The VCP is calculated as the lowest trading price during the twenty five (25) trading days immediately prior to the conversion date multiplied by fifty percent (50%).

The Company may prepay the Debenture, subject to five business days prior notice to the Investor, by: (i) within an initial 90 days period after the issuance of the Debenture, by paying an amount equal to 125% multiplied by the amount that the Company is prepaying; and (ii) from the 91st day after the issuance of the Debenture through the Debenture having reached a zero (\$0) outstanding balance, by paying an amount equal to 140% multiplied by the amount that the Company is prepaying. Any such prepayment of principal shall only be executed provided that such amount must be paid in cash on the next business day following such 5 business day notice period, and the Investor may still convert this Note pursuant to the terms here of at all times until such prepayment amount has been received in full.

Pursuant to the terms of the Purchase Agreement, the Company shall use the proceeds from the sale of the Debenture for working capital and other general corporate purposes and shall not, directly or indirectly, use such proceeds for any loan to or investment in any other corporation, partnership, enterprise or other person, subject to exceptions outlined therein.
