Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

Approval of 2010 Cash Bonus Performance Measures

On February 15, 2011, the Compensation Committee (the "Committee") of the Board of Directors of ITC Holdings Corp. (the "Company") determined that employees will be eligible for cash bonuses for 2011 performance under a corporate bonus plan adopted pursuant to the Company's Amended and Restated 2006 Long Term Incentive Plan (the "LTIP"), based on the achievement of Company performance goals based on fewer than targeted lost work days for safety reasons, fewer than targeted recordable safety incidents, compliance with mandatory reliability standards, fewer than targeted outages, completion of priority maintenance activities, completion of targeted capital projects, lower than targeted operating and maintenance expenses, and higher than targeted Earnings Before Interest and Taxes (EBIT) plus Allowance for Funds Used During Construction (AFUDC). If all of these goals are fully achieved, bonuses would be paid to executive officers in amounts equal to the target amounts, as a percentage of base salary, established by the Committee, which are for the Company's executive officers, as follows: Joseph L. Welch, President and Chief Executive Officer, 125%; Linda H. Blair, Executive Vice President and Chief Business Officer, 100%; Cameron M. Bready, Executive Vice President, Treasurer and Chief Financial Officer, 100%; Jon E. Jipping, Executive Vice President and Chief Operating Officer, 100%; and Daniel J. Oginsky, Senior Vice President and General Counsel, 100%.

In addition, a performance multiplier based on the Company's total return to shareholders compared to Dow Jones Utility Average companies will be applied to the executive officers' bonus target if total return to shareholders is a positive number. The multiplier will be determined by comparing the Company's 2011 total return to shareholders to the total return to shareholders of each of the companies that comprise the Dow Jones Utility Average index. Based on the Company's 2011 total return to shareholders, to the extent it ranks within the 51st to 100th percentile as compared to the companies that comprise the Dow Jones Utility Average index, the multiplier will be in the range of 1.2 to 2.0.

Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

Amendments to Bylaws

At its regular meeting on February 16, 2011, the Board of Directors of the Company adopted amendments to the Company's Bylaws, effective immediately, that:

A. Amend and restate Section 5.02 to define the instances in which a director may be removed for cause by adding the following language to said Section:

Cause for removal is defined as any director who has been judicially declared of unsound mind or who has been convicted of an offense punishable by imprisonment for a term of more than one year.

B. Add Section 5.11 to define a retirement policy for directors and the procedure for implementing such policy. Section 5.11 reads as follows:

Retirement Policy. The board of directors does not believe it should establish term limits other than the current annual terms of office. However, if the board of directors believes it is necessary that a director should not stand for reelection due to his or her age, the board of directors, through resolution, may act on establishing the appropriate term limit for the particular director.

The above description of the amendments to the Bylaws does not purport to be a complete statement of the provisions thereof. Such description is qualified in its entirety by reference to the amendments, which are attached to this Form 8-K as Exhibit 3.2 and are incorporated herein by reference.
