Notice of annual general meeting *cont.*

Notice is hereby given that the 63rd annual general meeting of shareholders of AngloGold Ashanti Limited will be held at The Country Club Johannesburg, Napier Road, Auckland Park, Johannesburg, South Africa, on Friday, 4 May 2007, at 11:00, to consider and, if deemed fit, pass, with or without modification, the following ordinary and special resolutions in the manner required by the Companies Act No. 61 of 1973, as amended, and subject to the Listings Requirements of the JSE Limited (JSE Listings Requirements) and other stock exchanges on which the company's ordinary shares are listed.

Ordinary business

1. Ordinary resolution number 1

Adoption of financial statements

“Resolved that the consolidated audited annual financial statements of the company and its subsidiaries, incorporating the auditors’ and directors’ reports for the year ended 31 December 2006, be received and adopted.”

The reason for proposing ordinary resolution number 1 is to receive and adopt the consolidated annual financial statements of the company and its subsidiaries for the last completed financial year. These are contained within the annual report.

2. Ordinary resolution number 2

Re-election of director

“Resolved that Mr FB Arisman, who retires in terms of the Articles of Association and who is eligible and available for re-election, is hereby re-elected as a director of the company.”

The reason for proposing ordinary resolution number 2 is because Mr FB Arisman, retires as a director of the company by rotation at the annual general meeting.

Frank Arisman, MSc (Finance), has been a member of the AngloGold Ashanti board since April 1998. He resides in New York and retired after 32 years of service, from JP Morgan Chase, where he held the position of managing director.

3. Ordinary resolution number 3

Re-election of director

“Resolved that Mr RE Bannerman, who retires in terms of the Articles of Association and who is eligible and available for re-election, is hereby re-elected as a director of the company.”

The reason for proposing ordinary resolution number 3 is because Mr RE Bannerman retires as a director of the company by rotation at the annual general meeting.

Reginald Bannerman, (MA) (Oxon), LL.M (Yale) was appointed to the board on 10 February 2006. He has been in law practice since 1968 and is currently the principal partner at Bruce-Lyle, Bannerman & Thompson Attorneys in Ghana.

4. Ordinary resolution number 4

Re-election of director

“Resolved that Mr WA Nairn, who retires in terms of the Articles of Association and who is eligible and available

for re-election, is hereby re-elected as a director of the company.”

The reason for proposing ordinary resolution number 4 is because Mr WA Nairn retires as a director of the company by rotation at the annual general meeting.

Bill Nairn, BSc (Mining Engineering) has been a member of the AngloGold board since January 2000. He was reappointed to the board in May 2001, having previously been alternate director to Tony Trahar. He was technical director of Anglo American plc, prior to his retirement in 2004.

5. Ordinary resolution number 5

Re-election of director

“Resolved that Mr SR Thompson, who retires in terms of the Articles of Association and who is eligible and available for re-election, is hereby re-elected as a director of the company.”

The reason for proposing ordinary resolution number 5 is because Mr SR Thompson retires as a director of the company by rotation at the annual general meeting.

Simon Thompson, BA (Hons), (Geology), is the chief executive of Anglo American Base Metals Division. He is also a director of Anglo American South Africa Limited, a member of the executive board of Anglo American plc, chairman of the Exploration Division and a member of the executive committee of the Industrial Minerals Division. Page 1_AngloGold Ashanti_Notice of meeting 2006

AngloGold Ashanti_Notice of meeting 2006_Page 2

6. Ordinary resolution number 6

Election of director

“Resolved that Mr JH Mensah, who retires in terms of Article 92 of the Articles of Association and who is eligible and available for election, is hereby elected as a director of the company.”

The reason for proposing ordinary resolution number 6 is because Mr JH Mensah, having been appointed a director since the previous annual general meeting, holds office only until this year's annual general meeting.

Joseph Mensah, MSc (Economics), London University, was appointed to the board in August 2006. He has extensive experience in international and local economic management. He is the Chairman of the National Development Planning Commission in Ghana and a member of the Ghana Parliament representing the Sunyani East constituency. He was until recently the Senior Minister in the current government.

7. Ordinary resolution number 7

Election of director

“Resolved that Prof WL Nkuhlu, who retires in terms of Article 92 of the Articles of Association and who is eligible and available for election, is hereby elected as a director of the company.”

The reason for proposing ordinary resolution number 7 is because Prof WL Nkuhlu, having been appointed a director since the previous annual general meeting, holds office only until this year's annual general meeting.

Wiseman Nkuhlu, BCom (University of Fort Hare), CA (SA), is a past president of The South African Institute of Chartered Accountants. He also holds an MBA from the University of New York and is a respected South African academic, professional and business leader. He was appointed to the AngloGold Ashanti board and deputy chairman of the Audit and Corporate Governance Committee with effect from 4 August 2006.

