PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Industrial Services of America, Inc., a Florida corporation (the "Company"), to be used at the 2001 Annual Meeting of Shareholders of the Company to be held at 10:00 A.M. (Eastern Daylight Time) on Thursday, May 24, 2001, and at any and all adjournments thereof, for the purposes set forth in the accompanying Notice of the meeting.

Shares represented by duly executed proxies in the accompanying form received prior to the meeting and not revoked will be voted at the meeting or at any adjournments within 120 days thereof in accordance with the choices specified on the ballot. If no choices are specified, it is the intention of the persons named as proxies in the accompanying form of proxy to vote for (i) the nominees for election as directors; and (ii) the ratification of independent auditors for the 2001 fiscal year. Such proxy may be revoked by the person executing it at any time before the authority thereby granted is exercised by giving written notice to the Secretary of the Company, by delivery of a duly executed proxy bearing a later date or by voting in person at the meeting. Attendance at the meeting will not have the effect of revoking a proxy unless the shareholder so attending so notifies the secretary of the meeting in writing prior to voting of the proxy.

The expenses of soliciting proxies for the Annual Meeting, including the cost of preparing, assembling and mailing this proxy statement and the accompanying form of proxy, will be borne by the Company. Such expenses, however, do not include any salaries and wages of officers and employees of the Company who participated in the preparation, assembling and mailing of the proxy statement. In addition to the solicitation of proxies by mail, certain officers and regular employees of the Company, without additional compensation, may use their personal efforts, by telephone or otherwise, to obtain proxies. The Company will also request persons, firms and corporations holding shares in their names, or in the names of their nominees, which shares are beneficially owned by others, to send this proxy material to and obtain proxies from such beneficial owners, and will reimburse such holders for their reasonable expenses in so doing.

The presence in person or by proxy of shareholders holding a majority of the outstanding shares of the Company's Common Stock will constitute a quorum for the transaction of all business at the Annual Meeting. A shareholder voting for the election of directors may withhold authority to vote for all nominees for directors or may withhold authority to vote for certain nominees for directors. A shareholder may also abstain from voting on the proposal to ratify the selection of independent auditors for the 2001 fiscal year. Votes withheld from the election of any nominee for director and abstentions from any other proposal will be treated as shares that are present and entitled to vote for purposes of determining the presence of a quorum, but will not be counted in the number of votes cast on any matter. If a broker does not receive voting instructions from the beneficial owner of shares on a particular matter and indicates on the proxy that it does not have discretionary authority to vote on that matter, those shares will not be considered as present and entitled to vote with respect to that matter.

This proxy statement and the accompanying form of proxy are being mailed to shareholders commencing on or about April 26, 2001.

ITEM I. ELECTION OF DIRECTORS

The nominees for election as directors are Harry Kletter, Bruce A. Cannon, Ted L. Cox, David W. Lester and Jerrold R. Perchik. All nominees for election as directors currently serve as directors of the Board. All nominees with the exception of Mr. Lester were elected by the shareholders at the 2000 Annual Meeting for a term expiring at the 2001 Annual Meeting. Mr. Lester was elected upon the resignation of Mr. Joe Cohen at the Board of Directors meeting held on September 26, 2000. On April 18, 2001 the Board of Directors adopted a resolution to reduce the number of directors from seven to five. If elected, all directors will hold office until the 2002 Annual Meeting until their respective successors have been elected and qualified.

Shareholders voting at the Annual Meeting may not vote for more than the number of nominees listed in this Proxy Statement. Directors will be elected by a plurality of the total votes cast at the Annual Meeting. That is, the five nominees receiving the greatest number of votes for directors will be deemed elected directors. It is the intention of the persons named as proxies in the accompanying form of proxy (unless authority to vote therefor is specifically withheld) to vote for the election of the five nominees for directors. In the event that any of the nominees becomes unavailable (which is not now anticipated by the Company), the persons named as proxies have discretionary authority to vote for a substitute nominee designated by the present Board. The Board has no reason to believe that any of the nominees will be unwilling or unable to serve if elected.

