## Item 1.01 Entry into a Material Definitive Agreement.

On September 30, 2014, TETRA Technologies, Inc. (“TETRA” or the “Company”) and certain of its subsidiaries entered into an Agreement and Third Amendment to Credit Agreement (the “Third Amendment”) with JPMorgan Chase Bank, N.A., as administrative agent, and the lenders party thereto. The Third Amendment amends the Company’s credit facility that was set to expire on October 29, 2015 by extending the maturity date of the credit facility until September 30, 2019. The Third Amendment also decreased the revolving commitments from \$278 million to \$225 million, revised certain financial covenants and the range of applicable interest rate spreads, and added provisions to address recent changes in applicable laws. The facility remains unsecured and guaranteed by certain of the Company’s material domestic subsidiaries.

Borrowings under the facility generally bear interest at the British Bankers Association LIBOR rate plus an additional spread based on the table below:

Leverage Ratio	Eurocurrency Spread	ABR Spread	Commitment Fee Rate
Category 1: greater than or equal to 3.00 to 1	2.75%	0.00%	0.50%
Category 2: greater than or equal to 2.50 to 1 but less than 3.000 to 1	2.50%	0.00%	0.50%
Category 3: greater than or equal to 2.00 to 1 but less than 2.50 to 1	2.25%	0.00%	0.35%
Category 4: greater than or equal to 1.50 to 1 but less than 2.00 to 1	2.00%	0.00%	0.30%
Category 5: greater than or equal to 1.00 to 1 but less than 1.50 to 1	1.75%	0.00%	0.25%
Category 6: less than 1.00 to 1	1.50%	0.00%	0.225%

The leverage ratio is the ratio of the Company’s funded indebtedness as of the date of determination to the Company’s consolidated EBITDA, pro forma for any acquisitions or capital expenditures, for the preceding four quarters. The Third Amendment amended the leverage ratio financial covenant to provide that the leverage ratio may not exceed (i) 3.5 to 1 as of September 30, 2014, December 31, 2014, March 31, 2015 and June 30, 2015, (ii) 3.25 to 1 as of September 30, 2015 and December 31, 2015, and (iii) 3.0 to 1 as of the last day of any subsequent fiscal quarter.

The amount of capital expenditures and acquisitions permitted in any fiscal year by the Company or any restricted subsidiary was further restricted in the Third Amendment in the event the pro forma leverage ratio, after giving effect to any such capital expenditure or acquisition, would be greater than 3.0 to 1. In such event, the aggregate amount of all capital expenditures and acquisitions in any fiscal year shall not exceed \$150,000,000 and the aggregate amount of all acquisitions shall not exceed \$30,000,000 in any fiscal year until such subsequent fiscal quarter when the pro forma leverage ratio as of the date of any applicable acquisition would be less than or equal to 3.0 to 1.

Consolidated net earnings under the credit facility is the aggregate of the net income (or loss) of the Company and the consolidated restricted subsidiaries, including cash dividends and distributions (not the return of capital) received from persons other than consolidated restricted subsidiaries and after allowances for taxes for such period determined on a consolidated basis in accordance with GAAP, excluding certain items more specifically described therein. This definition of consolidated net earnings was modified from excluding, among other things, all extraordinary and nonrecurring gains and losses from such calculation, to only excluding an amount of extraordinary and nonrecurring gains and losses up to 25% of EBITDA beginning with the four quarter period ended September 30, 2015.

The foregoing discussion is qualified in its entirety by reference to the complete text of the Third Amendment, a copy of which is attached as Exhibit 10.1 and incorporated by reference.
