PROXY STATEMENT

Why am I receiving this proxy statement?

Deere's Board of Directors is soliciting proxies for a special meeting of stockholders. You are receiving a proxy statement because you owned shares of Deere common stock on September 24, 2007, and that entitles you to vote at the meeting. By use of a proxy, you can vote whether or not you attend the meeting. This proxy statement describes the matter on which we would like you to vote and provides information on the matter so that you can make an informed decision.

The notice of special meeting, proxy statement and proxy are being mailed to stockholders on or about October 3, 2007.

What will I be voting on?

An amendment to the Restated Certificate of Incorporation to increase the number of authorized shares of common stock to 1,200,000,000 shares (see page 3).

How do I vote?

You can vote either *in person* at the special meeting or *by proxy* without attending the special meeting. We urge you to vote by proxy even if you plan to attend the special meeting so that we will know as soon as possible that enough votes will be present for us to hold the meeting. If you attend the meeting in person, you may vote at the meeting and your proxy will not be counted.

Follow the instructions on your voting instruction form. Telephone and Internet voting is available to all registered and most beneficial holders.

Stockholders voting by proxy may use one of the following three options:

- filling out the enclosed *voter instruction form*, signing it, and mailing it in the enclosed postage-paid envelope;
- voting by *Internet* (if available, instructions are on the voter instruction form); or
- voting by *telephone* (if available, instructions are on the voter instruction form).

If you hold your shares in [street name], please refer to the information forwarded by your bank, broker or other holder of record to see which options are available to you.

The telephone and Internet voting facilities for stockholders will close at 11:59 p.m. eastern standard time on November 13, 2007. If you vote over the Internet, you may incur costs, such as telephone and Internet access charges, for which you will be responsible. The telephone and Internet voting procedures are designed to authenticate stockholders and to allow you to confirm that your instructions have been properly recorded.

What is the voting cutoff for employee savings plans shares?

If you hold shares through one of Deere's employee savings plans, your vote must be received by November 9, 2007 or the shares represented by the card will not be voted.

Can I change my vote?

Yes. At any time before your proxy is voted, you may change your vote by:

- revoking it by written notice to the Secretary of Deere at the address on the cover of this proxy statement;
- delivering a later-dated proxy (including a telephone or Internet vote); or
- voting in person at the meeting.

If you hold your shares in [street name], please refer to the information forwarded by your bank, broker or other holder of record for procedures on revoking or changing your proxy.

How many votes do I have?

You will have one vote for every share of Deere common stock that you owned on September 24, 2007.

How many shares are entitled to vote?

There were 220,191,687 shares of Deere common stock outstanding and entitled to vote at the meeting. Each share is entitled to one vote. There is no cumulative voting.

How many votes must be present to hold the meeting?

Under Deere's By-Laws, a majority of the votes that can be cast must be present, in person or by proxy, to hold the special meeting.

How many votes are needed for the proposal to pass?

The affirmative vote of a majority of the outstanding shares entitled to vote is required to amend Deere's Restated Certificate of Incorporation.

What if I vote "abstain"?

A vote to "abstain" will have the effect of a vote against the amendment.

If you vote "abstain," your shares will be counted as present for purposes of determining whether enough votes are present to hold the special meeting.

What if I don't return my proxy card and don't attend the special meeting?

If you are a holder of record (that is, your shares are registered in your own name with our transfer agent) and you don't vote your shares, your shares will not be voted.

If you hold your shares in "street name," and you don't give your bank, broker or other holder of record specific voting instructions for your shares, under rules of the New York

Stock Exchange your record holder can vote your shares on the amendment to the Restated Certificate of Incorporation.

If you don't give your record holder specific voting instructions and your record holder submits a proxy that does not indicate a vote, the votes will be considered "broker non-votes." "Broker non-votes" will have the effect of a vote against the proposed amendment. "Broker non-votes" will be counted as present for purposes of determining whether enough votes are present to hold the special meeting.

Is my vote confidential?

Yes. Your voting records will not be disclosed to us except:

- as required by law;
- to the inspectors of voting; or
- if the election is contested.

The tabulator, the proxy solicitation agent and the inspectors of voting must comply with confidentiality guidelines that prohibit disclosure of votes to Deere. The tabulator of the votes and at least one of the inspectors of voting will be independent of Deere and its officers and directors.

If you are a holder of record or an employee savings plan participant, and you write comments on your proxy card, your comments will be provided to us, but your vote will remain confidential

PROPOSED TWO-FOR-ONE STOCK SPLIT IN THE FORM OF A STOCK DIVIDEND

The Board of Directors recommends that Article FOURTH of Deere's Restated Certificate of Incorporation be amended for the purpose of increasing the number of shares of stock that Deere is authorized to issue from 609 million (600 million in common stock and 9 million in preferred stock) to 1,209 million (1,200 million in common stock and 9 million in preferred stock). A copy of the proposed amendment is attached as Exhibit A to this proxy statement.

