- 25% of the Restricted Share Units granted will be converted into shares of Common Stock on each of the first, second, third and fourth anniversaries of the grant date, provided the recipient remains employed by the Company, or retires after age 65, or after age 62 with ten years of service; all Restricted Share Units will be converted into shares of Common Stock upon death or permanent disability, or if employment is involuntarily terminated within two years after a change in control of the Company.

In the event of a change in control of the Company, the vesting percentage would be determined as of the date of the change in control, although the date of vesting would remain December 31, 2020.
- Each 2018 Performance-Based RSU represents a contingent right to receive a number of shares of Crane Co. common stock between zero and 2.00, depending upon the Total Shareholder Return of Crane Co.'s common stock compared to that of the companies in the S&P MidCap 400 Capital Goods Group during the period beginning January 1, 2018 and ending December 31, 2020.
