Item 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS

Under the New York Business Corporation Law (the "NYBCL") a corporation may indemnify any person made, or threatened to be made, a party to an action or proceeding (other than one by or in the right of the corporation to procure a judgment in its favor), whether civil or criminal, including an action by or in the right of any other corporation of any type or kind, domestic or foreign, or any partnership, joint venture, trust, employee benefit plan or other enterprise, which any director or officer of the corporation served in any capacity at the request of the corporation, by any reason of the fact that he, his testator or intestate, was a director or officer of the corporation, or served such other corporation, partnership, joint venture, trust, employee benefit plan or other enterprise in any capacity, against judgments, fines, amounts paid in settlement and reasonable expenses, including attorneys' fees actually and necessarily incurred as a result of such action or proceeding, or any appeal therein, if such director or officer acted, in good faith, for a purpose which he reasonably believed to be in, or, in the case of service for any other corporation or any partnership, joint venture, trust, employee benefit plan or other enterprise, not opposed to, the best interests of the corporation and, in criminal actions or proceedings, in addition, had no reasonable cause to believe that his conduct was unlawful.

The NYBCL further provides that no indemnification of directors in shareholder derivative suits may be made in respect of (i) a threatened action, or a pending action which is settled or otherwise disposed of, or (ii) any claim, issue or matter as to which the director or officer has been adjudged to be liable to the corporation, unless and only to the extent that the court in which the action was brought or, if no action is brought, any court of competent jurisdiction, determines upon application that, in view of the circumstances of the case, the director or officer is fairly and reasonably entitled to indemnity for such portion of the settlement amount and expenses as the court deems proper. The statutory provisions for indemnification and advancement of expenses are not exclusive of any other rights to which those seeking indemnification or advancement of expenses may be entitled independently of the applicable statutory provision.

The AEP By-Laws provide that to the fullest extent permitted by law, AEP shall indemnify any person made, or threatened to be made, a party to any action or proceeding (formal or informal), whether civil, criminal, administrative or investigative and whether by or in the right of AEP or otherwise, by reason of the fact that such person, such person's testator or intestate, is or was a director, officer or employee of AEP, or of any subsidiary or affiliate of AEP, or served any other corporation, partnership, joint venture, trust, employee benefit plan or other enterprise in any capacity at the request of AEP, against all loss and expense including, without limiting the generality of the foregoing, judgments, fines (including excise taxes), amounts paid in settlement and attorneys' fees and disbursements actually and necessarily incurred as a result of such action or proceeding, or any appeal therefrom, and all legal fees and expenses incurred in successfully asserting a claim for indemnification pursuant to such provision of the AEP By-Laws; provided, however, that no indemnification may be made to or on behalf of any director, officer or employee if a judgment or other final adjudication adverse to the director, officer or employee establishes that such person's acts were committed in bad faith or were the result of active and deliberate dishonesty and were material to the cause of action so adjudicated, or that such person personally gained in fact a financial profit or other advantage to which such

Edgar Filing: AMERICAN ELECTRIC POWER COMPANY INC - Form S-8

person was not legally entitled.

The AEP By-Laws further provide that in any case in which a director, officer or employee (or a representative of the estate of such director, officer or employee) requests indemnification, upon such person's request the AEP Board of Directors shall meet within sixty days thereof to determine whether such person is eligible for indemnification in accordance with the standard set forth above. Such a person claiming indemnification shall be entitled to indemnification upon a determination that no judgment or other final adjudication adverse to such person has established that such person's acts were committed in bad faith or were the result of active and deliberate dishonesty and were material to the cause of action so adjudicated, or that such person personally gained in fact a financial profit or other advantage to which such person was not legally entitled.

Item 9. UNDERTAKINGS

(a) The undersigned registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to the registration statement:
 - (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
 - (ii) To reflect in the prospectus any facts or events arising after the effective date of this registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this registration statement. Notwithstanding

the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high and of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) of the Securities Act of 1933 if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

- (iii) To include any material information with respect to the plan of distribution not previously disclosed in this registration statement or any material change to such information in the registration statement;

provided, however, that the undertakings set forth in paragraphs (i) and (ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this registration statement.

- (2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

- (b) The undersigned registrant hereby undertakes that, for the purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

- (c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent,

Edgar Filing: AMERICAN ELECTRIC POWER COMPANY INC - Form S-8

submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

Pursuant to requirements of the Securities Act of 1933, as amended, the Registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8 and has duly caused this Registration Statement on Form S-8 to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Columbus, State of Ohio, on this 26th day of July, 2001.

ARTICLE VII

DISTRIBUTIONS

7.1 Upon a Participant's or Former Participant's termination of employment with the Company for any reason other than Retirement, Disability or death the Company shall pay the Participant or the Former Participant the full amount credited to the Participant's or Former Participant's Account. The payment shall be made within 60 days of the Participant's or Former Participant's termination of employment.

