**PROXY STATEMENT**

**ANNUAL MEETING OF THE STOCKHOLDERS  
OF PERINI CORPORATION**

This proxy statement is furnished in connection with the solicitation of proxies by the Board of Directors of PERINI CORPORATION ( " Company " , " Perini " , " we " , " us " , and " our " ) to be used at our annual meeting of stockholders to be held at the Crowne Plaza, Hawthorne Ballroom, 13 Worcester Road (Route 9 East), Natick, Massachusetts, on Thursday, May 17, 2007, at 9:00 a.m., local time, and at any adjournment or adjournments thereof (the " Annual Meeting " ), for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. A proxy card is being sent to holders of our Common Stock, \$1.00 par value. If the accompanying form of proxy is executed and returned or voted electronically, it may be revoked at any time before it is voted by written notice to our Secretary, by the subsequent execution and delivery of another Proxy, or by voting in person at the Annual Meeting. The Proxy Statement, Notice of Annual Meeting and the enclosed Proxy Card are first being mailed on or about April 17, 2007 to the stockholders of record as of March 30, 2007.

The Board of Directors has fixed the close of business on March 30, 2007 as the record date for the determination of the stockholders entitled to vote at the Annual Meeting. As of

March 30, 2007, the Company had outstanding 26,672,746 shares of common stock. Each share is entitled to one vote.

**STOCKHOLDER VOTES REQUIRED**

If your shares are held in "street name," your brokerage firm, under certain circumstances, may vote your shares for you if you do not return your proxy. Brokerage firms have authority under the rules of the New York Stock Exchange ( " NYSE " ) to vote customers' unvoted shares on some routine matters. If you do not give a proxy to your brokerage firm to vote your shares, your brokerage firm may either vote your shares on routine matters or leave your shares unvoted. The election of directors (proposal 1) and the ratification of Deloitte & Touche LLP as the Company 's independent auditors for the fiscal year ending December 31, 2007 (proposal 2) are considered routine matters. We encourage you to provide voting instructions to your brokerage firm by returning your completed proxy. This ensures your shares will be voted at the meeting according to your instructions. You should receive directions from your brokerage firm about how to submit your proxy to them at the time you receive this proxy statement.

The presence, in person or by proxy, of outstanding shares of Common Stock representing a majority of the shares entitled to vote is necessary to constitute a quorum for the transaction of business at the Annual Meeting. Shares that reflect abstentions or broker non-votes will be counted for purposes of determining whether a quorum is present for the transaction of business at the Annual Meeting.

## Edgar Filing: PERINI CORP - Form DEF 14A

If a quorum is present, the affirmative vote of a plurality of the votes cast at the Annual Meeting is necessary to elect each of the nominees for director. As discussed above, if your shares are held by your broker in street name, and if you do not vote your shares, your brokerage firm has authority under the rules of the NYSE to vote your unvoted shares held by the firm on proposal 1. You may vote FOR any or all director nominees and/or WITHHOLD your vote from any or all of the director nominees. Votes that are withheld and broker non-votes will not be included in the vote tally for the election of directors and will have no effect on the results of the vote.

Ratification of the selection of Deloitte & Touche as the Company's independent auditors for 2007 requires the affirmative vote of a majority of all the shares present or represented at the Annual Meeting and cast on the proposal. As discussed above, if your shares are held by your broker in street name, and if you do not vote your shares, your brokerage firm has authority under the rules of the NYSE to vote your unvoted shares on proposal 2. If you vote to ABSTAIN on proposal 2, your shares will not be voted in favor of such proposal. Abstentions and broker non-votes on proposal 2 will have no effect on such proposal.

### **STOCKHOLDER PROPOSALS FOR 2008 ANNUAL MEETING**

Any proposal of a stockholder submitted pursuant to Exchange Act Rule 14a-8 for inclusion in the Company's proxy statement and form of proxy for its 2008 Annual Meeting of Stockholders must be received by the Company on or before December 19, 2007 in order to be considered for inclusion in its proxy statement and form of proxy. Such proposals must comply with the requirements as to form and substance established by the SEC if such proposals are to be included in the proxy statement and form of proxy. Any such proposal should be mailed to: Perini Corporation, 73 Mt. Wayte Avenue, Framingham, Massachusetts 01701-9160, Attn: Corporate Secretary.