The following table contains certain information regarding each of the nominees for election as directors at this year's annual meeting. Each of these individuals has furnished the respective information shown.

The Garber Employment Agreement is superseded by the Garber Separation Agreement (the "Separation Agreement") dated April 26, 2000, between the Company and Mr. Garber. Mr. Garber would have full use of the automobile then in his possession and assigned to him, the title to which the Company transferred to him at no cost on or before April 30, 2001. The Company continued to maintain insurance at the levels effective on April 26, 2000 and licensing until title was transferred. Mr. Garber retains his options to purchase 125,000 shares of common stock under the terms and conditions set forth in the Garber Employment Agreement. The Company continued Mr. Garber's family health insurance coverage under the Company's group health insurance plan after May 1, 2000, and the Company agreed to pay the cost of Mr. Garber's health insurance premium for coverage through and including November 30, 2001.

Certain Transactions

K & R Lease; K & R Consulting Agreement

On February 16, 1998 the Company's Board of Directors ratified and formalized an existing relationship in connection with (i) the leasing by the Company of its facilities from K & R and (ii) the provision of consulting services from K & R to the Company. K & R is an affiliate of the Company and Harry Kletter, the Company's Chairman of the Board and Chief Executive Officer, is the sole shareholder of K & R.

Lease Agreement. The Lease Agreement (the "K & R Lease"), effective as of January 1, 1998, between K & R, as landlord, and the Company, as lessee, covers approximately 20.5 acres of land and the improvements thereon, which are located at 7100 Grade Lane in Louisville, Kentucky (the "Leased Premises"). The principal improvements consist of an approximately 22,750 square foot building used as the Corporate Office, an approximately 8,286 square foot building used for CWS offices, an approximately 13,995 square foot used as the paper recycling plant, an approximately 12,000 square foot building used for metals recycling plant, and an approximately 51,760 square foot building used as the recycling offices and warehouse space, with the remaining 15,575 square feet of space contained in five (5) buildings ranging in size from approximately 8,000 to 256 square feet. The initial term of the K & R Lease is for ten years with two five-year option periods (the "Option Periods") available thereafter. The base rent for the first five years is \$450,000 per annum, payable at the beginning of each month in an amount equal to \$37,500 (the "Fixed Minimum Rent"). The Fixed Minimum Rent adjusts each five years, including each of the Option Periods, in accordance with the Consumer Price Index. The Fixed Minimum Rent also increases to \$750,000 per annum, in an amount equal to \$62,500 per month in the event of a "change in control" of the Company.

The Company is also required to pay, as additional rent, all real estate taxes, insurance, utilities, maintenance and repairs, replacements (including replacement of roofs if necessary) and other expenses. The Company provided a \$50,000 security deposit to K & R for performance by the Company of the terms, covenants and conditions of the K & R Lease applicable to it.

K & R Consulting Agreement. The K & R Consulting Agreement dated as of January 2, 1998 (the "K & R Consulting Agreement"), by and between the Company and K & R, remains in effect until December 31, 2007, with automatic annual renewals thereafter unless one party provides written notice to the other party of its intent not to renew at least six months in advance of the next renewal date. K & R shall provide strategic planning and development to the Company, including advice on management activities, advertising, financial planning and mergers and acquisitions (the "K & R Consulting Activities"). The Company shall be responsible for all of K & R's expenses and pay to K & R \$240,000 in equal monthly installments of \$20,000 in connection with the K & R Consulting Activities.

The K & R Consulting Agreement terminates upon a non-defaulting party providing written notice to the other party of its intent to terminate. The recipient of the notice has 10 days to cure monetary defaults and 30 days to cure non-monetary defaults (which will be extended if a cure is being diligently commenced and pursued during that 30 day period). The K & R Consulting Agreement also terminates upon the condemnation or destruction by fire or other casualty of all or substantially all of the Leased Premises. Upon termination, K & R agrees not to engage, directly or indirectly, in the business conducted by, or hire employees from, the Company for a period of five years and within 100 miles of any operation of the Company. The Company's principal shareholder and Chief Executive Officer is compensated through consulting fees pursuant to the K & R Consulting Agreement.

