## **Item 1.01. Entry into a Material Definitive Agreement Completion of Spin-Off**

Windstream Holdings, Inc. ( Holdings or the Company ) has completed its previously announced plan to separate its business into two separate and independent publicly traded companies through the distribution of shares of common stock of Communications Sales & Leasing, Inc. ( CS&L ) to Holdings stockholders (the Spin-Off ). Holdings effected the Spin-Off by distributing 120,442,150 shares of CS&L common stock to Holdings stockholders on a pro rata basis, as more fully described in the preliminary information statement (the Information Statement ) included as Exhibit 99.1 to CS&L's Current Report on Form 8-K filed with the Securities and Exchange Commission (the SEC ) on March 26, 2015 (File No. 001-36708). Holdings stockholders received one share of CS&L common stock for every five shares of Holdings common stock held of record as of 5:00 p.m. Eastern time on April 10, 2015, the record date for the Spin-Off. An ex-date of April 27, 2015 has been established by NASDAQ, and therefore all trades through the close of business on April 24, 2015 carry the right to receive the distribution. No fractional shares were distributed in connection with the Spin-Off, with a cash payment being made in lieu of any fractional shares.

On April 24, 2015, Holdings and CS&L, or their applicable subsidiaries, entered into the following additional agreements to implement the Spin-Off and govern their relationship after the Spin-Off: a Master Lease; a Tax Matters Agreement; a Transition Services Agreement; an Employee Matters Agreement; an Intellectual Property Matters Agreement; a Wholesale Master Services Agreement; a Stockholder's and Registration Rights Agreement; a Master Services Agreement; and a Reverse Transition Services Agreement. A summary of the material terms of the agreements is set forth in the Information Statement under Our Relationship with Windstream Following the Spin-Off, and is incorporated herein by reference. The terms of the Master Lease vary from the description of that agreement included in the Information Statement in that CS&L will have the right, but not the obligation, upon Holdings' request, to fund capital expenditures of Holdings in an aggregate amount of up to \$250 million for a maximum period of five years. If CS&L exercises this right, the lease payments under the Master Lease will be adjusted at a rate of 8.125% of the capital expenditures funded by CS&L during the first two years and at a floating rate based on CS&L's cost of capital thereafter. Additionally, if CS&L agrees to fund the entire \$250 million, the initial term of the Master Lease will be increased from 15 years to 20 years and the number of renewal terms will be reduced from four renewal terms of five years each to three renewal terms of five years each.

The descriptions of the above-referenced agreements are qualified in their entirety by reference to the copies of the agreements included as Exhibits 10.1 through 10.9 to this Current Report on Form 8-K, each of which is incorporated herein by reference.

In connection with the Spin-Off, the Company's subsidiary, Windstream Services, LLC ( Windstream ), also entered into the following agreements:

### **Credit Agreement**

In connection with the Spin-Off, on April 24, 2015, Windstream entered into an Amendment and Restatement Agreement and Consent (the Amendment and Consent ) to, among other things, amend its Fifth Amended and Restated Credit Agreement, dated as of January 23, 2013, as amended August 23, 2013 and December 6, 2013, among Windstream, as borrower, the lenders party thereto, JPMorgan Chase Bank, N.A., as administrative agent ( Administrative Agent ) and collateral agent, and the other agents party thereto (the Fifth ARCA ), and, as amended by the Amendment and Consent, the Sixth ARCA ) and obtain the consent of the requisite lenders thereunder to certain transactions constituting the Spin-Off. Concurrently with its entry into the Amendment and Consent, Windstream repaid its existing tranche A-3, A-4 and B-4 term loan facilities in an aggregate amount equal to \$1,895,766,371.57 and the outstanding amounts under its existing revolving facility outstanding under the Fifth ARCA, in cash and through the exchange of such debt with the debt of CS&L pursuant to the Exchange Agreement dated as of April 16, 2015, entered into by and between Windstream, JPMorgan Chase Bank, N.A., Bank of America, N.A. and the

Administrative Agent.