The Company's By-Laws require that the Company be given advance written notice of stockholder nominations and of other matters which shareholders wish to present for action at an annual meeting of shareholders (other than matters included in the Company's proxy materials in accordance with Rule 14a-8 under the Exchange Act). Any nomination or other proposal of a stockholder intended to be presented at the Company's 2008 Annual Meeting of Stockholders, other than stockholder proposals submitted pursuant to Exchange Act Rule 14a-8, must be received by us not earlier than November 19, 2007, nor later than March 5, 2008. If a stockholder fails to provide timely notice of a proposal to be presented at the 2008 Annual Meeting, the proxies designated by the Company's Board of Directors will have discretionary authority to vote on any such proposal which may come before the meeting. In addition, stockholder proposals and director nominations must comply with the requirements of our By-Laws. Any such proposal should be mailed to: Perini Corporation, 73 Mt. Wayte Avenue, Framingham, Massachusetts 01701-9160, Attn: Corporate Secretary.

## CORPORATE GOVERNANCE

Perini has developed Corporate Governance Guidelines and a Code of Business Conduct and Ethics to outline our commitment to carefully govern the operation of our business and compliance with applicable laws and regulations, while maintaining the highest of ethical standards. Perini's Corporate Governance Guidelines and Code of Business Conduct and Ethics are available on the Company's website at <http://www.perini.com>. In order to access this portion of our website, click on the Corporate Governance tab. Interested parties may obtain printed copies of these documents by writing to the Investor Relations Department of the Company at 73 Mt. Wayte Avenue, Framingham, MA 01701. Any amendments to, or waivers of, the Code of Business Conduct and Ethics which applies to our Directors, Chief Executive Officer, Chief Operating Officer, Chief Financial Officer or any person performing similar functions will be disclosed on our website promptly following the date of such amendment or waiver.

## **Our Board of Directors**

Our affairs are managed under the direction of our Board of Directors. Our Directors serve until their successors are duly elected and qualified or until their earlier resignation, removal or disqualification. There are no family relationships between our directors and executive officers. For certain relationships between Perini and our directors see *Certain Transactions*.

Our Board currently has nine directors. Six of these Directors (Mr. Oneglia, Mr. Klein, Mr. Brittain, Mr. Miller, Mr. Kennedy, and Mr. Arkley) are independent, as defined by the New York Stock Exchange listing standards and as affirmed by the Board of Directors. In considering the independence of the various members of the Board, the Directors considered in particular the relationship between O&G Industries, Inc., of which Mr. Oneglia is Vice Chairman of the Board of Directors and a principal stockholder, and Perini including the construction joint ventures between Perini and O&G Industries. Because (1) the joint ventures are formed for the limited purposes of performing specific contractual requirements for owners as is commonplace in the construction business, (2) Mr. Oneglia is not personally involved in the management of these joint ventures, and (3) Perini and O&G have an equal vote in the governance of such joint ventures, the Board determined that the joint ventures did not impact Mr. Oneglia's independence from Perini management. No other independent directors had relationships with Perini other than in their capacities as directors. The non-management directors of the Board meet in executive session without management on a regularly scheduled basis, at least twice annually or as many times as they deem necessary. Meetings of the non-management directors are chaired by a Lead Director, who is nominated by the Corporate Governance and Nominating Committee and appointed by the independent directors. Mr. Klein is currently the Lead Director.

The Board of Directors met four times during 2006. During 2006 all of our Directors attended at least 75% of the meetings of our Board of Directors and committees of which they are members, except Mr. Arkley who attended 62.5% of such meetings. The members of the Board are encouraged to attend our annual stockholders' meetings. Six directors attended the 2006 Annual Stockholders' meeting.

## **Communications with the Board**

The Board welcomes the submission of any comments or concerns from stockholders and other interested parties. Communications should be addressed to Perini Corporation, 73 Mt. Wayte Avenue, Framingham, MA 01701 and marked to the attention of the Board or any of its committees or individual directors.

Each member of the Committee is an independent director, as defined by the New York Stock Exchange and as affirmed by the Board. The Corporate Governance and Nominating Committee met four times during 2006. The duties of the Corporate Governance and Nominating Committee include:

- § Identifying individuals qualified to become directors and recommending to the Board the persons to be nominated for election as directors at the annual meeting of stockholders;
- § Recommending director nominees for each committee of the Board and nominees for Chair of each committee;
- § Evaluating the independence of each Board member and so advising the Board;

## THE AUDIT COMMITTEE REPORT

Pursuant to rules adopted by the SEC designed to improve disclosures related to the functioning of corporate audit committees and to enhance the reliability and credibility of financial statements of public companies, the Audit Committee of the Company's Board of Directors submits the following report.

