Chardan North China Acquisition Corporation
625 Broadway, Suite 1111
San Diego, CA 92101

To the Stockholders of Chardan North China Acquisition Corporation:

You are cordially invited to attend a special meeting of the stockholders of Chardan North China Acquisition Corporation (“Chardan”), relating to its proposed purchase of all of the issued and outstanding stock of Gifted Time Holdings, Limited (“Gifted Time Holdings”), a British Virgin Islands company that owns a controlling interest in operating companies in the People’s Republic of China, known collectively as “HollySys,” and related matters. The meeting will be held at _____ a.m., Pacific Time, on _____, 2006, at Chardan’s offices at 625 Broadway, Suite 1111, San Diego, California, 92101.

At this meeting, you will be asked to consider and vote upon the following proposals:

1. to approve a stock purchase agreement, dated as of February 2, 2006, as amended among Chardan and the stockholders of Gifted Time Holdings (the “Gifted Time Stockholders”) and the transactions contemplated thereby. The Gifted Time Stockholders have already approved the stock purchase agreement;
2. to approve the merger of Chardan with and into a wholly owned subsidiary formed under the laws of the British Virgin Islands, with the name HLS Systems International Ltd. (“HLS”) for the purposes of redomestication of our company to the British Virgin Islands as part of the acquisition of Gifted Time Holdings; and
3. to approve the Chardan 2006 Equity Plan.

If these proposals are approved:

- we will acquire an operating business in China;
- we will change our corporate domicile from the State of Delaware to the British Virgin Islands, which means we will be governed by the laws of the British Virgin Islands;
- we will change our corporate name to “HLS Systems International Ltd.” as a result of the redomestication merger;
- the majority of our board of directors and officers following the closing of the stock purchase will initially be persons who were designated by the Gifted Time Stockholders;
- the HLS Memorandum of Association and the Articles of Association will become the equivalent of our certificate of incorporation and by-laws, respectively;
- each share of common stock of Chardan will automatically convert into one share of common stock of HLS; and
- each outstanding warrant of Chardan will be assumed by HLS with the same terms, but exercisable for common stock of HLS.

HLS will continue as a reporting company under the Securities Exchange Act of 1934, as amended, and has applied to have its units, common stock and warrants traded on the Nasdaq Global Market concurrent with the consummation of the redomestication merger. HLS will be a foreign private issuer after the redomestication merger.

We will not consummate the transactions described under proposal 1 unless the redomestication merger in proposal 2 is also approved. Similarly, the redomestication merger will not take place if the stock purchase agreement is not approved. The approval of the stock option plan in proposal 3 is not a condition to consummation for the stock purchase agreement and the redomestication merger.

Pursuant to the stock purchase agreement, the Gifted Time Stockholders will be paid an aggregate of \$30,000,000 in cash and will receive an aggregate of 23,500,000 shares of HLS common stock as payment for all the outstanding common stock of Gifted Time Holdings. A variable portion of the cash payment (ranging from \$3,000,000 up to \$7,000,000), will be deferred until Gifted Time Holdings' generates sufficient operating cash flow or HLS receives additional financing. The amount of the cash consideration that is deferred will depend on the number of shares that are redeemed by shareholders who vote against approval of the stock purchase agreement.

The initial cash payment will be made with the funds from the trust account with the balance of the trust account to be used by HLS for operating capital.

As additional consideration, the Gifted Time Stockholders will be issued up to an aggregate of 8,000,000 shares of common stock of HLS (2,000,000 per year on an all-or-none basis) for each of the four fiscal years beginning with fiscal 2007 if, on a consolidated basis, HLS generates after-tax profits (excluding after-tax operating profits from any subsequent acquisitions of securities that have a dilutive effect) of at least the following amounts:

Year ending June 30,	After-Tax Profit
2007	\$23,000,000
2008	\$32,000,000
2009	\$43,000,000
2010	\$61,000,000

The affirmative vote of the holders of a majority of the outstanding shares of Chardan common stock is required to approve each of the stock purchase agreement and the redomestication merger. The approval of the stock purchase agreement is subject to an additional condition, that 20% or more of the shares issued in Chardan's initial public offering (the "Public Shares") do not both vote against the approval of the stock purchase agreement and are not redeemed for their pro rata share of the trust fund, as described in the next paragraph. The affirmative vote of holders of a majority of the shares represented and entitled to vote at the meeting is required for approval of the Stock option plan.

Each Chardan stockholder who holds shares of common stock issued in Chardan's initial public offering has the right to vote against the stock purchase proposal, and any who vote against it may also demand that Chardan redeem such stockholder's shares for cash equal to a pro rata portion of the funds held in the trust account into which a substantial portion of the net proceeds of Chardan's initial public offering was deposited. These shares will be redeemed only if the stock purchase agreement is consummated. However, if the holders of 1,150,000 or more shares of common stock issued in Chardan's initial public offering both vote against the stock purchase proposal and demand conversion of their shares, then Chardan will not consummate the stock purchase agreement. Chardan's initial stockholders, who purchased their shares of common stock prior to its initial public offering and presently own an aggregate of approximately 17.8% of the outstanding shares of Chardan common stock, have agreed to vote all of their shares on the stock purchase agreement and redomestication merger proposals as the majority of the Public Shares are voted. Chardan's initial stockholders do not have the right to redeem their stock.

Immediately after consummation of the stock purchase agreement, if no holder of Public Shares demands that Chardan convert these shares into a pro rata portion of the trust account, Chardan stockholders will own approximately 23% of HLS's issued and outstanding shares of common stock. If one or more holders of the Public Shares vote against the stock purchase proposal and demand that Chardan convert their shares into a pro rata portion of the trust account, then Chardan's stockholders will own less than approximately 23% of HLS's issued and outstanding shares of common stock. If HLS hits its after-tax profits for each of the fiscal years ending June 30, 2007 through 2010, an additional 8,000,000 shares will be issued to the Gifted Time Stockholders, which assuming there are no other issuances of stock or exercise of outstanding warrants, would reduce the percentage of HLS held by Chardan's current shareholders to approximately 18%.

Chardan's shares of common stock, warrants and units currently are listed on the Over-the-Counter Bulletin Board under the symbols CNCA, CNCAW and CNCAU, respectively. HLS has applied for listing on the Nasdaq Global Market effective on the consummation of the redomestication merger under the proposed symbols HLSS, HLSSW and HLSSU. If the securities are not listed on Nasdaq, they will continue to trade on the OTCBB.

After careful consideration of the terms and conditions of the proposed stock purchase agreement, the redomestication merger and the stock option plan, the board of directors of Chardan has determined that the stock purchase agreement and the transactions contemplated thereby, the redomestication merger and the stock option plan are fair to and in the best interests of Chardan and its stockholders. The board of directors of Chardan did not obtain a fairness opinion on which to base this assessment. The board of directors of Chardan unanimously recommends that you vote or give instruction to vote "FOR" the approval of the stock purchase agreement, the redomestication merger and the stock option plan.

Enclosed is a notice of special meeting and proxy statement containing detailed information concerning the stock purchase agreement and the transactions contemplated thereby, the redomestication merger and the stock option plan. Whether or not you plan to attend the special meeting, we urge you to read this material carefully.

Your vote is important. Whether you plan to attend the special meeting or not, please indicate your votes, sign, date and return the enclosed proxy card as soon as possible in the envelope provided.

I look forward to seeing you at the meeting.

