- 7) The fiduciary assignor must obtain prior express consent of the Fiduciary Agent, independently of the occurrence of a default event, to exercise its vote in relation to the following matters:

any matters that govern the exercise of the right to withdraw, as specified in Article 136-A and 137 of the Corporate Law;

issuance of new shares;

reduction of the Company's share capital, unless this be for absorption of losses and/or for payment of the Promissory Notes of Cemig GT's 7th Issue or of another debt contracted for the payment of the Promissory Notes of the 7th Issue of Cemig GT and subject to obedience to the fiduciary assignor's obligation in relation to the reinforcement of guarantee in the terms of the fiduciary assignment contract and the Deed of the 7th Issue of Debentures;

shall send, by the date on which said general meeting is held, voting instructions approved by the debenture holders, in a general meeting called for the purpose, in relation to all and any matter to be decided by the fiduciary assignor as stockholder of the respective Company; and

9) Obligations of the fiduciary assignor present in the fiduciary assignment contracts include the following:

not to dispose of, sell, undertake to sell, assign, transfer, loan, lease, transfer to capital, institute usufruct or right of use to third parties, or by any other means dispose of the fiduciarily assigned assets, without the prior express consent of debenture holders representing at least 75% of the debentures in circulation, after a decision taken in a general meeting, in accordance with the Issue Deed;

not to do any act that may in any way restrain, reduce or affect the efficacy of the fiduciary assignment in guarantee and the rights of the debenture holders over the fiduciarily assigned assets; and

to deliver to the Fiduciary Agent annually, as from the date of signature of the fiduciary assignment contract (inclusive), an updated valuation opinion on the fiduciarily assigned assets.

During the period of validity of the debentures, if the Fiduciary Agent finds that the total value of the real guarantees is less than 120% of the outstanding balance, all the measures necessary for replenishment of the real guarantees shall be adopted in such a way that the said ratio is re-established, offering other guarantees among the list set out in Clause 3.5 of the Deed of the 7th Debenture Issue or any other such as is approved by the debenture holders in a general meeting.

If the debenture holders do not accept the new guarantee presented, the Fiduciary Agent must, if oriented by the debenture holders in their own meeting, declare early maturity of the debentures.

Also, when the total value of the guarantees is greater than 120% of the debtor balance, release of certain real guarantees from their respective burden may be requested, in whole or in part, in the order of priority specified in Clause 3.5.3.7 of the Issue Deed, so that the ratio in question is reduced to 120%.

The procedure for foreclosure of the fiduciarily assigned assets shall take place independently and in addition to any other execution of guarantee, real or by surety, given to the debenture holders, in such a way that the guarantees may be executed, simultaneously or in any order, without this prejudicing any right or possibility of exercise in the future, until the complete settlement of the obligations guaranteed.

If the amount ascertained from the foreclosure of the guarantees is not enough to pay in full the obligations guaranteed and the expenses incurred in the foreclosure of the guarantees, Cemig and Cemig GT shall continue to be individually and jointly obliged to pay the debtor balance found of the debentures, in the terms of the Issue Deed.

The fiduciary assignment contract shall remain in full effect and the assigning party shall continue to be obligated in the terms of the said contract until the guaranteed obligations are settled in full.

- g) Signature, whenever necessary, of amendments to the fiduciary assignment and fiduciary disposal contracts specified in Subclauses e and f of this item, in the event of any release of the real guarantees taking place.

IV The Board appointed Planner, irrevocably, until the complete settlement of all the obligations arising from the debentures referred to above, as duly appointed attorney of the assigning party, in the terms of Article 694 of the Civil Code, with powers, among other rights, to sign documents and carry out acts in its name for maintaining, preserving, formalizing and execution of the guarantees, as defined in the contract.

V The Board canceled and replaced Board Spending Decision (CRCA) 089/2016), of December 22, 2016, which deals with the first version of the 2017 budget.

VI The Board submitted a proposal to the Extraordinary General Meeting of Stockholders for:

- a) Authorization, until approval of the budget for 2018, for the Company to exceed the target for the quantity established in Subclause d of Paragraph 7 of Clause 11 of the Company's by-laws, namely the consolidated amount of funds allocated to capital investment and acquisition of any assets in the business year, keeping it to a maximum limit of 90% of Ebitda (profit before interest, taxes, depreciation and amortization).