The primary duties and responsibilities of the Audit Committee (the Committee), which met nine times during the past fiscal year, are to oversee:

1. The integrity of the Company's internal controls, financial systems and financial statements;
2. Compliance by the Company with legal and regulatory requirements; and
3. The independence and performance of both the Company's internal and external auditors.

We meet with management periodically to consider the adequacy of the Company's internal controls, as well as compliance with Sarbanes Oxley Section 404, and the objectivity of the Company's financial reporting. We discuss these matters with the Company's independent auditors and with appropriate Company financial personnel and internal auditors.

We meet privately with both the independent auditors and the internal auditors, as required, each of whom has unrestricted access to the Committee.

We also appoint the independent auditors and review periodically their performance and independence from management. As in prior years, the independent auditors are invited to be present at our Annual Meeting of Stockholders.

The Directors who currently serve on the Committee meet the independence and experience requirements of the New York Stock Exchange, and have been so affirmed by the Board. In connection therewith, the Board of Directors has determined that none of us has a relationship to Perini Corporation that may interfere with our independence from the Company and its management. The Board of Directors has designated Willard W. Brittain Jr. as the Audit Committee Financial Expert, based in part on review of his qualifications.

The Board has adopted a written charter setting forth the duties and responsibilities the Committee is to perform, which we review annually and revise as appropriate.

Management has primary responsibility for the Company's financial statements and the overall reporting process, including the Company's system of internal controls, and compliance with Sarbanes Oxley Section 404.

Edgar Filing: PERINI CORP - Form DEF 14A

The independent auditors audit the effectiveness of the internal controls over financial reporting as well as annual financial statements prepared by management, express an opinion as to whether those financial statements fairly present the financial position, results of operations and cash flows of the Company in conformity with accounting principles generally accepted in the United States and discuss with us any issues they believe should be raised with us.

## Edgar Filing: PERINI CORP - Form DEF 14A

This year, we reviewed the Company's audited financial statements and met with both management and Deloitte & Touche LLP, the Company's independent auditors, to discuss those financial statements. Management has represented to us that the financial statements were prepared in accordance with accounting principles generally accepted in the United States.

We reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of the audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of our accounting principles and such other matters as are required to be discussed with the Audit Committee under generally accepted accounting standards. In addition, we have received from and discussed with Deloitte & Touche LLP the written disclosure and the letter required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees. These items relate to that firm's independence from the Company. We also discussed with Deloitte & Touche LLP any matters requiring discussion per the standards of the Public Company Accounting Oversight Board, including those required by Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended.

We have considered and determined that the provision of the non-audit services included in Fees Paid to Audit Firm on page 23 is compatible with maintaining Deloitte & Touche LLP's independence.

Based on these reviews and discussions, we recommended to the Board that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2006.

**THE COMPENSATION COMMITTEE REPORT**

During 2006, the Compensation Committee of the Board of Directors of the Company consisted of three Directors, each of whom is independent under the rules of the New York Stock Exchange. The Committee met seven times during 2006.

The Compensation Committee has reviewed and discussed with management the Compensation Discussion and Analysis ( CD&A ) for the year ended December 31, 2006. In reliance on those reviews and discussions, the Committee has recommended to the Board, and the Board has approved, that the CD&A be included in the proxy statement for the year ended December 31, 2006 for filing with the SEC.

**COMPENSATION DISCUSSION AND ANALYSIS**

**Compensation Philosophy**

Our executive compensation program is intended to attract and retain talented executive officers and key employees who will continue to contribute to the long-term success of the Company. We believe that it is important to tie compensation to the Company's operating and financial goals, thereby aligning more closely the interest of management with that of our stockholders. We are mindful of the limited pool of available talent and consider competitive conditions when determining compensation.

In 2004, the Compensation Committee commissioned Watson Wyatt to perform an executive compensation review with respect to its key executives. The Committee used the results of this study to set a benchmark for our executives to be compensated at the 50-75<sup>th</sup> percentile among relevant competitors. Competitors cited in the study included Washington Group International, Shaw Group, Fluor Corp. and URS Corp., among others. Although the study has not been formally updated since 2004, the Committee has used this data, updated based on management's and the Committee's understanding of trends in the construction industry, as a basis for its decisions. The Committee intends to have the study updated in 2007.

