Section 1 - Registrant's Business and Operations

Item 1.01 Entry into a Material Definitive Agreement

On June 16, 2014, J.W. Mays, Inc. (the "Company") entered into a Second Amendment of Lease (the "Amendment") with 33 Bond St. LLC ("Bond"), its landlord for certain truck bays located within a garage at Livingston and Bond Street ("Premises"). Pursuant to the Amendment, (1) the lease for the Premises was extended until December 8, 2043, (2) the Company, simultaneously with the execution of the Amendment, vacated the Premises so that Bond may demolish the building in which the Premises is located in order to develop and construct a new building at the location, and (3) Bond agreed to redeliver to the Company possession of the reconfigured Premises after construction.

As consideration under the Second Amendment, Bond agreed to pay the Company a total of \$3,500,000. Bond tendered \$2,250,000 simultaneously with the execution of the Amendment, and will tender the balance of \$1,250,000 on June 16, 2015.

In connection with the Amendment, the parties also agreed to settle a pending lawsuit in the Supreme Court of the State of New York, Kings County, Index No. 50796/13 (the "Action"), in which the Company sought, among other things, a declaratory judgment that it validly renewed the lease for the Premises, and Bond sought, among other things, a declaratory judgment that the lease expired by its terms on December 8, 2013. Pursuant to a stipulation of settlement, filed on June 16, 2014, the Action, including all claims and counterclaims, has been discontinued with prejudice, without costs or attorneys' fees to any party as against the other. The stipulation of settlement also contains general releases by both parties of all claims.
