EXPLANATORY NOTE

Global Eagle Entertainment Inc. (the Company or we) hereby amends its Registration Statements on Form S-8 (Registration No. 333-206251 and Registration No. 333-213167) (together, the Registration Statements) by filing this Post-Effective Amendment No. 1 to such Registration Statements (the Post-Effective Amendment) to reflect that the Global Eagle Entertainment Inc. Amended and Restated 2013 Equity Incentive Plan, as amended (the 2013 Plan), was replaced by the Global Eagle Entertainment Inc. 2017 Omnibus Long-Term Incentive Plan (the 2017 Plan), effective as of December 21, 2017 (the Effective Date).

Pursuant to the terms of the 2017 Plan, any shares of the Company's common stock, \$0.0001 par value (Common Stock), registered under the Registration Statements that were (i) authorized and approved for issuance but not awarded under the 2013 Plan as of the Effective Date, and (ii) any shares of Common Stock subject to outstanding awards under the 2013 Plan that expire without being exercised, or are forfeited, or canceled without such shares being issued after the Effective Date (collectively, the Rollover Shares), will be available for award grants under the 2017 Plan.

On December 21, 2017, which is the date the Company's stockholders approved the 2017 Plan, these Rollover Shares consisted of (1) 2,382,172 shares of Common Stock available for additional award grants under the 2013 Plan and (2) up to 2,011,720 shares of Common Stock subject to awards then outstanding under the 2013 Plan that may expire without being exercised, or are forfeited, or canceled. The ultimate Rollover Share figure will vary if, for example, a recipient forfeits an award (or portion thereof) under the 2013 Plan prior to its vesting in full or if a recipient does not exercise his or her right to receive shares underlying a stock-option award.

The Company is filing this Post-Effective Amendment pursuant to SEC Compliance and Disclosure Interpretation 126.43 to amend the Registration Statements to register the offer of the Rollover Shares under the 2017 Plan (as such shares would no longer be issuable under the 2013 Plan). No new awards may be made under the 2013 Plan from and after the Effective Date. No additional securities are being registered hereby.

PART I

These documents and the documents incorporated by reference in this Registration Statement pursuant to Item 3 of Part II hereof, taken together, constitute a prospectus that meets the requirements of Section 10(a) of the Securities Act.

PART II

Item 3. Incorporation of Documents By Reference.

The Company has filed the following documents with the SEC pursuant to the Securities Exchange Act of 1934, as amended (the Exchange Act), and hereby incorporates them by reference in this Registration Statement:

(1)

Edgar Filing: Global Eagle Entertainment Inc. - Form S-8 POS

- (2) Current Reports on Form 8-K filed with the SEC on March 9, 2018, March 20, 2018 and March 27, 2018 (File No. 001-35176); and

- (3) The description of the Company's Common Stock contained in the Company's Registration Statement on Form 8-A (File No. 001-35176) filed with the SEC on May 12, 2011, including any amendment or report filed for the purpose of updating such description.

In addition, all documents the Company subsequently files pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Exchange Act after the date of this Registration Statement and prior to the filing of a post-effective amendment that indicates that all securities offered hereby have been sold or that deregisters all securities covered hereby then remaining unsold are incorporated by reference in this Registration Statement and are a part hereof from the date of filing of such documents.

Any such statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute part of this Registration Statement.

Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

Section 145 of the Delaware General Corporation Law provides that directors and officers of Delaware corporations are entitled, under certain circumstances, to be indemnified against all expenses and liabilities (including attorneys fees) incurred by them as a result of suits brought against them in their capacity as a director or officer, if they acted in good faith and in a manner they reasonably believed to be in or not opposed to our best interests, and, with respect to any criminal action or proceeding, if they had no reasonable cause to believe their conduct was unlawful; provided that no indemnification may be made against expenses in respect of any claim, issue or matter as to which they shall have been adjudged to be liable to us, unless and only to the extent that the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, they are fairly and reasonably entitled to indemnity for such expenses that the court shall deem proper. Any such indemnification may be made by us only as authorized in each specific case upon a determination by the stockholders, disinterested directors or independent legal counsel that indemnification is proper because the indemnitee has met the applicable standard of conduct.

Our Second Amended and Restated Certificate of Incorporation and our by-laws provide that our directors and officers will be indemnified by us to the fullest extent authorized by Delaware General Corporation Law as it now exists or may in the future be amended.

We have also entered into agreements with our directors and executive officers to provide contractual indemnification in addition to the indemnification provided in our Second Amended and Restated Certificate of Incorporation and our by-laws. We believe that these agreements are necessary to attract qualified directors and officers. Our by-laws also permit us to secure insurance on behalf of any officer, director or employee for any liability arising out of his or her actions, regardless of whether Delaware General Corporation Law would permit indemnification. In that regard, we have purchased a directors' and officers' liability insurance policy that insures our directors and officers against the cost of defense, settlement or payment of a judgment in some circumstances and insures us against our obligations to indemnify those directors and officers in respect of the same.

The indemnification provisions contained in our Second Amended and Restated Certificate of Incorporation, our by-laws and in the indemnity agreements may discourage stockholders from bringing a lawsuit against our directors and officers for breach of their fiduciary duty. These provisions also may have the effect of reducing the likelihood of derivative litigation against directors and officers, even though such an action, if successful, might otherwise benefit us and our stockholders. Furthermore, a stockholder's investment may be adversely affected to the extent we pay the costs of settlement and damage awards against directors and officers pursuant to these indemnification provisions. We believe that these provisions and the directors' and officers' liability insurance policy are necessary to attract and retain talented and experienced directors and officers.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to our directors, officers and controlling persons pursuant to the foregoing provisions or otherwise, we have been advised that in the opinion of the SEC, such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable.

Item 9. Undertakings.

The Company hereby undertakes:

- (a) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

- (1) To include any prospectus required by Section 10(a)(3) of the Securities Act;
- (2) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with

the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective Registration Statement;

(3) to include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement; *provided, however*, that paragraphs (a)(1) and (a)(2) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the SEC by the Company pursuant to Section 13 or 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

(b) that, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

The Company hereby undertakes that, for the purpose of determining any liability under the Securities Act, each filing of the Company's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Company pursuant to the foregoing provisions or otherwise, the Company has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities, other than the payment by the Company of expenses incurred or paid by a director, officer or controlling person of the Company in the successful defense of any action, suit or proceeding, is asserted by such director, officer or controlling person in connection with the securities being registered, the Company will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
