INTRODUCTORY NOTE

On January 2, 2018 (the Closing Date), Beacon Roofing Supply, Inc. (Beacon or the Company) completed its previously announced acquisition (the Allied Acquisition) of all of the outstanding capital stock of Allied Building Products Corp. and an affiliated entity (together, Allied), pursuant to that certain Stock Purchase Agreement, dated as of August 24, 2017 (the Stock Purchase Agreement), among the Company, Oldcastle, Inc., as parent, and Oldcastle Distribution, Inc., as seller, for approximately \$2.625 billion in cash (subject to a working capital and certain other adjustments as set forth in the Stock Purchase Agreement) (the Purchase Price).

Item 1.01 Entry into a Material Definitive Agreement.

New Credit Facilities

In connection with the Allied Acquisition, on the Closing Date, the Company entered into (i) a new term loan credit agreement (the New Term Loan Credit Agreement) with Citibank, N.A., as administrative agent and collateral agent, and the other lenders from time to time party thereto, providing for a senior secured term loan B facility with an initial commitment of \$970.0 million (the Term Loan Credit Facility) and (ii) an amended and restated credit agreement (the Amended and Restated ABL Credit Agreement and, together with the New Term Loan Credit Agreement, the New Credit Agreements) with Wells Fargo Bank, National Association, as administrative agent, certain subsidiaries of the Company as borrowers (the Borrowers), and the other lenders party thereto, providing for a senior secured asset-based revolving credit facility with an initial commitment of \$1.3 billion (the Revolving Credit Facility and, together with the Term Loan Credit Facility, the New Credit Facilities).

Interest. The interest rates applicable to borrowings under the Term Loan Credit Facility and the Revolving Credit Facility are based on a fluctuating rate of interest measured by reference to either, at the Company's option, (i) a base rate, plus an applicable margin, or (ii) a reserve-adjusted London Interbank Offered Rate (LIBOR), plus an applicable margin (or, in the case of Revolving Credit Facility borrowings denominated in Canadian dollars, the Canadian dollar bankers' acceptances rate). The initial applicable margin for all Term Loan Credit Facility borrowings is 1.25% per annum with respect to base rate borrowings and 2.25% per annum with respect to LIBOR borrowings. The applicable margin for Revolving Credit Facility borrowings will be based on the Company's excess availability as determined by reference to a borrowing base.

Prepayments. The New Term Loan Credit Agreement requires the Company to prepay outstanding term loans, subject to certain exceptions, with: (i) 100% of the net cash proceeds of non-ordinary course asset sales or other dispositions of property by the Company or any of the restricted subsidiaries and 100% of the net cash proceeds from certain insurance and condemnation events with respect to the Company's assets, subject to customary thresholds and reinvestment rights; (ii) a variable percentage of excess cash flow, ranging from 50% to 0% depending on the Company's consolidated secured leverage ratio from time to time; and (iii) 100% of the Company's and its restricted subsidiaries' net cash proceeds from the issuance or incurrence of debt obligations for borrowed money not permitted under the New Term Loan Credit Agreement. The Company may voluntarily prepay outstanding loans under the Company's Term Loan Credit Facility at any time subject to customary breakage costs with respect to LIBOR loans and subject to a prepayment premium of 1.00% in connection with certain customary repricing events that may occur within six months after the Closing Date.

The Revolving Credit Facility is required to be prepaid to the extent extensions of credit thereunder exceed the applicable borrowing base. In addition, if excess availability as determined by reference to a borrowing base falls below a specified threshold or if certain events of default occur under the Revolving Credit Facility, all cash proceeds of collateral pledged under the Revolving Credit Facility will be applied to repay the Revolving Credit Facility or secure certain obligations thereunder, subject to the right to reborrow thereafter under the Revolving Credit Facility.

The Borrowers may voluntarily repay and reborrow outstanding loans under the Revolving Credit Facility at any time without a premium or penalty, other than customary breakage costs with respect to LIBOR loans.

Maturity. In connection with the Term Loan Credit Facility, the Company must make scheduled quarterly principal payments of \$2.425 million, with the balance of the principal due on the seventh anniversary of the Closing Date.

The Revolving Credit Facility will mature and the commitments thereunder will terminate five years after the Closing Date.