Reasons for the Proposed Amendment

By resolution dated August 29, 2007, the Board authorized a two-for-one split of the common stock in the form of a stock dividend, subject to stockholder approval of the amendment. The increase in authorized common shares will provide Deere with authority to issue a number of shares sufficient to effect the stock dividend while continuing to reserve an amount of shares sufficient to meet all known requirements and to provide flexibility for the future. Except for the proposed stock split, there are no agreements, commitments or understandings for the issuance of the newly authorized shares. Should circumstances warrant, the Board of Directors has the right to change the amount of the stock dividend or not to effect the dividend. No increase in the number of authorized preferred shares is being proposed.

The additional authorized shares may be used in the future for any proper corporate purpose approved by the Board of Directors. Permissible uses might include financings, corporate mergers or acquisitions, employee benefit programs, acquisitions of property, funding of new product programs or businesses, stock dividends,

stock splits and other corporate purposes. No further action or authorization by the stockholders would be necessary prior to the issuance of additional shares unless the applicable laws or regulations or the rules of any stock exchange on which Deere's common stock may then be listed require such approval. If the proposed amendment is approved, all or any of the authorized shares of common or preferred stock may be issued without first offering such shares to existing stockholders. The issuance of such shares otherwise than to existing stockholders on a *pro rata* basis could have the effect of reducing an existing stockholder's proportionate interest.

As of September 24, 2007, 268,215,602 shares of common stock had been issued and an aggregate of 19,482,713 shares of common stock were reserved for issuance under various employee benefit plans. Deere has not issued any preferred stock, although 3,000,000 shares of Series A Participating Preferred Stock are reserved for issuance in connection with the Shareholder Rights Plan adopted in 1997.

The Board of Directors also anticipates that the increase in the number of outstanding common shares through the stock split may place the market price of Deere's common stock in a range more attractive to investors, particularly individuals, and may result in a broader market for the stock.

A stockholder vote against the proposed increase in the number of authorized common shares will have the effect of preventing the proposed stock split.

Stock Split Implementation

If the proposed amendment is approved, stockholders of record as of the close of business on November 26, 2007 will receive, as a stock dividend, one additional share of common stock for each share of common stock owned as of that date. Deere anticipates that the stock dividend will be distributed on or about Monday, December 3, 2007. Stockholders as of the stock split record date will not pay, and Deere will not receive, any payment or other consideration for the additional shares that will be issued or the adjustments that will be made pursuant to the stock split. A stockholder's

3

equity interest in Deere will not increase as a result of the stock split. However, any sale of the shares received as a result of the stock split by a stockholder will reduce such stockholder's proportional equity in Deere.

Deere will apply to the New York Stock Exchange for listing of the additional shares of common stock to be issued if the proposed amendment is approved.

IMPORTANT NOTE: CERTIFICATES REPRESENTING SHARES OF COMMON STOCK ISSUED PRIOR TO THE STOCK SPLIT WILL CONTINUE TO REPRESENT THE SAME NUMBER OF SHARES OF COMMON STOCK AFTER THE EFFECTIVE DATE. THEREFORE, PLEASE DO NOT DESTROY OR RETURN YOUR EXISTING CERTIFICATES.

Stockholders should retain their stock certificates issued prior to the stock split record date. Those certificates issued prior to that date will continue to represent the number of shares of common stock evidenced thereby. Deere's transfer agent, The Bank of New York Mellon, will deliver the additional shares of common stock each holder is entitled to as a result of the stock split registered in uncertificated book-entry form. As a result, instead of receiving stock certificates, stockholders will receive account statements reflecting their ownership interest in shares of common stock. The book-entry shares will be held with Deere's transfer agent, which will serve as the record keeper for all shares of common stock being issued in connection with the stock split. Any stockholder who wants to receive a physical certificate evidencing shares issued in the stock split will be able to obtain a certificate at no charge by contacting The Bank of New York Mellon Shareowner Services at (800) 268-7369.

Stockholders whose shares are held by a broker or other nominee in [street name] also will not receive certificates representing the new shares. Instead, their accounts will be credited with the new shares in accordance with the procedures used by their broker or nominee.

Accounting Effects of the Proposed Split

Following the split, an amount equal to the par value of shares issued in the split would be transferred from retained earnings to the Deere's common stock account. The \$1.00 par value of the common stock would not change.

Tax Effects of the Stock Split

Deere has been advised by tax counsel that, under existing U.S. federal income tax laws and regulations, the receipt in the stock split by stockholders of one additional share of Deere common stock for each share of common stock previously owned in the form of a dividend, will not constitute taxable income or gain or loss to stockholders. The cost or other tax basis of each share of common stock held by a stockholder immediately prior to the split will be divided equally between the corresponding two shares held immediately after the split. The holding period for each of the two shares will include the period for which the corresponding old share of Deere common stock was held. The laws of jurisdictions other than the United States may impose income taxes on the receipt by a stockholder of additional shares of common stock resulting from the split. Assuming transactions of an equivalent dollar amount, brokerage commissions on purchases and sales of the common stock after the split and transfer taxes, if any, may be somewhat higher than before the split, depending on the specific number of shares involved. Stockholders are urged to consult their own tax and financial advisors.

