ITEM 8.01. Other Events

During the first quarter of 2014, IAC/InterActiveCorp (the "Company" or the "Registrant") realigned its reportable segments as follows:

The Company created a new segment called The Match Group that includes Match, which was previously reported as its own separate segment, and DailyBurn and Tutor, which were previously in the Media and Other segments, respectively.

The businesses within the Local segment (HomeAdvisor, Felix and, for periods prior to July 1, 2013, CityGrid Media) were moved to the eCommerce segment, formerly called the Other segment.

There were no changes to the Search & Applications segment.

In addition, the Company introduced Adjusted EBITDA, a new non-GAAP financial measure, beginning with the first quarter of 2014. Going forward, the Company plans to regularly report Adjusted EBITDA and will no longer report Operating Income Before Amortization. We believe Adjusted EBITDA is a useful measure for analysts and investors as this measure allows a more meaningful comparison between our performance and that of our competitors. Moreover, our management uses this measure internally to evaluate the performance of our business as a whole and our individual business segments.

Lastly, during the first half of 2014 certain domestic subsidiaries of the Company were named as guarantors of our 4.875% Senior Notes due November 30, 2018 and 4.75% Senior Notes due December 15, 2022.

The following items of the 2013 Form 10-K are being updated retrospectively to reflect the above-mentioned changes in the Company's reportable business segments, new non-GAAP measure and changes in the Company's guarantors:

1. Part II - Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations
2. Part II - Item 8. Consolidated Financial Statements and Supplementary Data:
  - Note 1 - Organization
  - Note 2 - Summary of Significant Accounting Policies
  - Note 6 - Goodwill and Intangibles Assets
  - Note 15 - Segment Information
  - Note 22 - Guarantor and Non-Guarantor Financial Information

The above sections, as updated, are included in Exhibit 99.1 to this Current Report on Form 8-K and are incorporated herein by reference. This Current Report on Form 8-K should be read in conjunction with the 2013 Form 10-K, provided that the foregoing sections supersede the information included in "Management's Discussion and Analysis of Financial Condition and Results of Operations," and "Consolidated Financial Statements and Supplementary Data" contained in the 2013 Form 10-K. More current information is contained in the Company's Quarterly Reports on Form 10-Q for the quarterly period ended March 31, 2014 (the "Form 10-Q") as filed with the SEC.