Guarantee and Security. The obligations of the borrowers under the Revolving Credit Facility are guaranteed by the Company and each of its direct and indirect, existing and future domestic subsidiaries, subject to customary exceptions and limitations. Borrowings under the Revolving Credit Facility by Canadian subsidiaries of the Company are also guaranteed by certain non-U.S. subsidiaries of the Company, if any (and any such foreign subsidiary will not guarantee the borrowings under the Term Loan Credit Facility).

The Revolving Credit Facility is secured by a first priority lien over substantially all of the Company's and each guarantor's accounts, chattel paper, deposit accounts, books, records and inventory (as well as intangibles related thereto), subject to certain customary exceptions (the Revolving Priority Collateral), and a second priority lien over substantially all of the Company's and each guarantor's other assets, including all of the equity interests of any subsidiary held by the Company or any guarantor, subject to certain customary exceptions (the Term Priority Collateral).

The obligations of the Company under the Term Loan Credit Facility are guaranteed by each of its direct and indirect, existing and future, domestic subsidiaries, subject to customary exceptions and limitations. The Term Loan Credit Facility is secured by a first priority lien on the Term Priority Collateral and a second priority lien on the Revolving Priority Collateral. Certain excluded assets will not be included in the Term Priority Collateral and the Revolving Priority Collateral.

Covenants. The Revolving Credit Facility contains a springing financial covenant that requires the Company, after failure to meet a minimum availability threshold under the Revolving Credit Facility, to comply with a minimum fixed charge coverage ratio (consolidated EBITDA less capital expenditures to fixed charges) of 1.00 to 1.00. Under the Revolving Credit Facility, consolidated EBITDA includes additional add-backs to net income for certain costs, fees, taxes, losses, charges, write-offs, write-downs and expenses, and consolidated fixed charges include cash interest expenses, scheduled principal payments in respect of indebtedness, income taxes paid in cash and certain restricted payments. In addition, the New Credit Facilities are subject to negative covenants that, among other things and subject to certain exceptions, limit the Company's ability and the ability of its restricted subsidiaries to: (i) incur indebtedness, make guarantees or engage in hedging arrangements; (ii) incur liens or engage in sale-leaseback transactions; (iii) make investments, loans and acquisitions; (iv) merge, liquidate or dissolve; (v) sell assets, including capital stock of subsidiaries; (vi) pay dividends on capital stock or redeem, repurchase or retire capital stock; (vii) alter the Company's business; (viii) engage in transactions with the Company's affiliates; and (ix) enter into agreements limiting subsidiary dividends and distributions.

Events of Default. The New Credit Agreements also contains certain customary representations and warranties, affirmative covenants and events of default (including, among others, an event of default upon a change of control). If an event of default occurs and is not cured or waived, the lenders under the New Credit Facilities are entitled to take various actions, including the acceleration of amounts due under the New Credit Facilities and all actions permitted to be taken by a secured creditor.

Incremental Facilities. The New Term Loan Credit Agreement provides that the Company has the right at any time to request incremental term loans up to the greater of (1) the excess, if any, of \$675.0 million over the aggregate amount of all incremental term loan commitments previously utilized, and (2) such other amount so long as such amount at such time could be incurred without causing the pro forma consolidated secured leverage ratio to exceed 3.50 to 1.00. The New Revolving Credit Agreement provides that the Company has the right at any time to request an increase in

the revolving commitments up to \$500.0 million. The lenders under the New Credit Facilities are not under any obligation to provide any such incremental commitments or loans and any such addition of or increase in commitments or loans are subject to certain customary conditions precedent.

The foregoing description of the New Credit Agreements do not purport to be complete and are qualified in their entirety by reference to the New Credit Agreements, copies of which are filed as Exhibits 10.1 and 10.2 hereto and are incorporated herein by reference.

Senior Notes due 2025

As previously disclosed, on October 25, 2017, Beacon Escrow Corporation, a wholly owned subsidiary of Beacon (the Escrow Issuer), entered into an Indenture, dated as of October 25, 2017 (the 2025 Indenture), by and between the Escrow Issuer and U.S. Bank National Association, as trustee (in such capacity, the Trustee), pursuant to which the Escrow Issuer issued \$1.3 billion aggregate principal amount of 4.875% Senior Notes due 2025 (the 2025 Notes) in a private offering to qualified institutional buyers and to non-U.S. persons outside of the United States in accordance with Rule 144A and Regulation S, respectively, under the Securities Act of 1933, as amended (the Securities Act). The terms of the 2025 Notes are governed by the 2025 Indenture.