**Elements of Compensation**

*Base Salary*

Base salaries for our executives are based on the scope of their responsibilities, considering competitive compensation for similar positions. We believe that our executive salaries should be targeted in the 50<sup>th</sup> - 75<sup>th</sup> percentile of executives in similar positions. An executive with unique talents and background, components of which are critical to our success, will generate a salary in the upper portion of that range.

Mr. Tutor is compensated through a Management Agreement with Tutor-Saliba Corporation (see page 22). The Compensation Committee applies similar methodology to determining payments under this agreement as it does to setting executive salary levels.

## Edgar Filing: PERINI CORP - Form DEF 14A

Base salaries are reviewed annually, and adjustments made based on responsibilities, performance and competitive conditions. In 2007, our executive officers received salary increases ranging from zero to 17.6%.

### *Incentive Compensation Plans*

We have an incentive compensation plan for certain employees at the corporate level (The Perini Corporation Amended and Restated (2004) General Incentive Compensation Plan), or corporate plan, and an incentive compensation plan for certain employees at the business unit level (The Perini Corporation Amended and Restated (2004) Construction Business Unit Incentive Compensation Plan), or business unit plan. Under these plans, eligibility and designated levels of participation are determined by our Compensation Committee. Eligibility to participate under the corporate plan is limited to individuals who are executives, managers and key employees at the corporate level and eligibility to participate under the business unit plan is limited to individuals who are managers and key employees at our construction business unit level. We believe that the incentive and eventual payments provided by these plans are instrumental to the achievement of our annual goals.

Under the terms of the plans, participants can receive incentive compensation awards ranging from zero to as much as 100% of base salary. In addition, the Compensation Committee has the authority, when appropriate, to make discretionary incentive compensation awards to reward outstanding performance. Because we believe incentives should be based on achievement of overall company objectives, awards are based on established corporate goals, levels of achievement of these goals and the base salaries and individual bonus limits assigned to the participants. The actual incentive compensation amounts available to participants at a business unit are based on the level of achievement of the corporate goal applied to the profit generated by that business unit. For 2006 and 2007, the corporate goals under the plan are based on pretax income, and were set by the Compensation Committee with input from management at a level the Company believes can be achieved with a high level of effort. No amount attributed to a participant in the plans becomes vested until the Compensation Committee approves the payment, usually in March following the year earned. In 2007, the Compensation Committee approved a total payout under these plans of \$11.2 million to 88 participants. Incentive compensation for the Named Executive Officers is included in the Summary Compensation Table under the "Non-Equity Incentive Plan Compensation" column.

In 2007, the Compensation Committee made discretionary awards under this plan to Ronald N. Tutor (\$800,000) and Robert Band (\$250,000) in recognition of their roles in the Company's success in executing its record backlog during 2006.

### *Long-Term Incentives*

We believe that providing long-term incentives to our employees is an essential step toward achieving our corporate goals of retaining talented executives and key management employees and maximizing value to our stockholders. Our 2004 Stock Option and Incentive Plan allows for stock-based compensation awards to key executives, employees, directors and other key persons. The plan allows these stock-based awards to be granted in a variety of forms including stock options, stock appreciation rights, restricted stock awards, unrestricted stock awards, deferred stock awards and dividend equivalent rights. In 2006, a total of 1,295,000 restricted stock units were granted to 31 executives and key employees. Of these, 550,000 units vest upon satisfaction of pretax profit goals for 2006, 2007 or 2008, while the remaining 745,000 will be time-vested. These grants, which vest at various dates through January 2010, are intended to retain and motivate these key members of management throughout the execution of our record level of backlog.

## Edgar Filing: PERINI CORP - Form DEF 14A

Section 162(m) of the Internal Revenue Code of 1986, as amended, generally disallows a tax deduction to public companies for certain compensation in excess of \$1 million paid to the company's Chief Executive Officer and the four other most highly compensated executive officers. Certain compensation, including qualified performance-based compensation, will not be subject to the deduction limit if certain requirements are met. The Compensation Committee reviews the potential effect of Section 162(m) periodically and uses its judgment to authorize compensation payments that may be subject to the limit when the Compensation Committee believes such payments are appropriate and in the best interests of the company and its stockholders, after taking into consideration changing business conditions and the performance of its employees.

Although we have used stock options as a long-term incentive vehicle in the past, we have not used this form of compensation since 2001 and we do not have present plans to do so.