8. Ordinary resolution number 8

Election of director

“Resolved that Mr SM Pityana, who retires in terms of Article 92 of the Articles of Association and who is eligible and available for election, is hereby elected as a director of the company.”

The reason for proposing ordinary resolution number 8 is because Mr SM Pityana, having been appointed a director since the previous annual general meeting, holds office only until this year's annual general meeting.

Sipho Pityana, BA (Hons) (Essex), MSc (London), was appointed to the AngloGold Ashanti board on 13 February 2007. He is the Executive Chairman of Izingwe Holdings (Proprietary) Limited and has occupied strategic roles in both the public and private sector, including the positions of Director General of the national

departments of Labour and Foreign Affairs. He was formally a senior executive of Nedbank and is currently a non-executive director of several companies including Bytes Technology Group (BTG), African Oxygen (Afrox), Munich Re and Aberdare Cables.

9. Ordinary resolution number 9

Placement of shares under the control of the directors

“Resolved that subject to the provisions of the Companies Act No. 61 of 1973, as amended, and the JSE Listings Requirements, from time to time, the directors of the company are hereby, as a general authority and approval, authorised to allot and issue, in their discretion, and for such purposes as they may determine, up to 10% of the authorised but unissued ordinary shares of 25 cents each in the share capital of the company remaining after setting aside so many ordinary shares of 25 cents each as may be required to be allotted and issued by the company pursuant to the AngloGold Limited Share Incentive Scheme, the Long-Term Incentive Plan, the Bonus Share Plan, the Bokamoso Employee Share Ownership Plan, the Black Economic Empowerment transaction, the Employee Share Ownership Plan to be implemented in countries other than South Africa and for purposes of the conversion of the US\$1,000,000,000, 2.375% Guaranteed Convertible Bonds issued by AngloGold Ashanti Holdings plc.”

The reason for proposing ordinary resolution number 9 is to seek a general authority placing a portion of the unissued ordinary shares of the company under the control of the directors. The directors consider it advantageous to renew this authority to enable the company to take advantage of business opportunities which might arise in the future.

10. Ordinary resolution number 10

Issuing of shares for cash

“Resolved that, subject to Ordinary Resolution No. 9 being passed and in terms of the JSE Listings Requirements, from time to time, the directors are hereby authorised to allot and issue for cash without restrictions to any public shareholder, as defined by the JSE Listings Requirements, as and when suitable opportunities arise, in their discretion, the authorised but unissued ordinary shares of 25 cents each in the share capital of the company which were placed under the control of the directors as a general authority in terms of Ordinary Resolution No. 9, subject to the following conditions:

- (a) this authority shall only be valid until the next annual general meeting but shall not extend beyond 15 months;
- (b) a paid press announcement giving full details, including the impact on net asset value and earnings per share, be published after any issue representing, on a cumulative basis within one financial year, 5% or more of the number of ordinary shares in issue prior to the issue concerned;
- (c) the issues for cash in the aggregate in any one financial year shall not exceed 10% of the number of shares of the company’s unissued ordinary share capital;
- (d) in determining the price at which an issue of shares for cash will be made in terms of this authority, the maximum discount permitted shall be 10% of the weighted average traded price of the ordinary shares on the JSE (adjusted for any dividend declared but not yet paid or for any capitalisation award made to shareholders), over the 30 business days prior to the date that the price of the issue is determined or agreed by the directors of the company; and
- (e) this authority includes the issue of shares arising from any options or convertible securities issued for cash other than in respect of which a specific authority for such issue has been obtained.”

The reason for proposing ordinary resolution number 10 is that the directors consider it advantageous to renew this authority to enable the company to take advantage of any business opportunity which might arise in the future. The proposed renewal of this authority is in compliance with the JSE Listings Requirements relating to the issue of shares for cash.

A 75% majority of the votes cast by shareholders present or represented by proxy at the meeting is required for the approval of this ordinary resolution.

Special business

11. Ordinary resolution number 11

Increase in directors' remuneration

“Resolved that, subject to Article 73 of the Articles of Association of the company, the following remuneration shall be payable to directors of the company quarterly in arrears

with effect from 1 June 2007:

(a) R135,000 per annum for each director, other than for the incumbents of the offices of chairman, deputy chairman and a director qualifying for remuneration under (d) below.

(b) US\$150,000 per annum for the office of the chairman.

(c) R360,000 per annum for the office of the deputy chairman.

(d) Incumbents holding the office of director and who are non-residents of South Africa will receive US\$25,000 per annum.

(e) An additional travel allowance of US\$5,000 per meeting for each director, including the chairman and deputy chairman travelling internationally to attend board meetings.

The remuneration payable in terms (a), (b), (c), and (d) shall be in proportion to the period during which the offices of director, chairman or deputy chairman, as the case may be, have been held during the year.”