Upon issuance of the 2025 Notes, the net proceeds of the offering, together with certain additional funds (the Escrowed Funds), were deposited into a segregated escrow account. In connection with the consummation of the Allied Acquisition, the Escrowed Funds were released from the escrow account and were used, together with borrowings under the New Credit Facilities and the proceeds from the Convertible Preferred Stock Purchase (as defined below), to fund the Purchase Price, to refinance certain indebtedness of the Company, to repay existing indebtedness of Allied and to pay related fees and expenses.

In connection with the release of the Escrowed Funds from escrow, the Escrow Issuer merged with and into Beacon, with Beacon as the surviving entity in the merger. In connection therewith, the Trustee, the Company and certain of the direct and indirect subsidiaries of the Company (the Subsidiary Guarantors) entered into a supplemental indenture to the 2025 Indenture, dated as of the Closing Date (the 2025 Supplemental Indenture), providing for the assumption by the Company of the Escrow Issuer's obligations under the 2025 Indenture and the 2025 Notes and the guarantee of the 2025 Notes by the Subsidiary Guarantors. The 2025 Notes are the Company's senior unsecured obligations and rank equally in right of payment with all of its existing and future senior debt, senior in right of payment to all of its existing and future subordinated debt, effectively subordinated to all of its existing and future secured indebtedness and structurally subordinated to all existing and future indebtedness and other liabilities of its non-guarantor subsidiaries.

The foregoing description of the 2025 Indenture, the 2025 Supplemental Indenture and the 2025 Notes does not purport to be complete and is qualified in its entirety by reference to the 2025 Indenture, the 2025 Supplemental Indenture and form of 4.875% Senior Notes due 2025, copies of which are filed as Exhibits 4.1, 4.2 and 4.4, respectively, hereto and are incorporated herein by reference.

Existing Senior Notes due 2023

In connection with the Allied Acquisition, on the Closing Date, the Trustee, the Company and certain of the direct and indirect subsidiaries of the Company entered into a second supplemental indenture (the 2023 Second Supplemental Indenture) to the Indenture, dated as of October 1, 2015, by and among the Company, each subsidiary guarantor from time to time party thereto and the Trustee, as supplemented by the Supplemental Indenture, dated as of October 1, 2015, among the Company, certain direct and indirect subsidiaries of the Company, the existing guarantors party thereto and the Trustee (as so supplemented, the 2023 Indenture), providing for the guarantee of the Company's existing 6.375% Senior Notes due 2023 under the 2023 Indenture by such direct and indirect subsidiaries of the Company.

The foregoing description of the 2023 Second Supplemental Indenture does not purport to be complete and is qualified in its entirety by reference to the 2023 Second Supplemental Indenture, a copy of which is filed as Exhibit

4.3 hereto and is incorporated herein by reference.

Convertible Preferred Stock Purchase

In connection with the Allied Acquisition, on the Closing Date, the Company completed the sale of 400,000 shares of Series A Cumulative Convertible Participating Preferred Stock, par value \$0.01 per share (the Preferred Stock), with an aggregate liquidation preference of \$400.0 million, at a purchase price of \$1,000 per share, to CD&R Boulder Holdings, L.P. (the CD&R Stockholder), pursuant to that certain Investment Agreement, dated as of August 24, 2017 (the Investment Agreement), with CD&R Boulder Holdings, L.P. and Clayton, Dubilier & Rice Fund IX, L.P. (the CD&R Fund) (solely for the purpose of limited provisions therein) (the Convertible Preferred Stock Purchase). The \$400.0 million in proceeds from the Convertible Preferred Stock Purchase were used to finance in part the Purchase Price. CD&R Stockholder and CD&R Fund are entities affiliated with the investment firm Clayton, Dubilier & Rice LLC (CD&R).

The Preferred Stock is convertible perpetual participating preferred stock of the Company, with an initial conversion price of \$41.26 per share, and will accrue dividends at a rate of 6.0% per annum (payable in cash or in-kind, subject to the conditions set forth in the Certificate of Designations (as defined below)). The aggregate number of shares of common stock into which the Preferred Stock may be converted will be limited to 12,071,937 shares of the Company's common stock, par value \$0.01 per share (the Common Stock), which represents 19.99% of the total number of shares of Common Stock issued and outstanding immediately prior to the execution of the Investment Agreement unless and until such time, if any, that a Stockholder Approval (as defined in the Certificate of Designations (as defined below)) is obtained. The terms of the Preferred Stock are more fully described in the Certificate of Designations, Preferences and Rights of Series A Cumulative Convertible Participating Preferred Stock of Beacon Roofing Supply, Inc. (the Certificate of Designations), which created the Preferred Stock and established the designations, preferences and other rights of the Preferred Stock and became effective upon filing with the Secretary of State of the State of Delaware on December 29, 2017.