### *Retirement Benefits*

We believe it is imperative that employees provide for their retirement years and believe that it is our obligation to contribute as well. Attractive retirement benefits are essential when competing in the marketplace for talented and qualified employees.

We have a tax-qualified Section 401(k) Retirement Plan covering all of our executive, professional, administrative and clerical employees who are over 21 years of age and who have completed three months of service with us. Employer contributions into the 401(k) plan are based on a non-discretionary match of employees' contributions, as defined. The Compensation Committee reviews the employer match formula periodically, comparing the formula to that of similar companies, and improves the formula when it deems appropriate; the most recent change was effective in January, 2007.

We also have a defined benefit pension plan for all of our full-time employees who were employed prior to June 1, 2004 when the plan was frozen, meaning that "final average earnings" and "years of service" will remain at the June 1, 2004 level for purposes of calculating future benefits. To the extent covered remuneration is limited by the Internal Revenue Code of 1986, as amended, certain pension benefits payable have been augmented based on our Benefit Equalization Plan, which was also frozen at June 1, 2004. Following the freezing of the pension plan, in 2004 the Compensation Committee voted to improve the Company's contribution toward employees' retirement by enhancing the 401(k) match formula.

(2) These amounts represent payments made in 2007, based on attainment of pretax income goals in 2006 under our incentive compensation plans discussed on page 13. Mr. Tutor and Mr. Band received discretionary payments of \$800,000 and \$250,000, respectively, in addition to the amounts payable under the plan formula.

## Edgar Filing: PERINI CORP - Form DEF 14A

- (3) The Company has a non-contributory defined benefit pension plan for all of our full-time employees prior to June 1, 2004 when the plan was frozen, meaning that final average earnings and years of service will remain at the June 1, 2004 level for purposes of calculating future benefits. Certain pension benefits payable have been augmented by a benefits equalization plan, or BEP, which was also frozen on June 1, 2004. The amounts presented here represent the difference between the present value of the benefits payable from the pension plan and the BEP as of December 31, 2006, as compared to December 31, 2005. The present values were calculated using the discount rates used to compute our pension benefit obligations at year end, which were 5.86% and 5.62% for December 31, 2006 and 2005, respectively. As the plans are frozen the change in pension value above is primarily caused by the change in the discount rate and the present value effect of the individual being one year closer to normal retirement age. Mr. Tutor does not participate in these plans.
- (4) The \$879,200 listed for Mr. Tutor represents management service fees paid to Tutor-Saliba Corporation of which Mr. Tutor is the Chairman, President, Chief Executive Officer and sole stockholder. See Certain Transactions on pages 21 and 22.

The \$84,100 listed for Mr. Shaw includes living expenses (\$38,050), company vehicle use (\$29,700) and club membership dues. It also includes his 401(k) match and life insurance premiums.

The \$50,900 listed for Mr. Ciskey includes living expenses and company vehicle use. It also includes his 401(k) match and life insurance premiums.

The \$27,300 listed for Mr. Band includes his use of a company vehicle and club membership dues. It also includes his 401(k) match and life insurance premiums.

The \$79,400 listed for Mr. Caspers includes company vehicle use, living expenses, travel allowance and club membership dues. It also includes his 401(k) match and life insurance premiums.

The Non-Equity Incentive Plan is discussed on page 13. These awards were granted in March, 2006 contingent upon the attainment of 2006 pretax income goals. The related goals were established by the Compensation Committee upon consultation with management, and were set at a level that the Committee believed was achievable with a high level of effort. The goals were met, and the Committee voted to make the maximum payout according to the plan formula to the above individuals in April, 2007. In addition, the Compensation Committee approved discretionary payouts beyond the maximum provided by the formula in the amounts of \$800,000 to Mr. Tutor and \$250,000 to Mr. Band.

The Equity Incentive Plan, the 2004 Stock Option and Incentive Plan, is discussed under Long-Term Incentives on pages 13 and 14. The restricted stock awards above are valued at \$31.55, the closing price of our common stock on the date of grant, in accordance with FAS123(R). These awards vest at various times through January 1, 2010 and contain a mixture of time-based and performance-based criteria for vesting purposes. One third of the total award to Mr. Tutor above, or 150,000 shares, vested during 2006 and are also included in the Option Exercise and Stock Vested table on page 18.