7.2 Upon a Participant's or Former Participant's termination of employment due to Retirement, Disability or death benefits shall be paid in the form elected by the Participant or Former Participant that is in effect at least one year prior to the payment or the scheduled payment to the Participant whichever is sooner. The payment form elected by a Participant or a Former Participant shall apply to all Incentive Compensation deferral elections made by the Participant or the Former Participant.

Edgar Filing: AMERICAN ELECTRIC POWER COMPANY INC - Form S-8

7.3 The form of benefit payments shall be one of the following:

1. A single lump sum distribution at the time of Retirement or Disability or up to five years after Retirement or Disability;
2. Annual distributions over not less than two and not more than ten years commencing one to five years after Retirement or Disability;

7.4 Distributions to Participants who are not executive officers of the Company shall commence as soon as practical (generally within 60 days) after the Participant's or Former Participant's Retirement, Disability or death unless a Participant has elected to defer distributions. Distributions to Participants who are executive officers of the Company shall commence in January of the year following the Participant's or Former Participant's Retirement, Disability or death unless a Participant has elected to defer distributions. If the Participant or Former Participant elected to defer distributions for one to five years, distributions shall be made on the selected deferral date except for balances of \$5,000 or less as provided in section 7.5.

7.5 If a Participant's or Former Participant's Account is \$5,000 or less on the date that such Participant or Former Participant becomes eligible for a distribution due to Retirement, Disability, death or the receipt of a withdrawal request, the full value of the Account shall be distributed as a lump sum.

The Participant or Former Participant electing annual distributions shall have the right to make changes in the Fund or Funds the Account is invested in accordance with section 6.2.

7.7 Notwithstanding any other provision of this Plan a Participant or Former Participant shall be entitled to receive, upon written request to the Committee, a lump sum distribution from his or her Account of an amount equal to or greater than 25% of the Participant's Account as of the date of the request. The date of the request shall be the date the Committee or the Committee's representative receives the request. The lump sum amount to be paid to the Participant shall be subject to a 10% early withdrawal penalty, which penalty shall reduce the amount to be distributed to the Participant or Former Participant. The Participant or Former Participant shall forfeit the amount of the 10% withdrawal penalty. The lump sum amount shall be paid within 60 days after the Committee receives the withdrawal request. Any Participant or Former Participant who elects to receive a benefit under this section shall not be eligible to participate in future Incentive Compensation deferrals for the Plan Year in which the request is made and for two consecutive Plan Years thereafter and the Participant may not request any additional withdrawals prior to the Participant's termination of employment.

ARTICLE VIII

BENEFICIARIES

8.1 Each Participant or Former Participant shall have the right at any time, to designate one or more persons or an entity as a beneficiary (both primary or secondary) to whom benefits under this Plan shall be paid in the event of a Participant's or Former Participant's death prior to complete distribution of the Account. Each beneficiary designation shall be in a written form prescribed by the Committee and shall be effective only when filed with the

Edgar Filing: AMERICAN ELECTRIC POWER COMPANY INC - Form S-8

Committee during the Participant's or Former Participant's lifetime.

8.2 If the designated beneficiaries predecease the Participant or Former Participant, or if the Participant or Former Participant did not designate a beneficiary, or if the beneficiary designation is not valid, the value of the Account shall be distributed to the Participant's or Former Participant's spouse if then living. If the spouse is not living, then the value of the Account shall be distributed to the representative of the estate. Distributions to a surviving spouse, beneficiary or representative of the estate shall be made as soon as reasonable in accordance with a distribution election made by the surviving spouse, beneficiary or representative of the estate. If a distribution election is not completed within 90 days of the Participant's or Former Participant's death, the value of the account shall be distributed in a lump sum.

ARTICLE IX

MISCELLANEOUS PROVISIONS

9.1 Each Participant agrees that as a condition of participation in the Plan, the Company may withhold federal, state and local income taxes, Social Security taxes and Medicare taxes from any distribution hereunder to the extent that such taxes are then payable.

9.2 In the event that a Participant or beneficiary is unable to care for his or her affairs because of illness or accident, the Company may direct that any payment due the Participant or the beneficiary be paid to the duly appointed legal representative of the Participant or beneficiary, and any such payment so made shall be a complete discharge of the liabilities of the Plan and the Company.

9.3 The Company intends to continue the Plan indefinitely but reserves the right to modify the Plan from time to time, or to terminate the Plan entirely, provided that no such modification or termination shall affect or otherwise deprive a Participant or beneficiary of any distributions to which they may be entitled under the Plan.

9.4 Nothing in the Plan shall interfere with or limit in any way the right of the Company to terminate any Participant's employment at any time, or confer upon a Participant any right to continue in the employ of the Company.

9.5 The Plan shall be construed and administered according to the laws of the State of Ohio.