Sincerely,

Richard D. Propper, MD
Chairman of the Board

The board of directors of Chardan unanimously recommends that you vote “FOR” the approval of the stock purchase agreement, the redomestication merger and the stock option plan.

By Order of the Board of Directors,

The financial statements of Gifted Time Holdings are prepared using Renminbi, the currency of the Peoples Republic of China (“PRC”). For convenience, the Renminbi amounts have been converted throughout the text of the proxy statement/prospectus into United States dollars. Until recently, the Renminbi was a controlled currency, and the exchange rate maintained by the PRC was approximately 8.11 Renminbi to one United States dollar. The Chinese government has recently altered its policy toward the rate of exchange of the Renminbi versus the US dollar. Changing from a previously fixed rate policy regarding the dollar, the Renminbi has recently been permitted to float within a fixed range against a basket of currencies, including the US dollar, Japanese Yen and European Euro, which has resulted in the Renminbi being allowed to appreciate 2% +/- 0.3% vs. the dollar. Since the company’s business is presently 100 percent domestic within PRC, this change will have no effect on the company’s business, but may result in a concomitant increase in its after-tax earnings when stated in dollar terms. In the future, the company’s earnings stated in US dollars will fluctuate in accordance with the change in exchange rate.

Under the law of the British Virgin Islands, HLS is authorized to issue “ordinary shares” and holders of ordinary shares are “members.” References to ordinary shares and members have been translated to common stock and stockholders, which are terms more familiar to United States persons, whom Chardan believes are the majority of its stockholders.

QUESTIONS AND ANSWERS ABOUT THE MEETING

- Q. Why is Chardan proposing the stock purchase?
- A. Chardan was organized to effect a business combination with an operating business that has its primary operating facilities located in the People's Republic of China in any city or province north of the Yangtze River. The operating companies of Gifted Time Holdings, after the consummation of the stock purchase will be Beijing HollySys Co., Ltd., Hangzhou HollySys Automation Co., Ltd., and Beijing HollySys Haotong Science & Technology Development Co., Ltd. (these three companies are referred to as the "HollySys Operating Companies"). Together they are one of the leading automation and control systems companies in China. The HollySys Operating Companies have, collectively, demonstrated significant growth since commencing operations in 1996. Chardan believes that the HollySys Operating Companies are in a position to expand their business through the development of additional products and the expansion of their customer base, including entry into the international market. As a result, Chardan believes that a business combination with Gifted Time Holdings will provide Chardan stockholders with an opportunity to participate in a combined company with significant growth potential.
- Q. Why is Chardan proposing the redomestication merger?
- A. Chardan is proposing the reincorporation of itself into a company formed under the laws of the British Virgin Islands to align its income tax liabilities with the location of its activities to reduce the overall impact of corporate income tax on the surviving company and its stockholders. Because the future operations will be almost exclusively outside the United States, the redomestication merger is intended to reduce or entirely eliminate the income tax liability of the company in the United States and permit greater flexibility in structuring acquisitions or creating subsidiaries in China and other countries as the business of Gifted Time Holdings expands as well as with regard to declaring dividends, should the company wish to do so in the future. By becoming a non-United States company, Chardan believes that the successor company will only be taxed on its operations by the jurisdiction in which they are located and undertaken, and will not be subject to additional income taxes merely by virtue of the location of its place of incorporation.
- Q. Why is Chardan proposing the stock option plan?
- A. Chardan is proposing the stock option plan to enable the company to attract, retain and reward its directors, officers, employees and consultants using equity-based incentives.
- Q. What is being voted on?
- A. There are three proposals that you are being asked to vote on. The first proposal is to adopt the stock purchase agreement, dated February 2, 2006, as amended, and the transactions contemplated thereby. We refer to this proposal as the stock purchase proposal.
- The second proposal is to approve the merger of Chardan with and into HLS for purposes of redomestication to the British Virgin Islands. We refer to this proposal as the redomestication merger proposal.

The third proposal is to adopt Chardan's 2006 Equity Plan. We refer to this proposal as the stock option plan proposal.

- Q. What vote is required in order to adopt the stock purchase proposal?
- A. The approval of the stock purchase will require the affirmative vote of a majority of the outstanding shares of Chardan's common stock. If the holders of 1,150,000 or more shares of common stock issued in Chardan's initial public offering vote against the stock purchase and demand that Chardan convert their shares into a pro rata portion of the trust account as of the record date, then the stock purchase will not be consummated. No vote of the holders of Chardan's warrants is necessary to adopt the stock purchase proposal or other proposals, and Chardan is not asking the warrant holders to vote on the stock purchase proposal or the other proposals. Chardan will not consummate the transaction described in the stock purchase proposal unless the redomestication merger is also approved. Similarly, the redomestication merger will not be consummated if the stock purchase proposal is not approved. The approval of the stock option plan proposal is not a condition to the consummation of the stock purchase or redomestication merger proposals.
- Q. What vote is required in order to adopt the redomestication merger?
- The affirmative vote of the holders of a majority of the outstanding shares of Chardan common stock is required to approve the redomestication merger proposal.
- Q. What vote is required in order to adopt the stock option plan?
- A. The approval of the stock option plan will require the affirmative vote of a majority of the shares represented and entitled to vote at the meeting. The approval of the stock option plan is not a condition to the approval of the stock purchase or the redomestication merger proposals.
- Q. How do the Chardan insiders intend to vote their shares?
- A. All of the insiders who purchased their shares prior to the initial public offering (including the officers and directors of Chardan) have agreed to vote the shares held by them on the stock purchase and redomestication merger proposals in accordance with the vote of the majority of the shares of common stock issued in Chardan's initial public offering. They have indicated that they also will vote in favor of the stock option plan proposal.
- Q. What will I receive in the redomestication merger?
- A. Chardan security holders will receive an equal number of shares of common stock of HLS in exchange for their Chardan common stock, and HLS will assume the outstanding Chardan warrants, the terms and conditions of which will not change, except that on exercise, they will receive HLS common stock. However, as a result of the issuance of HLS shares in the stock purchase, the ownership interests of Chardan stockholders will be diluted so that they will only own approximately 23% of HLS. If additional shares are issued to the Gifted Time Stockholders as additional consideration, or if the outstanding warrants are exercised, the current Chardan stockholders will experience further dilution in their ownership of the company. We have also agreed to issue up to 8,000,000 additional shares to the Gifted Time Shareholders if HollySys' earnings for fiscal years 2007 through 2010 reach certain targets. Also, there are outstanding warrants to purchase 12,000,000 additional shares of Chardan stock. If some or all of the incentive shares are issued, and if some or all of the warrants are exercised, then the percentage of Chardan that its current shareholders will own will be less than 23%.

- Q. How will the redomestication merger be accomplished?
- A. Chardan will merge into HLS, Chardan's wholly owned subsidiary that is incorporated as a British Virgin Islands company. As a result of the redomestication merger, each currently issued outstanding share of common stock of Chardan will automatically convert into a share of common stock of HLS. This procedure will result in your becoming a stockholder in HLS instead of Chardan.
- Q. Will the Chardan stockholders be taxed as a result of the redomestication merger?
- A. Generally for United States federal income tax purposes, stockholders who are United States holders should not recognize any gain or loss as a result of the redomestication merger. We urge you to consult your own tax advisors with regard to your particular tax consequences of the redomestication merger.

- Q. Will Chardan be taxed on the redomestication merger?
- A. Chardan will recognize gain, but not loss, as a result of the redomestication merger equal to the difference, if any, between the adjusted tax basis of any Chardan asset and such asset's fair market value at the effective time of the redomestication merger.
- Q. How much of the surviving company will existing Chardan stockholders own?
- A. The Gifted Time Stockholders initially will receive 23,500,000 shares of common stock of HLS, representing 77% of the issued and outstanding shares immediately after the acquisition. After the stock purchase, if no Chardan stockholders demand that Chardan convert their shares into a pro rata portion of the trust account and no Chardan stockholder exercises its appraisal rights, then Chardan's stockholders who own shares immediately prior to the stock purchase will own approximately 23% of the outstanding common stock of HLS. Existing Chardan stockholders could own less than approximately 23% if one or more Chardan stockholders vote against the stock purchase proposal and demand conversion of their shares into a pro rata portion of the trust account or if they exercise appraisal rights. Similarly, existing Chardan stockholders will own less than 23% of HLS, if HLS issues (as additional consideration) the additional shares to the Gifted Time Stockholders by reason of HLS achieving the after-tax profit targets specified in the stock purchase agreement for one or more of the four fiscal years beginning with fiscal 2007. If HLS issues the additional shares as additional consideration to the Gifted Time Stockholders, then the Gifted Time Stockholders will own approximately 82% of the issued and outstanding common stock of HLS, and existing Chardan stockholders will own approximately 18% of the issued outstanding common stock of HLS. The foregoing discussion assumes that none of the outstanding warrants to acquire common stock of Chardan will be exercised. If some or all of the warrants are exercised, then the current Chardan stockholders will be diluted further.
- Q. How much dilution will I experience?
- A. Currently there are 7,000,000 shares of common stock of Chardan outstanding. At least 23,500,000 additional shares will be issued for acquisition of Gifted Time Holdings. Therefore, current shareholders will own approximately 23% of the company, which is a dilution of absolute ownership of 77%. To the extent shares representing additional consideration are issued to the Gifted Time Stockholders upon achieving one or more of the after-tax profit targets and outstanding warrants are exercised, the current stockholders will experience further dilution of their ownership interest in the company.
- Q. What will the name of the surviving company be after the stock purchase?
- A. The name of the surviving company following completion of the stock purchase and redomestication merger will be "HLS Systems International Ltd."
- Q. Do I have conversion rights?
- A. If you hold shares of common stock issued in Chardan's initial public offering, then you have the right to vote against the stock purchase proposal and demand that Chardan convert these shares into a pro rata portion of the trust account in which a substantial portion of the net proceeds of Chardan's initial public offering are held. We sometimes refer to these rights to vote

against the stock purchase and demand conversion of the shares into a pro rata portion of the trust account as conversion rights. Holders of warrants issued by Chardan do not have any conversion rights.

Q.If I have conversion rights, how do I exercise them?

A. If you wish to exercise your conversion rights, you must vote against the stock purchase proposal and at the same time demand that Chardan convert your shares into cash. If, notwithstanding your vote, the stock purchase is completed, then you will be entitled to receive a pro rata portion of the trust account, including any interest earned thereon through the record date. You will be entitled to convert each share of common stock that you hold into approximately \$[_____]. If you exercise your conversion rights, then you will be exchanging your shares of Chardan common stock for cash and will no longer own these shares. You will be entitled to receive cash for these shares only if you continue to hold these shares through the closing of the stock purchase and then tender your stock certificate. If you do not make a demand to exercise your conversion rights at the time you vote against the stock purchase proposal (or if you do not vote against the stock purchase proposal), you will lose your conversion rights, and that loss cannot be remedied. If the stock purchase is not completed, then your shares cannot be converted to cash until either you vote against a subsequently proposed combination and exercise your conversion rights or unless Chardan fails to achieve a business combination in a timely manner, at which time your shares will be automatically converted to cash.

Q.What happens to the funds deposited in the trust account after consummation of the stock purchase?

A. Upon consummation of the stock purchase:

- the stockholders electing to exercise their conversion rights will receive their pro rata portion of the funds in the trust account;
- up to \$27,000,000 of the funds in the trust account will be paid to the Gifted Time Stockholders as part of the stock purchase consideration; and
- any balance of the funds in the trust account will be retained by HLS for operating capital subsequent to the closing of the business combination.

Q.Under the stock purchase agreement, what obligations will be owed to the Gifted Time Stockholders following the consummation of the stock purchase?

A. HLS will be obligated to pay the Gifted Time Stockholders the deferred purchase price (at least \$3 million, and possibly as much as \$7 million, depending on the amount of funds remaining in the trust account in the event that any of Chardan's stockholders exercises their conversion rights) and the additional stock consideration based on the after-tax profits of HLS. The deferred cash purchase price will not be payable until HLS receives at least \$60 million in subsequent financing or HLS generates positive after-tax cash flow equal to twice the deferred amount.

Q.Who will manage the surviving company?

A. The surviving company will be managed by the current management of HollySys. Dr. Wang Changli, who is currently the chief executive officer of HollySys, will become the chief executive officer and a director of HLS. Madame Qiao Li, who is currently the Chairman of HollySys, will be a director and chairman of the HLS board of directors. Kerry S. Propper, who is currently the chief financial officer, secretary, and a director of Chardan, will also become a director of HLS. The four additional directors will be Jerry Zhang, Youxian Sun, Lewis Solomon and Leonard Hafetz.

Q. A.

Do I have dissenter or appraisal rights?

In connection with the redomestication merger, the Chardan stockholders have appraisal rights under Delaware corporate law.

Q.How do I secure my dissenter or appraisal rights?

A. To secure your dissenter or appraisal rights, you must vote against the redomestication merger and file a demand for appraisal rights with Chardan before the vote on the redomestication merger. Details about the required contents of the appraisal demand, the deadlines for exercising rights and the process for determining the value of the shares are contained in the section “Chardan Redomestication Merger - Appraisal Rights.”

- Q. What happens if the stock purchase is not consummated?
- A. If the stock purchase is not consummated, Chardan will continue to search for an operating company to acquire. However, Chardan will be liquidated if it does not consummate a business combination by February 10, 2007, unless a letter of intent, agreement in principle or definitive agreement has been executed by February 10, 2007, in which case, Chardan will be liquidated if it does not consummate such business combination by August 10, 2007. In any liquidation, the funds held in the trust account, plus any interest earned thereon, together with any remaining net assets outside of the trust, will be distributed pro rata to Chardan's common stockholders, excluding the Chardan initial stockholders, each of whom has waived any right to any liquidation distribution.
- Q. When do you expect the stock purchase to be completed?
- A. Pending receipt of the required stockholder approvals, it is currently anticipated that the stock purchase will be completed promptly following the Chardan special meeting on _____, 2006.
- Q. If I am not going to attend the Chardan special meeting in person, should I return my proxy card instead?
- A. Yes. After carefully reading and considering the information contained in this proxy statement/prospectus, please fill out and sign your proxy card. Then return the enclosed proxy card in the return envelope as soon as possible, so that your shares may be represented at the Chardan special meeting.
- Q. What will happen if I abstain from voting or fail to vote?
- A. An abstention or failure to vote will have the same effect as a vote against the stock purchase proposal, but will not have the effect of converting your shares into a pro rata portion of the trust account. An abstention or failure to vote will also have the effect of voting against the redomestication merger, but will have no effect on the approval of the stock option plan.
- Q. What do I do if I want to change my vote?
- A. Send a later-dated, signed proxy card to Chardan's secretary prior to the date of the special meeting or attend the special meeting in person and vote. You also may revoke your proxy by sending a notice of revocation to Chardan's secretary at the address of Chardan's corporate headquarters.
- Q. If my shares are held in "street name" by my broker, will my broker vote my shares for me?
- A. No. Your broker can vote your shares only if you provide instructions on how to vote. You should instruct your broker to vote your shares, following the directions provided by your broker.
- Q. Do I need to turn in my old certificates?
- A. No. If you hold your securities in Chardan in certificate form, as opposed to holding them through your broker, you do not need to exchange them for certificates issued by HLS. Your current certificates will represent your rights in HLS. You may exchange them by contacting the transfer agent, Continental Stock Transfer & Trust Company, Reorganization Department, and following their requirements for reissuance. If you elect conversion or appraisal, you will need to deliver your old certificate to Chardan.

Enforceability of Civil Liabilities Against Foreign Persons

Gifted Time Holdings is incorporated under the laws of the British Virgin Islands, and its operating companies are incorporated under the laws of the PRC and operate only in the PRC. Substantially all of the assets of Gifted Times Holdings' subsidiary HollySys and its Chinese operating companies will be located in the PRC, and the majority of its officers and directors and the experts named in this joint proxy/prospectus are outside the United States. Although China and the United States are signatories to the 1965 Hague Convention on the Service Abroad of Judicial and Extra Judicial Documents in Civil and Commercial Matters, service under this treaty is cumbersome and time consuming and may not result in adequate notice, such that any judgment based on service thereunder may be reopened, relitigated and overturned. Therefore, an investor should understand it is not likely that service of process upon the company or its subsidiaries, its officers and directors, its assets and experts will be obtainable within the United States or for actions originating in the United States.

It will be difficult for investors to enforce outside the United States a judgment against HLS or its Chinese operating companies or its assets obtained in the United States in any actions, including actions predicated upon the civil liability provisions of the federal securities laws of the United States or of the securities laws of any State of the United States. In addition, the directors and executive officers and certain of the experts named in this joint proxy/prospectus are resident outside the United States, and all or a substantial portion of the assets of these persons are or may be located outside the United States. Therefore, it may not be possible for investors to effect service of process within the United States upon them, or to enforce against them any judgments obtained in United States courts, including judgments predicated upon the civil liability provisions of the federal securities laws of the United States or of the securities laws of any state of the United States.

The difficulty of enforcing a judgment of a United States court in the PRC where most of the assets of the company are located and which is the residence of most of the directors and officers of the company, stems from the lack of any official arrangement providing for judicial assistance to the enforcement of judgments of courts of the United States in the PRC. The PRC does not have treaties providing for the reciprocal recognition and enforcement of judgments of courts within the United States. In the absence of such a treaty, judgments of United States courts will not be enforced in the PRC without review of the merits of the claims and the claims brought in the original action in the United States court will have to be re-litigated on their merits.

Likewise, administrative actions brought by regulatory authorities, such as the SEC, and other actions that result in foreign court judgments, could (assuming such actions are not required by PRC law to be arbitrated) only be enforced in the PRC if such judgments or rulings do not violate the basic principles of the law of the PRC or the sovereignty, security and public interest of the society of China, as determined by a People's Court of China that has jurisdiction for recognition and enforcement of judgments.

We have been advised that there is doubt as to the enforceability in the PRC of any actions to enforce judgments of United States or British Virgin Islands courts arising out of or based on the ownership of the securities of HLS, including judgments arising out of or based on the civil liability provisions of United States federal or state securities laws, and as to whether PRC courts would enforce, in original actions, judgments against HLS, its directors and officers and assets in the PRC predicated solely upon the federal securities laws of the United States. An original action may be brought in the PRC against HLS or its subsidiaries or its directors and officers and experts named in this prospectus/proxy statement only if the actions are not required to be arbitrated by PRC law and only if the facts alleged in the complaint give rise to a cause of action under PRC law. In connection with such an original action, a PRC court may award civil liability, including monetary damages.

The Companies

Chardan

Chardan is a blank check company organized as a corporation under the laws of the State of Delaware on March 10, 2005. Chardan was formed to effect a business combination with an unidentified operating business that has its primary operating facilities located in the People’s Republic of China in any city or province north of Yangtze River. In August 2005, Chardan successfully consummated an initial public offering of its equity securities from which it derived net proceeds of approximately \$30.9 million. The prices of Chardan’s common stock, warrants to purchase common stock and units (each unit consisting of one share of common stock and two warrants to purchase common stock) are quoted on the Over-the-Counter Bulletin Board under the symbols CNCA for the common stock, CNCAW for the warrants and CNCAU for the units. Approximately \$29.8 million of the net proceeds of the initial public offering was placed in a trust account and will be released to Chardan upon consummation of the stock purchase, subject to the exercise of conversion rights by holders of less than 20% of the Chardan stock issued in the initial public offering. The balance of the net proceeds from the initial public offering of approximately \$1.1 million has been used by, or is available to, Chardan to pay the expenses incurred in its pursuit of a business combination. Through June 30, 2006, Chardan had incurred a total of approximately \$1,161,000 in expenses. The most significant expenses incurred to date include approximately \$67,000 for consultants to Chardan who have assisted with due diligence reviews of business combination targets, approximately \$311,000 in travel expenses, office expenses of \$82,500 payable to Chardan Capital LLC, approximately \$488,000 in professional fees and premiums for general and officer and director insurance of approximately \$64,000. Other than its initial public offering and the pursuit of a business combination, Chardan has not engaged in any business to date. If Chardan does not consummate a business combination by February 10, 2007 (or, if a letter of intent, an agreement in principle or a definitive agreement to complete a business combination has been executed but not consummated by February 10, 2007, by August 10, 2007), then, pursuant to its certificate of incorporation, Chardan’s officers must take all actions necessary to dissolve and liquidate Chardan within 60 days.

The mailing address of Chardan’s principal executive office is Chardan North China Acquisition Corporation, 625 Broadway, Suite 1111, San Diego, California 92101, and its telephone number is (619) 795-4627.

Gifted Time Holdings

Business Operations

Gifted Time Holdings was formed to act as a holding company to hold the equity interests in HollySys held directly or indirectly by the Gifted Time Stockholders. HollySys is one of the leading automation and control system companies in China. The three HollySys Operating Companies are Beijing HollySys Co., Ltd., Hangzhou HollySys Automation Co., Ltd. and Beijing HollySys Haotong Science & Technology Development Co., Ltd. (“Haotong”). The three HollySys Operating Companies are organized and exist under the laws of the PRC. The HollySys Operating Companies develop, sell, and service automation and control systems and components in China. The businesses of the HollySys Operating Companies began in 1996.

For the years ended June 30, 2005 and 2006, HollySys generated approximately \$79.6 million and approximately \$90 million in revenue, respectively, principally from its sales of automation systems and equipment to Chinese customers in the power generation and heavy industry sectors.

The HollySys Operating Companies introduced their new platform technology in 2004, HOLLiAS. This platform consists of several modules, each of which can deliver a range of functions independently or can be integrated into an enterprise wide automation and control system. The components of the system were designed to enable HollySys to participate effectively in the most actively growing sectors of the Chinese economy, including general industrial activity, nuclear and fossil fuel power generation, rail transportation and emerging Chinese industries, such as pharmaceutical manufacture and food processing. HollySys also anticipates entering international markets, based on what it perceives to be products that are comparable to those of other automation companies but selling at prices that will give it a competitive advantage.

The current management of the HollySys Operating Companies is led by Dr. Wang Changli, who will become the chief executive officer of HLS and will continue to operate the HollySys Operating Companies. Dr. Wang and Madame Qiao Li, the current chairman of HollySys, will become two of the seven-person board of directors of HLS. Kerry Proper, a current director and officer of Chardan, also will be on the board of directors of HLS.

The mailing address of HollySys' principal executive offices is 19 Jiancaicheng Middle Road, Xisangi, Haidian District, Beijing China 100096, and its telephone number is (86) 10-82922200.

HollySys Reorganization and Ownership

Gifted Time Holdings itself does not engage in any operations. Gifted Time Holdings was established under the laws of the British Virgin Islands on September 21, 2005. On September 20, 2005, the parties who would become the beneficial owners of Gifted Time Holdings entered into a reorganization agreement to exchange the equity interests which they held in Beijing HollySys and Hangzhou HollySys for equity in Gifted Time Holdings, effective June 30, 2005. On October 12, 2005, Gifted Time Holdings issued one share to Madame Li Qiao as part of the consideration for transferring 30% equity interests in Hangzhou HollySys to OSCAF after reorganization. On December 30, 2005 Gifted Time Holdings issued 49,999 shares to the British Virgin Islands companies designated by the stockholders of Beijing HollySys and Hangzhou HollySys as described below. Subsequently, the stockholders of Gifted Time Holdings amended the reorganization agreement on December 30, 2005 due to the withdrawal of one investor in Beijing HollySys, Shanghai Jinqiaotong Industrial Development Co. Ltd. ("Shanghai Jinqiaotong"), which originally intended to acquire an additional 20% interest in Hangzhou HollySys but was not able to consummate this transaction. Shanghai Jinqiaotong decided not to purchase the additional 20% interest in Hangzhou HollySys because of a change in its investment strategy. Shanghai Jinqiaotong has continued to have its 20% interest in Beijing HollySys be subject to the reorganization agreement. Guantao Law Firm, counsel to the Gifted Time Stockholders, has opined that the reorganization agreement, as amended, is valid and enforceable under PRC laws. A copy of Guantao's opinion is filed as an exhibit to the Registration Statement of which this joint proxy/prospectus forms a part. Upon completion of the amended reorganization agreement, Gifted Time Holdings holds 74.11% of the equity interest in Beijing HollySys and 60% of the equity interest in Hangzhou HollySys. Gifted Time Holdings also indirectly own another 29.64% of Hangzhou HollySys by virtue of the fact that Beijing HollySys, of which Gifted Time Holdings owns 74.11%, owns 40% of Hangzhou HollySys.

The stockholders representing 74.11% of the equity interests of Beijing HollySys each formed a separate British Virgin Islands company, and these stockholders consigned their equity interest in Beijing HollySys to their British Virgin Islands companies as set forth in the tables below. Gifted Time Holdings then entered into consignment agreements with these British Virgin Islands companies to obtain the stockholders' 74.11% equity interest in Beijing HollySys. Gifted Time Holdings also entered into share transfer agreements with two foreign investors in Hangzhou HollySys, Team Spirit Industrial Limited ("Team Spirit") and OSCAF International Co. Limited ("OSCAF"), to obtain their equity interests in Hangzhou HollySys. Team Spirit is owned and controlled by Wang Changli, and OSCAF is owned and controlled by Qiao Li. Team Spirit and OSCAF each owned 30% of the total number of outstanding shares of Hangzhou HollySys. Team Spirit and OSCAF exchanged for shares in Gifted Time Holdings their entire ownership interest in Hangzhou HollySys to Gifted Time Holdings pursuant to the stock transfer agreements. As consideration for that transfer, Sure Grow Profits Limited and Faith Best Profits Limited, the BVI companies appointed by Team Spirit and OSCAF, each received 7,966 shares of Gifted Time Holdings' common stock, representing 15.932% each of the total outstanding common stock of Gifted Time Holdings. Guantao Law Firm has opined that the stock transfer agreements are valid and enforceable under PRC laws, and all relevant Chinese governmental authorities have approved the stock transfer. A copy of Guantao's opinion is filed as an exhibit to the Registration Statement of which this joint proxy/prospectus forms a part. Hangzhou HollySys is a limited liability company, and the transfer restrictions applicable to Beijing HollySys do not apply to limited liability companies under PRC law. The tables below identify the current stockholders of Gifted Time Holdings, Beijing HollySys and Hangzhou HollySys, and provides the names of the various British Virgin Islands companies formed by such stockholders for the purpose of

holding their stock in those entities.

Beijing HollySys owns 70% of the equity interests in Haotong. Haotong is a privately owned company that focuses on railway signal automated controls. Beijing HollySys first acquired a 40% interest in Haotong on May 15, 2002, and subsequently acquired an additional 30% interest in Haotong on December 13, 2002. Since Beijing HollySys holds 70% of the ownership interests in Haotong, when 74.11% of the equity interest in Beijing HollySys was consigned to Gifted Time Holdings pursuant to the consignment agreements, Gifted Time Holdings acquired a controlling interest in Haotong as well (with control over 51.9% of the equity interests in Haotong).

Gifted Time Holdings will not hold 25.89% of the equity interests in Beijing HollySys. Beijing No. 6 Institute Huasheng Technology Co. Ltd. (“Huasheng”) holds 24.11% of the equity interests in Beijing HollySys, and Beijing New Technology Industry Development and Services Center (“NT Center”) holds 1.78% of the equity interests in Beijing HollySys. Because Beijing HollySys owns 40% of the equity interests in Hangzhou HollySys, Huasheng has an indirect beneficial ownership of 9.644% of the shares of Hangzhou HollySys and NT Center has an indirect beneficial ownership of 0.712% of the shares of Hangzhou HollySys. Gifted Time Holdings has not sought and does not intend to seek control of these minority interests, although it would consider a purchase if either stockholder desired to sell its interest following the closing of the stock purchase. After the consummation of the stock purchase transaction under the stock purchase agreement between the Gifted Time Stockholders and Chardan and the redomestication merger in which Chardan will merge with and into HLS Systems International, Ltd., HLS will acquire all of the equity interests held by Gifted Time Holdings Ltd. in the HollySys Operating companies, as indicated in the diagram above.

The Chinese corporation law was recently amended, effective January 1, 2006, to prohibit directors or corporate officers of a joint stock company (such as Beijing HollySys) from transferring the ownership of more than 25% of the shares they own annually during their incumbency. However, it is permissible for record owners of a Chinese corporation, who are subject to that restriction on transfer of their stock, to consign to another all the equity interests and control of their stock while retaining only title. This includes the consignment of the record owner’s voting, dispositive, dividend, meeting calling, proposal submission and other rights, so that the consignee is for all intents and purposes the functional owner, except for record ownership.

As the deputy chairman of the board and CEO of Beijing HollySys, Dr. Wang Changli consigned his equity interests in Beijing HollySys stock to Gifted Time Holdings through a BVI company. The other stockholders in Beijing HollySys, who had previously entered into voting-together agreements with Dr. Wang, also consigned their equity interests in Beijing HollySys stock to Gifted Time Holdings through their respective BVI companies. The parties to the voting-together agreements are Mr. Cheng Wusi, Dr. Wang Changli, Mr. Luo An, Shanghai Jinqiaotong Industrial Development Co., Ltd., Team Spirit and OSCAF. These parties are the various individuals and companies that collectively own 74.11% of the equity interests in Beijing HollySys and 60% of the equity interests in Hangzhou HollySys. Considering the further growth of Beijing HollySys, all of the parties to the voting-together agreements believed that they needed to vote together for important issues related to Beijing HollySys' growth, capital raising matters, and important daily operational decisions. The parties believed that the best representative of their interests would be the person with the best skill set, who is the current CEO, Dr. Wang Changli. Dr. Wang received an education in England with a Ph. D degree in automation control, demonstrated his leadership skills with more than seventeen-years working experience in the automation industry, and has a strong network in the Beijing marketplace. Therefore, all of the above parties entered into a voting-together agreement with Dr. Wang, which replaced the earlier voting-together agreements.

After the reorganization, which was effective June 30, 2005, Gifted Time Holdings held 60% of the ownership interests in Hangzhou HollySys and 74.11% equity interest in Beijing HollySys, respectively. In addition, Gifted Time Holdings indirectly owns another 29.64% of Hangzhou HollySys by virtue of the fact that Beijing HollySys owns 40% of Hangzhou HollySys. Since the Chinese corporation law has no restriction on transferring ownership of the shares held by directors and corporate officers of a limited liability company, the restriction on the equity interest held by Dr. Wang in Beijing HollySys will expire once Beijing HollySys has been changed from a joint stock company to a limited liability company. HollySys expects that the process of changing from a joint stock company to a limited liability company will be initiated by the stockholders of Beijing HollySys shortly after the closing of this stock purchase transaction. In order to change from a joint stock company to a limited liability company, Beijing HollySys will have to apply to the Beijing Administrative Bureau of Industry & Commerce to change its registration. Beijing HollySys also will be changing from a domestic company to a foreign investment company after the closing of the stock purchase transaction. In order to become a foreign investment company, Beijing HollySys will have to obtain approval from the Ministry of Commerce, obtain foreign investment exchange registration with SAFE and foreign investment company registration with the Beijing Administrative Bureau of Industry & Commerce. This change may take six months to complete the required governmental administrative proceedings.

Guantao Law Firm, counsel for the Gifted Time Stockholders, has opined that the consignment agreements are valid and enforceable under the laws of the PRC so as to give Gifted Time Holdings the equity interests and control of 74.11% of the issued and outstanding stock of Beijing HollySys. A copy of Guantao's opinion is filed as an exhibit to the Registration Statement of which this joint proxy/prospectus forms a part.

The Business Combination

The stock purchase agreement provides for Chardan to form a wholly owned subsidiary under the laws of the British Virgin Islands, under the name "HLS Systems International Limited" ("HLS"). At the time of closing of the stock purchase agreement, Chardan will merge with and into HLS for the purpose of redomestication out of the United States to secure future tax benefits and greater corporate flexibility to structure the business of Gifted Time Holdings within China and effect acquisitions and reorganizations under Chinese law. Simultaneously with the redomestication merger, HLS will acquire all of the issued and outstanding stock of Gifted Time Holdings, gaining control of the three HollySys Operating Companies pursuant to existing stock consignment agreements, dated December 30, 2005, and share transfer agreements dated January 12, 2006 between Gifted Time Holdings and the stockholders of the HollySys Operating Companies. Following consummation of the stock purchase agreement and the redomestication merger, Gifted Time Holdings will continue as a wholly-owned subsidiary of HLS and owner of the stated interests in the

HollySys Operating Companies. Pursuant to the redomestication merger, all of the Chardan common stock held by Chardan's stockholders will be converted into common stock in HLS on a one-to-one basis and the outstanding warrants issued by Chardan will be assumed by HLS.

Under the stock purchase agreement, the Gifted Time Stockholders will be paid an aggregate of \$30,000,000 in cash and will receive an aggregate of 23,500,000 shares of HLS common stock for all the outstanding common stock of Gifted Time Holdings. Chardan will defer paying a portion of the cash payment (at least \$3 million, and possibly as much as \$7 million, depending on the amount of funds remaining in the trust account in the event that any of Chardan's stockholders exercise their conversion rights). The amount of the cash payment that will be deferred will be determined at closing and will equal the sum of \$3,000,000 plus two-thirds of the difference between the funds in the trust account (following the exercise of any conversion rights by Chardan Stockholders) and \$30,000,000. The deferred portion of the cash purchase price is not payable until HLS generates positive cash flow of at least twice the deferred amount or HLS receives at least \$60 million of additional financing.

As additional consideration, the Gifted Time Stockholders will be issued up to an aggregate of 8,000,000 shares of HLS common stock (2,000,000 per year on an all-or-none basis) for each of the next four years beginning with fiscal 2007 if, on a consolidated basis, HLS generates after-tax profits (excluding after-tax operating profits from any subsequent acquisitions of securities that have a dilutive effect) of at least the following amounts:

Year ending June 30,	After-Tax Profit
2007	\$ 23,000,000
2008	\$ 32,000,000
2009	\$ 43,000,000
2010	\$ 61,000,000

Chardan and the Gifted Time Stockholders plan to complete the stock purchase promptly after the Chardan special meeting, provided that:

- Chardan's stockholders have approved the stock purchase agreement and the redomestication merger proposals;
- holders of 20% or more of the shares of common stock issued in Chardan's initial public offering do not both vote against the stock purchase proposal and demand conversion of their shares into cash; and
- the other conditions specified in the stock purchase agreement have been satisfied or waived.

The Stock Purchase Agreement

The stock purchase agreement is included as an annex to this proxy statement/prospectus. Chardan has entered into two amendments to the stock purchase agreement that are also included as an annex to this proxy statement/prospectus and discussed in more detail on page 66. We encourage you to read the stock purchase agreement. It is the legal document that governs the stock purchase and the other transactions contemplated by the stock purchase agreement. It is also described in detail elsewhere in this proxy statement/prospectus.

The Chardan Stock Option Plan

The stock option plan reserves 3,000,000 shares of Chardan common stock for issuance in accordance with the plan's terms. Chardan does not intend to grant any options or other awards under this plan; instead, the plan will be available for use by the Board of Directors of HLS following the redomestication merger. The purpose of the stock option plan is to enable Chardan (or HLS following the redomestication merger) to offer its employees, officers, directors and consultants whose past, present and/or potential contributions have been, are or will be important to the success of the company, an opportunity to acquire a proprietary interest in Chardan (or HLS). The various types of awards that may be provided under the stock option plan will enable Chardan to respond to changes in compensation practices, tax laws, accounting regulations and the size and diversity of its business. Upon the redomestication merger, HLS will assume the plan and it will be administered by the board of directors of HLS using the common stock of HLS instead of Chardan common stock.

The stock option plan is included as an annex to this proxy statement/prospectus. We encourage you to read the stock option plan in its entirety.

Management

After the consummation of the stock purchase and of the redomestication merger, the board of directors of the surviving corporation will be Dr. Wang Changli, Madame Qiao Li, Kerry S. Propper, Jerry Zhang, Youxian Sun, Lewis Solomon and Leonard Hafetz.

Each of Madame Qiao Li and Dr. Wang Changli will enter into a three-year employment agreement with Gifted Time Holdings. Madame Qiao Li will be employed as Chairman, and Dr. Wang will be chief executive officer. Dr. Wang will also enter into an employment agreement with Beijing HollySys.

Conversion Rights

Pursuant to Chardan's Certificate of Incorporation, a holder of shares of Chardan's common stock issued in its initial public offering may, if the stockholder votes against the stock purchase, demand that Chardan convert such shares into cash. This demand must be made in writing at the same time that the stockholder votes against the stock purchase proposal. If so demanded, Chardan will convert each share of common stock into a pro rata portion of the trust account as of the record date. If you exercise your conversion rights, then you will be exchanging your shares of Chardan common stock for cash and will no longer own these shares. You will be entitled to receive cash for these shares only if you continue to hold these shares through the effective time of the stock purchase and then tender your stock certificate to the combined company. If the stock purchase is not completed, then these shares will not be converted into cash at that time.

The stock purchase will not be consummated if the holders of 20% or more of common stock issued in Chardan's initial public offering (1,150,000 shares or more) exercise their conversion rights.

Appraisal Rights

Appraisal rights are available under the Delaware General Corporation Law for the stockholders of Chardan in connection with the redomestication merger proposal. The procedure to exercise appraisal rights is described more fully under the heading "Chardan Redomestication Merger - Appraisal Rights."

Proxies

Proxies may be solicited by mail, telephone or in person. If you grant a proxy, you may still vote your shares in person if you revoke your proxy at or before the special meeting. The cost of soliciting proxies will be borne by Chardan. Chardan will solicit stockholders by mail through its regular employees, and may request banks and brokers, and other custodians, nominees and fiduciaries, to solicit their customers who have stock of Chardan registered in the names of such persons and will reimburse them for their reasonable, out-of-pocket costs. Chardan may use the services of its officers, directors, and others to solicit proxies, personally or by telephone, without additional compensation.

Stock Ownership

On the record date, directors and executive officers of Chardan and their affiliates beneficially owned and were entitled to vote 1,250,000 shares of Chardan's common stock, representing approximately 17% of the currently issued and outstanding shares of Chardan common stock. In connection with its initial public offering, Chardan and EarlyBird Capital, Inc. entered into agreements with each of the management shareholders, pursuant to which each management shareholder agreed to vote his shares of Chardan common stock (other than shares purchased in the open market) on the business combination in accordance with the majority of the votes cast by the holders of shares issued in connection with the initial public offering. All 1,250,000 shares of Chardan common stock held by the management shareholders are subject to Stock Escrow Agreements restricting the stockholder's ability to transfer those shares until August 2, 2008. These shares will be automatically converted into shares of HLS upon consummation of the redomestication merger. The HLS shares issuable to the management shareholders as a result of the redomestication merger will be subject to the terms of the Stock Escrow Agreements to the same extent as the shares of Chardan common stock are subject to the escrow immediately prior to the redomestication merger.

Chardan's Board of Directors' Recommendation

After careful consideration, Chardan's board of directors has determined unanimously that the stock purchase plan proposal, the redomestication merger proposal, and the stock option proposal are fair to, and in the best interests of, Chardan and its stockholders. Chardan's board has unanimously approved and declared advisable the stock purchase proposal, the redomestication merger proposal and the stock option plan proposal, and unanimously recommends that you vote or instruct your vote to be cast "FOR" the adoption of the stock purchase proposal, the redomestication merger proposal, and the stock option plan proposal. The board of directors did not obtain a fairness opinion.

Interests of Chardan Directors and Officers in the Stock Purchase

When you consider the recommendation of Chardan's board of directors that you vote in favor of adoption of the stock purchase proposal, you should keep in mind that a number of Chardan's executives and members of Chardan's board have interests in the stock purchase agreement that are different from, or in addition to, your interests as a stockholder. These interests include, among other things:

- if the stock purchase is not approved and Chardan fails to consummate an alternative transaction within the time allotted pursuant to its Certificate of Incorporation, Chardan will be required to liquidate. In such event, the shares of common stock held by Chardan's officers and directors will be worthless because Chardan's officers, directors and initial stockholders are not entitled to receive any liquidation proceeds. Additionally, any warrants held by such persons will expire worthless in the event of liquidation;
- after the completion of the stock purchase, Mr. Kerry Propper will serve as a member of the board of directors of HLS; and

- the management of HollySys, which after the completion of the stock purchase will be the management of HLS, has agreed in principle to retain Chardan Capital, LLC, an affiliate of Dr. Propper, Chardan's Chairman, to provide a variety of ongoing services to HollySys. These services will include the following: assistance with compiling and formatting filings required under securities laws (but not including legal advice); working with HLS legal and accounting professionals to assist HLS in achieving and maintaining compliance with the applicable requirements of the Sarbanes-Oxley Act and U.S. accounting standards; establishing and maintaining the capabilities and procedures to manage relations with investors and the financial community effectively; and advising HLS regarding corporate structure and development, including any strategic business opportunities and their potential effects on the value of the company's stock and overall business prospects. Chardan contemplates that these services will be provided on a month-to-month basis, terminable at will by HLS without penalty, for a monthly fee of \$30,000, plus reimbursement of expenses incurred in performing the services. There is not yet a written agreement governing the services to be provided, although the parties may formalize the agreement, to include these and other terms, if the stock purchase occurs.

Conditions to the Completion of the Stock Purchase

Each of Chardan's and the Gifted Time Stockholders' obligation to effect the stock purchase is subject to the satisfaction or waiver of specified conditions, including the following:

Conditions to Chardan's and the Gifted Time Stockholders' obligations

- Approval by Chardan's stockholders of the stock purchase and redomestication merger proposals;
 - the absence of any order or injunction preventing consummation of the stock purchase;
- the absence of any suit or proceeding by any governmental entity or any other person challenging the stock purchase or seeking to obtain from the Gifted Time Stockholders or Chardan any damages;
- at Chardan's stockholders' meeting, holders of less than 1,150,000 shares of common stock issued in Chardan's initial public offering, vote against the stock purchase proposal and demand that Chardan convert their shares into a pro rata portion of the trust account; and
- Certain key members of the management team of the HollySys Operating Companies will have entered into employment agreements in form and substance acceptable to Chardan, providing, among other things, for a term of three years at compensation levels in effect prior to the closing of the stock purchase and including intellectual property assignment and non-competition provisions to be in effect for a period of two years following termination of employment.

Conditions to Chardan's obligations

- the Gifted Time Stockholders' representations and warranties that are qualified as to materiality must be true and correct in all respects, and those not qualified as to materiality must be true and correct in all material respects, as of the date of completion of the stock purchase, except representations and warranties that address matters as of another date, which must be true and correct as of that other date, and Chardan must have received an officer's certificate from the Gifted Time Stockholders to that effect;
- the Gifted Time Stockholders must have performed in all material respects all obligations required to be performed by them;
 - Gifted Time Holdings will have acquired ownership or control of the three HollySys Operating Companies;
- the Gifted Time Stockholders must have received all required and unconditional approvals or consents of governmental authorities, and Chardan must have received written confirmation that such approvals and consents have been received;
- Chardan must have received a written opinion, dated as of the closing date, from Guantao Law Firm, counsel to the Gifted Time Stockholders relating to, among other things, the validity and enforceability of the stock consignment agreements;
- there must not have occurred since the date of the stock purchase agreement any HollySys Material Adverse Effect, as defined in the stock purchase agreement; and

· the Proxy Statement/Prospectus Information, as defined in the stock purchase agreement, accurately describes Gifted Time Holdings, the HollySys Operating Companies and the business in which they are engaged, and the Gifted Time Stockholders, and the Proxy Statement/Prospectus Information does not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements in the Proxy Statement/Prospectus Information not misleading.