The Company has a defined benefit pension plan that covers its executive, professional, administrative and clerical employees, subject to certain specified service requirements. The plan is noncontributory and benefits are based on an employee's years of service and final average earnings, as defined. The plan provides reduced benefits for early retirement and takes into account offsets for social security benefits. All employees are vested after five years of service. The Company also has an unfunded supplemental retirement plan (the Benefits Equalization Plan, or BEP) for certain employees whose benefits under the defined benefit pension plan were reduced because of compensation limitations under federal tax laws.

The normal retirement benefit is equal to:

.75% of final average earnings, as defined, not in excess of covered compensation (as defined), multiplied by years of service, up to 25; plus

1.5% of final average earnings, as defined, in excess of covered compensation (as defined), multiplied by years of service, up to 25.

Our plans provide for early retirement upon either the attainment of age 55 and 10 years of service, or the completion of 25 years of service. Accordingly, Mr. Ciskey, Mr. Shaw and Mr. Band are all currently eligible for early retirement benefits. Under our plans, a participant who elects early retirement may elect to receive either an immediate early retirement income or a deferred benefit. Upon the attainment of age 62 and completion of 25 years of service, the participant may receive the normal benefit under the plan. A reduced benefit is available for a participant who elects early retirement and wishes to receive benefits prior to age 62.

Effective June 1, 2004, all benefit accruals under the Company's pension plans were frozen; however, the current vested benefits will be preserved.

## **Directors' Compensation**

Our Compensation Committee determines the level of compensation to be paid to our Board. Periodically, they review the functions being performed by the Board and its committees, as well as the board compensation paid by similar companies, in order to determine whether an adjustment should be made.

Fees for our outside directors consist of an annual retainer fee of \$40,000, payable in cash or common stock at each director's option, plus 1,000 shares of common stock. Fees paid in company stock are included in the "Stock Awards" column above. They also receive \$900 per Board meeting attended in person and \$300 per meeting attended telephonically. Members of the Audit Committee receive \$2,000 per meeting attended in person and \$500 per meeting attended telephonically. The Audit Committee Chair receives an additional retainer of \$10,000. Members of the Compensation and Corporate Governance and Nominating Committees receive a fee of \$900 per meeting attended in person and \$300 per telephonic meeting. Ronald N. Tutor, our Chairman and Chief Executive Officer, has opted to receive no director fees since he is party to a management agreement described in "Certain Transactions" on page 22.

At year end Mr. Kennedy had exercisable stock options representing 3,000 shares, and Mr. Band had exercisable stock options representing 100,000 shares of our company stock. No other directors had outstanding stock options.

## **Director and Officer Indemnification**

Our charter provides that no director shall be personally liable to us or to our stockholders for monetary damages for breach of fiduciary duty as a director, except for liability for any breach of the director's duty of loyalty to us or our stockholders, for acts or omissions not in good faith, for acts or omissions involving intentional misconduct or a knowing violation of law or for any transaction from which the director derived an improper personal benefit. Our By-Laws provide that our directors and officers will be indemnified against liabilities that arise from their service as directors and officers, subject to certain exceptions. We have obtained insurance which insures our directors and officers against certain losses and which insures us against our obligations to indemnify our directors and officers.

## **COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION**

None of our executive officers serves as a member of the board of directors or compensation committee, or other committee serving an equivalent function, of any other entity that has one or more of its executive officers serving as a member of our Board of Directors or Compensation Committee. During 2006, we participated in certain joint ventures with O&G Industries, Inc., of which Raymond R. Oneglia, a member of the Compensation Committee, is Vice Chairman of the Board of Directors. Our share of these joint ventures contributed \$37.9 million to our consolidated revenues for the year ended December 31, 2006.

## **CERTAIN TRANSACTIONS**

Our Audit Committee is responsible for reviewing and approving the terms and conditions of all related party transactions. Any such material financial transactions are reviewed and approved by our Audit Committee prior to entering into such transaction. Our Audit Committee also reviews annually all potential exceptions to our Business Conduct and Conflict of Interest Policy and ratifies management's disposition of such items. Our Board of Directors also reviews and approves our proxy statement and the information contained therein.

We believe that the transactions described below were on terms that were at least as favorable to us as we would have expected to negotiate with other unaffiliated third parties at the point in time these transactions were consummated.

