Item 1.01. Entry into a Material Definitive Agreement.

Merger Agreement

On May 7, 2015, Microchip Technology Incorporated, a Delaware corporation (Microchip), Micrel, Incorporated, a California corporation (Micrel), Mambo Acquisition Corp., a California corporation and a wholly owned subsidiary of Parent (Merger Sub), and Mambo Acquisition LLC, a California limited liability company and a wholly owned subsidiary of Parent (Merger Sub 2), entered into an Agreement and Plan of Merger (the Merger Agreement).

Under the terms of the Merger Agreement, the acquisition of Micrel will be accomplished through a merger of Merger Sub with and into Micrel (the First Step Merger) with Micrel surviving the First Step Merger. As soon as reasonably practicable following the First Step Merger, Micrel will merge with and into Merger Sub 2 with Merger Sub 2 continuing as the surviving entity (the Second Step Merger, and collectively with the First Step Merger, the Mergers).

Pursuant to the terms of the Merger Agreement, and subject to the terms and conditions set forth therein, at the effective time of the First Step Merger (the Effective Time), each share of the common stock of Micrel (the Micrel Common Stock) issued and outstanding immediately prior to the First Step Merger will be converted into the right to receive, at the election of each holder and subject to proration as described in the Merger Agreement:

- (i) \$14.00 in cash (the Cash Consideration); or
- (ii) a number of shares of Microchip common stock equal to \$14.00 *divided by* the average closing sale price for a share of Microchip common stock for the ten most recent trading days ending on the second to last trading day immediately prior to the Effective Time (such consideration, Stock Consideration).

A minimum of 42% of the shares of Micrel Common Stock will be converted into Stock Consideration. Shareholders of Micrel who do not make a valid election will receive the Cash Consideration, subject to proration as described in the Merger Agreement.

The Boards of Directors of Microchip and Micrel have unanimously approved the Mergers and the Merger Agreement. The transaction is subject to customary closing conditions, including the absence of certain legal impediments, the expiration or termination of the required waiting periods under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, the effectiveness of a registration statement on Form S-4 registering the shares of Microchip common stock to be issued in connection with the Mergers, approval by the holders of a majority of the outstanding shares of Micrel Common Stock, and receipt of opinions from legal counsel regarding the intended tax treatment of the Merger. The transaction is not subject to any financing condition.

The Merger Agreement contains customary representations, warranties and covenants of Microchip, Micrel, Merger Sub and Merger Sub 2, including among others, (i) covenants by Micrel concerning the conduct of its business in the ordinary course consistent with past practice during the interim period between the execution of the Merger Agreement and the consummation of the Mergers, (ii) a covenant by Micrel that, subject to certain exceptions, the Board of Directors of Micrel will recommend to its shareholders adoption of the Merger Agreement, and (iii) a covenant that Micrel will not solicit, initiate, or knowingly encourage, facilitate or induce the making of inquiry, offer or proposal that would reasonably be expected to lead to any Acquisition Proposal (as defined in the Merger Agreement). The Merger Agreement contains certain termination rights for both Microchip

and Micrel and further provides that upon termination of the Merger Agreement under specified circumstances Micrel may be required to pay Microchip a termination fee.

Voting Agreements

In connection with the parties' entry into the Merger Agreement, all of the directors and executive officers of Micrel, in their respective capacities as shareholders of Micrel, have entered into voting agreements with Microchip (the Voting Agreements), pursuant to which they have agreed to, among other things, vote their shares of Micrel Common Stock in favor of adopting the Merger Agreement and against any alternative that would reasonably be expected to adversely affect or inhibit the consummation of the transactions contemplated by the Merger Agreement.

The foregoing description of the Merger Agreement, the Voting Agreements and the transactions contemplated thereby does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement, which is attached hereto as Exhibit 2.1. We encourage you to read the Merger Agreement for a more complete understanding of the transaction. The Merger Agreement has been attached as an exhibit to this report to provide investors and security holders with information regarding its terms. It is not intended to provide any factual information about Microchip, Micrel or the Merger Subs.
