Item 1.01 Entry into a Material Definitive Agreement.

On January 30, 2014, certain subsidiaries (the “Borrowers”) of LGI Homes, Inc. (the “Company”) executed a Second Amended and Restated Loan Agreement with Texas Capital Bank, National Association (the “Credit Agreement”), which amends and restates the Amended and Restated Loan Agreement dated as of June 24, 2013 by and between Texas Capital Bank, National Association (the “Lender”) and certain of the Borrowers, as amended.

The Credit Agreement provides for a \$50.0 million senior secured revolving credit facility, guaranteed by the Company. The new revolving credit facility matures on June 30, 2016. As of December 31, 2013, \$34.1 million was outstanding under the previous revolving credit facility, with approximately \$0.9 million available for additional borrowings. Borrowings under the new revolving credit facility are limited to the borrowing base, which is determined based on the loan value of the pool of collateral in which the Lender has a security interest. The Company may add vacant lots, houses, land, and acquisition and development projects to its pool of collateral through June 30, 2015. Pre-sold houses may remain in the borrowing base for up to nine months while model homes, speculative homes and vacant lots may remain in the borrowing base for up to one year.

The Credit Agreement includes financial covenants that will be tested on a quarterly basis. The Credit Agreement requires the Borrowers to maintain a net worth of not less than \$35.0 million and the Company, as guarantor, to maintain a tangible net worth of not less than \$125.0 million. The Credit Agreement also requires the Borrowers to maintain a leverage ratio of not more than 1:25 to 1.0 and the Company, as guarantor, to maintain a leverage ratio of not more than 1.0 to 1.0. The Borrowers are required under the Credit Agreement to maintain liquidity in excess of \$10.0 million and unrestricted cash of not less than \$5.0 million. The Credit Agreement requires that the Borrowers shall not suffer net losses in more than two consecutive calendar quarters.

In addition, the Credit Agreement contains various covenants that, among other restrictions, limit the Borrowers’ ability to create, issue, incur or assume indebtedness and make distributions to the members and shareholders of the Borrowers.

The Credit Agreement contains various events of default including: any material deviation in construction of houses or acquisition or development project from the plans and specifications described in the Credit Agreement, subject to cure periods; the appearance or use of defective workmanship or materials in constructing any house or acquisition and development project, subject to cure periods; the cessation of construction of any house or acquisition or development project for a continuous period of more than 15 days, subject to certain exceptions; any prohibition, injunction or delay for a continuous period of more than 30 days of the construction or sale of any house or lot under the Credit Agreement; the recording of any liens against or the attachment or condemnation of collateral in which the Lender has a security interest; and other customary events of default.

If any default occurs under the Credit Agreement, the Borrowers may be unable to borrow funds under the Credit Agreement. In addition, upon the occurrence of any event of default, Lender may, at its sole option, declare all sums owing to Lender under the Credit Agreement immediately due and payable.

The description set forth above is qualified in its entirety by reference to the Credit Agreement, a copy of which is filed as Exhibit 10.1 to this Current Report on Form 8-K (this “Current Report”) and incorporated herein by reference.