Following the consummation of the Allied Acquisition and the Convertible Preferred Stock Purchase, the CD&R Stockholder will beneficially own shares of Preferred Stock that may be converted at the option of the CD&R Stockholder into 9,694,619 shares of Common Stock, representing approximately 12.5% of Beacon's outstanding shares of Common Stock as of October 31, 2017 (on as-converted basis and assuming no adjustment to the initial conversion price of \$41.26 per share). For additional information regarding the Preferred Stock terms, see the information set forth under the heading Investment Agreement and Preferred Stock Terms in Item 1.01 of the Company's Current Report on Form 8-K filed with the U.S. Securities and Exchange Commission (the SEC) on August 24, 2017, which information is incorporated herein by reference.

The foregoing description of the Investment Agreement and the Preferred Stock terms does not purport to be complete and is qualified in its entirety by reference to the Investment Agreement and the Certificate of Designations, copies of which are filed as Exhibits 10.3 and 3.1 hereto, respectively, and are incorporated herein by reference.

CD&R Registration Rights Agreement

In connection with the Allied Acquisition and pursuant to the Investment Agreement, on the Closing Date, Beacon entered into a registration rights agreement (the Registration Rights Agreement) with the CD&R Stockholder, pursuant to which Beacon has agreed to file a resale shelf registration statement for the benefit of the CD&R Stockholder and its permitted transferees (collectively, the CD&R Stockholders) promptly upon the expiration of the 18-month post-closing lock-up period, and pursuant to which the CD&R Stockholders may make up to four requests (only two of which may require a customary road show or other substantial marketing efforts) that Beacon conduct an underwritten offering of, or register, shares of Common Stock received upon conversion of Preferred Stock held by the CD&R Stockholders and eligible for registration thereunder (registrable securities). The CD&R Stockholders also have customary piggyback registration rights and may request that Beacon include their registrable securities in certain future registration statements or offerings of Common Stock by Beacon. These registration rights will

terminate when the CD&R Stockholders no longer own any registrable securities or shares of Preferred Stock.

The foregoing description of the Registration Rights Agreement does not purport to be complete and is qualified in its entirety by reference to the Registration Rights Agreement, a copy of which is filed as Exhibit 10.4 hereto and is incorporated herein by reference.

Item 1.02 Termination of a Material Definitive Agreement.

On January 2, 2018, concurrently with the Company's entry into the New Credit Agreements as described above in Item 1.01 hereto, the Company terminated its term loan credit agreement dated as of October 1, 2015 and repaid all outstanding borrowings thereunder in full.

Item 2.01 Completion of Acquisition or Disposition of Assets.

Pursuant to the Stock Purchase Agreement, on the Closing Date, the Company acquired all of the outstanding capital stock of Allied for approximately \$2.625 billion in cash (subject to a working capital and certain other adjustments as set forth in the Stock Purchase Agreement).

The foregoing description of the Stock Purchase Agreement and the transactions contemplated thereby does not purport to be complete and is qualified in its entirety by reference to the Stock Purchase Agreement, a copy of which was previously filed as Exhibit 2.1 to the Company's Current Report on Form 8-K filed with the SEC on August 24, 2017, which is incorporated herein by reference.

Such issuance and sale is exempt from registration under the Securities Act pursuant to Section 4(a)(2) thereof. The CD&R Stockholder represented to the Company that it is an "accredited investor" as defined in Rule 501 under the Securities Act and that the shares of Preferred Stock are being acquired for investment purposes and not with a view to, or for sale in connection with, any distribution thereof.

In connection with the closing of the Allied Acquisition, the Company's Board of Directors (the Board) increased the size of the Board from ten members to eleven members. To fill the vacancy created by this increase and pursuant to the terms of the Investment Agreement, which provides that the CD&R Stockholder initially may designate two directors to the Company's board of directors, the Board, upon the recommendation of its Nominating and Corporate Governance Committee, appointed Nathan K. Sleeper, a CD&R partner, as a new director to serve until the 2018 annual meeting of stockholders of the Company.