The Sixth ARCA includes a revolving credit facility (the Revolving Facility ) with commitments in an aggregate principal amount of \$1,250.0 million and a tranche B-5 term loan facility (the Term Loan Facility , and, together with the Revolving Facility, the Facilities ) in an aggregate principal amount of \$582,625,000 from a syndicate of banks and other financial institutions. Windstream expects to use borrowings under the Revolving

Facility to fund, on the closing date of the Spin-Off, certain fees and expenses incurred in connection with the Spin-Off. Borrowings under the Revolving Facility may be used for permitted acquisitions, working capital and other general corporate purposes of Windstream and its subsidiaries.

The Sixth ARCA provides that Windstream may seek to obtain incremental revolving or term loans in an unlimited amount subject to maintaining a maximum secured leverage ratio and other customary conditions, including obtaining commitments and pro forma compliance with financial maintenance covenants consisting of a maximum debt to consolidated EBITDA ratio and a minimum interest coverage ratio. In addition, Windstream may request extensions of the maturity date under any of its existing revolving or term loan facilities under the Sixth ARCA and such existing maturity dates will be extended only with respect to the commitments or loans of such lenders that have consented to such extension of their commitments or loans.

The interest rates applicable to loans under the Revolving Facility are, at Windstream's option, equal to either a base rate plus a margin ranging from 0.25% to 1.00% per annum or LIBOR plus a margin ranging from 1.25% to 2.00% per annum, based on the debt to consolidated EBITDA ratio of Windstream and its subsidiaries. The interest rates applicable to loans under the Term Loan Facility are, at Windstream's option, equal to either a base rate plus a margin of 1.75% per annum or LIBOR plus a margin of 2.75% per annum. LIBOR and the base rate for loans under the Term Loan Facility shall at no time be less than 0.75% and 1.75%, respectively. In addition, Windstream will pay a commitment fee on the unused portion of the commitments under the Revolving Facility that will range from 0.40% to 0.50% per annum, depending on the debt to consolidated EBITDA ratio of Windstream and its subsidiaries.

The Revolving Facility matures on April 24, 2020 and the Term Loan Facility matures on August 8, 2019. Loans made under the Revolving Facility are not subject to interim amortization. Windstream is not required to repay any loans under the Revolving Facility prior to maturity, other than to the extent the outstanding borrowings exceed the aggregate commitments under the Revolving Facility. Loans made under the Term Loan Facility are subject to quarterly amortization payments in an aggregate amount equal to 0.25% of the initial principal amount of such term loans, with the remaining balance payable on August 8, 2019.

Subject to certain exceptions and customary baskets set forth in the Sixth ARCA, Windstream is required to make mandatory prepayments of the loans under the Term Loan Facility from (a) 100% of net cash proceeds from asset sales (subject to reinvestment rights and a net proceeds threshold) and (b) 100% of the net cash proceeds of insurance and condemnation proceeds for property or asset losses (subject to reinvestment rights and a net proceeds threshold).

Windstream is permitted to voluntarily reduce the unutilized portion of the revolving commitment amount and repay outstanding loans under the Revolving Facility and the Term Loan Facility at any time without premium or penalty, other than customary breakage costs with respect to LIBOR loans.

The Facilities are guaranteed, jointly and severally, by certain of Windstream's wholly owned subsidiaries. Obligations under the Sixth ARCA and related documents are secured by substantially all of the personal property of Windstream and certain of its subsidiaries and a pledge of the capital stock of certain of its subsidiaries. The Sixth ARCA and related documents contain customary covenants that, among other things, restrict, subject to certain exceptions, the ability of Windstream and its subsidiaries to grant liens on their assets, incur indebtedness, sell assets, make investments, engage in acquisitions, mergers or consolidations, amend certain material agreements, pay certain dividends and other restricted payments, enter into sale and leaseback transactions, enter into certain hedging agreements, enter into certain transactions with affiliates, enter into certain restrictive agreements or arrangements and change its fiscal year. The Sixth ARCA requires Windstream to comply with financial maintenance covenants to be tested quarterly, consisting of a maximum debt to consolidated EBITDA ratio of 4.5 to 1.0, and a minimum interest coverage ratio of 2.75 to 1.0. The Sixth ARCA also contains certain customary events of default, including the occurrence of certain events of default under the Master Lease or a termination of the Master Lease.

