Item 7.01 Regulation FD Disclosure.

As contemplated by the terms of the plan support agreement, dated August 24, 2016, by and among Key Energy Services, Inc. (the Company or Key) and certain of its subsidiaries, Platinum Equity and certain of the other holders of the Company's 6.75% Senior Notes due 2021 (the Senior Notes), representing an aggregate of 89.1% in principal amount of the Senior Notes, and certain of the lenders under Key's Term Loan Credit Agreement dated June 1, 2015, the Company elected not to make its interest payment of \$22,781,250.00 due on September 1, 2016 with respect to its Senior Notes. The indenture governing the Senior Notes permits the Company a 30-day grace period to make the interest payment. If the Company does not make the payment for 30 days, an event of default is triggered under the indenture governing the Senior Notes and the Senior Notes may become due and payable. In addition, an event of default under the indenture related to the Senior Notes would trigger an event of default under the Company's ABL and Term Loan facilities.

The information contained in this Item 7.01 is furnished and shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act), or incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference in such a filing.
