Item 8.01 - Other Events

During the March 31, 2015 quarter, DENTSPLY International Inc. and Subsidiaries ("DENTSPLY" or the "Company") realigned reporting responsibilities for multiple locations among its operating segments to correspond with changes to the management structure. DENTSPLY began to report under the new structure effective with the filing of its Quarterly Report on Form 10-Q for the three months ended March 31, 2015.

During the June 30, 2015 quarter, the Company adopted new accounting guidance regarding the simplification of the presentation of debt issuance costs. This newly issued accounting guidance requires that debt issuance costs related to a recognized debt liability be presented in the balance sheet as a direct reduction from the carrying amount of that debt liability. Adoption of this new guidance results only in changes to the presentation of certain notes in the financial statement and reclassification of certain financial statement line items in the consolidated balance sheets. DENTSPLY began to report under the new accounting guidance effective with the filing of its Quarterly Report on Form 10-Q for the three and six months ended June 30, 2015.

This Current Report on Form 8-K (this "Form 8-K") updates and supersedes the information in Items 1, 2, 6, 7 and 8 on Form 10-K for the year ended December 31, 2014 (the "2014 10-K") to reflect retrospective application of the new segments and reclassified historical results to conform to the new presentation and the retrospective application of the new accounting guidance regarding the change in accounting for debt issuance costs for all periods presented. These adjustments had no impact on net income, comprehensive income, cash flows or equity.

Except as specifically provided, the information in this Form 8-K does not reflect any event or development occurring after February 20, 2015, the date the Company filed the 2014 Form 10-K. For a discussion of events and developments subsequent to the filing of the 2014 Form 10-K, please refer to the Company's Securities and Exchange Commission ("SEC") filings since that date. In the Company's Quarterly Reports on Form 10-Q for the quarterly periods ended March 31, 2015 and June 30, 2015, the Company adjusted the unaudited consolidated financial statements for the three months ended March 31, 2014 and for the three and six months ended June 30, 2014 to reflect the retrospective application of the Company's new segments and adjusted the December 31, 2014 and March 31, 2015 unaudited consolidated balance sheets for the adoption of the new accounting guidance. Accordingly, DENTSPLY is filing this Form 8-K so that the annual financial statement information for years prior to January 1, 2015 incorporated by reference in any document that the Company has filed or may file from time to time with the SEC would reflect the Company's realigned reporting responsibilities for multiple locations among its operating segments and adoption of the new accounting guidance.
