-REPORTS SECOND QUARTER RESULTS-

NEW HARTFORD, NY, PAR TECHNOLOGY CORPORATION (NYSE:PTC)

New Hartford, NY--July 26, 2007--PAR Technology Corporation (NYSE:PTC - News) today announced results for the second quarter ended June 30, 2007.

PAR reported second quarter revenues of \$49.9 million, a 6% decrease from the \$53.3 million reported in the same period a year ago. A net loss of \$1 million was reported for the second quarter 2007, compared with net income of \$2.3 million in the second quarter of 2006. Diluted loss per share was \$0.07 for the second quarter of 2007, compared to diluted earnings per share of \$0.16 for the second quarter of last year.

For the six months ended June 30, 2007, PAR Technology Corporation reported revenues of \$97.7 million, an 8% decrease from the \$106 million reported one year ago. The Company also reported a net loss of \$2.3 million for the first six months of 2007 versus net income of \$4.3 million reported for the first six months of 2006. Diluted loss per share was \$0.16 for the first six months of 2007 compared to diluted earnings per share of \$0.29 reported for the first six months of 2006.

John W. Sammon, PAR Chairman & CEO commented, "In the second quarter we continue to experience lower revenues due to ongoing software delays, both internal and by third parties. However, long-term, we are confident in our business and believe we will return to profitability when these software issues are resolved. During this time we will continue our corporate investment strategy to improve the Company's operating performance going forward as we invest in our business to expand future opportunities."

Sammon continued, "We continue to believe these strategic investments will produce value for shareholders that will outweigh the short-term impact. Our three-pronged investment plan of new hospitality software, international markets and expanding our distribution channel will allow PAR to be competitive as a market leader in hospitality technology for the foreseeable future and deliver the positive results our shareholders are expecting. "

Certain Company information in this release or by its spokespersons from time to time may contain forward-looking statements. Any statements in this document that do not describe historical facts are forward-looking statements. Forward-looking statements are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Investors are cautioned that all forward-looking statements involve risks and uncertainties, including without limitation, delays in new product introduction, risks in technology development and commercialization, risks in product development and market acceptance of and demand for the Company's products, risks of downturns in economic conditions generally, and in the quick service sector of the restaurant market specifically, risks of intellectual property rights associated with competition and competitive pricing pressures, risks associated with foreign sales and high customer concentration, and other risks detailed in the Company's filings with the Securities and Exchange Commission.