4

Anti-Takeover Effects of the Proposed Amendment

As is presently the case, the availability for issuance of additional shares of Deere common stock could enable the Board of Directors to render more difficult or discourage an attempt to obtain control of Deere. For example, the issuance of shares of common stock in a public or private sale, merger or similar transaction would increase the number of outstanding shares, thereby possibly diluting the interest of a party attempting to obtain control of Deere. Deere is not aware of any pending or threatened efforts to obtain control of Deere. In addition, the increased shares authorized by the proposed amendment could permit the Board of Directors to issue shares to persons supportive of management's position. Such persons might then be in a position to vote to prevent or delay a proposed business combination that is deemed unacceptable to the Board of Directors, although perceived to be desirable by some stockholders.

Additional Effects of the Stock Split

Upon the effectiveness of the stock split, appropriate adjustments will be made to stock options and other stock-based instruments awarded and to be awarded under Deere's compensation and benefit programs. Appropriate adjustments will also be made to the outstanding preferred share purchase rights issued under the Shareholder Rights Plan attached to the shares of common stock currently outstanding and the rights to be attached to the shares of common stock issued pursuant to the stock split. The preferred share purchase rights are not currently exercisable.

The stock split will have no effect on the number of units owned by participants in the Company's 401(k) Deere stock unit fund. After the split, each fund unit will represent approximately twice the number of shares represented prior to the split.

Under Delaware law, Deere's stockholders are not entitled to dissenters' rights with respect to the proposed amendment to Deere's Restated Certificate of Incorporation. Furthermore, Deere's stockholders do not have preemptive rights, which means they do not have the right to purchase shares in any future issuance of common stock in order to maintain their proportionate equity interests in Deere.

Although the Board of Directors will authorize the further issuance of common stock after the stock split only when it considers such issuance to be in the best interests of Deere, stockholders should recognize that any such issuance of additional stock will have the effect of diluting the earnings per share and book value per share of outstanding shares of common stock and the equity and voting rights of holders of shares of common stock.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR THE AMENDMENT TO THE RESTATED CERTIFICATE OF INCORPORATION.

OTHER MATTERS

Pursuant to Deere's Bylaws, the business transacted at the meeting will be limited to the proposal described above. However, if any other proper business should come before the meeting, the persons named in the accompanying proxies will have discretionary authority to vote according to their best judgment.

5

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table shows the number of shares of our common stock beneficially owned as of September 24, 2007 (unless otherwise indicated) by:

- each person, who, to our knowledge, beneficially owns more than 5% of our common stock;
- each of our directors;
- each named executive officer as determined in accordance with U.S. Securities and Exchange Commission rules; and
- all directors and executive officers as a group.

A beneficial owner of stock is a person who has sole or shared voting power, meaning the power to control voting decisions, or sole or shared investment power, meaning the power to cause the sale of the stock.

With respect to beneficial owners of more than 5% of our common stock, the information is based solely upon statements on Schedule 13G for the year ended December 31, 2006 filed by such entities with the U.S. Securities and Exchange Commission. The entities hold the shares as a result of acting as registered investment advisors to various investment companies, funds and others.

All individuals listed in the table have sole voting and investment power over the shares unless otherwise noted. Deere has no preferred stock issued or outstanding.

The table also includes information about exercisable stock options credited to executive officers under compensation plans.

In addition to the number of shares shown in the table, directors own the deferred stock units listed in footnote five following the table. The deferred stock units are credited to directors under the Nonemployee Director Deferred Compensation Plan. The value of the units are subject to the same market risks as Deere common stock. The units are payable only in cash and, with limited exceptions, must be held until the director's retirement from the Board.

In addition to the number of shares shown in the table, executive officers own the restricted stock units listed in footnote six following the table. The restricted stock units represent stock equivalent units awarded under the John Deere Omnibus Equity and Incentive Plan as part of long-term compensation. The units vest after three years and are payable only in stock after five years or following retirement.

HOUSEHOLDING INFORMATION

What is householding ?

We have adopted a procedure called "householding," which has been approved by the Securities and Exchange Commission. Under this procedure, a single copy of this proxy statement will be sent to any household at which two or more stockholders reside if they appear to be members of the same family, unless one of the stockholders at that address notifies us that they wish to receive individual copies. This procedure reduces our printing costs and fees.

Stockholders who participate in householding will continue to receive separate proxy cards.

Householding will not affect dividend check mailings in any way.

If a single copy of this proxy statement was delivered to an address that you share with another stockholder, at your written or oral request to Deere & Company Stockholder Relations, One John Deere Place, Moline, Illinois 61265-8098, (309) 765-4539, we will promptly deliver a separate copy.

How do I revoke my consent to the householding program?

If you are a holder of record and share an address and last name with one or more other holders of record, and you wish to continue to receive separate proxy statements and other disclosure documents, you must revoke your consent by contacting Broadridge Financial Solutions, Inc. ("Broadridge"), either by calling toll free at (800) 542-1061 or by writing to Broadridge, Household Department, 51 Mercedes Way, Edgewood, New York 11717. You will be removed from the householding program within 30 days of receipt of the revocation of your consent.

A number of brokerage firms have instituted householding. If you hold your shares in "street name," please contact your bank, broker or other holder of record to request information about householding.