The K & R Consulting Agreement provides for cross-indemnification of each party by the other for acts other than negligence or willful malfeasance. The K & R Consulting Agreement further provides that K & R must maintain the confidentiality of any information of the Company not otherwise in the public domain or required to be disclosed by law.

Insurance Premiums

Mr. Cox, a director nominee, has been the President and the majority owner of Ryan since 1988. Ryan sells and services property casualty insurance policies for industrial and commercial businesses, including the Company. Total insurance premium costs to the Company from Ryan totaled approximately \$415,000 in 2000. Included in this figure was \$43,000 in commissions paid to Mr. Cox.

REPORT OF THE AUDIT COMMITTEE

In accordance with its written charter, a copy of which is attached as Appendix A, adopted by the Board, the Audit Committee of the Board ("Committee") assists the Board in fulfilling its responsibility for the oversight of the quality and integrity of the accounting, auditing and financial practices of the Company. In discharging its oversight responsibility as to the audit process, the Committee obtained from the independent auditors a formal written statement describing all relationships between the auditors and the Company that might bear on the auditors' independence consistent with the Independence Standards Board Standard No. 1. The Committee discussed with the auditors any relationships that may impact their objectivity and independence and satisfied itself as to the auditors' independence.

The Committee discussed on March 26, 2001 and reviewed with the independent auditors all communications required by generally accepted accounting standards, including those described in Statement of Accounting Standards No. 61, as amended, "Communication with Audit Committees," and, with and without management present, discussed and reviewed the results of the independent auditors' examination of the financial statements. The Committee also discussed the results of the internal audit examinations.

The Committee reviewed the audited financial statements of the Company with management and the independent auditors on March 26, 2001. Based upon this review, the Committee recommended to the Board that the Company's audited financial statements be included in its Annual Report on Form 10-K for the year ended December 31, 2000 for filing with the Securities and Exchange Commission.

The audit committee has considered whether the provision of these services is compatible with maintaining accounting independence.

Independent Auditors Fees

The aggregate fees billed for professional services by Crowe, Chizek and Company in 2000 for various services are as follows:

Audit Fees: \$85,000 for services rendered for the annual audit of the Company's financial statements for 2000 and the quarterly reviews of the financial statements included in the Company's Form 10-Q.

Financial Information Systems Design and Implementation Fees: \$0.00

All Other Fees: \$44,000 incurred for the preparation of state franchise and property tax forms and review of the accounting treatment of various transactions.

PERFORMANCE GRAPH

The following performance graph compares the performance of the Company's Common Stock to the Standard & Poors 500 and to a peer group for the period commencing December 1995. Since there is no nationally recognized industry index consisting of consultants in the business of retail and industrial waste management sales and service of

waste handling equipment to be used as a peer group index, the Company constructed its own peer group. This peer group is comprised of four companies which represent other public companies in the industry - Casella Waste Systems, Inc., Republic Services, Inc., Waste Connections, Inc., and Waste Holdings, Inc. The returns of each member of the peer group are weighted according to each member's stock market capitalization as of the beginning of the period measured. The graph assumes that the value of the investment in the Company's Common Stock and each index was \$100 at December 1995 and that all dividends were reinvested.

Appendix A

Industrial Services of America, Inc. Audit Committee Charter

Organization

There shall be a committee of the Board of Directors to be known as the Audit Committee. The Audit Committee shall be composed solely of directors who are independent of the management of the corporation and are free of any relationship that, in the opinion of the Board of Directors, would interfere with their exercise of independent judgment as a committee member. All committee members shall be financially literate (or shall become financially literate

within a reasonable period of time after appointment to the Audit Committee) and at least one member shall have accounting or related financial management expertise.

