

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(b)

On May 27, 2016, the Board of Directors (the “Board”) of Advanced Emissions Solutions, Inc. (“ADES”) confirmed that the engagement of A. Bradley Gabbard as ADES’ Chief Financial Officer will conclude at the end of his one-year term on June 12, 2016. Mr. Gabbard will continue to serve ADES as a director and is included as a director nominee for re-election at the upcoming ADES Annual Meeting of Stockholders scheduled for June 22, 2016.

Christine B. Amrhein and ADES agreed on May 27, 2016 that Ms. Amrhein will step down as General Counsel and Secretary of ADES effective August 1, 2016. The Board approved the elimination of the General Counsel position and appointment of Greg Marken, ADES’ current Director of SEC Reporting and Technical Accounting, as Secretary effective upon Ms. Amrhein’s departure. Ms. Amrhein will focus her efforts on transitioning her current legal responsibilities to Ted Sanders, current Corporate Counsel of ADES, and others during the period between now and August 1, 2016.

(c)

On May 27, 2016, the Board approved the creation of the Chief Accounting Officer position and appointment of Mr. Marken to such position effective June 12, 2016. Mr. Marken will assume Mr. Gabbard’s accounting responsibilities. Mr. Gabbard’s other principal financial officer responsibilities will be assumed by L. Heath Sampson, ADES’ President and Chief Executive Officer. The position of Chief Financial Officer will be eliminated as of June 12, 2016.

Mr. Marken, 34, has served as ADES’ Director of SEC Reporting and Technical Accounting since January 2015, responsible for all aspects of ADES’ U.S. Securities and Exchange Commission (“SEC”) reporting, technical accounting matters and various other accounting tasks. He led ADES’ efforts to restate prior financial statements and bring ADES current with SEC reporting obligations. Prior to ADES, Mr. Marken held various positions, including Senior Manager, Assurance Services, at Ernst & Young, LLP from 2005 through 2015. He received his BBA in Accounting and MS in Finance from Texas A&M University. Mr. Marken is a CPA.

The Board also approved the promotion of Ronald Hanson to Senior Vice President Operations of ADA-ES, Inc. (“ADA”), a wholly-owned subsidiary of ADES, effective June 12, 2016.

Prior to his promotion, Mr. Hanson, 45, served ADA as the Vice President of Operations and Delivery, leading teams of Project Managers, Engineers, Designers, Procurement and Material Logistics to deliver ADA’s wide range of advanced solutions for the coal fired power industry. He has more than 22 years of experience in the industry including previous roles at ADA beginning in April 2011. While at ADA, he also designed and built a patented (US 9,017,452 B2) dense phase carbon injection system for mercury control in a baghouse/dry scrubber system for coal fired power plants. Prior to ADA, Mr. Hanson held engineering and management roles over the span of 17 years at Dynamic Air in St. Paul, MN, which specializes in material handling solutions for process and manufacturing industries. Mr. Hanson earned his Bachelor of Science degree in Mechanical Engineering from North Dakota State University in 1994.

Messrs. Hanson and Mr. Marken were also designated as officers of ADES for purposes of Section 16(b) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”).

Neither Mr. Hanson nor Mr. Marken have any family relationship with any director or executive officer of ADES nor are either of them a party to a related party transaction under Item 404(a) of Regulation S-K promulgated under the Exchange Act.

(e)

ADES will offer Mr. Marken and ADA will offer Mr. Hanson Riders to their respective employment agreements, which are typically entered into with new executive officers and are discussed in further detail in ADES' Proxy Statement filed with the SEC on April 29, 2016. The Riders for Messrs. Hanson and Marken are substantially similar to the Rider entered into between ADES and Mr. Sampson on file with the SEC as Exhibit 10.66 to the Current Report on Form 8-K filed on September 2, 2014, which is hereby incorporated by reference (the "Form Rider") except that their Riders (i) allow for a 7.5 month period of severance payments and compliance with certain restrictive covenants, including a non-compete, under certain circumstances in place of the twelve month period contemplated in the Form Rider and (ii), if employment is terminated as part of a Reduction in Force program, provide for the vesting of all restricted stock, a pro-rata amount of any 2016 short-term incentive plan if employment is terminated prior to December 31, 2016 and the greater of 7.5 months of severance payments or the separation package being offered to individuals at Mr. Hanson's or Mr. Marken's respective job level. The foregoing description of the Riders for Messrs. Hanson and Marken is only a summary, and we refer you to the full text of the Form Rider.
