Item 1.01 Entry into a Material Definitive Agreement

On January 8, 2018, Taylor Morrison Home Corporation (the **Company**) completed the sale of 11,000,000 shares of Class A common stock in an underwritten public offering (the **Public Offering**) at a purchase price per share paid by the underwriters of \$26.05.

In addition, on January 8, 2018, in a separate privately negotiated transaction (the **Sponsor Repurchase**), the Company's subsidiary TMM Holdings II Limited Partnership (**New TMM**) purchased an aggregate of 3,838,771 of its partnership units (**New TMM Units**) (and corresponding shares of the Company's Class B common stock) from the equity sponsors at a purchase price per unit equal to the price per share paid by the underwriters for the Class A common stock in the Public Offering.

Following the consummation of the Public Offering and the transactions contemplated by the Purchase Agreement and the Sponsor Repurchase Agreement (each as defined below), the sponsors collectively beneficially own approximately 19.3% of the Company's common stock, before giving effect to approximately 1.5 million additional outstanding shares of Class A common stock beneficially owned by certain affiliates of the TPG holding vehicle (as defined below).

The Public Offering

The Company used all of the net proceeds that it received from the Public Offering to purchase New TMM Units, along with shares of the Company's Class B common stock, held by certain of its shareholders, including TPG TMM Holdings, II L.P. (the **TPG holding vehicle**) and OCM TMM Holdings II, L.P. (the **Oaktree holding vehicle**). The aggregate number of New TMM Units (each paired with one share of Class B common stock) purchased by the Company in connection with the Public Offering is equal to the number of shares of Class A common stock sold in the Public Offering.

The Public Offering was registered under the Securities Act of 1933, as amended (the **Securities Act**), pursuant to a registration statement on Form S-3ASR (File No. 333-216864) (the **Registration Statement**) filed with the Securities and Exchange Commission (the **Commission**) on March 22, 2017. The terms of the Public Offering are described in a Prospectus dated March 22, 2017, as supplemented by a Prospectus Supplement dated January 3, 2018 (filed with the Commission on January 5, 2018).

In connection with the Public Offering, on January 3, 2018, the Company entered into a purchase agreement (the **Purchase Agreement**) with each of the TPG holding vehicle and the Oaktree holding vehicle. Pursuant to the Purchase Agreement, the Company agreed to purchase 5,500,000 New TMM Units (and corresponding shares of Class B common stock) held by the TPG holding vehicle and 5,500,000 New TMM Units (and corresponding shares of Class B common stock) held by the Oaktree holding vehicle, in each case at a per unit price equal to the per share price paid by the underwriters for shares of Class A common stock in the Public Offering. The Purchase Agreement includes customary representations, warranties and covenants by the Company. The purchase of the New TMM Units from the TPG holding vehicle and the Oaktree holding vehicle pursuant to the Purchase Agreement was consummated promptly following the Public Offering.

The foregoing description does not purport to be a complete statement of the parties' rights and obligations under the Purchase Agreement, and is qualified in its entirety by reference to the full text of the Purchase Agreement, which is attached hereto as Exhibit 10.1 and is incorporated by reference into this report.

The Sponsor Repurchase Agreement includes customary representations, warranties and covenants by New TMM. The Sponsor Repurchase was funded using existing cash on hand and was consummated promptly following the Public Offering.

The foregoing description does not purport to be a complete statement of the parties' rights and obligations under the Sponsor Repurchase Agreement, and is qualified in its entirety by reference to the full text of the Sponsor Repurchase Agreement, which is attached hereto as Exhibit 10.2 and is incorporated by reference into this report.

The Underwriting Agreement includes customary representations, warranties and covenants by the Company. It also provides that the Company will indemnify the underwriters against certain liabilities, including liabilities under the Securities Act.
