Under the terms of the Amendment, the maturity date of the Amended and Restated Credit Agreement was extended from October 30, 2020 to December 12, 2021. The Amendment also revised certain definitions related to the borrower's line of business, permitted acquisitions, and qualified receivables transactions. In addition, the cap for other non-specified permitted investments increased from 20 percent to 25 percent of the Company's consolidated net worth, with the cap excluding all existing investments at September 30, 2016. The facility size of \$350 million and cost of funds did not change as part of the Amendment. As of September 30, 2016, no amounts were outstanding under the unsecured line of credit and \$350 million was available for future use.

The description above is a summary of the Amendment and is qualified in its entirety by the complete text of the Amendment, a copy of which is filed with this report as Exhibit 10.1, and is incorporated by reference herein. Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.
