- Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act(17 CFR 240.13e-4(c))

Item 1.01.

Entry into a Material Definitive Agreement.

On May 29, 2009, Imperial Industries, Inc. (as guarantor) and its principal subsidiaries Premix-Marbletite Manufacturing Co., DFH, Inc., and Just-Rite Supply, Inc., together with Imperial Industries, Inc. (collectively the Company), and Wachovia Bank, N.A., executed an Eleventh Amendment (the Amendment), to the Company's Consolidating, Amended and Restated Financing Agreement dated as of January 28, 2000 (the Line of Credit).

The Amendment modified the Line of Credit as follows:

.

The maturity date of the Line of Credit was extended from June 1, 2009 to June 10, 2009.

.

The maximum credit available on the Line of Credit, based in eligible accounts receivable and inventory, was reduced from \$9,000,000 to \$3,500,000;

.

The margin applicable to the interest rate under the Line of Credit was increased to, at the Company's option, either at prime rate plus 3%, or Libor plus 4% (with the Libor base rate to be no less than 1.5%); and

.

The amount of eligible accounts receivable and inventory available for borrowing was reduced by (a) generally limiting accounts receivable not collected within 90 days to not be eligible for borrowing purposes, rather than 120 days, and (b) lowering the available borrowing rate against eligible inventory from 40% to 30%.

As of May 29, 2009, the Company had borrowed approximately \$2,275,000 under its Line of Credit. Available borrowings under the Line of Credit at May 29, 2009 was \$816,000, prior to an excess availability covenant of \$600,000, which was formerly \$900,000 prior to the Amendment.

Item 9.01.
