report, which we believe is relevant to a stockholder's decision whether to vote for Proposal 5 or to elect defendant directors Pond, Gildehaus and Glassman.

During the five-year period beginning in 2007 and ending in 2011, Navigant paid its non-employee directors an aggregate of approximately \$6.5 million (or approximately \$1.00 of non-employee director compensation for each \$25 of net income). We believe that this amount is excessive in light of Navigant's relatively stagnant operating results and increasing debt.

In light of the foregoing events, we believe that the Navigant Board is not acting in the best interests of Navigant's stockholders and that the leadership of the Board should change.

WE STRONGLY URGE YOU TO VOTE FOR THE ELECTION OF JAMES F. BEEDIE, WILLIAM J. MCGRATH AND MARTHA WILKE MURRAY IN OPPOSITION TO NAVIGANT'S THREE INCUMBENT DIRECTORS WHOSE TERMS EXPIRE AT THE ANNUAL MEETING.

Edgar Filing: NAVIGANT CONSULTING INC - Form PREC14A

- (1) Data compiled based on information reported in Navigant's Annual Report on Form 10-K for the Fiscal Years ended December 31, 2006, 2007, 2008, 2009, 2010 and 2011, respectively.
- (2) As reported in Navigant's Quarterly Report on Form 10-Q for the quarter ended March 31, 2012.

PROPOSAL 2 RESTATED CERTIFICATE OF INCORPORATION TO DECLASSIFY BOARD OF DIRECTORS

At the Annual Meeting, according to Navigant's Proxy Statement, stockholders will be asked to vote to approve a restatement to Navigant's Certificate of Incorporation to declassify the Board of Directors. For more information regarding this proposal, please see the related disclosure in Navigant's Proxy Statement.

Our Reasons for Urging a Vote FOR this Proposal

We believe that the election of directors is the primary avenue for stockholders to influence corporate governance and to hold management accountable for its implementation of those policies. We believe that annual elections of the entire board promote accountability. They also foster communications between investors and their elected representatives, directors.

The Navigant Board is currently divided into three classes with each director serving a three-year term. Eliminating the classified board would require each director to stand for election annually and would give stockholders an opportunity to register their views on the performance of the board collectively and on each director individually every year.

We believe that the annual election of directors is one of the best methods available to stockholders to ensure that Navigant will be managed in a manner that is in their interests.

Accordingly, we urge you to vote **FOR** the declassification of Navigant's Board of Directors in order to improve director accountability.

WE STRONGLY URGE YOU TO VOTE **FOR** PROPOSAL 2.

PROPOSAL 3 NAVIGANT 2012 LONG-TERM INCENTIVE PLAN

At the Annual Meeting, according to Navigant's Proxy Statement, stockholders of Navigant will be asked to vote to approve the Navigant 2012 Long-Term Incentive Plan (the 2012 Plan). For more information regarding this proposal, please see the related disclosure in Navigant's Proxy Statement.

Our Reasons for Urging a Vote FOR this Proposal

In the event that the stockholders fail to approve the 2012 Plan, Navigant will be required to make significant cash payments to certain of its employees. As such, we believe that it is important that the stockholders approve the 2012 Plan. Our Nominees, if elected to the Board, will seek to make sure that the Board properly structures stock-based incentive programs that balance the need for employee incentives with the potential overall dilution to stockholders. This involves monitoring the number of equity awards made each year, as well as structuring such awards with appropriate time and performance vesting criteria. Specific adjustments to

Navigant's stock-based incentive programs to be recommended by our Nominees, if elected, will be based on our Nominees' review of relevant information available to directors, including reports by compensation consultants, and discussions with other Navigant directors.

WE STRONGLY URGE YOU TO VOTE **FOR** PROPOSAL 3.

PROPOSAL 4 NAVIGANT ANNUAL INCENTIVE PLAN

At the Annual Meeting, according to Navigant's Proxy Statement, stockholders will be asked to vote to approve the Navigant Annual Incentive Plan. For more information on this proposal, please see the related disclosure in Navigant's Proxy Statement.

Our Reasons for Urging a Vote FOR this Proposal

We believe that it is important that officers and employees of Navigant are compensated in the event that they attain performance goals that materially increase value for Navigant stockholders. As such, we believe that it is important that the stockholders approve Navigant's Annual Incentive Plan. Our Nominees, if elected to the Board, will conduct a thorough review of the Annual Compensation Plan with a view of confirming that Navigant incentivizes its employees in a manner bases awards on increased value to stockholders. Specific adjustments to Navigant's incentive programs to be recommended by our Nominees, if elected, will be based on our Nominees' review of relevant information available to directors, including reports by compensation consultants and discussions with other Navigant directors.

WE STRONGLY URGE YOU TO VOTE **FOR** PROPOSAL 4.

PROPOSAL 5 ADVISORY VOTE ON THE COMPENSATION OF NAVIGANT'S NAMED EXECUTIVE OFFICERS

At the Annual Meeting, according to Navigant's Proxy Statement, stockholders of Navigant will be asked to vote on an advisory basis on the compensation of Navigant's named executive officers. For more information regarding this proposal, please see the related disclosure in Navigant's Proxy Statement.

Our Reasons for Urging a Vote AGAINST this Proposal

We have several concerns with Navigant's executive compensation program. A 29-page description of the current provisions for Navigant's executive and director compensation is provided in the Company's proxy statement at pages 15-42 and 45. These concerns include that the program fails to align compensation with performance and overall stockholder return. In addition, we believe that executive compensation has not been appropriately benchmarked against peer companies. Our nominees, if elected to the Board, will commission an extensive and comprehensive review of Navigant's executive compensation practices, with the goal of developing and implementing a program that aligns executive compensation with Navigant stockholder return.

WE STRONGLY URGE YOU TO VOTE AGAINST PROPOSAL 5.

PROPOSAL 6 RATIFICATION OF THE APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

At the Annual Meeting, according to Navigant's Proxy Statement, stockholders of Navigant will be asked to ratify the appointment of KPMG LLP as Navigant's independent registered public accounting firm for the year ended 2012. For more information regarding this proposal, please see the related disclosure in Navigant's Proxy Statement.

Our Reasons for Urging a Vote AGAINST this Proposal

KPMG LLP has served as Navigant's independent registered public accounting firm for a long period. We believe that it is time for Navigant to interview and select a new accounting firm. As such, our nominees, if elected to the Board, will seek to appoint new auditors that will be charged with conducting an extensive review of Navigant's accounting systems and, in particular, its accounting treatment for acquisitions and goodwill. Our nominees will weigh the recommendations and findings of new auditors in overseeing Navigant's accounting policies.

WE STRONGLY URGE YOU TO VOTE AGAINST PROPOSAL 6.

OTHER PROPOSALS

We know of no other business to be presented at the Annual Meeting. If any other matters should properly come before the Annual Meeting, it is intended that the persons named on the enclosed NCI RESTORE GROWTH proxy card will vote that proxy on such other matters in accordance with their discretion.