Statement of Policy

The Audit Committee shall provide assistance to the corporate directors in fulfilling their oversight responsibility to the shareholders, potential shareholders, and investment community relating to corporate accounting, internal controls, financial reporting and disclosure practices of the corporation, legal and ethical compliance procedures and the quality and integrity of the financial reports of the corporation. In so doing, it is the responsibility of the Audit Committee to maintain free and open means of communication between the directors, the independent auditors, the internal auditors and the financial management of the corporation. The Audit Committee shall have a clear understanding with management and with the independent auditors that the independent auditors are ultimately accountable to the Board of Directors and the Audit Committee, as representatives of the corporation's shareholders.

Responsibilities

In carrying out its responsibilities, the Board of Directors believes the policies and procedures of the Audit Committee should remain flexible, in order to best react to changing conditions and to ensure to the directors and shareholders that the corporate accounting and reporting practices of the corporation are in accordance with all requirements and are of the highest quality.

In carrying out these responsibilities, the Audit Committee will:

- Review and recommend to the Board of Directors the selection and retention of independent auditors to audit the financial statements of the corporation and its divisions and subsidiaries, or the discharge of such independent auditors. On an annual basis, the Audit Committee should review and discuss with the independent auditors all significant relationships the independent auditors have with the corporation to determine their continued independence. The Audit Committee will discuss with the independent auditors the matters included in the written disclosures required by the Independence Standards Board.
- Meet with the independent auditors and financial management of the corporation to review the scope of the proposed audit for the current year and the audit procedures to be utilized, and at the conclusion thereof review such audit, including any comments or recommendations of the independent auditors. The Audit Committee will also approve the estimated cost of the annual audit and the level and scope of non-audit services provided by the independent auditors.
- Review with the independent auditors, the corporation's internal auditors, and financial and accounting personnel the adequacy and effectiveness of the accounting and financial controls of the corporation, and adopt any recommendations for the improvement of such internal control procedures or particular areas where new or more detailed controls or procedures are desirable. Particular emphasis should be given to the adequacy of such internal controls to expose any payments, transactions or procedures that might be deemed illegal or otherwise improper.
- Review the internal audit function of the corporation including the independence and authority of its reporting obligations, the proposed audit plans for the coming year, and the coordination of such plans with the independent auditors.
- Receive prior to each meeting, a summary of findings from completed internal audits and a progress report on the proposed internal audit plan, with explanations for any deviations from the original plan.

- Review the financial statements contained in the annual report to shareholders with management and the independent auditors to determine that the independent auditors are satisfied with the disclosure and content of the financial statements to be presented to the shareholders. Any changes in accounting principles should be reviewed.
- Discuss with the independent auditors the appropriateness of the accounting principles and financial disclosure practices used or proposed to be adopted by the corporation.
- Provide sufficient opportunity for the internal and independent auditors to meet with the members of the Audit Committee without members of management present. Among the items to be discussed in these meetings are the independent auditors' evaluation of the corporation's financial, accounting and auditing personnel, and the cooperation that the independent auditors received during the course of the audit. The Audit Committee should consult periodically with the independent auditors out of the presence of management about the adequacy of the corporation's internal control structure and the completeness and accuracy of the corporation's financial statements.
- Establish, review and update periodically a code of business conduct and ensure that management has established a system to enforce this code. The Audit Committee will periodically review company policy statements and procedures to determine their adherence to the corporation's code of business conduct.
- Review periodically with the corporation's counsel legal and regulatory matters that may materially affect the corporation's financial statements, compliance policies and programs.
- Conduct an appropriate review of all related party transactions on a continuing basis and review potential conflict of interest situations where appropriate.
- Review accounting, financial, human resources and management succession planning within the corporation.
- Submit the minutes of all meetings of the Audit Committee to, or discuss the matters discussed at each committee meeting with, the Board of Directors.
- Investigate any matter brought to its attention within the scope of its duties, with the power to retain outside counsel for this purpose if, in its judgment, that is appropriate.
- Review and update this Charter on an annual basis, or more frequently as appropriate.
- Perform such other duties and functions consistent with this Charter, the corporation's bylaws and governing law, as the Audit Committee or the Board of Directors deems necessary or appropriate.