### **Tutor-Saliba Management Agreement**

In January 1997, we entered into a management agreement with Tutor-Saliba, a California corporation engaged in the construction industry, and Ronald N. Tutor, chief executive officer and sole stockholder of Tutor-Saliba, to provide certain management services. The management agreement has been renewed annually by our Compensation Committee, which consists entirely of independent directors, under the same basic terms and conditions as the initial agreement except that the amount of the fee payable thereunder by us to Tutor-Saliba was increased effective January 1, 2000, from \$150,000 to \$250,000 per year and effective January 1, 2004, from \$250,000 to \$375,000 per year. In the fourth quarter of 2004, the Compensation Committee increased the fee to \$800,000 based on the findings of an executive compensation study commissioned from Watson Wyatt, a nationally recognized independent consulting firm. In March, 2006 the Compensation Committee voted to increase the annual fee to \$900,000, and in March of 2007 voted to increase the annual payment to \$1,000,000. Effective December 31, 2001, Mr. Tutor was included as a participant in our incentive compensation plan. Since January 17, 1997, Mr. Tutor has been a member of our Board of Directors and an officer of Perini and effective July 1, 1999 was elected Chairman of our Board of Directors and effective March 29, 2000 was elected Chairman and Chief Executive Officer.

### **Joint Ventures**

#### *Tutor-Saliba Joint Ventures*

Historically, we have participated in joint ventures with Tutor-Saliba and currently participate in certain joint ventures with them. Some of these joint venture projects have been managed by Tutor-Saliba and others have been managed by us. These joint ventures generated total revenues of \$58.0 million in 2006 of which our share contributed \$40.5 million to our consolidated revenues for the year ended December 31, 2006.

### **SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE**

Section 16(a) of the Securities Exchange Act of 1934 requires our Executive Officers and Directors, and persons who own more than 10% of a registered class of Perini's equity securities (collectively, "Insiders"), to file reports of ownership and changes in ownership with the SEC. Insiders are required by SEC regulations to furnish Perini with copies of all Section 16(a) reports they file. Based solely upon a review of the copies of such reports furnished to us, we believe that during 2006 all Section 16(a) filing requirements applicable to its Insiders were met.

**Pre-Approval Policy and Procedures**

The Audit Committee has adopted policies and procedures relating to the approval of all audit and non-audit services that are to be performed by the Company's independent auditors. This policy generally provides that the Company will not engage its independent auditors to provide audit and non-audit services unless the service is specifically approved in advance by the Audit Committee or the engagement is entered into pursuant to one of the pre-approval procedures described below.

From time to time, the Audit Committee may pre-approve specified types of services that are expected to be provided to the Company by its independent auditors during the next 12 months. Any such pre-approval is detailed as to the particular service or type of service to be provided and is also generally subject to a maximum dollar amount.

The Audit Committee has also delegated to the chair of the Audit Committee the authority to approve any audit or non-audit services to be provided to the Company by its independent auditors. Any approval of services by the Chairman of the Audit Committee pursuant to this delegated authority is reported on at the next meeting of the Audit Committee.

**PROPOSAL 2**

**RATIFICATION OF APPOINTMENT OF AUDITORS**

Our Audit Committee has selected the firm of Deloitte & Touche LLP, independent registered public accounting firm, as our auditors for the fiscal year ending December 31, 2007. Although stockholder approval of the selection of Deloitte & Touche LLP is not required by law, our Board of Directors believes that it is advisable to give stockholders an opportunity to ratify this selection. If this proposal is not approved by our stockholders at the 2007 annual meeting, our Audit Committee will reconsider their selection of Deloitte & Touche LLP.

Representatives of Deloitte & Touche LLP will be present at the Annual Meeting, will have the opportunity to make a statement if they so desire and will be available to answer appropriate questions.

**The Board recommends a vote FOR ratification of the appointment of Deloitte & Touche LLP as independent auditors for Perini for the fiscal year ending December 31, 2007.**

If the shares you own are held in street name by a bank or brokerage firm, your bank or brokerage firm will provide a vote instruction form to you with this proxy statement, which you may use to direct how your shares will be voted. Many banks and brokerage firms also offer the option of voting over the Internet or by telephone, instructions for which would be provided by your bank or brokerage firm on your vote instruction form.

Management hopes that stockholders will attend the meeting. Whether or not you plan to attend, you are urged to vote your shares over the Internet or by telephone, or complete, date, sign and return the enclosed proxy card in the accompanying postage-paid envelope. A prompt response will greatly facilitate arrangements for the meeting and your cooperation will be appreciated.
