Item 1.01 Entry into a Material Definitive Agreement.

Item 3.02 Unregistered Sales of Equity Securities.

On October 16, 2018, we entered into agreements with accredited investors for the sale and purchase of 1,600,000 shares of our common stock, \$0.01 par value at a purchase price of \$1.25 per share. We received \$2,000,000 in gross proceeds from the offering. We intend to use the net proceeds from this placement for general working capital purposes.

In conjunction with the placement, we also entered into a registration rights agreement with the investors, whereby we are obligated to file a registration statement with the Securities Exchange Commission on or before 90 calendar days after October 16, 2018 to register the resale by the investors of 1,600,000 shares of our common stock purchased in the placement.

The description of the private placement does not purport to be complete and is qualified in its entirety by reference to the complete text of the Form of the Securities Purchase Agreement by and among us and the investors, dated October 16, 2018, and the Form of Registration Rights Agreement by and among us and the investors, dated October 16, 2018, which are filed as Exhibits 10.1 and 10.2, respectively, to this Current Report on Form 8-K and are incorporated herein by reference.

The issuance of the shares of common stock was exempt from registration pursuant to the exemption contained in Section 4(a)(2) of the Securities Act of 1933, as amended, and Rule 506 of Regulation D, inasmuch as it was not a public offering since no general solicitation or advertising of any kind was used in connection with the issuance and there was only a limited number of recipients or the recipients were knowledgeable accredited investors who understand the investment risks. Accordingly, the shares issued as part of the private placement have not been registered under the Securities Act of 1933, as amended, and until so registered, the securities may not be offered or sold in the United States absent registration or availability of an applicable exemption from registration.

This report does not constitute an offer to sell or the solicitation of an offer to buy, and these securities cannot be sold in any state or jurisdiction in which this offer, solicitation, or sale would be unlawful prior to registration or qualification under the securities laws of any state or jurisdiction. Any offer will be made only by means of a prospectus, including a prospectus supplement, forming a part of the effective registration statement.
