ITEM 7.01. REGULATION FD DISCLOSURE.

From time to time, including in its Annual Report on Form 10-K for the year ended December 31, 2014 (the Annual Report), Bank of America Corporation (the Corporation) has indicated that it may reclassify its business segment results based on, among other things, changes in its organizational alignment. In the Annual Report, the Corporation reported its results of operations through five business segments: Consumer & Business Banking (CBB), Consumer Real Estate Services (CRES), Global Wealth & Investment Management (GWIM), Global Banking and Global Markets, with the remaining operations recorded in All Other. Effective January 1, 2015, to align the segments with how we manage the businesses in 2015, the Corporation changed its basis of presentation, and following such change, reports its results of operations through the following five business segments: Consumer Banking, Global Wealth & Investment Management (GWIM), Global Banking, Global Markets and Legacy Assets & Servicing (LAS), with the remaining operations recorded in All Other. The Home Loans subsegment, which was included in the former CRES segment, is now included in Consumer Banking, and LAS has become a separate segment. A portion of the Business Banking business, based on the size of the client, was moved from the former CBB segment to Global Banking, and the former CBB segment was renamed Consumer Banking. Also, Bank of America Merchant Services, the Corporation's merchant processing joint venture, moved from the former CBB segment to All Other. In addition, certain management accounting methodologies, including the treatment of intersegment assets and liabilities, and related allocations were refined. Prior periods have been reclassified for comparability.

The information contained in this Form 8-K is being furnished to assist investors in understanding how the Corporation's business segment results would have been presented in previously filed reports had such results been reported to reflect the realignment discussed above. This business segment realignment did not affect the Consolidated Statement of Income or Consolidated Balance Sheet. The Corporation's First Quarter 2015 Form 10-Q and subsequent filings that include segment information will reflect this new alignment.

Revised Supplemental Information to reflect the segment realignment is attached hereto as Exhibit 99.1. This Revised Supplemental Information is being furnished pursuant to Item 7.01, and shall not be deemed "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, nor shall the Revised Supplemental Information be deemed incorporated by reference into any filings under the Securities Act of 1933, as amended.