The foregoing description of the Facilities and the Sixth ARCA are qualified in its entirety by reference to the Sixth ARCA, a copy of which is filed as Exhibit 10.10 hereto and is incorporated herein by reference.

### **Holdings Agreement**

On April 24, 2015, Holdings entered into the Holdings Agreement with Windstream and JPMorgan Chase Bank, N.A., as Administrative Agent under the Sixth ARCA (the Holdings Agreement ), pursuant to which Holdings, as tenant under the Master Lease, agreed that it will not take certain actions under the Master Lease which would cause an event of default to occur under the Sixth ARCA (as it may be amended, restated, modified, renewed or replaced from time to time). Such actions include, but are not limited to, terminating the Master Lease, transferring its rights or obligations under the Master Lease to any person other than Windstream (without the consent of the lenders under the Sixth ARCA) and not creating liens on its interest in the Master Lease (other than certain permitted encumbrances) or incurring indebtedness (other than certain permitted indebtedness). In addition, Holdings agreed to cause any of its lenders to acknowledge and agree to recognize the rights of the lenders and the Administrative Agent under the Sixth ARCA under such Holdings Agreement.

The foregoing description of the Holdings Agreement is qualified in its entirety by reference to the copy of the Holdings Agreement which is filed as Exhibit 10.11 hereto and is incorporated herein by reference.

### **Recognition Agreement**

On April 24, 2015, Holdings entered into the Recognition Agreement with CSL National, LP and the other entities listed therein, as Landlord, and JPMorgan Chase Bank, N.A., as Administrative Agent under the Sixth ARCA (the Recognition Agreement ), pursuant to which Holdings has agreed to certain matters and Landlord will provide certain rights to the Administrative Agent with respect to the Master Lease. Under the Recognition Agreement, if an Event of Default (as defined in the Master Lease) occurs which entitles Landlord to terminate the Master Lease, Landlord has no right to terminate the Master Lease on account of such Event of Default unless prior notice has been given to the Administrative Agent. The Administrative Agent has the right to delay the termination of the Master Lease for a period of six months; provided that the Administrative Agent, during such six-month period (i) pays or causes to be paid the monetary obligations of Holdings under the Master Lease as the same become due, and continues its good faith efforts to perform or cause to be performed all of Holdings other obligations under the Master Lease and (ii) if not enjoined or stayed pursuant to a bankruptcy or insolvency proceeding or other judicial order, commences and diligently pursues its remedies against Windstream and/or its affiliates under the Sixth ARCA and diligently prosecutes the same to completion. In the event of the termination of the Master Lease other than due to a default as to which the Administrative Agent had the opportunity to, but did not, cure such default, Landlord will provide the Administrative Agent with written notice that the Master Lease has been terminated, together with a statement of all sums which would at that time be due under the Master Lease but for such termination, and of all other defaults, if any, then known to Landlord. Provided that no Permitted Leasehold Mortgage that complies with the terms set forth in Section 17.1 of the Master Lease is then in effect, Landlord agrees to enter into a new lease of the leased property then subject to the terms of the Master Lease with the Administrative Agent or its designee for the remainder of the term of the Master Lease.

The foregoing description of the Recognition Agreement is qualified in its entirety by reference to the copy of the Recognition Agreement which is filed as Exhibit 10.12 hereto and is incorporated herein by reference.