The reason for proposing the ordinary resolution is to ensure that directors’ remuneration, which has not been changed since 2004, remains competitive. It is proposed that the annual remuneration payable to directors (R110,000), the chairman (US\$130,000) and the deputy chairman (R300,000), be increased to R135,000, US\$150,000 and R360,000

Notice of annual general meeting *cont.*

Page 3_AngloGold Ashanti_Noticice of meeting 2006

AngloGold Ashanti_Notice of meeting 2006_Page 4
respectively. A director resident outside South Africa would receive US\$25,000 per annum instead of US\$16,000. On the basis of the present number of non-executive directors, the aggregate annual remuneration would increase from R1,180,000 and US\$178,000 to R1,440,000 and US\$225,000 respectively. In addition, it is proposed that the current travel allowance of US\$4,000 per meeting, payable to directors, including the chairman and deputy chairman, who travel internationally to attend board meetings, be increased to US\$5,000 per meeting. The increase of this allowance represents additional remuneration of some US\$12,000. Fees payable in respect of the position of president have been excluded.

Executive directors do not receive payments of directors' fees. The company will disregard any votes cast by the chairman, deputy chairman, non-executive directors and executive directors; or an associate of that person or group of persons stated above.

However, the company will not disregard a vote if:
it is cast by a person as proxy for a person who is entitled to vote in accordance with the directions on the form of proxy; or
it is cast by the person chairing the meeting as a proxy of a person who is entitled to vote in accordance with a direction on the form of proxy to vote as the proxy decides.

12. Special resolution number 1

Acquisition of company's own shares

“Resolved that the acquisition in terms of Section 85 of the Companies Act No. 61 of 1973, as amended, (the Act) and the JSE Listings Requirements, from time to time, by the company of ordinary shares issued by the company, and the acquisition in terms of Section 89 of the Act and the JSE Listings Requirements by the company and any of its subsidiaries, from time to time, of ordinary shares issued by the company, is hereby approved as a general approval, provided that:

any such acquisition of shares shall be implemented through the order book operated by the JSE trading system and done without any prior understanding or arrangement between the company and the counter party; and/or on the open market of any other stock exchange on which the shares are listed or may be listed and on which the company may, subject to the approval of the JSE and any other stock exchange as necessary, wish to effect such acquisition of shares; this approval shall be valid only until the next annual general meeting of the company, or for 15 months from the date of this resolution, whichever period is shorter; an announcement containing details of such

acquisitions will be published as soon as the company, or the subsidiaries collectively, shall have acquired ordinary shares issued by the company constituting, on a cumulative basis, not less than 3% of the number of ordinary shares in the company in issue as at the date of this approval; and an announcement containing details of such acquisitions will be published in respect of each subsequent acquisition by either the company, or by the subsidiaries collectively, as the case may be, of ordinary shares issued by the company, constituting, on a cumulative basis, not less than 3% of the number of ordinary shares in the company in issue as at the date of this approval;

the company, and its subsidiaries collectively, shall not in any financial year be entitled to acquire ordinary shares issued by the company constituting, on a cumulative basis, more than 20% of the number of ordinary shares in the company in issue as at the date of this approval;

shares issued by the company may not be acquired at a price greater than 10% above the weighted average market price of the company's shares for the five business days immediately preceding the date of the relevant acquisition."

The reason for this special resolution is to grant the directors of the company a general authority for the acquisition of the company's ordinary shares by the company, or by a subsidiary of the company.

The effect of this special resolution will be to authorise the directors of the company to procure that the company or any of its subsidiaries may purchase ordinary shares issued by the company on the JSE or any other stock exchange on which the company's shares are or may be listed.

The directors, after considering the effect of a repurchase, up to the maximum limit, of the company's issued ordinary

shares, are of the opinion that if such repurchases were implemented:

the company and the group would be able in the ordinary course of business to pay its debts for a period of 12 months after the date of the notice issued in respect of the annual general meeting;

the assets of the company and the group would be in excess of the liabilities of the company and the group for a period of 12 months after the date of the notice issued in respect of the annual general meeting. For this purpose, the assets and liabilities would be recognised and measured in accordance with the accounting policies used in the latest audited group annual financial statements;

the ordinary capital and reserves of the company and the group would be adequate for a period of 12 months after the date of the notice issued in respect of the annual general meeting; and

the working capital of the company and the group would be adequate for a period of 12 months after the date of the notice issued in respect of the annual general meeting.

At the present time the directors have no specific intention with regard to the utilisation of this authority which will only be used if the circumstances are appropriate.

The company will ensure that its sponsor provides the necessary sponsor letter on the adequacy of the working capital in terms of section 2.12 of the JSE Listings

Requirements prior to the commencement of any purchases of the company's shares on the open market.

In terms of section 11.23 of the JSE Listings Requirements, the following information is disclosed in the Annual Report 2006:
