Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

Effective January 1, 2019, the board of trustees of CubeSmart (the “Company”) approved a new form of Restricted Share Agreement (the “Restricted Share Agreement”), a new form of Non-Qualified Share Option Agreement (the “Option Grant Agreement”), and a new form of Performance-Vested Restricted Share Agreement (the “Performance Share Agreement” and, collectively with the Restricted Share Agreement and the Option Grant Agreement, the “Grant Agreements”), in each case under the Company’s amended and restated 2007 Equity Incentive Plan (as amended and restated, effective June 1, 2016, the “2007 Equity Incentive Plan”). Pursuant to the Grant Agreements, the Company may award restricted shares in the Company, performance shares in the Company and stock options to purchase common shares of the Company, respectively, to the Company’s executive officers under the 2007 Equity Incentive Plan.

The Grant Agreements provide for vesting in equal installments over a three-year period, in the case of the Restricted Share Agreement and Option Grant Agreement, and a performance period of three years, in the case of the Performance Share Agreement. The Grant Agreements generally conform to the previous form of grant agreements used by the Company under the 2007 Equity Incentive Plan except that the Grant Agreements provide for continued vesting or a continued performance period, as applicable, in the event of a “Retirement” of the executive, which is defined as reaching the age of 60 plus a minimum of 10 years of employment with the Company. In the case of the Restricted Share Agreement, the shares continue to vest in annual installments in accordance with the original terms. In the case of the Option Grant Agreement, in addition to continued vesting in installments in accordance with the original terms, the new form also provides that the options expire on the earlier of the original term of the option or five years from the date of Retirement. The Performance Share Agreement provides that a pro-rated amount of unvested performance shares will vest on the last day of the original performance period based upon the proportion of the performance period that elapsed between the grant date and the date of Retirement.

The foregoing descriptions of the Grant Agreements do not purport to be complete and are subject to, and are qualified in their entireties by, the full text of the Restricted Share Agreement, the Option Grant Agreement and the Performance Share Agreement which are attached hereto as Exhibit 99.1, 99.2 and 99.3, respectively, and are incorporated herein by reference.
