August/07

Gross sales grow 7.3% and amount to R\$ 1,386.9 million in August

São Paulo, Brazil, September 17, 2007. Grupo Pão de Açúcar [NYSE: CBD; BOVESPA: PCAR4 (PN)], announces its sales performance of August 2007 (unaudited preliminary figure). The information presented below was calculated basis on consolidated figures and in Reais, in accordance with the Brazilian Corporate Law.

Gross sales of Grupo Pão de Açúcar totaled R\$ 1,386.9 million in August, up by 7.3% over the same month in the previous year. Net sales recorded growth of 7.5% and attained R\$ 1,172.5 million.

In the 'same stores' concept, gross sales climbed 3.2% and net sales 3.5% . Food products increased by 3.9% and sales of non-food were up 1.0% in August, which reflects an improvement in relation to the previous month when the performance was negative (-6.7% in July).

The highlights of the month were the Sendas and Pão de Açúcar banners, which exhibited growth above the average of the Company.

Based on the sales performance presented up to August 2007 and on the macroeconomic outlook for the next few months, Grupo Pão de Açúcar reviewed the annual growth forecast for same stores sales from 5% to approximately 4%. On the other hand, total sales in August exhibited growth of 7.3%, above the Company's expectations, as a result of the ongoing expansion plan, with 23 stores opened in the last 12 months.

Statements included in this report regarding the Company's business prospects, the outlook for operating and financial results, and referring to the Company's growth potential are merely projections and were based on Management's expectations regarding the Company's future. Those projections are highly dependent on market changes, on the Brazilian general economic performance, on the industry and on international markets and are, therefore, subject to change.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