Conditions to the Gifted Time Stockholders' obligation

- Chardan's representation and warranty regarding the compliance of the stock purchase agreement and the agreements contemplated by the stock purchase agreement with the applicable provisions in Chardan's Certificate of Incorporation must be true and correct in all respects, as of the date of completion of the stock purchase;
- Chardan must have performed in all material respects all obligations required to be performed by them under the stock purchase agreement; and
- there must not have occurred since the date of the stock purchase agreement any Chardan Material Adverse Effect, as defined in the stock purchase agreement.

No Solicitation

The stock purchase agreement contains detailed provisions prohibiting each of Chardan and the Gifted Time Stockholders from seeking an alternative transaction. These covenants generally prohibit Chardan and the Gifted Time Stockholders, as well as their officers, directors, subsidiaries, employees, agents and representatives, from taking any action to solicit an alternative acquisition proposal. The stock purchase agreement does not, however, prohibit Chardan from considering an unsolicited bona fide written superior proposal from a third party. The approval of the stock purchase agreement by the Gifted Time Stockholders has already been given, and no proposal from a third party will be effective to revoke or withdraw that approval.

Termination, Amendment and Waiver

The stock purchase agreement may be terminated at any time prior to the consummation of the stock purchase, whether before or after receipt of the Chardan stockholder approval, as follows:

- by mutual written consent of Chardan and the Gifted Time Stockholders;
- by either party if the other party amends a schedule and such amendment or supplement reflects a material adverse change in the condition, operations or prospects of its business;
- by either party if the closing has not occurred by June 15, 2006 (unless such terminating party is in breach of any of its material covenants, representations or warranties);
- by either party if the other party has breached any of its covenants or representations and warranties in any material respect and has not cured its breach within ten business days of the notice of an intent to terminate, provided that the terminating party is itself not in breach;
- by the Gifted Time Stockholders, if the board of directors of Chardan (or any committee thereof) shall have failed to recommend or withdraw or modify in a manner adverse to Gifted Time Holdings its approval or recommendation of the stock purchase agreement and any of the transactions contemplated thereby;
- by Chardan if its board of directors shall have determined in good faith, based upon the advice of outside legal counsel, that failure to terminate the stock purchase agreement is reasonably likely to result in the board of directors breaching its fiduciary duties to stockholders by reason of a pending, unsolicited, bona fide written proposal for a superior transaction; or

· by either party if, at the Chardan stockholder meeting, the stock purchase agreement and the redomestication merger shall fail to be approved and adopted by the affirmative vote of the holders of Chardan's common stock, or 20% or more of the shares sold in Chardan's initial public offering request conversion of their shares into the pro rata portion of the trust account in accordance with the Chardan Certificate of Incorporation.

The Gifted Time Stockholders have no right to damages from Chardan or HLS and they have no right to any amount held in the trust account. The Gifted Time Stockholders have agreed not to make any claim against Chardan and HLS that would adversely affect the business, operations or prospects of Chardan and HLS or the amount of the funds held in the trust account.

Quotation or Listing

Chardan's outstanding common stock, warrants and units are quoted on the Over-the-Counter Bulletin Board. HLS has applied to have the HLS common stock, warrants and units quoted on the Nasdaq Global Market at the consummation of the stock purchase. The proposed Nasdaq symbols are HLSS, HLSSW and HLSSU. Seeking the Nasdaq listing is an obligation of Chardan under the stock purchase agreement. If Nasdaq listing is not achieved, management anticipates that the common stock, warrants and units will continue to trade on the OTCBB.

Indemnification by Gifted Time Stockholders

The Gifted Time Stockholders have agreed to indemnify Chardan for breaches of their representations, warranties and covenants.

Comparison of Stockholders Rights

In connection with the consummation of the stock purchase agreement, Chardan has formed a wholly owned subsidiary under the laws of the British Virgin Islands, under the name of HLS Systems International Ltd. Chardan will, if the stock purchase proposal and redomestication merger proposal are approved, merge into HLS, effectively changing its jurisdiction of incorporation from Delaware to the British Virgin Islands. Chardan's common stock will be converted into common stock of HLS. The rights of Chardan stockholders will change accordingly. A comparison of the rights of stockholders under Delaware and British Virgin Islands law is included elsewhere in this proxy statement/prospectus.

Material United States Federal Income Tax Consequences of the Stock Purchase

As described below under the heading "Material U.S. Federal Income Tax Considerations of the Redomestication Merger", it is the opinion of DLA Piper Rudnick Gray Cary US LLP, counsel to Chardan, that the redomestication merger will qualify as a reorganization for United States federal income tax purposes. Accordingly, no gain or loss should be recognized by Chardan stockholders as a result of their exchange of Chardan common stock for the common stock of HLS. Nevertheless, as a result of the redomestication merger, Chardan will be treated for United States federal income tax purposes as if it sold all of its assets to HLS. As a result, Chardan will recognize gain (but not loss) as a result of the redomestication merger equal to the difference, if any, between the adjusted tax basis in Chardan's assets and such asset's fair market value at the effective time of the redomestication merger. Chardan will not, however, recognize any gain or loss as a result of the purchase of HollySys stock, pursuant to the stock purchase agreement.

Accounting Treatment

The stock purchase transaction will be accounted for as a recapitalization of Gifted Time Holdings rather than as an acquisition. The financial statements of HLS will combine the historical statements of Gifted Time Holdings with the balance sheet of Chardan from the effective date of the stock purchase transaction.

Regulatory Matters

The stock purchase and the transactions contemplated by the stock purchase agreement are not subject to any federal or state regulatory requirement or approval, including the Hart-Scott-Rodino Antitrust Improvements Act of 1976, or HSR Act, in the United States or British Virgin Islands, except for filings necessary to effectuate the transactions contemplated by the stock purchase and redomestication merger proposals with the State of Delaware and the British Virgin Islands. The stock transfer agreements between Gifted Time Holdings and Team Spirit Industrial Ltd. and OSCAF International Co. Ltd. required approval by the applicable Chinese governmental authorities under PRC law. Hangzhou HollySys received approval of the stock transfer agreements from the Commerce Bureau on February 13, 2006. In addition, in accordance with Notice 75, Notice on Issues concerning Foreign Exchange Management in PRC Residents' Financing and Return investments through Overseas Special Intention Company, promulgated by the Chinese State Administration for Foreign Exchange ("SAFE"), the Gifted Time Stockholders were required to apply for Foreign Exchange Investment Registration before setting up their respective British Virgin Islands companies and acquiring any equity interest in Gifted Time Holdings. The Gifted Time Stockholders filed all the necessary documents with SAFE in March 2006, and SAFE has accepted the submission. Beijing HollySys will also be required to obtain approval from the PRC Ministry of Commerce to become a foreign investment company and will have to register with the Beijing Administrative Bureau of Industry and Commerce. A more detailed discussion of the Notice 75 requirements promulgated by SAFE are in the "Risk Factors" section under the heading "Gifted Time Holdings is subject to Notice 75 promulgated by SAFE, which requires PRC residents to apply for Foreign Exchange Investment Registration before establishing or controlling an Overseas Special Intention Company ("OSIC)". Aside from the requirements and approvals discussed above, the stock purchase and the transactions contemplated by the stock purchase agreement are not subject to any other foreign regulatory requirements or approvals.
